A Message From Your Principal

I am honored to welcome everyone on behalf of the students, faculty, and staff of South Paulding High School. Thank you for your support of all of our students and coaches of our fall sports and band program. They make us very proud!

At South Paulding High School we are committed to providing a rigorous curriculum where students and teachers work together to prepare all students for future success through a partnership with the home and community. We value the involvement of our students outside the classroom in co-curricular and extra-curricular activities such as band, cheerleading, clubs, and athletics, as we know leaders are developed through these activities. South Paulding High School not only strives for all of our students to graduate high school on-time, with their class, but also expects that they will be college or career ready after graduation.

We want to take this opportunity to extend an invitation to parents and community members to be involved and to help us as we educate all of our students and prepare them for future success. If you ever have a question or wish to be more involved with South Paulding High School, reach out to me at krowland@paulding.k12.ga.us. We are excited to serve this great community.

Thank you for your support!

Sincerely,

A Message From Your Assistant Principal

Dear Spartan Family and Guests,

It is with great pleasure and excitement that I welcome all of you to South Paulding High School for the 2017-2018 school year and athletic season. At South Paulding High School, athletics are an integral part to student life and success. At South Paulding, athletic programs are an extension of the classroom where the dedicated faculty and students strive for excellence as students prepare for life beyond high school. The efforts by coaches and players, along with the support of the community, resulted in South Paulding winning the Paulding County Superintendents Cup for the 2016 - 2017 school year, for the third consecutive year.

During the 2016 - 2017 school year, athletic teams at SPHS celebrated various levels of accomplishments with nearly all sports being represented in the state play-offs. The 2017 - 2018 athletic season will present many challenges and excellent competition as South Paulding High School continues in the 5 - AAAAAA Region.

At South Paulding High School, the athletic department believes in promoting quality character development in all our student athletes and preparing them for life beyond high school. The athletic department at South Paulding High School stresses and instills in student athletes the importance of respect, responsibility, good sportsmanship, integrity and competitiveness that is necessary to succeed later in life.

During your visit at South Paulding, I encourage you to applaud all participants with enthusiasm and encouragement. The students participating in all events have practiced an uncountable number of hours and have made numerous sacrifices to be here for you this evening and at other events. Please cheer loudly with enthusiasm, good sportsmanship and show the Spartan athletes how much you appreciate their time and effort.

I sincerely thank all of you for visiting South Paulding and for attending athletic events on campus and off campus. I hope that you enjoy the game, and I look forward to seeing you at other events at South Paulding High School throughout the year.

Dr. Chris McAllister
Assistant Principal &
Athletic Director

A Message From Your

Director of Safety & Athletics

Welcome to South Paulding High School, Home of the Spartans and the 2017-18 school year. The student/athletes at South Paulding along with the coaches, directors and boosters have worked extremely hard to prepare for their respective season and competitions, and we are very proud of them.

South Paulding High School has many wonderful sponsors who have given financial contributions and without their sponsorships SPHS would not be able to provide for their athletes in a first-class manner. Please make sure you thank and patron the sponsors of SPHS and those who make it possible for South Paulding to run their athletic programs.

I do hope you enjoy the game tonight and ask that you support your team and their efforts. I also ask that you refrain from using poor sportsmanship in any manner toward the players, coaches and officials. South Paulding High School along with the Paulding County School District and Georgia High School Association request that you display good sportsmanship always. It is our goal to have a very positive environment where competition and effort is the focus.

Thank You for your support

Executive Director of Safety & Athletics
Paulding County School District

A Message From Your Superintendent

Dr. Brian Otott
Interim Superintendent

It is my pleasure to welcome you to the 2017-2018 school year! We are all looking forward to seeing our students participating in athletic and extracurricular events throughout the year.

The vision of the Paulding County School District is to prepare students for success today and tomorrow. While academics are the priority of the Paulding County School District, we know that extracurricular and athletic activities provide students with a well-rounded high school experience. I firmly believe that participation in extracurricular activities supports our vision and provides our students with experiences that develop the leadership and interpersonal skills needed to be successful beyond high school. Specifically, these activities assist in building teamwork, fair play, sportsmanship, self-esteem and school pride.

I hope you will join me in making athletics a positive experience for our student-athletes. I challenge you to:

- Treat athletics as part of the educational experience, and realize the benefits of involvement go far beyond the final score of the game;
- Encourage our students to perform their best on the field, just as we would in the classroom;
- Participate in positive cheers that encourage student-athletes, and discourage anything that redirects that focus, including taunting and intimidating our opponents, their fans and the officials;
- Learn, understand and respect the rules of the game, the officials who administer them and their decisions;
- Respect the task our coaches face as teachers and support them as they strive to educate our youth;
- Respect the student-athletes on the other side of the ball and cheer for them as they strive to do their best; and
- Develop a sense of dignity and civility in all circumstances.

Extra-curricular activities can be a fun, rewarding and a memorable part of a student's high school experience. Please continue to be an active support for your student and encourage them to remain focused on their academic success. It is our hope that you and your family have an outstanding 2017-2018 school year.

I want to extend a special thank you to our coaches, parents, boosters and community members who work to support our schools and programs. Thank you for your support of our students and schools!

HEAD FOOTBALL COACH *Ed Koester*

COACH ED KOESTER

Over the years Coach Koester has touched the lives of countless young men and women. Building successful programs in three states and having coached in four, Coach Koester has been consistent with building winning programs using the four pillars of; FAITH, TRUST, VALOR, and WORK ETHIC. Coach's life work is building winning programs by increasing numbers, improving facilities, motivating students to live wholesome lives; while teaching them how to hold each other accountable. The time honored task of building winning teams carries no specific set of rules. Each situation requires insight and innovation.

Coach Koester has coached various All-Star games with the biggest being

the first American football game played behind the Iron Curtain in 1989 in Moscow and two others in Leningrad and Tallin, Estonia. A year later in 1990 Coach lead 95 players to New Zealand and Australia for a series of football exhibition games and coaching clinics. He is a regular consultant to various college and high school coaches from Oklahoma to Georgia on his offensive philosophy - especially the passing game. Having spoken at numerous clinics, including the Glazier Clinics, Coach Koester enjoys the opportunity to pass along the experiences of a life spent in coaching football.

Four years ago, Coach Koester took over the South Paulding High School program that had won only 29 games in its seven-year history. In the first four years at South Paulding, Coach Koester has a record of 29-16 and has lead his team to the playoffs three times. While at South Cobb High School, Coach Koester won 22 of his last 33 games including the 1st and only play-off victory in the 65 year history of the school. As Head Coach and Athletic Coordinator at Fort Worth Arlington Heights High School his leadership developed the Yellowjackets into one of the most successful and productive total programs in Texas. In 1995 every sport qualified for the state-playoffs. While at Bixby High School in Oklahoma his teams were rated in the top 10 each year and reached the state-quarter finals twice. With 164 wins as a Head Coach; Coach Koester has never taken over a winning program yet developed them each into winning programs. Raising numbers at Cherokee High School from 16 to 115 in three years, and putting 140 kids on the field this year at South Paulding; lend credence to a career as a builder.

Coach Koester and his wife, Diane, have been married for almost 43 years. Diane boasts that she has been in the stands for all but one of her husband's games. Together they have four children. Amy, a teacher in Gwinnett County, Georgia. Kyle, an attorney in Woodstock, Georgia. Kurtis, who works in the insurance industry in Alpharetta, Georgia. And Klay, who is the Offensive Coordinator at University of Virginia at Wise. Both Coach Koester and his wife are active in their church - The Church of Jesus Christ of Latter-day Saints.

Coach has never failed to give praise to assistant coaches and administrators who have aided him in serving students through athletics. He understands loyalty and that a team is larger than those on the field. Coach Koester respects the opportunity to work with

young men through football and education knowing he makes his greatest contribution to society on the sideline.

ASSISTANT FOOTBALL *Coaches*

OFFENSIVE COORDINATOR **JOSH CARMICHAEL**

Coach Carmichael has been instrumental in the design and execution of the SPHS offense which has averaged close to 30 points per game over the last 3 years. He has been coaching for 11 years and the last 9 years have been at South Paulding. Josh hangs his hat on a famous John Wooden quote "Things turn out best for those who make the most of how things turn out." He and his wife Emily have 4 children Caleb 7yrs, Kenzie 5yrs, Cytas 3yrs and Samuel 3months. A graduate of Liberty University with a degree in Physical Education, Josh brings a strong work ethic and will to succeed to the classroom as he loves the opportunity to interact with young people and share his love of Christ. Coach Koester comments that "Josh has all the ingredients of a coach who will make a difference; Strong faith, devoted family, the will to build his craft, and an unbelievable ability for compassion for youth.

DEFENSIVE COORDINATOR **JOE SCOTT**

Coach Scott having devoted 13 years so far to coaching with 8 being here at SPHS keeps going through a strong faith. He quotes Proverbs 3:5-6 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths" as his inspiration for his performance. Joe has assembled a defensive craft that exudes passion and persistence to the pursuit of perfection. His defenses have shown an unyielding back bone in his reflection. A Team Captain of the 2002 Georgia Southern Eagles Joe was selected All-Conference Linebacker both in 2001 and 2002; Joe brings a special intensity to game and practice. Joe's desire to make a positive impact of players, coaches and community are supported by a great football family, wife Shamela and he have 3 children, Joe 11yrs, Ben 9yrs, and Angie 6yrs. Coach Koester comments that "Joe has developed a defense that can be relied upon in all situations, more importantly Joe is a class act that builds character, and strength in the young men he leads thus building positive contributors to the SPHS community.

OFFENSIVE LINEMEN JOSH WILLIAMS

Coach Williams is entering his 5 year as a coach 4 of which have been with the Spartans. Having played at West Georgia before entering law enforcement Coach Williams has developed offensive linemen entering the collegiate ranks each year here at SPHS. It was his experiences in law enforcement that inspired him to get into coaching to satisfy his desire to be a positive influence on young people. Coach himself is motivated by Bear Bryant's message "it's not the will to win but the will to prepare to win that makes the difference" This holds true has Coach has shown a tireless effort to develop his craft as an offensive line coach. Sherie, his wife and he have 3 sons, Cole a GSU student, Luke 14yrs and a 9th grade player, and Trent 11 years; all of which are true Spartans through and through. Coach Koester comments that "Josh is one of the most impressive young coaches I run across. To develop the craft of coaching offensive lineman usually takes years, this Josh has done in a short time and continues to grow his craft and produce winners in his position."

ASSISTANT CODY NEAL

Coach Neal enters his third season with the Spartans and his 8th year coaching overall. Coach Neal graduated from Kennesaw State University in December of 2014 with a health and physical education degree, as well as a coaching minor. He also coaches varsity baseball for the Spartans. SPECIAL ASSISTANT TO THE HEAD COACH **KYLE KOESTER**

Kyle having stood on the sidelines with his dad since age 5 is probably best equipped to handle the sharp voice of the head coach and communicate to others in a more diplomatic

way. Kyle's coaching career started when trying to teach his mom the finer aspects of playing catch; this grew quickly when in high school he was apt to steel to opponent's signals and convey the next play to his team mates. Kyle holds a Juris Doctorate from Cooley Law School and runs a small law firm in Woodstock. Kyle and his wife Natalie have 3 daughters Evelyn 8, Elouise 5, and Emery 2. Calling himself the "Get Back" coach Kyle offers advice to players in how to stay in the game and has built a strong following of CAN FANS which bring noise unsurpassed to opposing teams. His value to the team is as tremendous as his desire to serve young kids and teach them to pull for each other. He quotes Martha Graham "No one ever raised a statue to a critic" His dad says "Kyle has forever known what's best in school, play, life and family; there is great pride to have a son stand with you on Friday night".

SPECIAL TEAMS & SECONDARY **MICHAEL WAGNER**

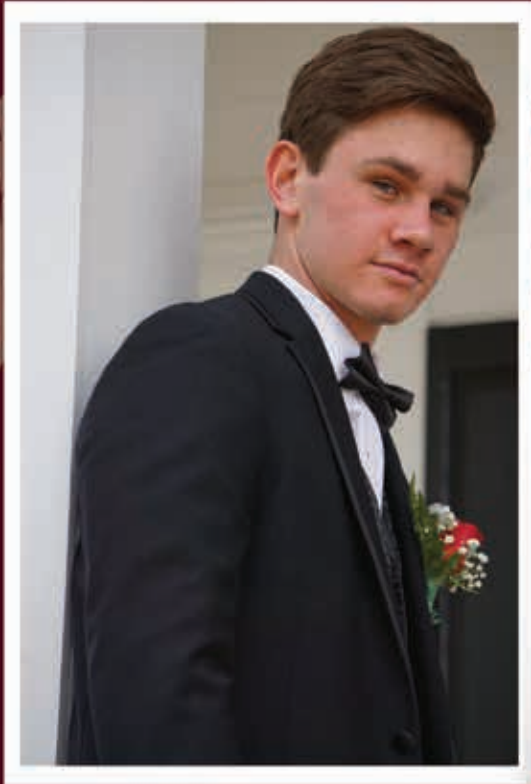

Coach Mike Wagner serves the youth of Sparta for a greater purpose. His 25 years of coaching experience are supported by his desire to bring his life experiences into value for the

youth of today, thus fulfilling Gods purpose to serve one another. A member of the 1985 and '86 National Champion Georgia Southern teams has motivated him to coach with intensity and perfection of details has he moves from coaching defensive linemen to leading the rebuilding of a secondary. Coach Wagner a valued member of the Physical Ed. Department works closely with younger players in the weight room to pass along his desires of success. Coach gains support for his efforts from a great family; wife Charlotte and he have 2 children Katie a SPHS cheerleader and son Chaz a cadet at West Point. Mike has delivered the same advice to all team members "If you want something you've never had you must be willing to do something you've never done." Coach Koester comments that "Mike brings a sense of humor and a mature understanding of kids and the game that acts as a glue for our staff and players".

SPARTAN SOFTBALL COACHES

JANET OGLESBY
HEAD COACH

Coach Janet Oglesby is entering her twelfth year at South Paulding High School where she started the program in 2006. Under Oglesby's helms, the Spartans have advanced to the state tournament four of the last six years, finishing region runner-up three times. The Spartans had their best finish in school history in 2012 as they advanced to the Elite Eight and finished tied for 5th place in the state. Prior to starting the Spartan program, she served as the head coach at Harrison High School for eleven years where her team finished state runner-up twice and captured the 2000 AAAAA State Championship. While at Harrison, Coach Oglesby was awarded many honors, including AAAAA Georgia Coach of the Year, Cobb County Coach of the Year and Region Coach of the Year. She has also coached in the Georgia Athletic Coaches Association and Georgia Dugout Club All-Star games. In 2015, Coach Oglesby was inducted into the Georgia Dugout Club Hall

of Fame. She is a graduate of Fayette County High School, where she is a member of the FCHS Hall of Fame, and played college softball at Georgia Southern University. While at Georgia Southern, she earned a Bachelor of Business Administration degree in Marketing. She completed her graduate work at Georgia State University earning a Master of Science degree in Sports Administration. After working in college athletics, Coach Oglesby attended Kennesaw State University where she earned a Bachelor of Science degree in Health and Physical Education and served as an assistant softball coach. Her teaching responsibilities include Personal Fitness, General PE, Health, and Sports Medicine. She and her husband John have two children, Kalin and Jake who are both SPHS alumni.

GARY JONES
ASST. COACH

Coach Jones enters his eighth year as an assistant coach with the Spartan Softball Program where he will serve as a varsity assistant. He was born and raised in Cobb County where he graduated from Osborne High School. Coach Jones earned a B.S. in Business Administration and a B.S. in Secondary Math Education from Kennesaw State University. He also earned a Master's Degree in Secondary Math Education from Piedmont College.

Coach Jones has been teaching Math at SPHS since 2008. Prior to coming to SPHS, he taught at Harrison High School from 2000 to 2003 and South Paulding Middle School from 2005 to 2008. His coaching experience includes sixteen years in slow and fast pitch softball. He also was an assistant football coach (receivers and defensive backs) and an assistant girls' soccer coach at South Paulding Middle School.

Coach Jones enjoys spending time with his three children and six grandchildren.

MISSY TOLBERT
ASST COACH/
HEAD JUNIOR
SPARTAN COACH

Missy is in her sixth year working with the SPHS softball program. She serves as the Head Coach for the Junior Spartan team and also serves as a varsity and junior varsity assistant coach in the Spartan Softball Program. She graduated from Harrison High School where she was a 4-year varsity letter winner in fast pitch softball. During her high school years, she played gold level travel ball for the East Cobb Softball Association, playing in ASA Nationals six years. Missy continued her softball career at the collegiate level, playing two years at the University of West Georgia (Gulf South Conference DII) and two years at Kennesaw State University (Atlantic Sun Conference D1). While at the University of West Georgia she broke all pitching records and was selected to the All-Conference Team twice. Her softball recognitions include: Marietta Daily Journal Pitcher of the Year, Gulf South Conference Pitcher of the Week, East Cobb's Continuance of Excellence in Softball, and Atlantic Sun Conference Pitcher of the Week. She and her husband Brian have three sons, Bryce, Jase and John Ryker.

BRYCE SELLERS
ASST COACH

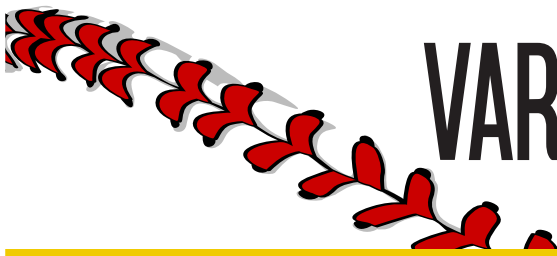

Coach Sellers enters his second year working with the Spartan Softball program. He will be an assistant varsity coach as well as the head JV coach. He is originally from Paulding County where most of his family resides and is a 2010 graduate of South Paulding High School. While in high school, Coach Sellers played basketball, football, baseball, and ran track. After graduation, he continued his athletic career at Shorter University in Rome, GA on a football scholarship and joined the baseball team for the fall season. He graduated from The University of West Georgia in the spring of 2015 with a degree in Health and Physical Education. His hobbies include fishing, summer sporting events, exercising, hiking, and spending time with his friends and family. Coach Sellers has a twin brother (Brock) and younger sister (Victoria). His grandfather, Sammy McClure, and his uncles, Reggie and Sammy McClure are the biggest influences in his life. His uncle, Lloyd Turner, spent seven years in the minors reaching AAA level, and is now the hitting coach for the Vermont Lake Monsters in the Oakland A's system. "Sports has had a major impact on my life. Sports teaches young men and women a lot about life. It can humble you, teaches you work ethic, and also how to work well with others in a team setting. I have built many relationships through sports and I am very fortunate that Coach Oglesby has given me the opportunity to learn and be a part of her staff. I love learning and can't wait to make an impact this season! I am beyond excited to come aboard for the 2016-2017 softball season at South Paulding. Looking forward to having a great year!" GO SPARTANS!

EMILY DOSTER-RAMPLEY AND MICHAELA NORMAN
Emily Doster-Rampley and Michaela Norman are beginning their fourth years at South Paulding High School this year. Coach Doster graduated with her Masters from Georgia College and State University, and Coach Norman earned her Bachelors from Kennesaw State University. Both women are pursuing gifted endorsements this school year. Athletically speaking, both coaches played rugby and competitive tennis. The duo has coached tennis together for four years, leading the team to state championships twice. With the need for volleyball coaches, Doster-Rampley and Norman decided to take on the challenge together. They are hopeful for the season ahead, and expecting excellence from the athletes. When they are not coaching, the pair enjoy running half marathons (enduring more so than enjoying), eating chicken nuggets, watching Parenthood, and talking about how much they love their dogs.

KELLIE WIZNER 8TH GRADE SPJS COACH SPJS COMPETITION COACH

My name is Kellie Wizner and I am the 8th grade SPJS Coach as well as SPJS Competition Coach. I have cheered since the age of six. I have coached Multiple Senior All Star Teams that have made it to Summit. I have cheered three years of college at Level 6 NCA. I have cheered and won Cheersport National Championship three times over the years. I currently work at C4 Longhorns coaching. I will soon graduate with a degree in teaching. I coached 8th grade SPJS last season and I am looking forward to another great season.

JR SPARTANS 7TH GRADE COACH KELSEY GRAVLEY

Hello everyone! My name is Kelsey Gravley. I am so excited about being able to coach your girls this season. I began cheerleading when I was four and retired my cheer career after I graduated high school. I have cheered at many different levels, including youth programs, Paulding County High School Varsity Cheerleading, and C4 Longhorns competition all-star cheerleading. I have previously coach for the New Hope Patriots, and a junior half year squad at C4. Throughout my cheerleading experience, I have competed at the State Level, where my squad was the first in our schools history to make it to state. I also competed at the Summit, which is a national level competition, where my team placed in the top 10. Additionally, I am an Early Childhood Education major at the University of West Georgia. A few other small things about me are I love beagles, cooking, and spending time with my family. I am looking forward to getting to know all of you, as well as an awesome season! Go Spartans!

JR SPARTANS 6TH GRADE COACH SHAE LENTZ

I am 24 years old and a former Hiram High School and Georgia State University Cheerleader. I have been coaching and cheerleading for 15 years. With experience in coaching recreational cheer and coaching tumbling classes, I am very excited to join the SP Jr Spartan Team. I am an aspiring special needs teacher. I attended Savannah State and Kennesaw State University to study behavior analysis and psychology. I also worked as a pre-school teacher for six years and often volunteer with children of all ages and the less fortunate. I plan to integrate my love of service and love of cheer by bringing service projects to our program. I am the oldest of six siblings and pride myself in being an example. The best part about coaching for me is pushing students to reach their full potential and making a difference in their lives.
