CHAIRMAN'S MESSAGE

Peter V. Gregerson, Jr.
Gregerson's Foods

Welcome to the 2017 Alabama Grocers Association Convention. As your Chairman, I am excited to welcome everyone back to beautiful Sandestin Golf & Beach Resort for our 27th Annual Convention. On behalf of the Officers and Directors, thank you to the members and partners for their hard work and support in making this year's convention another successful event.

Our Convention Chairman this year is Mr. Keith Lusk. Keith and his dedicated committee have put together a great Business Session for Tuesday morning and have planned some exciting nights of entertainment. Monday night Casino Night will be a blast with some great prizes. At the end of the night, you will be able to exchange your winnings for raffle tickets which you can then use to win prizes.

Also on Monday night we will have our annual Silent Auction during the evening running along with the casino activities. Silent Auction Chairman, Mr. Johnny Collins, and his committee have a great selection of items to place your bids. Please be sure to stop by the registration desk and sign up for Mobile Bidding!

Al Del Greco, football great at Auburn University and Radio Personality, will be our speaker for the Tuesday night Chairman's Banquet. Please remember this year Tuesday night will be "Wear Your Team Colors" night.

Mr. David Bullard, our Membership Committee Chairman, and his committee are right on target to add 54 new members to our association which will give us over 350 members. May I say, "Great job" to David and his committee. They have worked incredibly hard this year to push us over the 350 mark!

Mr. Wade Payne, Legislature Chairman, and his committee have done an excellent job on key issues passed affecting the industry. With the effort of the Legislative Committee and the Association staff, we were able to finally pass ABC Regulations to allow off-premise locations to sample beer and wine in their stores starting August 5th. This was a huge win for our Association this year and a special thanks goes to Mr. Pat McWhorter our legislative consultant, and AGA President Ellie Taylor for

their dedication on working with the ABC Board to ensure our best interest during the negotiations.

We had another successful year raising money at the Alabama's Food Industry Finest thanks to Harold Garrett and his committee. Through the efforts of this Committee, last year's event raised over \$40,000 for the Association's SACK PAC. We will continue this event and hopefully by the next election cycle have over \$200,000 to contribute to elected official campaigns.

Mr. Jay Mitchell, Chairman of the Education, Benefits, and Services Committee has worked very hard to award \$60,000 in scholarships this year to many well deserving students who are striving to further their education. We have awarded over a million dollars in scholarships since 1992! The two golf outings this year had a profit of over \$60,000. Thank you to all our members for their monetary donations and for participating in the Golf Outings & Silent Auction. Please continue to support these worthwhile events for our children's future. Great job to Jay and his hardworking committee!

In closing, our Association is very blessed to continue standing strong on its mission to promote and support the growth and success of the food industry in the state of Alabama through advocacy, education, public relations and networking. This would not be possible without the hard work of our Association President, Ellie Taylor, who is on the forefront every day fighting for our industry.

Many thanks to the entire Association Staff for their many hours of hard work and dedication to make our Association and this convention great. I have enjoyed serving as your Chairman and hope that everyone enjoys this year's convention.

Sincerely,

Greg

Peter V. Gregerson, Jr.
Association Chairman

WELCOME TO THE 2017 AGA CONVENTION!

Keith Lusk
Golden Flake

On behalf of the Alabama Grocers Association Board of Directors, I would like to welcome you back to Sandestin Golf & Beach Resort and the 2017 AGA Convention. The convention has become the Association's largest fundraiser and it would not be successful without each and every one of you. A special thank you to all the companies that are exhibiting, sponsoring and advertising this year. Your continued support is what helps our Association thrive in these tough times.

I would also like to take a minute to thank this year's Convention Committee Members for all their hard work, and dedication, for without them this convention would not be possible. This years convention committee includes: Mr. Jack Carlile, SuperValu; Mr. Johnny

Collins, Dean Foods; Mr. Danny Babb, Associated Wholesale Grocers; Mr. Kris Jonczyk, Publix Super Markets, Inc.; Mr. Curtis Lyons, Flowers Bakeries and Mr. Eddy Quinley, Advantage Solutions.

We hope you enjoy this year's informative business session, exciting entertainment, packed exhibit hall, and all the fellowship and networking opportunities that are available. May it be both enjoyable and profitable for you and your company!

Keith

BUSINESS FORUM SPEAKERS

KEYNOTE SPEAKER - THOM SINGER "CONNECTING WITH PEOPLE IN A GADGET CRAZED WORLD"

Thom Singer, CSP, has more than 25 years of sales and marketing experience with firms such as RR Donnelley, Brobeck Phleger & Harrison LLP, Andrews Kurth LLP, Marsh Inc., and Wells Fargo Bank. He is an expert in human engagement and has trained thousands of professionals in the art of building professional contacts that lead to increased business.

During his Keynote, he will talk about how in today's distracted work environment there is a disconnect between social media "likes", "links", "shares" and "follows" and real meaningful

business connections. Thom will work to help people get back to the basics of relationships that lead to better opportunities and more sales.

Thom has authored twelve books on the power of business relationships, sales, networking, presentation skills and entrepreneurship, and regularly speaks to corporate, law firm and convention audiences. He is also the host of the popular "Cool Things Entrepreneurs Do" podcast. Thom interviews business leaders, entrepreneurs, solopreneurs, and others who possess an extra dose of the entrepreneurial spirit.

ACTIVE SHOOTER SEMINAR

Active shooter incidents are often unpredictable and evolve quickly. In the midst of the chaos, anyone can play an integral role in mitigating the impacts of an active shooter incident. An active shooter is an individual actively engaged in killing or attempting to kill people in a confined and other populated area. In most cases, active shooters use firearms and there is no pattern or method to their selection of victims.

In this active shooter seminar, you will learn to manage real-life situations and address employer responsibilities, develop comprehensive workplace strategies and prevention plans, how to de-escalate and minimize violent outbursts, reduce security

risks in your workplace, how to work with local law enforcement agencies and how to defuse active shooter incidents. If you do not already have an active shooter plan for your company, this is a must attend seminar for you and your employees.

ALABAMA E-WIC SEMINAR— MS. STACEY NEUMANN

The Alabama WIC Department and the AGA WIC Task Force have worked together for many years to make e-WIC a reality in Alabama. Several years ago, after much research, the decision was made by Alabama WIC to select an online system to replace the current paper based delivery system as part of the planning phase. Alabama WIC is now entering the implementation phase. The City of Montgomery has been selected as the pilot site. Following a three (3) month pilot we will begin statewide roll out. The pilot is estimated to

begin February/March of 2018 with statewide roll out beginning at the end of the three (3) month pilot.

Join us as Stacey Neumann, Vendor Management Director, Alabama WIC Department discusses the new online e-WIC rollout, gives us a timeline for implementation and shares how moving to this system in 2018 will result in smoother transactions at the register, automatic electronic claim payments and reduced time "in lane" for consumers.

BUSINESS FORUM SPEAKERS CONTINUED

E-COMMERCE PANEL DISCUSSION

Look around the next time you're in a grocery store and you'll see that the category is changing in ways beyond screens and phones.

Two of most obvious upgrades are the additions of home delivery (HD) and click-and-collect (CnC) services. It's important to note that there is not a single flavor of each. CnC, broadly speaking, involves any fulfillment process in which the consumer orders an item online and travels somewhere to pick it up. As you might expect, CnC does not have a fixed operational model nor is it necessarily tied to a traditional store footprint. It can involve going to a traditional store or picking up at dedicated lanes outside of one. It can even include getting items at lockers or drive-through convenience stores.

HD is similarly diverse. It can involve scheduled or unscheduled delivery with different time frames (including

almost immediately). We're also seeing personal shoppers and organized parcel delivery, with additional models coming soon.

In our e-commerce Panel Discussion, you will hear from grocery warehouse operators and small retailers that are currently offering e-commerce. You will learn why it is important, consumer trends, utilization, ease of access and best practices. Every retailer should attend this panel discussion and start the conversation of e-commerce for your company.

CHAIRMAN'S BANQUET GUEST SPEAKER

Tuesday, July 25, 2017 8:00 p.m.

“Wear Your Team Colors”

Mr. Al Del Greco

***Sponsored By: Associated Grocers of the South,
Coca-Cola Bottling Company United, Inc. and Coca-Cola Bottlers of Alabama***

Al Del Greco was a four-year letterman at Auburn University and completed 110 out of 111 PATs in his college career. He also set the SEC record for field goal attempts in a single game and field goals made in a single game in a 1982 game versus Kentucky where he made six out of his seven attempts. As of 2016, he and Daniel Carlson are tied for the most Field goals in a single game for Auburn at six. His 236 career points place him fifth on the Auburn career scoring list.

Del Greco played in the NFL from 1984 to 2000 finishing his 17 NFL seasons with 347 of 449 (77%) field goals and 551 of 554 (99%) extra points, giving him a total of 1,592 points. He was inducted in the Alabama Hall of Fame and was nicknamed "Automatic Al." Al played for the Green Bay Packers, Phoenix Cardinals, and Houston Oilers/Tennessee Titans during his NFL Career and was the placekicker in Super Bowl XXXIV.

He is currently co-hosting "The Opening Drive" on WJOX 690 in Birmingham, Alabama with Jay Barker and Tony Kurre.

Join us after he addresses those in attendance for autographs and photo opportunities.

(ELECTRIC COOKING)

COOL KITCHEN.

*Switch to electric cooking
and feel the difference.*

A cooler work environment is just one reason to switch. Alabama Power offers our customers solutions for a better place. When you switch from gas to electric cooking, you'll also benefit from faster preheat and recovery times, less product shrinkage, reduced cleanup time, longer equipment life and lower maintenance costs. All of which explains why some of the best chefs around are converts. Find your solution to a better place at 1-888-430-5787 or AlabamaPower.com.

Lighting Specialists, Inc.

We help make your world brighter!

We provide consultation, design, installation & financing of Energy Efficient Lighting Systems.

Our Lighting Enhanced Program Could...

- ❖ Positively Impact Your Business by Increasing Sales/Productivity
- ❖ Improve Safety/Security of Your Facility
- ❖ Improve Facility Appearance
- ❖ More Effectively Present Your Product or Service

We Install New Lamps and Energy Saving Technology in Every Fixture

Clean Each Fixture

Provide and Install New Fixtures Where Needed.

INSTALL LEDs IN ALL FREEZER AND REFRIGERATED CASES

For many of our customers, we have improved their lighting, reduced operating cost and increased profits. **All without Any Capital Expenditure!**

**Call for your Free Lighting/LED Survey and Analysis
We also sell Lamps, Ballasts, Fixtures, Etc.**

Committed

To Quality

To Service

To the Largest Organic Inventory in the Southeast

For more than half a century, General Produce has set the gold standard for retail and wholesale service. Now with our new 250,000 square foot, state of the art facility located in Conley, Georgia we carry one of the largest organic and conventional inventories in the Southeast. We are ready to service all your needs from organic or conventional produce, logistics, cross docking, food service, repacking and processing for retail, wholesale and broad liners. Call General Produce today and speak to one of our representatives about how we can service your needs.

For more on what **General Produce** can do for you, contact

Derek Powell – Vice President, SE Division – **800-391-8222 ext. 7103**

Mark Daniels – Business Development – Mark.Daniels@generalproduceLLC.com – 1-912-944-8260
