# GOLF BALLS

## Callaway Super Soft Pink

The new Supersoft asks, "What do you get when you combine our lowest compression golf ball with a soft cover and HEX Aerodynamics?" A long, straight distance ball that is incredibly soft, of course.

**MAP: \$21.99**

## Bridgestone Lady Precept

After more than 15,000 live fittings with lady golfers, Bridgestone Golf has developed a ladies specific model engineered for moderate swing speeds. The new Lady Precept is designed to produce higher launch and lower spin off the driver for optimum distance and carry while providing soft feel from tee to green.

**MAP: \$19.99**

**Now until 5/31 on sale at 2 for \$30**

## Srixon Soft Feel

---

The new Soft Feel Lady is designed specifically for women, promoting a longer, higher trajectory with every club in the bag. This newly engineered low compression offering has an exceptionally soft Energetic Gradient Growth™ core for soft feel on all shots.

## Callaway Solaire Complete Set

Callaway looked at every aspect of a club's design and in-depth research on women's swings to find a way to deliver more forgiveness and performance. The result is longer and more forgiving irons, fairway woods and hybrids that launch high and are easy to hit, and a driver that delivers longer, straighter drives more often. And for extra measure we've included an Odyssey Putter, the #1 Putter in Golf. All of this is engineered specifically for the demands of women golfers with a stylish and contemporary sporty retro bag you'll want to show off.

### Stylish Retro Bag and Color Options

- Solaire comes with a brand new, stylish and functional 7-pocket golf bag with a 6-way divider top to help keep your clubs organized and looking great.
- Available in both Black and Pink colors

## Cleveland 588 RTX CB 2.0 Black Satin

---

Specifically designed with the female golfer in mind, a cavity back design with a slightly larger profile adds confidence and forgiveness on full, chip and pitch shots. The subtle cavity promotes perimeter weighting for more forgiveness on off-center hits.

**MAP: \$129.99**

## Cleveland TFI Halo

---

The TFI face technology offers golfers the best of both worlds from the feel of a milled putter to the consistency and forgiveness of an insert. Combined with Dual Axis Alignment- The TFI Smart Square series offers the feel and alignment golfers of all abilities seek.

## Mizuno JPX EZ Driver & Fairway

The JPX EZ is a large footprint, high launching, low spinning driver that is also adjustable. Typically with drivers that have moveable weights, forgiveness is sacrificed.

**The JPX EZ driver** changes everything. With a simple 3 weight system, the JPX EZ Driver now allows you to dial in your launch trajectory, while maintaining its design for maximum forgiveness.

**The JPX EZ Fairway** woods are recognizable by their larger, confidence inspiring footprint and ability to produce a high flight - optimizing carry distance.

# CLUBS & SETS

## TaylorMade Kalea 10-piece Set

Kalea is the first complete line of women's clubs from TaylorMade, and is Completely Yours.

Light-weight clubs generate more club head speed. Low-kick Slim Tech shafts launch the ball higher, and Speed pockets add ball speed for shots that fly farther and stay in the air longer.

Inspired by an independent, active and outdoor lifestyle, Kalea's fresh design flows through each and every club, resulting in stylish elegance throughout the set.

Kalea was specifically engineered to optimize distance gaps from driver through wedge, ensuring that you will use every club in your bag.

**INCLUDED IN THE SET:** Driver, 3 Wood, 4 Rescue, 5 Rescue, 6-PW, SW

**MAP: \$1,399.99** (10-piece set)

## Tour Edge Moda Silk

This high-flying set features an offset 460cc 15-degree driver that will help you hit longer straighter drives. The powerful titanium club head has a huge sweet spot and hot face that will have you smiling from tee to green. Moda's oversized, offset and low profile stainless steel fairway woods help you get the ball easily into the air from anywhere on the course. Packed inside the attractive exterior, Moda Silk fairway woods boast an extra heavy sole and low center of gravity.

The hybrids inspire confidence when nothing else can. These stainless steel clubs give you a deep, low CG needed to hit higher, more accurate and forgiving shots. The Moda stainless steel irons absolutely sparkle. These oversized irons offer extreme perimeter weighting and a wide undercut cavity that moves the center of gravity back and away from the face to help you hit higher, more accurate shots even on off-center hits.

### SET CONFIGURATION

The Moda Silk sets include a driver, 3 & 5-woods, 5-6 hybrids, and 7-SW undercut cavity irons.

# CLUBS & SETS

## Wilson Profile Set

Profile uses super game improvement technology on every component, with the goal of providing a more rewarding experience for beginner golfers. Large sweet spot and low weighting helps new golfers get the ball airborne, which is the #1 challenge of people just starting

A lot of consumer research goes into every Profile Set, and then Wilson's R&D department uses that research to make clubs that are easy to use.

### KEY FEATURES:

- Custom fit allows everyone to get a set that's right for them. Golf is tough enough — if you're playing equipment that is too stiff or too long or wrong for any other characteristic — you're making it harder for yourself. Wilson believes using the right equipment makes a big difference.
- Women's product is specifically designed for a woman's physical swing characteristics (*not just a men's set in ladies colors*)
- Quality bag has plenty of storage, rigorously durability tested and is ergonomically designed to provide years of trouble free use
- Easy Launch™ Sand Wedge helps beginners get OUT of the trap

## Golf Buddy LD2 GPS Watch

The LD2 is the first-ever ladies golf GPS watch in the market and with its slim design, it fits the lady golfer's wrist more comfortably. Before the LD2, the lady golfer had to deal with bulkier designs that focused on function. With the LD2's Swarovski® crystals and leather band, GolfBuddy combines fashion and function in one device.

With the LD2 being the first ladies golf GPS watch in the industry, GolfBuddy wanted to design a watch that could be worn for function as well as outside the golf course as a lifestyle watch. The light sapphire Swarovski® crystals and alligator grain leather watchband really set this golf GPS watch apart from the others.
