JOURNEY

YOUR ALC JOURNEY

Congratulations on celebrating this important milestone with the Allen Lund Company. Your commitment to your office, your co-workers and to ALC is being recognized through this commemorative booklet. We hope your journey has brought you fulfillment in not only your career goals, but in developing relationships with co-workers, customers and the corporate team.

FAMILY, INTEGRITY, COMMUNITY

As the cornerstones to the company, you exemplify these traits in your daily life and have demonstrated that these attributes are an important part of who you are.

We wish you many more fulfilling years with the Allen Lund Company.

Bob Rose joined the Allen Lund Company well before we had offer letters or kept copies of resumes! In his Allen Lund Company career, he has always been part of the San Francisco office. In 2003, he took on Refrigerated when it completely split from Dry. Bob then took the lead of both Refrigerated and Dry when they were combined again in 2007. Recognized for his leadership to the company, he was named to our Board of Directors in 2010. His consistent lists of the positives working for the Allen Lund Company are as follows: freedom of expression, benefits, family values, and financial possibilities. Congratulations and thank you Bob for 30 years of dedication to ALC!

“We hold true the value of hiring, developing and retaining the best employees in the industry.”

“I want to thank Bob for 30 great years of service to the customers of the Allen Lund Company. Bob has been part of the San Francisco office from basically the beginning. He was instrumental last year in making the San Francisco office into the most profitable office. He continues to lead by example and brings out the best in our employees. Bob has been successful for years working with our largest customers. I look forward to working with Bob as the company continues to grow.”

“I met Bob 23 years ago in a small store in downtown Palo Alto California. During this time I have come to know Bob as a person who truly cares not just for his employees but also for the company. He is someone that I am proud to call a friend, a confidant and not just my boss but also my mentor. I could not be any more grateful to him for hiring me, training me and giving me every opportunity to succeed at work and in life.”

-Chris Raihl

“Bob has contributed tremendously not only to the San Francisco office but to the Allen Lund Company. He has been great help on the Board of Directors as well. It seems like just yesterday I was meeting Bob; it’s hard to believe that it’s been 30 years. I still remember Bob and Stacy’s wedding. Time flies when you’re having fun.”
