Book by February 14th for
the reduced BASA rate
of \$108.00! Reserve by
phone @ (614) 885-3334.

School Facilities & Safety Conference

Keynote Day 1:

Safety Conscious Schools: **ACTION REQUIRED!** Moving to a Culture Where Safety is a Strategic Priority

Uniquely different from previous general sessions, the opening session of BASA's Facilities and Safety Conference will engage attendees to participate in a critical dialogue elevating "safety" as a strategic priority through creating Safety Conscious Schools. Participants will journey through a tabletop exercise with peers to explore relevant data, share experiences of what is and is not working, and deliberate around methods to move stakeholders towards managing risks and cultivating the rewards of safe schools. This shared experience is one that can then be easily replicated back at your school district with board members, staff, parents, and other key stakeholders.

Keynote Day 2:

A Potentially Uncomfortable Self-Assessment What's the State of Safety in Your Schools?

With the heavy emphasis on active shooter response in Ohio, planning and preparing for much more likely events such as fights, bomb threats, medical emergencies, social media threats, and bus accidents is often inadequate. This session will examine what we know to be true about violent incidents and accidents in schools, both nationally and in Ohio, using specific data and proven best practices. We will explore often-overlooked components of a comprehensive safety plan including threat assessment management, bomb incident management, parent reunification, and violence prevention practices.

Wednesday, March 15th Highlights
