

Benefits On The Go

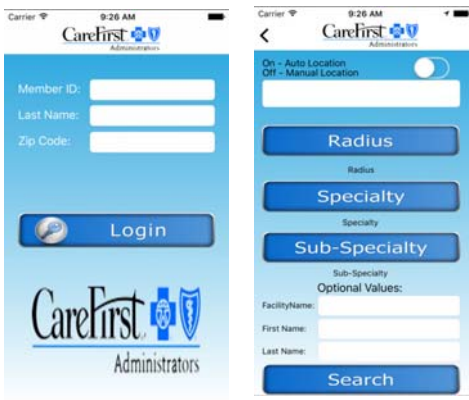

Accessing your ID card and taking advantage of your Mobile Apps

Available on Google Play and App Store (click on logos to take you to the App Store)

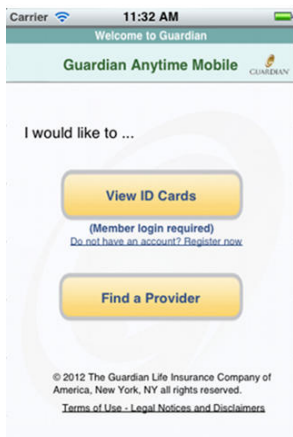

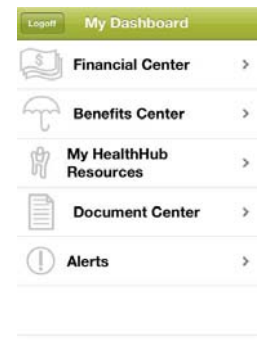

- Search in-network providers by specialty, hospital, facility or other geographical location
- Your copay information specific to that provider
- Deductibles and coinsurance information
- Covered services
- Directions to the provider's office
- Important phone numbers
- And much more!

- Balance updates on the go whenever and wherever you need it
- Convenient access to recent activity such as contributions, withdrawals, online claims, and eService updates
- On-the-go capability to submit claims, make your investments, and submit receipts for storage
- Similar features with our member portal including Site ID image, recent transactions, and account alerts to provide a consistent account holder experience

PAYFLEX

- View account balances, claims processed and transaction details
- File a claim using your phone's camera or library
- Initiate transactions to and from your account
- View important account alerts
- View lists of eligible/ineligible expenses
- Access stored health plan information

- Find a dental or vision provider
- Make an appointment with the dentist of your choice
