

VWC FITNESS CENTER

New HQ Location - 333 E. Franklin St., Basement Level

Equipment is in and final plans are being made for the VWC Fitness Center opening!

Employees will have to sign a waiver prior to having access to the fitness center. A set opening date is TBD, by the end of December. More details are forthcoming.

Until then, take a look at these photos of our new fitness area.

For more details on the fitness equipment, [click here](#).

There will be 14 lockers available in the fitness area for employee to use while working out. These are for use while working out (do not leave items overnight), and employees must provide a lock while in use.

Two private restrooms are available in the Fitness Center. Each restroom also has a shower with a shower bench. A bench will be added outside of the shower to each restroom as well.
