EDITORIAL

Welcome to the 2015 edition of the *United Counties League Review*. This is our 32nd edition and the fourth in the series to appear on line.

The season under review was another enthralling one in all areas, and a momentous one in particular for AFC Rushden & Diamonds who became the first club to win a domestic double of Premier Division and League Knockout Cup since Rothwell Town in 1993. Diamonds now leave us, at first team level anyway, for step 4 football in the Southern League Division One Central. Their support base – the biggest at step 5 in the 2014-15 campaign – suggests they could rise further still. We wish them well and will keep an eye on their progress. It will be interesting to see how far they can go using the fan ownership model.

Two of our newer members, first timers Thurnby Nirvana and second season side Wisbech Town, chased Diamonds home in the Premier Division. Recent recruits to the competition have for the most part proved successful additions with Oadby and Harrowby speedily progressing to the Premier Division, and Lutterworth and Peterborough Sports looking capable of doing likewise in the near future.

We will welcome two new clubs to the senior divisions for 2015-16. Kirby Muxloe have been laterally moved into the Premier Division from the Midland League after a top five finish in that competition last time out, while Peterborough League double winners Oakham United step up from step 7 to make a piece of history as our first ever Rutland representatives. I expect them to continue the trend of success enjoyed by new clubs which has certainly given the league a shot in the arm in recent seasons.

The 2014-15 campaign was a good one for Division One, with Potton and Lutterworth distinguishing themselves in the Knockout Cup and Northampton Spencer and Peterborough Sports enjoying good runs in the FA Vase. We will have a few more clubs from the lower grade playing in both the FA Cup and Vase in the new season, perhaps some more will enhance their reputations on the national stage.

Reserve football in our area, along with many others, seems to be in retreat. In 2014-15 the single Reserve Division kicked off with twenty clubs, only to lose both Blackstones and Long Buckby before the autumn was out. At season's end a couple more clubs opted for a change of structure leaving us with a further reduction in numbers. This area of our game is under pressure as the numbers of club volunteers declines.

A new development in 2014-15 was the introduction of an Under 21 Division. This had its teething troubles with a couple of clubs dropping out before the season got underway and a shortage of player numbers forced Wootton to depart in mid season. The six clubs which saw the season through did find the competition of value with competitive matches and goals galore. We have sixteen clubs lining up for 2015-16 and with many clubs pursuing the 'academy' route forward this could be an area of growth for the league in seasons to come.

To close I have to mention the contribution made to the league by our late vice chairman George Whiting who passed away in May. George had a forty year involvement with the league and its clubs. He was a highly efficient club secretary with Higham Town and Irthlingborough Diamonds. George was on the league's management committee for 34 years and vice chairman for fifteen of them in two spells. Ground grading was an area in which George had extensive involvement and the progress made in this field by so many clubs is a worthy tribute to his memory.

We are now very close to having a 100% representation in FA competitions as clubs continue to upgrade their facilities.

We'll be back in the summer of 2016 to report on the events of the 2015-16 season. Enjoy your football!

LEAGUE REVIEW

PREMIER DIVISION: DIAMONDS TAKE THE CROWN AT SECOND ATTEMPT

Ambitious AFC Rushden & Diamonds were crowned Premier Division kings at the second attempt as they booked a promotion to step 4 in only their third season in adult football.

Diamonds manager Andy Peaks had assembled a squad full of experience at higher levels and with several previous title winners in the ranks, and they started the campaign as favourites for honours along with a Holbeach squad with similar pedigree and managed by bosses with proven track records in John Chand and Graham Drury.

The Tigers made a spectacular start with a 6-1 win at Peterborough Northern Star on the groundhop weekend and they went on to extend their winning start to six games as they set the early pace. Holbeach dropped their first points in a 2-0 defeat by Huntingdon on 13th September, and the previous season's runners-up also appeared to be genuine contenders early in the season, winning their first seven matches and becoming the top flight's last unbeaten side.

Diamonds had started with three wins before having their colours lowered for the first time by Yaxley who briefly dislodged Holbeach from top spot in September. An eye catching result on 18th October saw the Tigers go down 4-0 at home to Peterborough Northern Star, and three days later Diamonds beat AFC Kempston 5-1 to go top of the table.

October ended with new leaders Diamonds and former pacesetters Holbeach drawing 1-1 at the Dog & Duck. November saw the Tigers beaten at Yaxley and at this stage the title race seemed to involve a quartet of clubs. Huntingdon finally tasted defeat at the twelfth time of asking, going down 3-0 at Desborough on 29th November. The Cromwellians' squad gradually broke up as their season unravelled while Cogenhoe also dropped important points during the month to slide out of the title reckoning.

Diamonds showed few signs of slipping, with a sixteen match unbeaten run giving them a ten point lead over Yaxley in mid-December, Holbeach a further point back with three matches in hand over the tabletoppers.

There was a rare defeat for Diamonds on 20th December as they lost at Thurnby. The league newcomers had made an inconsistent start but along with Wisbech, they would challenge as the season progressed.

Diamonds suffered a third defeat of the campaign at Oadby on 10th January and when they resumed hostilities with Holbeach two weeks later eight points separated the duo with the Tigers having three matches in hand. A stoppage time Russ Dunkley goal gave Diamonds a vital point and thereafter Holbeach fortunes declined. They lost their next match at home to Cogenhoe and following their Vase exit both co-managers made swift exits along with key players.

A thirteen match winning run to start 2015 saw Wisbech emerge as the leading challengers to Diamonds as Holbeach and Yaxley faded. Goal hungry Thurnby were also in spectacular form although still outsiders for honours.

The Fenmen's winning run ended on 17th March with a shock loss at Peterborough Northern Star which left them needing a win at Diamonds four days later. They nearly got it but Brad Harris struck deep into stoppage time to square the contest and leave Diamonds four points clear of their rivals with seven to play.

There were to be no Diamonds' slips as they saw the job through, and a 4-1 win at Sileby on 14th April saw them crowned champions. They completed the campaign unbeaten at home after salvaging a draw with Cogenhoe in their final match. A slip by Wisbech against Cogenhoe in their penultimate match saw Thurnby slip past them to take second place in their first season in the league.

At the wrong end of the table Long Buckby kicked off the season with six straight defeats and failed to win until a December visit to Harrowby in their 19th match. They improved after a mid season managerial change but never looked likely to get out of trouble, eventually finishing nine points adrift. Perennial strugglers Harborough also found points gathering difficult from the off as did county rivals Oadby whose promotion winning team broke up over the summer. The return of Lee Harriman to the Poachers helm saw Oadby move up the table and the Bees too benefitted from a change in charge as they were beaten just once in their last eight. It wasn't enough to ease Harborough out of the bottom two, but with no club relegated from step 4 they live to fight another day in the Premier.

Sibley spent much of the season in peril, but the recruitment of Michael Byrne saw them score their way out of trouble late in the season. Poor mid season form saw Harrowby sucked into the relegation battle but they too benefitted from a change of manager with Nick Andersen leading them clear of danger. A late points deduction saw Sleaford occupy third bottom place in the final table after spending much of the season on the edge of the drop zone.

DIVISION ONE: SPENCER AND CORINTHS MAKE TOP FLIGHT RETURNS

An exciting Division One campaign ended with returns to the Premier Division for Northampton Spencer and Rothwell Corinthians after three and four years in the lower division respectively.

After the promotion of the previous season's top three an open race was expected this time. Raunds, Bugbrooke and Peterborough Sports all topped the chart in August before Lutterworth moved into pole position in September. Athletic were unbeaten in their first eight games and held their position until just before Christmas bar a couple of weeks when Peterborough Sports slipped in front of them.

Spencer, their neighbours ON Chenecks and free scoring Whitworth, who handed Lutterworth a seven goal defeat on their own ground, were also emerging as contenders for honours.

Cup progress had checked Northampton Spencer's climb up the table but they hit top slot on Boxing Day with a derby win at ON Chenecks, their eleventh in a thirteen game winning streak. The Millers were red hot favourites by now, but in February they drew three matches out of four as the challengers closed up.

Peterborough Sports had added some higher grade quality to their squad for the run in and an eight game unbeaten sequence saw them overhaul Spencer in February.

By this stage both Potton and Rothwell Corinthians had joined the promotion race, thanks to mean defences which proved unbreachable for games on end.

The Millers gradually clawed back their fixture backlog in March, extending their unbeaten run to 22 matches before losing by a single goal at Whitworth on 24th March. Peterborough Sports' eight match unbeaten sequence also ended with a bump as they suffered successive defeats at Bugbrooke and Rothwell, the latter moving into the promotion positions for the first time with their success against Sports.

Lutterworth were back in contention as they caught up games, but a loss at Irchester and draw at Buckingham hit their chances. Rothwell's ten match winning run was halted by Whitworth but a key encounter in the promotion race saw Corinthians and Potton share the spoils at Sergeant's Lawn on Easter Saturday. Ryan Goodband's last minute leveller for Rothwell would ultimately prove vital in deciding the promotion outcome.

Spencer wrapped up the championship on Easter Monday, beating ON Chenecks 2-0 at Kingsthorpe Mill with a Ryan Lovell double carrying his side over the line with three matches to spare.

The race for the second promotion place went to the wire. Rothwell Corinthians strengthened their position with a win over the newly crowned champions and on the final Saturday of April they secured the runners up medals and a top flight return by beating Irchester 3-0 with goals from Chris Clarke, Ryan Goodband and Dom Page.

Potton fell just short despite winning their last four games, and Lutterworth joined the Royals on 82 points after completing their campaign with a last match win at already promoted Corinthians.

Newly relegated Stewarts & Lloyds had a torrid season which saw them get through three managers and 103 players. The Foundrymen failed to claim a win all season, their only point arriving in match number 27, a 1-1 draw with Burton Park on 27th January.

Burton Park never really recovered from the pre-season departure of manager Joe Smyth. New boss Jimmy Simpson assembled a side almost from scratch but Burton found the going tough, accumulating just 22 points. It did prove enough to keep them out of the re-election zone though. A young St Neots Saints squad picked up 25 points on the pitch but lost eleven of them for rule breaches, forcing them to re-apply for re-election to the league.

RESERVE DIVISION: BADGERS WIN THRILLING RACE

Bugbrooke emerged triumphant from an exciting Reserve Division title race which saw them battle for supremacy with ON Chenecks, reigning champions Cogenhoe, Olney and Northampton Spencer.

The Badgers were early pacesetters with Olney, Chenecks and Cogenhoe in close attendance along with Bourne who briefly topped the chart in October as did Chenecks before Olney moved to the top in November.

Bugbrooke lost for the first time in their seventeenth match, 4-3 at Potton on the Saturday before Christmas. With the Badgers enjoying cup success they were trailing Olney by eight points with four matches in hand and Chenecks by four from three games less.

Champions Cogenhoe moved into pole position on the back of a thirteen match unbeaten run which brought them ten victories, but they suffered a setback with a 3-2 derby reverse at Bugbrooke on 18th February. The Badgers lost the following Saturday at home to ON Chenecks and at the end of the month Olney headed a top four separated by just four points.

Olney imploded at the start of March, losing to Northampton Spencer who were making giant strides up the table after a poor start, and Whitworth. They stayed top until overhauled by the Badgers on the final Saturday of March, but with few games to play were already out of contention.

Chenecks hit top slot on Easter Saturday but four days later Bugbrooke took a big step towards the crown by beating fast finishing Northampton Spencer 4-2 – the Millers' first dropped points in eight games.

Cogenhoe's hopes of a third title in a row were dashed by a 5-1 thrashing at Eynesbury on April 11th, and seven days later Bugbrooke were crowned champions, beating Potton 4-0 at Birds Close with Danny Duggan, Charlie Hynam, Ty Clark and Dan Powell sharing the goals for the Badgers.

Chenecks closed their season with a 3-0 win at Irchester which clinched second place ahead of Northampton Spencer with Cogenhoe fourth in the final table.

At the foot of the table Desborough's young side spent the whole season in the basement. They kicked off the season with eight defeats in a row including a 10-2 drubbing by Bourne at the Waterworks Field. They didn't win until their 22nd match, an avenging 2-1 success at the Abbey Lawn on 7th February, while their only home victory of the season was a derby defeat of Rothwell Corinthians in March.

Ar Tarn finished two points adrift of next to bottom Irchester, who picked up just one win during the campaign, a 4-1 success against Thrapston on 29th November.

UNDER 21 DIVISION: COLLEGE THE FIRST WINNERS

The first season of the new Under 21 Division proved an eventful, but ultimately successful one, after a difficult beginning. Both Biggleswade Town and Peterborough Sports withdrew before the campaign kicked off, while Wootton were a mid season departure due to a shortage of players, having picked up just a single point from their ten matches played.

Their exit prompted a change in structure as the initial plan for clubs to play each other three times was revised to a four meeting programme.

With teams from clubs at steps 3, 4 and 5 plus a couple of teams from college set ups participating it was hard to predict how the season would go. Histon had enjoyed an impressive pre season and Kettering appeared to have assembled a strong squad. The pair shared eight goals in an opening day encounter and had solid starts, but an eye opening result on the last Saturday of September saw Milton Keynes College outgun Histon 5-2.

A week later MK were beaten by Kettering and the early signs were that the league would develop into a three horse race for honours. November saw MK take on both their rivals again with the College winning their second encounter with the Poppies but losing to the Stutes.

Milton Keynes had played more matches than their rivals when the season broke for the Christmas holidays, and they continued to hold the upper hand in the new year. They did lose to both of their rivals for honours early in 2015 but Kettering dropped points to Football CV and Histon slipped up against AFC Kempston.

The Stutes slipped out of contention in the spring, suffering six goal reverses against both MK College and Kettering who took seven points from three April meetings of the clubs.

Milton Keynes became the inaugural champions by beating Kettering 3-0 in their penultimate match, with the Poppies securing second place a week later with a win over Histon, who were themselves overhauled by fast finishing AFC Kempston for third place.

Football CV Reds moved above AFC Rushden & Diamonds at the foot of the table after closing the season with a win over Histon.

LEAGUE KNOCKOUT CUP REVIEW: DIAMONDS DO THE DOUBLE

The season's League Knockout Cup campaign was a memorable one for AFC Rushden & Diamonds who became the first club to complete a domestic double in 22 years, and for Division One which produced a finalist for only the third time in 34 years of open competition. Potton took three Premier scalps on the way to the final while Lutterworth Athletic saw off two top flight sides en route to the last four. Additional wins for Whitworth, Olney and Peterborough Sports took the total of lower grade wins over higher status opponents to an impressive eight.

Eventual finalists Potton kicked off the Preliminary Round with a 2-1 success at Division One rivals ON Chenecks, an Andy Passmore own goal and Courtney Boughton effort taking the Royals over the first hurdle. The biggest win of the round was recorded by Peterborough Sports who beat Buckingham 6-0 with a Matt Cook hat trick, Ondre Odain double and Ali Nyang effort. Ryan Nash, Ryan Ansell and Ty Clark were the Bugbrooke marksmen in a 3-2 derby success at Northampton Spencer while Nyasha Sagwete was the AFC Kempston matchwinner in a lone goal success over newly promoted Harrowby. Another all top flight encounter saw Yaxley get the better of Eynesbury 3-0 with a Lewis Stone opener and Dan Cotton double.

There were three inter divisional ties in the round, with Premier sides progressing in two. A Phil Cassidy strike and Ryan Dufty own goal gave Desborough a 2-1 verdict at home to Woodford while Holbeach beat hosts St Neots Saints 6-2 with Ollie Pinner, Tommy Treacher, two goal Paul Newcombe, Gary King and Jordan Keeble sharing the goals. Olney sprang a surprise overturning an early two goal deficit to go through 4-2 at Wellingborough in extra time, Christian Smail and Darryl Smith taking the tie into the additional half hour before Dean Torto and Craig Malsiri completed the comeback. Holders Huntingdon were involved in the final match of the round and needed a penalty shootout to see off Newport Pagnell after a 3-3 draw. Two Luis McCoy goals and one from Declan Rogers had the holders in charge before the Swans replied with three goals in the last ten minutes, ultimately to no avail.

Oadby and Deeping had got the First Round underway with goals from David Burton-Jones, Matt Heron and Ryan Oliver giving the 2014 runners-up a 3-1 victory. AFC Rushden & Diamonds took a first step on the road to the final with a 7-1 romp at Burton Park, Jason Turner scoring three, Russ Dunkley two and Adam Confue and Tom Lorraine one apiece. Newcomers Thurnby were also among the goals in a 5-3 success at Bourne. Liam Canavan's brace, a Dan Bratcher own goal and singles from Matt Melbourne and Jouel Potter gave Thurnby their first ever win in the competition. Two Aaron King goals and one each from John Dean and Jimi Emefuna saw Sileby beat Thrapston 4-1 at Fernie Fields, while a single goal from Jacob Smith saw Wisbech edge out visiting Bugbrooke 1-0 at the Elgoods Stadium. Another inter divisional encounter saw late goals from Livo Dube and Lee Beeson give Holbeach a 2-1 win over Rothwell Corinthians.

Four Division One clubs knocked out their supposed betters. A Dan Pegg own goal and last minute Jamie White effort saw Whitworth dispose of Harborough 2-1 at the Victoria Mill Ground, while Gary Ansell-Carter scored both goals in Potton's 2-0 success at Premier basement boys Long Buckby. Dom Ivens was the Lutterworth Athletic marksman in a 1-0 win at AFC Kempston while Peterborough Sports beat Sleaford 5-3 on penalties after the sides had shared four goals on a foggy night at Lincoln Road, Matt Cook and Dan Clements the Sports scorers in the match proper.

Irchester beat Stewarts & Lloyds 2-0 at Alfred Street with Ryan Lovell and Moises Rodrigues on target for the Romans while two Karl King goals and one from Jed Ainge saw Raunds progress 3-1 against Blackstones. Olney continued their run with a 2-0 defeat of Rushden & Higham, Jamie Burrows and Deanio Bailey-Browne on target.

One of the most impressive performances of the round came from Peterborough Northern Star who beat Desborough 5-0 at the Mick George Arena with an Avelino Vieira hat trick and Nick Davey brace. Cogenhoe were 4-2 home winners over Boston Town with Dan Thomason, Sam Heavey, Luke Emery and Tom McGowan sharing the goals. Holders Huntingdon made a second hurdle exit as goals from Gav Cooke, Karl Gibbs and Dan Cotton saw hosts Yaxley to a 3-0 victory.

The Second Round threw up a real derby contest for AFC Rushden & Diamonds who crossed the fence to beat lower grade Whitworth 2-1 with a Jonny Hazell own goal and Adam Confue winner. Tom McGowan, Alfie Taylor and Karl Bates were on target as Cogenhoe ended Peterborough Sports' run with a 3-0 Lincoln Road success. Sileby saw off Irchester 4-0 with two Richard Moore goals and one apiece from Aaron King and Stuart Macmichael. Lower grade representation was reduced further as Olney succumbed 4-3 at Holbeach where Matt Warfield scored the Tigers' extra time winner after Livo Dube netted a hat trick in the 90 minutes.

The giant killing of the round saw Potton put out Thurnby 3-1 at The Hollow with two Adam Marsh goals and one from Steve Muggridge giving the Royals a second Premier scalp. Lutterworth Athletic also flew the flag for Division One as a single goal from Danny Laywood gave them victory at league rivals Raunds. Wisbech produced a spectacular second half display at Peterborough Northern Star, running out 5-0 winners with Matt Lunn's double followed by a fifteen minute hat trick from Josh Ford. Yaxley made home advantage count for the third successive round, outgunning Deeping 4-1 with two goal Liam Hook, Scott Carter and Dan Cotton, with a penalty, featuring on the scoresheet.

Potton and Lutterworth recorded further upsets in the quarter finals. The Royals stunned hosts Holbeach 1-0 with an Adam Marsh goal midway through the first half giving them a third top flight victim. Lutterworth reached the semis with a 3-1 success at Sileby whose opener from Elliott Dent was overhauled by a Chris Logan own goal and further efforts from Danny Laywood and Mike Lucas. Joining them in the semis were two of the league's big guns. Wisbech beat Cogenhoe 4-3 on penalties after a 2-2 extra time draw at the Elgoods Stadium. Billy Smith and Josh Ford twice had the Fenmen ahead only for Alfie Taylor to pop up with a brace of equalisers for the Cooks. A second half Scott Joseph goal gave AFC Rushden & Diamonds a 1-0 verdict in a tight encounter at Yaxley.

In the semi finals the two Division One survivors were paired at The Hollow and Potton made home advantage count with a Jamie Risebrow goal after 16 minutes edging them past Lutterworth Athletic. The clash of the Premier title contenders at the Dog & Duck also proved a close contest which Diamonds shaded 2-1. Brad Harris gave Diamonds a seventh minute lead only for Danny Beaumont to level for Wisbech after 23 minutes. Jason Turner came off the home bench to score the decisive goal a minute from time.

The final at Yaxley on the early May Bank Holiday saw the league's two meanest defences in action. Diamonds were red hot favourites to complete the league's first double since Rothwell Town achieved the feat in 1993, but Potton competed well in an even first period.

Both sides had chances although Diamonds made more of them with Potton's Craig Lewis making a couple of good first half saves. The keeper was beaten a minute before the interval though as Matt Gearing's inswinging corner from the left crept over the line despite the attempts of defenders to clear.

Diamonds took an immediate stranglehold on resumption, Tom Lorraine converting Gearing's through ball via the foot of the post after just 17 seconds of second half play. The Diamonds win was sealed two minutes before the hour, Scott Joseph in the right place to score after Lewis parried Lorraine's header from a corner.

The final drew a best crowd since neutral ground venues were introduced in the millennium season, with 768 spectators watching Diamonds' triumph.

RESERVE KNOCKOUT CUP REVIEW: BADGERS WIN DERBY FINAL

First Round action in the competition saw a couple of early surprises. League champions Cogenhoe bowed out to a Merson Styles goal which gave Rothwell Corinthians a single goal verdict at Compton Park while there was a swift exit for much changed holders Peterborough Northern Star, 2-0 at Thrapston who progressed with goals from Steve Rayner and Ryan Wells. A derby tie saw Harborough get the better of visitors Desborough 3-1 with Dom Bale, Chawa Chinkhumba and Jack Nolan sharing the goals for the Bees. Huntingdon had a walkover due to Long Buckby's withdrawal from the league.

In Round Two the eventual finalists made progress in contrasting ways. ON Chenecks were convincing 5-2 winners against Irchester with Andy Ranft, two goal Josh Dawson, Franco Reina and Montel Dore making up the nap hand. Bugbrooke needed a penalty shootout to dispose of Raunds after a 1-1 draw which saw Ollly Garofalo on the scoresheet for the Badgers. Dan Smith, Liam Wright and Mark Weekley were the Rushden & Higham marksmen in a 3-0 derby success against Whitworth while 2014 runners-up Northampton Spencer outgunned hosts Eynesbury 4-1 with goals from Jake Stone, Jordan Richards, Morgan Littlejohn and Matt Thornber.

The highest scoring tie of the round saw Olney go through 4-3 at Bourne with a John Mills brace and singles from Ben Cole and Marlon Perrin. Thrapston were also successful on the road with a 3-0 win at Huntingdon, Adam Hope, Danny Darker and Michael Rogers on the scoresheet. Two of the Round One winners met with Rothwell Corinthians outgunning Harborough 5-2 at Sergeant's Lawn. Lee Thomson scored the round's only hat trick with Gary Clark and Tom McLaren also on target. Potton progressed to the last eight without kicking a ball as Blackstones had withdrawn.

The Royals failed to capitalise on their good fortune, crashing out 5-0 at Northampton Spencer in the quarter finals. Two goals for Morgan Littlejohn, a Dale Hamilton own goal and singles from Calam Peach and Jordan Richards gave Spencer a convincing win. Olney were also impressive as they disposed of Thrapston 4-1 at East Street with two Will Wright goals and one apiece from Craig Ralph and Taigan Brooks.

Bugbrooke again showed their spot kick expertise beating Rothwell Corinthians 3-1 in the shootout after the sides shared four goals, Pete Smith scoring both for the Badgers. The line up for the semi finals was completed by Chenecks who edged out hosts Rushden & Higham 3-2 with Ryan Charles-Comery, James Lister and Josh Dawson on the mark.

Spencer's hopes of progressing to a second successive final were dashed in the opening semi as Dan Powell gave Bugbrooke a 1-0 home victory. A week later Chenecks progressed 2-1 at Olney thanks to a last minute Chris Gleeson winner after Ryan Charles-Comery's opener had been matched by a Taigan Brooks reply for the Nurserymen.

With both finalists enjoying outstanding league seasons a close final was expected at Cogenhoe. Chenecks started strongly with Chris Doran heading against the bar, and it was against the run of play when Ray Hackett drew first blood for Bugbrooke with a 17th minute header from Dan Powell's free kick. Chenecks levelled seven minutes before the interval through Ryan Charles-Comery who beat two opponents before firing home from 25 yards.

Two goals early in the second half proved decisive. Again against the run of play Bugbrooke regained the lead after 52 minutes when Gavin Harding failed to deal with a speculative Pete Smith effort. Two minutes later a 30 yard strike from Hackett sealed a 3-1 win for the Badgers.

FA CUP REVIEW: FOUR CLAIM TWO WINS

The First Round Qualifying stage proved to be a glass ceiling for member clubs as four of our sides made their exit from the Wembley trail after progressing through the Extra Preliminary and Preliminary Rounds, in the process earning £3,425 in prize money. There was little good fortune in the draw as three of our clubs had been paired with higher grade opposition.

AFC Rushden & Diamonds had been our best performers in the 2013-14 campaign, and they had a decent mini run this time round. In the Extra Preliminary Round they breezed past Friday night opponents Oxhey 5-1 with a Fazel Koriya hat trick, Jason Turner effort and an own goal, following up with a Preliminary Round win over Bedford Town. Matt Gearing's goal earned Diamonds a 1-1 draw at the Dog & Duck and they made confident progress in the replay, going through 3-0 with the marksmen Tom Lorraine, Turner and Gearing with a spot kick. A trip to step 3 high fliers Hendon in the First Qualifying Round saw a good Diamonds display go unrewarded as a single goal put them out.

Boston Town picked up a couple of good wins on their travels. After drawing 1-1 at home to Walsham Le Willows in the Extra Preliminary Round they ran out 3-1 replay winners in Suffolk with two Matt Kennedy goals and one from Jordan Nuttall. A more impressive win still followed in the Preliminary Round as they emerged 4-2 victors at neighbours Holbeach with Alex Beck, Kennedy, with a penalty, Callum Walker and Lori Borbely sharing the goals. A tough trip to Kings Lynn saw the Poachers outclassed as their step 3 hosts ran in seven unopposed goals.

Two Josh Ford goals and one from Fraser Bayliss gave Wisbech a 3-1 success at Sleaford to start their cup run with an Extra Preliminary Round victory, and they followed up with a 2-1 home win over old friends from the Thurlow Nunn League Kirkley & Pakefield. Ford was again on the mark along with Stuart Cobb. In the First Qualifying Round the Fenmen travelled to Norwich United who edged a tight encounter by a single goal.

AFC Kempston breezed past Northampton Spencer in the Extra Preliminary Round, Nyasha Sagwete and Sam Johnson on target in a 2-0 Kingsthorpe Mill victory, and in the Preliminary Round they disposed of Sileby 4-0 at Hillgrounds with a Ben Gallant double and singles from Grant Fryer and Scott Joseph. It transpired though that the Walnut Boys had fielded a player without international clearance leading to a re-instatement for Sileby who had beaten Hillingdon 3-0 in the Extra Preliminary Round with Brian Farrell, Dominic Okanu and Lynval Da Costa sharing the goals. Sileby failed to capitalise on their reprieve, exiting 3-1 to North Greenford in their delayed First Qualifying Round tie despite opening the scoring through Elliott Dent.

Four further clubs had made Extra Preliminary Round progress before bowing out at the second hurdle. Holbeach had won 5-1 at Diss with Livo Dube scoring a hat trick and Ash Fuller and Jake Duffy one apiece. Thurnby had also opened with a big win, beating Lincoln Moorlands Railway 5-1 at Dakyn Road with Reece Morris netting twice and Ash Day, Matt Melbourne and Jurelle Phillip also appearing on the scoresheet. They performed well in a 3-1 Preliminary Round reverse at higher level Mickleover, Liam Canavan the marksman.

Peterborough Northern Star beat visiting Team Bury 3-0 with Luke Hunnings, Phil Stebbing and Avelino Vieira sharing the goals en route to a 2-0 Preliminary Round defeat by Mildenhall. There was a replay success for Cogenhoe, 3-1 at Wembley with Dan Thomason and two goal Sam Heavey on the mark. That win earned the Cooks a glamour tie at home to Kettering, the Poppies running out 4-1 winners with Thomason the Cooks scorer.

Extra Preliminary Round victories earned clubs £1,500 apiece, making the total prize money won by our clubs in the competition £ 21,200 for the season.

FA VASE REVIEW: TIGERS REACH LAST SIXTEEN

Holbeach were our best performers in the FA Vase, equalling their best ever run in the competition by reaching the Fifth Round. Yaxley likewise matched their best previous performance by reaching Round Four along with Thurnby whose best ever run ended with a dramatic defeat against the Tigers.

Thrapston were first onto the national stage with a Friday night visit to Crawley Green in a First Qualifying Round tie, losing 3-1 in extra time. A further seventeen clubs entered the fray the following day. The draw threw up four all domestic ties, just one between teams in different divisions. Newport Pagnell saw off Bugbrooke 3-1 with a Josh Crawley double and Dom Lawless clincher. An all Premier tie saw AFC Kempston repeat their FA Cup defeat of Sileby, Grant Fryer, Alex Stoyles, Taylor Orosz and Billy Pinney all on target in a 4-0 Walnut Boys victory. In all Division One clashes Northampton Spencer saw off visiting Whitworth 3-1, Matt Long, Luke Stone (penalty) and Jack Bartley on the mark for the Millers, while an extra time double from Ben Foster gave Woodford a 2-0 win at Raunds.

Only two clubs progressed against outside opposition at the first attempt. Scott Carter and Rob Hughes gave Yaxley a 2-0 home win over Swaffham while Thurnby pipped former East Midlands Counties rivals Greenwood Meadows 2-1 with goals from Celson Patrocinio and Ash Day. A trio of clubs bowed out and four more had to settle for replays.

Burton Park, making their first appearance in the Vase for two decades, celebrated their return with a 4-2 replay shootout win at Buckingham Athletic after a 3-3 draw which saw Liam Nicell score twice and Leigh Chapman once, while Potton also enjoyed their first Vase win in years, 2-1 at Winslow with Gary Ansell-Carter and Courtney Boughton on the scoresheet. Irchester lost 3-1 at Staines Lammas, but their hosts admitted fielding an ineligible player in the first meeting so the Romans were awarded the tie.

October kicked off with 21 clubs involved in Second Qualifying Round ties and six were in direct opposition. A classic encounter saw Thurnby get the better of Harrowby 8-4 at Dakyn Road despite Martin Wormald's four goal haul for the visitors. Ash Day, Matt Melbourne and Brett Marvin scored two apiece for Nirvana who also had Pearson Mwanyongo and Reece Morris on target. Holbeach's run started with a low key 2-0 home win over Blackstones, Jake Duffy scoring both for the Tigers, while goals from Karl Gibbs and Dan Cotton saw Yaxley pip Sleaford 2-1.

It was a good day for Peterborough sides with Northern Star thrashing Team Bury 6-0 with three goals from Phil Stebbing, two from Avelino Vieira and one from Jonny Clay, while Vase debutants Peterborough Sports beat Thetford 3-1 with a Dan Clements brace and Ali Nyang effort. AFC Kempston were 3-0 derby winners at Bedford with Dom Marsala, Nyasha Sagwete and Scott Joseph on the scoresheet. Elliott Putman and Chris Hollist gave Oadby a 2-0 verdict at home to Retford while Irchester succeeded where Thrapston had failed beating Crawley Green 3-1 with Jack Dyson scoring all three.

Northampton Spencer made it nine clubs through with a 1-0 replay win over higher grade Biggleswade United, Ryan Dove the matchwinner.

The survivors from the qualifying rounds were joined by the first exempt clubs in Round One, and after a couple of slightly disappointing rounds fortunes improved at this stage with nine out of eleven clubs progressing.

The two exempt clubs both kicked off with wins over Thurlow Nunn opposition. Huntingdon went through 3-0 at Woodbridge with Louie Medwynter, Declan Rogers and Dan Newman on target in Suffolk while Deeping were single goal winners at home to Wivenhoe with Joe Braithwaite the matchwinner. Oadby were beaten 5-0 at a Shepshed side managed by their former boss Jeff Stocking while Irchester's run ended in a 4-0 reverse at home to Fakenham.

AFC Kempston moved on with a 3-1 home win over Felixstowe, Sam Bush, Ben Gallant and Sam Johnson sharing the goals, while Holbeach also defeated visitors from the east coast as goals from Lee Beeson and Jamie Clarke saw off Gorleston 2-0 at Carters Park. Yaxley needed a replay to get the better of Godmanchester, running out emphatic 4-0 home winners with two goal Dan Cotton, David Cobb and Liam Hook all on target.

A single Jason Kilbride goal gave Peterborough Northern Star a 1-0 home win over Stotfold while Thurnby went through 4-2 at Boldmere with a Matt Melbourne double and singles from Liam Canavan and Pearson Mwanyongo.

Northampton Spencer and Peterborough Sports both kept the Division One flag flying. The Millers defeated Essex Senior League pacesetters Haringey 5-3 on penalties after two draws, 1-1 at White Hart Lane and 0-0 at Kingsthorpe Mill. Sports went through 2-1 in extra time at Welwyn Garden City with Dan Clements the two goal matchwinner.

With two more exempt clubs joining the fray in Round Two the league had a healthy tally of eleven clubs left on the road to Wembley. There were contrasting fortunes for the two clubs which had performed well in the previous season. AFC Rushden & Diamonds suffered a shock single goal defeat at Hullbridge but Wisbech pipped a useful Cleethorpes side 2-1 at the Elgoods Stadium, Josh Ford scoring both goals.

The two Division One survivors bowed out with Northampton Spencer exiting 3-1 at London Colney and Peterborough Sports pipped 4-3 by neighbours Peterborough Northern Star in front of a bumper Friday night crowd at Lincoln Road. Phil Stebbing, Avelino Vieira, Andy Law and Jordan Macleod gave Star local bragging rights in a thrilling encounter. Another all domestic tie saw Holbeach get the better of Huntingdon 3-2 at Carters Park with Kern Miller, Craig Parker and Jamie Clarke giving the Tigers victory.

AFC Kempston's run ended with a 2-1 reverse at Norwich United but Scott Carter's hat trick gave Yaxley a 3-0 home win over Fakenham and Deeping put out Oxhey 2-0 with a Jezz Goldson-Williams effort and an own goal. Thurnby marched on with a 4-1 home win over Gornal, Eddy Samba, Ash Day, Reece Morris and Matt Melbourne sharing the goals.

Round Three saw three wins and three defeats for our clubs. A single Lee Beeson goal saw Holbeach progress 1-0 at London Colney, while Yaxley also won on the road, 3-1 at Brantham with Rob Hughes, Luke Hipwell and Dan Cotton scoring for the Cuckoos. Thurnby made home progress, Ash Day and Liam Canavan putting Bromsgrove to the sword 2-1 at Dakyn Road. It was the end of the line for Wisbech, who lost 3-2 to a Walsall Wood side which avenged the previous season's exit at the hands of the Fenmen, while Peterborough Northern Star were eliminated 3-2 by Hellenic League title favourites Flackwell Heath. Deeping were our third casualties as Heanor ran out 2-1 winners in extra time at Outgang Road.

Round Four saw two of our sides paired and Thurnby and Holbeach served up a thriller before the Tigers triumphed 4-3 in extra time at Dakyn Road. Livo Dube and Matt Nolan gave Holbeach a two goal lead but Nirvana turned the game round with goals from Ash Day, Matt Melbourne and Liam Canavan. Kern Miller levelled in added time and Jamie Clarke won the contest for the Tigers in the additional half hour. Yaxley were unfortunate to find an Erith & Belvedere goalkeeper in outstanding form at Park Road and bowed out to a single goal, a missed penalty by Rob Hughes proving decisive.

Holbeach made their exit in Round Five failing to make ground advantage count as Erith & Belvedere claimed a second UCL scalp with a 3-2 extra time success at Carters Park. Holbeach were unable to build on Livo Dube's early opener and despite levelling through Jake Duffy in the second half progress proved beyond them.

Member clubs won 37 ties in all to win prize monies totalling £34,400 with the leading beneficiaries Holbeach (£6,400), Thurnby (£5,000) and Yaxley (£4,400).

COUNTY CUPS REVIEW: SUCCESS IN NORTHAMPTONSHIRE

The league enjoyed a better season in county cup football with six sides reaching finals although winners emerged only in Northamptonshire for the second successive season.

Five teams contested Northamptonshire finals with two trophies going to our clubs. In the Hillier Senior Cup Peterborough Northern Star disappointingly missed out when losing 4-1 to a young Brackley side in the final at Sixfields. Luke Avis scored a spectacular equaliser early in the second half but within a minute the Saints had regained the lead and Star were left to reflect on missed chances which condemned them to defeat. Star had defeated step 3 Corby in the last four while Cogenhoe also reached the semis.

The Junior Cup final at Sixfields was a derby contest between holders ON Chenecks and Division One champions Northampton Spencer. Alex Lowery's headed own goal in the second half saw Graham Cottle's men retain the trophy.

In the Lower Junior Cup final at Daventry Northampton Spencer's second string denied Bugbrooke Reserves a treble with a 5-4 shootout victory after the sides had shared two goals. Jordan Richards gave the Millers the early lead with Danny Duggan replying for the Badgers before Spencer edged the penalty contest.

Elsewhere Yaxley reached the Huntingdonshire Senior Cup final in bizarre circumstances. They received a quarter final bye and semi final walkover after St Neots were unable to fulfil the fixture. The Cuckoos put in a poor display in the final at Huntingdon and could have few complaints at losing 3-0 to Godmanchester.

Newport Pagnell were semi finalists in the Berks & Bucks Senior Trophy while Olney reached the 4th Round of the county Intermediate Cup knocking out holders Hale Leys along the way. Buckingham also progressed to Round 4.

OTHER CUPS REVIEW: SILVERWARE FOR STAR

The Hinchingsbrooke Cup continues to take pride of place in the miscellaneous competitions featuring our clubs. The oldest item of silverware in the region saw the final contested by two of our clubs this term with Peterborough Northern Star edging out Deeping 2-1 at Jubilee Park as Phil Stebbing struck in each half before Jordan Avis netted a late Rangers reply.

Olney's storming second leg comeback against Buckingham Town took them into the Buckingham Charity Cup final but they were soundly beaten 6-2 by Buckingham Athletic. After going two down the Nurserymen fought back through Danny Webb and Aaron Murrell, only to fall apart in the second half.

AFC Rushden & Diamonds had kicked off what was to prove a glorious season with a couple of minor items of silverware. They won the pre season Chris Ruff Memorial Cup match with a 2-0 win at neighbours Rushden & Higham, Russ Dunkley scoring both goals, and then beat Hinckley 4-2 on penalties to win the Supporters Direct Shield after sharing four goals, Matt Gearing and Dunkley the scorers. Even the Under 21s got in on the act with a 5-4 win over Buckingham securing the James Victory Cup.
