GUIDELINE FOR MARKING OF REFEREES BY CLUB OFFICIALS

The referee's performance will be measured in every United Counties Football League match. Each club will be required to mark the Referee out of 100 marks. These marks along with the Assessor marks will be submitted to the Football Association and will form the basis of measurement at the annual review of performance.

In an attempt to assist clubs in compiling their marks a competency based scheme will be introduced. Seven areas are to be marked with a weighting of marks to assist clubs in arriving at their final mark.

A mark should be awarded for each of the 7 sections and then added together for the final mark. A mark of 70 represents the standard expected of a United Counties Referee.

A mark of sixty or below should be accompanied by a written report on the deficiencies witnessed. [To be of any use this report should not only contain criticism but also some positive points which must have been witnessed].

It would be beneficial to the marking scheme if the same club member awarded the mark when possible for the entire season to ensure uniformity of marking is achieved.

Areas to assist when arriving at the mark.

NOTES FOR REFEREES AND ASSISTANT REFEREES

1. Acceptance or otherwise of appointments MUST be notified in writing (preferably postcard) or by e mail to the Referee Appointments Secretary within 7 days of receipt.
2. Your open dates are appreciated at all times. A phone call may often help fill a vacancy at weekends.
3. Referees and Assistant Referees MUST acknowledge receipt of match details to the home club, to be received at least three days before the match. Officials MUST travel together when indicated by an asterisk* unless permission granted by the Referee Appointments Secretary. Failure to do so will affect your entitlement to receive travelling expenses.
4. The Referee Appointments Secretary shall have the power in case of emergency to appoint a Referee to officiate in a League game whose name may not be on the official lists.
5. In inclement weather when there are doubts about the game being played Referees and Assistant Referees must ensure that the home club know how to contact them and/or make contact with the home club before travelling.
6. All games in the United Counties League MUST BE OF 90 MINUTES DURATION. The half time interval will be of 10 minutes duration unless agreed by the Match Referee.
7. Where cases of misconduct arise concerning players of Clubs who are members of the FA (marked with an asterisk * in Club details) copies of the reports must be forwarded to: The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ. Reports of sending off offences must be sent to the County FA to which the club is affiliated. Assistant Referees officiating in games where full member clubs of the FA are taking part must also send copies of reports for sending off offences to the County FA concerned. In the event of a caution a report should be prepared and retained in case of an appeal by the player. There is no need to submit this initially.
8. Match Report Cards (to include either Assistant Referees or Club Assistant Referees marks as appropriate, a note of any cautions or sendings off and a hospitality mark out of ten) MUST be sent to the League Office WITHIN 3 DAYS OF THE MATCH. Remember that the fair play award, the hospitality award and the Club Assistant Referee award depend entirely on your co-operation.
9. Referees and Assistant Referees must report to the home club at least 60 minutes before the kick off.
10. Referees must order matches to commence at the appointed time and must report ALL rule infringements to the the League.
11. Referees and Assistant Referees must wear black kit when officiating on the UCL and should always wear the League badge.
12. Referees MUST complete the Club Misconduct Notification Form before leaving the ground after each match. A copy of this form should also be sent to the league unless the information is being provided on the match report card in paragraph 8. The provision of this information for Clubs and the League does not replace the requirements in paragraph 7 to report all misconduct to the appropriate County FA.

Pitch Inspections

Each Club must take every precaution to ensure that its ground is in a fit playing condition. Except in exceptional circumstances the following procedure will apply:

- The home Club must select a Referee listed at Level 5 or above to make the pitch inspection. If the match Referee is local to the ground then he / she should be called in to make the decision. Best practise not to have the same match official inspect in two consecutive fixtures.
- The time of any pitch inspections should take account of the travelling distance to be travelled by the opponents
- In the event of a pitch inspection being required, the home Club should advise their opponents in advance of this fact, and ensure that they have appropriate telephone numbers that can be used to contact their opponents on the day of the match

For matches to be played on a Saturday, any pitch inspection MUST take place on the day of the game. For midweek fixtures, pitch inspections should not take place more than 24 hours before the scheduled kick off time.

The Referee who is making the inspection should consider the following:

- Whether or not the ground (playing area) is dangerous (e.g. ice / frost)
- Whether or not that the spectator standing areas are dangerous (e.g. ice / frost)
- Whether or not conditions are or could turn farcical. A ball should be used to determine whether the surface is playable (for movement and bounce)
- The existing condition of the playing surface in conjunction with the prevailing weather conditions as previously confirmed with the local weather authority
- In the event of fog check with the local weather authority re possible clearance, also bearing in mind the visitors travelling arrangements if the fog is known to be widespread. If fog is the problem then the match referee should also consider whether or not the paying spectators would be able to view the whole area of play
- The views of the Home Club Groundsman in terms of local knowledge and draining capabilities in the event of standing water
- The manpower available to the Home Club to carry out any necessary work
- The time the visiting Club are due to commence their journey

If the inspecting Referee is not the match Referee, then he / she should, if possible:

- Consult with the match Referee prior to the inspection
- Consult with the match Referee during / after the inspection to mutually agree on a decision

If the ground is declared fit and the away Club instructed to travel, the away Club must be advised that the final decision is down to the match Referee. However if the match Referee is going to call the game off it would be expected that there had been a deterioration in the weather or an expected thaw of frost had not taken place since the original decision being made. If a game has not been called off after an earlier inspection then the final decision will be made by the match Referee.

In exceptional circumstances when the regional weather conditions are known to be extreme (e.g. prolonged severe frost, clear water logging or heavy snow) then a game can be postponed at the discretion of the League following consultation with the League Secretary / Fixture Secretary. Should the League decide to agree to a postponement under such circumstances there will be no requirement for a pitch inspection.

Hospitality Award

All Referees must send a match report card to the League Office within 3 days of the match. This card should include a mark out of 10 for the hospitality award. The following provides guidance on how to determine an appropriate mark.

The Board may at any time require a Club, at its own cost, to submit a report from a qualified independent source certifying the pitch dimensions.**

Dimensions of the field of play for all Competition matches shall be:-

Length	Maximum 120 yards (110 metres)	Minimum 110 yards (100 metres)
Width	Maximum 80 yards (75 metres)	Minimum 70 yards (64 metres)

No Club shall remove to another Ground without first obtaining written consent of the Board; such consent not to be withheld unreasonably. In consideration whether to give such consent the Board shall

have regard to all the circumstances of the case and shall not grant consent unless it is reasonably satisfied that such consent:-

would be consistent with the objectives of the Competition as set out in the Memorandum of Association;

would be appropriate having in mind the relationship (if any) between the locality with which by its name or otherwise the applicant Club is traditionally associated and that in which such Club proposes to establish its Ground;

would not adversely affect such Club's Officials, Players, supporters, shareholders, sponsors and others having an interest in its activities;

would not have an adverse effect on visiting Clubs;

would not adversely affect Clubs having their registered Grounds in the immediate vicinity of the proposed location, and

would enhance the reputation of the Competition and promote the game of association football generally.

The Club must disclose, as soon as practicable, plans and details of any proposed move to a new stadium. The location of the proposed new stadium must meet with the approval of the Board.

Without prejudice to the provisions of Rule 4.12 a Club shall forthwith notify the Competition of any proposed change in its circumstances relating to the occupation of its Ground. By way of example, and without limitation, a proposed change may include a sale of any freehold interest (with or without subsequent leaseback) or any surrender or variation or a lease or licence.

2.2 All Clubs shall have Grounds and headquarters situated in England the Channel Islands, Isle of Man if applicable, or Wales and the Competition Secretary shall send their names and particulars to The FA annually by the date appointed by, and in the format required by, The FA. Clubs playing in England shall be duly affiliated at all times to a recognised County Football Association. Welsh Clubs shall be affiliated to The FA of Wales. Each Club shall notify the Competition Secretary of its affiliation number each year as soon as practicable after it has received same. Each Club shall return to the General Manager a fully completed questionnaire relating to Form "D" required by The FA by the date given in the circular letter accompanying the questionnaire issued by the Competition Secretary.

2.3.1 A Club's Ground may be shared with another Club or any other club (including a club engaged in another sport) providing, where sharing with a football club the Club or club playing in the most senior competition has priority of fixtures at all times and, where sharing with a club engaged in another sport, the Club has priority of fixtures. A Club will not be permitted to ground share to gain promotion or to avoid relegation. Ground sharing may not be permitted when one of the sharers retains the use of another ground unless that club can show by means of a refused planning permission or similar that it cannot meet the requirements of the Criteria Document at that ground. Any Club wishing to share a Ground or intending to move to a new Ground must obtain the written consent of the Board. Any Ground sharing for a period exceeding thirteen (13) weeks must be in writing and a written agreement must first be approved by the Board before being entered into and (except in an emergency) must be completed by 31 March in any year to be effective for the following Playing Season. A copy of the completed signed and dated agreement must be received by the Competition within fourteen days of the approval being sent to the Club.

2.3.2 The Club as at 31 March in any year shall either:

(i) Own the freehold of the Ground, or

(II) A lease for the Ground that extends uninterrupted for a minimum of the next Playing Season, or

(iii) Possess an agreement for the use of the Ground that is acceptable to The Football Association following

consultation with the relevant Competition.

In each case the Club must provide to the Competition of which it is a member and to The Football Association:

If the Ground is freehold either currently dated Official Copies of the freehold title at the Land Registry in the name of the entity in membership of the Competition or, if unregistered, a Certificate of Title from the Club's solicitor showing that the Ground is owned by the entity in membership of the Competition, or

If the Ground is held leasehold a copy of the signed and dated lease in the name of the entity in membership of the Competition; if the expiry date of the lease has already passed or is dated before the end of the next full Playing Season, a certificate from the Club's solicitor as to whether or not a notice has been given by the landlord to terminate the lease. In addition the Club must provide evidence of registration at the Land Registry, or explain why the Lease is not registered.

If the Ground is subject to an acceptable agreement a copy of the signed and dated agreement for the use of the Ground together with confirmation from The Football Association **following consultation with the relevant Competition** that the agreement is acceptable.

The Club must disclose whether the Club's occupation of the Ground is subject to any third party option, whether the ground is charged by way of security and whether or not any break clauses in the lease or agreement have been exercised either by the landlord or the tenant.

In all cases The Football Association and the Competition of which it is a member have the right to call for further information.

2.3.3 A Club's Ground must comply with the Criteria Document for the step in the National League System at which the Club is playing.

2.4 No club which is a "nursery" club for a football club shall be eligible for membership of the Company.

2.5 Clubs seeking membership or applying to retain membership of the Company must comply with the requirements provided for in the Criteria Document for the step at which the Club is playing. Only clubs which meet these criteria in full will be eligible for membership. All Clubs visited by representatives of the Competition in pursuance of the document will pay a non-returnable fee. In the absence of a procedure for application for membership being established by The FA, the Board shall establish such procedure. The Board shall establish a procedure for inspecting Clubs' grounds from time to time to ensure that the grade attained by that ground is maintained

2.6 The Competition and the FA shall determine a time scale whereby all Clubs in membership must attain the grade provided for in the Criteria Document. The grade applicable for each Club for the commencement of a Playing Season shall be that existing at the previous 1st April, such grading to be ascertained by an inspection carried out on or before 1st April or as soon as practicable thereafter. Any Club not maintaining the grade set for the Competition may be relegated at the end of the Playing Season to a step determined by The FA.

Any delay in inspection shall in no way release a Club from its obligation to have its ground ready for inspection. If for any reason a Club's existing ground, or any new ground in which it proposes to play its home matches in the season following inspection, is not available for grading by **31st March** prior to commencement of the relevant season then the Club must, by the 1st April, submit to the Board in

writing its proposals for a venue for its home matches in the following season ("alternative proposal"), such alternative proposal to be considered (and if appropriate) approved at the next Board Meeting after **31st March**. The alternative proposal must, inter alia, contain documentary evidence in support of any ground sharing arrangements and evidence that the proposed ground is demonstrably suitable at a level which the relevant club will be competing. The alternative proposal may not be for a continuation of any ground share arrangement if the Club has had a ground sharing arrangement for the previous 2 seasons, or any part thereof, even if those arrangements have related to more than one ground.

Any approval of the alternative proposal will be subject to the issue of a grading certificate. The Board will use all reasonable endeavours to inspect the ground after receiving the alternative proposal and prior to the Board meeting, but if it is unable to do so then any approval of the alternative proposal will be subject to the issue of a satisfactory grading certificate. In the event of a Club not having received a grading certificate by **31st March** and not having had its alternative proposal approved at the relevant Board Meeting, it shall be relegated forthwith at the end of the playing season to a level determined by The Football Association.

Clubs in membership of the Competition on **31st March** in any season will have until 31st May in that season to meet in full the criteria of membership of the Competition.

- 2.7 Any Club which is incorporated must be incorporated in England and Wales. Any Club wishing to incorporate shall notify The FA, its Affiliated Association and the Company Secretary before it makes any resolutions in this regard. Any person wishing to be appointed as an Officer to a Club must comply with the requirements of the FA Owners' and Directors' Test Regulations and send to the Company Secretary a copy of the Owners' and Directors' Declaration within 5 days of sending the same to the FA
- 2.8 In the event that any Club which is an unincorporated association incorporates itself it shall notify the Company Secretary in writing within 14 days of the passing of the resolution to take this action and shall with such notice provide the Company Secretary with a copy of the Memorandum and Articles of Association of the company. Any amendments to the Memorandum and Articles of Association of a Club must be notified to the Competition Secretary in writing within 14 days of the passing of the resolution with a copy of the change(s).

Transfer as a Going Concern

2.9.1 In the event that any Club which resolves to transfer its membership of the Competition from one legal entity to a different legal entity, other than in the circumstances shown at 2.9.2 below, the Board will use the following minimum criteria in deciding whether to approve that transfer:

In the case of an appeal from a decision of a Disciplinary Commission, the date of notification of the decision shall be the date of the written decision, or, if applicable, the date of the written reasons for the decision. In relation to any other decision, the relevant date shall be the date on which it was first announced.
- 1.3 The Notice of Appeal must:
 - (1) identify the specific decision(s) being appealed;

 - (4) be accompanied by any deposit prescribed by the relevant Rules or Regulations. Where an appeal is lodged by fax, the deposit must be received not later than the third day following the day of despatch of the fax (including both the day of despatch and receipt). Any such personal hearing shall be conducted according to such timings and procedure as the Appeal Board may determine at its discretion.

(6) Notwithstanding the terms of 3.5 below, only following a bond application by the Respondent submitted pursuant to this regulation, the Appeal Board may order the Appellant to lodge a bond with The Association on such date and in such amount as it considers appropriate, where it is satisfied that –

The Appeal Board's decision in this respect shall be final and binding with no further right of appeal.

(10) Notwithstanding the terms of 3.5 below, in any case where a bond has been lodged with The Association, and the appeal is not pursued by the Appellant to a final determination by the Appeal Board, the Appeal Board shall have a discretion to order the forfeiture of any part or all of the bond, such amount to be paid in full to the Respondent to cover any costs it has so far incurred in responding to the appeal.

Any other matter not provided for in these Rules shall be determined by the Board.

The Board may divide the competing Clubs into convenient geographical divisions up to the Final.

The matches shall be arranged by the Fixture Secretary.

Clubs shall be drawn in couples, first Club drawn to have choice of ground, with byes where necessary.

The first team to receive a bye will be the winners of the competition from the previous season, the second team to receive a bye will be the runners-up of the competition from the previous season. Final Ties will be played on a neutral venue to be determined by the Board

All arrangements for the Final Ties shall be made by the Board.

The Competitions shall observe the Rules, Regulations and Bye-Laws of the Football Association, and all matches shall be played according to the Laws of the Game, as settled by the international Football Association Board.

Where the Competition is arranged in to geographical divisions the Board will determine which Clubs shall progress to the knock out stage of the competition, and Clubs will be informed of the rules that will operate prior to the start of the Competition.

3 Requirements on Winning Clubs

The winning Clubs shall comply with League Rule 19.

4 Gate Receipts/Proceeds of Matches

A gate MUST be taken at all KO Cup matches

The proceeds of all matches (except replayed matches in consequences of a breach of Rule, matches played during the geographical division's stage of the competition and Final Ties) shall be equally divided between the competing Clubs after the expenses have been deducted.

The only charge to be allowed on the gate shall be Match Officials Fees and Expenses and, if applicable, floodlighting to a maximum cost of up to £40. In exceptional circumstances where the cost of stewarding/policing is expected to be excessive, application may be made to the League in advance of the match for the amount to be charged against the gate to be increased. Should the request be agreed, both Clubs will be notified in advance of the match the additional amount that has been agreed. Should the receipts not be sufficient to cover the expenses then the Home Club will be responsible for meeting these expenses.

All cash must be paid within 14 days of the match and a copy of the statement forwarded to the Competition Secretary and the visiting Club. Failure to do so will result in an automatic fine in accordance with the Fine Tariff.

There is no requirement to send financial statements to the Competition Secretary or the visiting Club for matches played during the geographical division's stage of the competition.

The League shall take the proceeds of the Final Ties and shall be responsible for meeting the expenses of the ties.

The National League System (“NLS”) shall be operated in accordance with the Regulations.

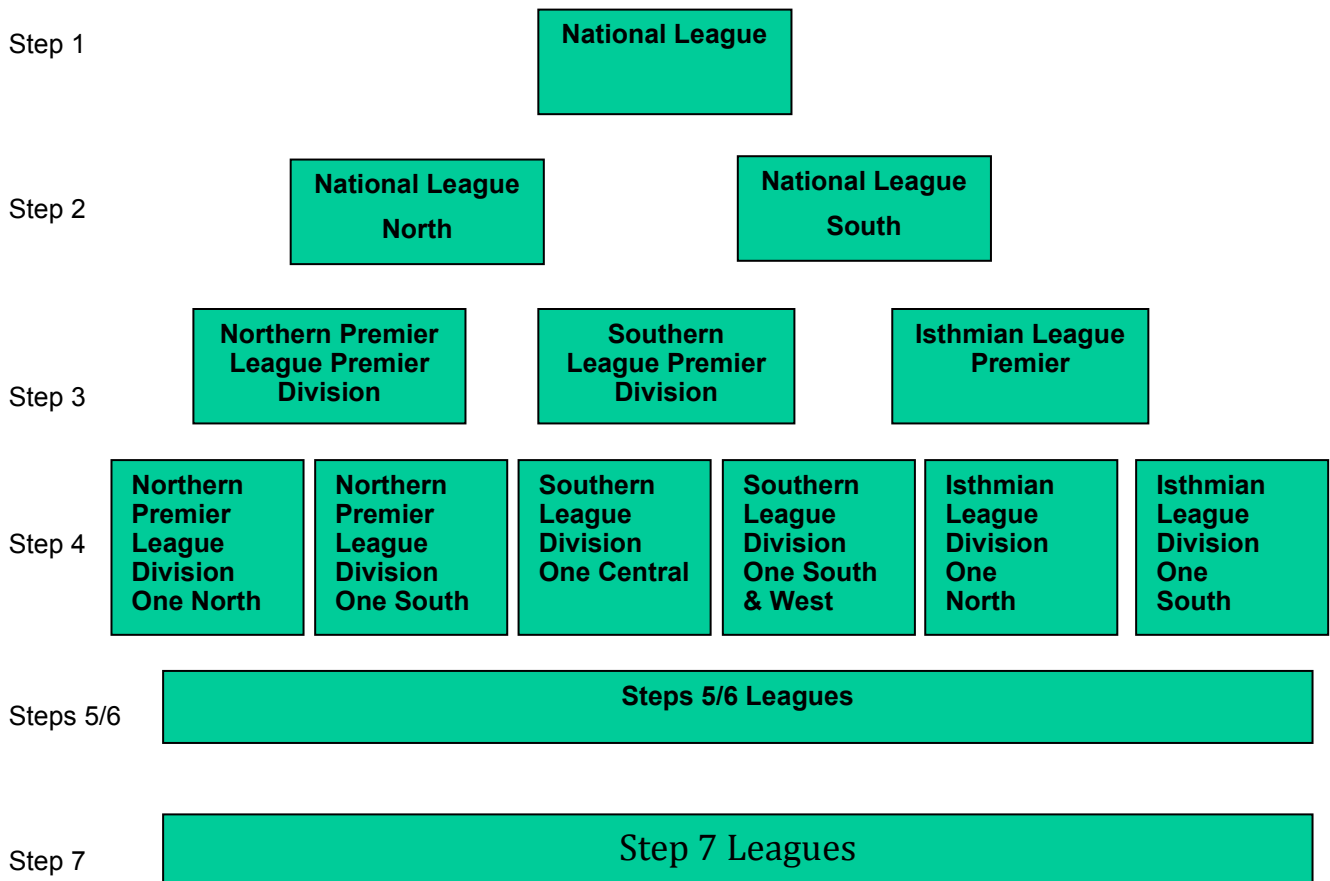

The aims and objectives of the NLS are to provide:

- 2.1 Clubs with a level of competitive football appropriate to their playing ability, stadium/ground facilities and geographical location.
- 2.2 A framework for discussion on matters of policy and common interest to Leagues and Clubs.
- 2.3 The seasonal movement of Clubs.

All Leagues are bound by the Regulations. A Club is bound by the Regulations from the date it has qualified for placement into the NLS until such time as it leaves the NLS for whatever reason.

3. Position of a League in the National League System

3.1 The current structure of the NLS is set out below:

The Leagues currently at Steps 5, 6 and 7 are set out at the end of the Regulations.

- 3.2 Any league wishing to become part of the NLS must apply to The Association by 31st December in the relevant year in such form and/or providing such information as shall be required by the LC from time to time. The decision as to whether or not a league should be admitted to the NLS shall be made by the LC which will then decide on the Step at which the League will play.
- 3.3 Any League wishing to propose an adjustment to its position within the NLS must apply in writing to the

LC by 31st December in any year for such proposal to be determined by the LC in order, if approved, to have effect in the following Playing Season.

4. Rules and Regulations for Promotion and Relegation

The LC shall provide for the seasonal promotion, relegation or lateral movement of Clubs. A League must be committed to promoting and relegating Clubs at the conclusion of each Playing Season.

5. Detailed Promotion and Relegation Issues

- 5.1 The criteria for entry to the NLS and the criteria for ground/stadium facilities and the criteria for participation in Play Off Matches shall be determined by the LC. All criteria so determined shall be published by The Association from time to time.
- 5.2 At the conclusion of each Playing Season, the following procedures will apply to promotion/relegation subject to the application of the Rules:

Step 1 and Step 2

The following does not apply to promotion from Step 1.

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 2 together with a further two Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that in each Step 2 division the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The aggregate winners will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

Step 2 and Step 3

The Clubs in the bottom three places in each of the two divisions at Step 2 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 3 together with a further three Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. At Step 2 the aggregate winners will play each other and the winner of that match will be promoted and at Step 3 the winners of each first match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 2.

Step 3 and Step 4

The Clubs in the bottom four places in each of the three divisions at Step 3 at the end of the Playing

Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season. They will be replaced by the Club finishing in 1st position in each of the divisions at Step 4 together with a further six Clubs to be determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The winners of each match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 3.

Step 4 and Step 5

At the end of the Playing Season the Clubs in the bottom two places in each of the four divisions at Step 4 administered by the Northern Premier and Southern Leagues, together with the Clubs in the bottom three places in each of the two divisions administered by the Isthmian League will be relegated and placed in the most geographically appropriate League at Step 5. Irrespective of any provision contained within the Rules the Clubs finishing in bottom position in each of the six Step 4 divisions will be relegated and will not be re-rieved. These Clubs will be replaced by the fourteen most suitable Clubs from the Leagues at Step 5 as determined by the LC. The suitability shall be determined as the Club finishing in 1st position in each Step 5 League which meets the entry criteria and wishes to be considered for promotion. In the event of the 1st placed Club not being eligible, the Clubs finishing in 2nd or 3rd position shall be subject to the same criteria. In usual circumstances, no more than one Club will be promoted from any one League. The Clubs to be promoted from Step 5 will be allocated to the most geographically appropriate division at Step 4.

If vacancies remain, consideration will be given to re-rieving those Clubs other than bottom placed clubs relegated from Step 4 who will be ranked according to the average number of points gained per games played and the Club with the highest average shall be re-rieved first. In the event of Clubs having an identical record the Club to be re-rieved shall be determined by the LC.

Any Club seeking promotion from Step 5 to Step 4 must make application to the Association on the prescribed form, copied to their existing League, by 30th November in the relevant year. The application must be accompanied by the appropriate application fee, as determined by the LC, which is non refundable. Irrespective of any provision contained within the Rules, the Clubs finishing in bottom position in each of the fourteen Step 5 divisions will be relegated to Step 6 and will not be re-rieved, as determined by the LC.

Clubs seeking promotion to Step 5 from a League at Step 6 which is not linked to Step 5, must make application using the prescribed form direct to the Association, copied to their existing League, by 31st December in the relevant year. Each application must be accompanied by the agreed application fee, as determined by the LC, which is non refundable.

Clubs seeking promotion to Step 6 from a League at Step 7 which is not linked to Step 6, must make application using the prescribed form direct to the Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Step 7 league. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the club finishing in 2nd position will be eligible for promotion. If the club in 2nd position does not seek promotion or fails to meet the entry criteria then clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position will not be considered for promotion and only one club will be considered from each League. Each application must be ac-

In all such cases the Club will be placed in the bottom position in that division and the vacancy will be filled by the best ranked Club in that same division.

- 5.3.2 Where a vacancy occurs at Step 1 following the completion of a Playing Season the best ranked Club in a relegation position in that division is reprieved.

The ranking to be determined by the average points gained per game played and comparable league position. The Club with the highest average shall be reprieved first. In the event of Clubs having an identical record the Club to be reprieved shall be determined by the LC.

Where a vacancy arises and clubs at Step 4 are to be reprieved, the four clubs in 21st position in the Northern Premier and Southern Leagues and the two clubs in 22nd position in the Isthmian League would be ranked by the average points per game played. In the event of all of the above six clubs being reprieved and there are further vacancies available the next two places would be allocated to the clubs in 23rd position in the Isthmian League ranked on the average points per game played.

The Club must have that Grade at 31st March in the year in which it seeks promotion.

6. The Movement of Clubs within the National League System other than by Promotion or Relegation

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in League Rules save with the approval of the LC.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the LC will consider whether any lateral movements may be necessary at each Step; if so the Clubs likely to be affected shall be notified and given the opportunity to present a case if that Club does not wish to be moved laterally. The final decision shall rest with a sub-committee of the LC. This sub-committee may include members of Step 5 or Step 6 Leagues if appropriate. Any appeal shall be to the LC using members who have not been involved in the original decision. The decision of that appeal shall be final and binding subject only to Arbitration under FA Rule K.

In coming to its decision the LC will have regard to any representations made by any party, the distance to be travelled by any Club to be moved compared to the distance travelled in the Playing Season prior to movement; the financial impact on the Club to be moved, the frequency with which the Club has been moved in the past; the number of Clubs both in the division to which the Club is to be moved and in the division from which the Club is moved, and any other matter that it considers to be relevant.

- 6.2 Any Club proposing to move from one League to another must make application in writing to The Association on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving shall not levy a financial penalty on that Club.

- 6.3 (i) If a Club (whether a Members' Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition ('the Former Club'), and a new Club ('the New Club') is established which wishes to be placed within the NLS, then unless otherwise determined by the LC, it will be allowed to make an application only to join a League/division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of The FA Premier League or Football League then the LC shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the LC by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the LC will consider at its discretion which application will be considered in accordance with this Regulation.

- 6.3 (ii) If a Club is removed from its League and wishes to remain in the NLS it shall apply to the LC within two working days of it receiving written notification of its removal from its League. The LC will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

- 6.4 If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the LC, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the LC in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC at its absolute discretion.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

- 6.5 If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the LC and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The LC shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the LC may apply the following minimum criteria:

- 6.5.1 The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event

then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;

- 6.5.2 The proposed playing name of the Merged Club must be acceptable to the LC; and
- 6.5.3 The Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;
- 6.5.4 Any other criteria that the LC may from time to time deem to be appropriate;
- 6.5.5 The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the LC at its absolute discretion

7. Placement of a Club into a League

- 7.1 Usually a club can only enter the NLS at Step 7. However, in exceptional circumstances a League may seek approval from the LC to receive a club not currently in membership of a League within the NLS provided that there is: (a) a vacancy within its constitution (b) the club meets the entry criteria and (c) promotion and relegation issues have been satisfied. Such request must be received by no later than 1st March.
- 7.2 Reserve teams, including a team from a club or Club which is not considered by the LC to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 & 7. No two teams from the same Club can play at the same Step. Reserve teams currently at Step 5 can remain unless relegated, once relegated they will not be permitted to be promoted back to Step 5.
- 7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.
- 7.4 Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certificate has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

8. Procedures for the Determination of any Matter, Dispute or Difference by the Leagues Committee

- 8.1 The LC may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 1. The LC may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.
- 8.2(a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the LC; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.
- 8.2(b) Any decision of the LC shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Regulations for Football Association Appeals save for appeals in relation to Ground Grading decisions where the procedures are outlined in 8.2(c) below.

8.2(c) Procedures for Ground Grading Appeals

- (i) The ratification of the Ground Grading decision must be sent in writing within 14 days of the final

decision date, currently 31st March.

- (ii) Appeals in relation to Ground Grading Appeals must be submitted to The FA Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The FA Leagues & Clubs Department.
- (iii) The Ground Grading Technical Panel will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.
- (iv) In all cases the Ground Grading Technical Panel will submit any documentation including the Ground Grading report that was considered by the Ground Grading Technical Panel in relation to the Ground Grading decision, (which the appellant would already have received).
- (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of Ground Grading appeals and details of the dates would be notified to all Clubs in the correspondence from the Ground Grading Technical Panel notifying the decision of the Ground Grading assessment.
- (vi) All Ground Grading Appeals are to be heard by the end of April each year.

8.3 The LC may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to any body it considers to be appropriate (including a sub-committee or commission which may include members of council not on the LC or a body constituted by a County Football Association).

9. Arbitration

The fact of participation in the NLS and signifying agreement to be bound by the Regulations shall constitute an agreement between each League and Club to refer to Arbitration any challenge in law arising out of, or in relation to, the Regulations in accordance with the provisions of FA Rule K.

10. Precedence

In the case of conflict between the Regulations for the Operation of the National League System and the Rules, the Regulations take precedence.
