# From the Editor...

Members the O.D. work weekend schedule has been lined up, so please look to see which weekend you are assigned and mark it on your calendar. The club is also looking for 6 week managers to fulfill the schedule, so if you are interested in volunteering to help out, please contact Harley Burris.

I would also like to remind our membership to please encourage sponsoring new members. If you have friends or family who are interested, please invite them to visit our fine club, and introduce them to our Flag and Board.

Look inside this issue for the up and coming events: *First-Mates Fashion Show, Fleet Save The Date, ABYA Spring Rendezvous, and updated Calendar of Events.* Please enjoy!

See you soon,

Brent Malik  
Director, Publications

## *Commodores Comments...*

Please join Sandi and I as we extend our thoughts and prayers for Bert Johansson's wife Marie, and his family and friends in his passing. He and Marie has been members of NCYC since 1972, and received Order of the Anchor in 1979. He will be missed by many.

Can you believe it..... spring is only a few days away, 3-20-16. I hope you have all of your winter projects done on the home front. Our thoughts will soon turn to boating and all of those tasks it takes to get our boats in the water. Hopefully the warming trend continues and allows us good weekends to get-r-done.

Don't let your focus solely be on your boats. One of the most important attributes of our club membership is our volunteerism and the sweat equity that we put into the club and our facilities. This year is no different; there will be tons to do. Consider the elite brigade work and the opening work party weekends. There are many projects to do, some small and some large. We started the Bar floor and Bar rebuild last year working into late November. However there is still much to do. Ron Kemp and Ed Romatz have accepted the job of project manager to complete that project. If you have the time, skill, or desire to help please contact them to see how you can contribute.

Scott Greenfelder our new Clubhouse Director has a long list of jobs that need to be done to improve the clubhouse before we open, he will need a fleet of help to get it all done. Contact Scott to see how you can help.

Bill Calihan is our new Harbor and Grounds Director, he also has a list of upgrades to be done before we open. Please give Bill a call to see how you can help him meet his deadlines.

Darryl Campbell also needs a team to help him get the Fins in the water to allow the rest of the group to use them to support the club opening. Give him a call to get his timing and needs.

Please mark your calendars and save the dates to come enjoy the fun and comradery of your fellow NCYC extended family to make our island renewed and ready for opening. For the newer members, this is a great way to forge new relationships that will change your lives forever.

The Flag will be attending the Blessing of the Fleet on March 13<sup>th</sup> and is held at the Mariner's church in downtown Detroit. It is always a moving event.

I look forward to seeing all of you at the work parties beginning next month.

Commodore Chuck Stroh

# GET THE RETIREMENT YOU WANT.

## It's never too soon to start planning.

Many of us have a clear vision of our retirement years. Yet, a surprising number of people have no idea how they'll turn those dreams into reality. The fact is today's retirement takes more than savings and Social Security. It requires a financial plan that addresses your needs, wants and how you'll pay for them. That's where I can help. Together, we'll create a plan to help your money work long enough and hard enough to fund the retirement you envision. **LIFE WELL PLANNED.**

## *Vice Commodores Comments...*

As we are being teased with 60 degrees and sun one day and 2 to 4 inches of snow the next, remember that spring is just a little over two weeks away and before we know it we will be uncovering our boats and preparing them for launch.

Today I had the pleasure of taking two of my grandsons to their first Boating Safety Course. Looking around the room, there were more adults than children. If you were born after July 1<sup>st</sup>, 1996 you must have a boating safety course to drive a boat in Michigan waters. If you have the chance to participate in any type of safety class, please do. The laws and regulations change frequently and understanding and practicing safe boating benefits all of us.

On March 13<sup>th</sup> the Flag will be attending the Blessing of the Fleet at Mariners Church in downtown Detroit. This will be my second time attending this service and the tradition and history that surrounds it is amazing.

The Elite Brigade work parties begin April 16<sup>th</sup>. Please come out and lend a hand, there is plenty to be accomplished. If you prefer to do something more mechanical, Darryl Campbell is looking for a group of volunteers to help in getting the Fins ready for launch. Give Darryl a call (810-278-2443) if interested.

The ABYA's Spring Rendezvous is March 18<sup>th</sup> thru 20<sup>th</sup>. Consider attending, it is a bargain. The First Mates Spring Fashion Show is April 30<sup>th</sup>. Please attend and support this show and help the first mates continue their goal of helping to improve our club.

Please check the 2016 NCYC events calendar for this year's Club rendezvous schedule. Fleet Captains Glenn and Sheila Nixon are promising a great time.

Let's all plan on getting out to the club this spring and lending a hand in getting her ready for another great year, you won't regret it.

VC Pat

## *Rear Commodores Comments...*

I want to take this opportunity to thank all of you for your thoughts, prayers and get well cards during my recent surgery. It is sure nice to know we all care for each other in this yacht club.

I thought I would change up my monthly article and add some educational pieces of information that would be useful for all of our boating members. This month I want to touch on DSC (Digital Selective Calling). This is a device on your VHF radio that could save your life. If your VHF radio is fairly new, chances are it has a red distress button on the front. Once you program your radio to utilize the DSC, all you need to do is lift the flap, press and hold the button for 5 seconds, and details of your vessel, your position, and the fact that you require urgent and immediate assistance are broadcast to the U.S. Coast Guard and anyone else with DSC-equipped radio within range. The beauty of this system is that it should summon assistance even if you're unable to speak. When you consider the DSC-equipped radio is arguably the single most important piece of equipment you can have on board, almost 90% aren't programmed according to recently published Coast Guard figures, making that little red distress button completely useless. So, please take the time to set up and program your VHF radio DSC.

Please mark your calendars and be part of the first Elite Brigade is Saturday, April 16, 2016. Look forward to seeing you there.

## **Bert Johansson**

December 3, 1926 - February 28, 2016  
Algonac, Michigan | Age 89

Johansson, Bertil (Bert) Oscar age 89 of Algonac passed away on February 28, 2016. Beloved husband of Marie, Loving father of Denise (Stephen) Garth and Cynthia (Terrence) Heinz. Born of Swedish decent in Detroit on December 3, 1926. Predeceased by Collette Johansson. Dear Papa of Nicole Martin, Andrea White, Erin and Cassidy Heinz, and great grandfather of Giada Gamarra and the late Kairi Elin. Mr. Johansson is a retired Battalion Chief after 36 years of service with the Detroit Fire Department. He also served in the U.S. Navy during WW II and the Korean War. Bert's passion for golf was only preceded by his passion for his 5 o'clock perfect manhattan. Visitation will take place Saturday March 12 th at Wujek-Calcaterra & Sons, Inc. (Shelby Twp.) 54880 Van Dyke at 25 Mile Rd. 3:00pm until the time of Memorial Ceremony at 4:00pm. Tributes to The Wounded Warrior Project are welcome. Share memories with the family at their "On-Line Guest Book" at [WujekCalcaterra.com](http://WujekCalcaterra.com)

Starting this month I will be including a verse from the Bible along with a thought in my article. I hope that you will find this helpful in your daily endeavors.

“I am Alpha and Omega,” says the Lord God, “who is, and who has, and who is to become, the Almighty.” – Revelations 1:8

Our God is always there for us. Because of this there is nothing to fear. Our God always cares about us. He wants to bring us salvation. No matter what happens to us today or in the future, our destiny is with our God from the beginning of life that never ends.

### **People Need Each Other**

People need each other  
In a very special way !  
People need each other  
To survive from day to day.

God had His own great purpose  
When He instilled in man  
A hunger for compassion  
And a friend who'd understand !

I've traveled through a lifetime  
And many times been blessed  
To find someone so special,  
With those virtues you possess !

I pray in some small measure,  
I may have given too,  
The warmth and strength and comfort  
That I have had from you !

# The Crooked Pot

March 1, 2016

## CORNED BEEF & CABBAGE

- 3# Corned Beef
- 2 Tbsp. Pickling Spice
- 8 whole cloves
- 4 cloves garlic, peeled
- 2 bay leaves
- 24 baby carrots
- 1# baby Gold Potatoes
- 2T chopped fresh parsley
- 1 small head green cabbage

Serves 6

*Take it slow...*

WELCOME to the Crooked Pot! May the luck of the Irish be with you! Best spot to buy your corned beef is downtown by Eastern Market at Wigleys Meat Market.

3405 Russell St., Detroit, 313-832-4299

The nice thing about their corned beef is it does not shrink in half like most store bought corned beef. If you don't care about the brisket being whole for you to slice, they have bags of trimmed pieces for a great price, too.

There is a great bakery and deli on the corner as you turn right onto Russell (can't remember the name of the place) to get fresh baked bread and rolls. Enjoy!

Liz Perry Wyss

1. Place cabbage wedges in crock pot.
2. Add corned beef, fat side up, Sprinkle with pickling spice
3. Add whole cloves, garlic, bay leaves and 2 cups water (or more to be sure brisket is covered by 1" of water.
4. Cover and cook on low heat for 4 hours.
5. Add carrots and potatoes to slow cooker. Cover and cook additional 3 hours until tender.
6. Thinly slice against the grain, and serve with vegetables. Garnish with parsley.

**Commodore's Comments:**

*Commodore, Chuck Stroh*

Welcome to 2016, I hope that you each of you had a Merry Christmas and a Happy New Year with your family and friends. I want to congratulate Randy Pagel being elected as Rear Commodore. I would like to welcome the new Board members to the table. Bill Calihan (Harbor & Grounds), Brian Fringer (Activities), Scott Greenfelder (Club House), and Tom Martin (Secretary). Also welcome to Glenn Nixon as our Fleet Captain and John Sweier as our Board recorder. As well as a thank you to Brian McEvoy for a great year in 2015 and I wish you luck as our newest P/C.

I had previously sent each of you the 2016 NCYC organization chart with all of the Board, Flag, and appointees. I wanted you to see just how many members that it takes to keep our club running smoothly. We still need to get the committees firmed up for the year.

Art Brooks will be swearing us in tonight to allow us to conduct the business of the club. I want you to pay close attention to the words that Art uses, as they are very important. It is important that we each remember that every piece of business that we conduct puts the needs of the club and the membership before those of any Board or Flag member. I practice what I call "Servant Leadership". A servant-leader focuses primarily on the growth and well-being of people and the communities to which they belong. While traditional leadership generally involves the accumulation and use of power by those at the "top of the pyramid". I feel that with our elections that we each have accepted the responsibility to serve the club and the membership first.

I have also sent each of you "Article II- Purpose" from the club by-laws. That single paragraph identifies the purpose of NCYC. You need to consider this statement and ensure alignment for every decision we make throughout the year. The club was founded under the vision of being a working person's club where volunteerism and sweat equity are at our core. We cannot forget our roots or DNA and remember that we are here as a Board & Flag at the will of the membership to ensure that we preserve the core values of the club.

I remind all of the continuing Board members and ask the new ones to "be your own person and follow your heart". Don't look around the table to see how others vote, vote your conscience. Remember that we as leaders set the culture of the club and that culture which we build then will set the behavior of the membership. I ask each of you to read the club by-laws and rules and familiarize yourself with them. We are obligated to follow those documents, not invent our own. Please be open minded and considerate of the other Board member's ideas and thoughts. I can tell you that I have gone into a topic with what I thought was a firm belief and came out completely on the other side of the issue. This will happen to you as well.

My Goal as the commodore of the club is likely much the same as my predecessors. To promote good will across the entire membership. To help ensure that every member's experiences are as fun and rewarding as possible. Inclusion is important to me. I will work to make every member feel equally connected to the club and help them want to participate in it and its future.

I am proud to work with each of you in an effort to move the club forward in a positive way. Let's get to work!

**Vice-Commodore's Comments:**

*Vice Commodore, Pat Carroll*

The New Year is finally here and so are we, attending our first board meeting of the year. Welcome to our new board members, board recorder, and Fleet Captain. Tonight, Art Brooks will swear us in, reminding us of our duties and responsibilities, which are not to be taken lightly. We are asked to uphold the By-Laws and Policies of our fine club. As we conduct our business this year, let's keep that in mind. Do your best to make every meeting, your presence really does matter and it makes things easier on all of us, allowing us to finish the tasks at hand without delay.

**Rear-Commodore's Comments:**

*Rear Commodore, Randy Pagel*

Linda and I hope all of you had a great Christmas and wish all of you a Happy New year. Congratulations to P/C Brian McEvoy for being our newest P/C and want to thank Brian and Renee for a great 2015. Welcome the new Board members, Tom, Brian, Bill and Scott. Please be active, get involved and express your feelings and help make this Club continue to be a top notch organization. I am honored and humbled to have a position on the Flag and look forward to working with all of you this year.

**Financial Report**

*Treasurer, Frank Corcoran*

Frank reviewed the current financial statements from December and 2015 results.

December 2015 For the month of December, revenues were \$1,900, expenses \$12,200, resulting in an expected net loss of \$10,300, primarily due to seasonal shut down costs. Revenues consisted primarily of Work or Pay receipts of \$1,400. Normal year end expenses, including \$4,600 Fin runner related costs, were in line with estimates. On the balance sheet, ending cash position was slightly better than our estimate provided at the November General Membership meeting. We estimated a year end cash position of \$110,755, and ended the year at \$113,300, including Reserve funds of \$47,600 and Operating cash of \$65,700. Other Current Assets consists primarily of \$6,600 liquor inventory, and \$8,100 deposits paid on future services or events, such as hall and rendezvous reservations, band deposits, etc. On the liabilities side of the balance sheet, bank debt stood at \$71,200, and Current Liabilities consisted of \$3,600 in gift cards outstanding and \$2,600 for various accruals.

From a cash flow standpoint, we increased cash during the year by \$22,300, from \$91,000 at the end of last year to \$113,300 at December 31, 2015. We generated \$93,000 from normal operations, used \$23,200 for capital projects, and \$47,500 for loan principal pay down.

2015 vs. 2014 As compared to 2014, net income decreased slightly in 2015 to \$105,000 from \$110,000 in 2014. Revenues of \$342,000 were down slightly from \$345,000 last year. Expenses increased modestly during 2015 to \$237,000, from \$235,000 in 2014.

Actual vs. Budget 2015 Net income of \$105,000 for 2015 exceeded our plan by \$36,000. Revenues of \$342,000, against a plan of \$287,000, were helped by several factors: a) Overnight dockage revenues of \$21,400 against a budget of \$15,000; b) Increased Work or Pay receipts of \$4,400 vs. \$1,800 plan; c) Initiation Fees of \$15,400 compared to plan of \$7,500; d) Supplies/Bar revenue of \$83,400 against a plan of \$72,100; and, e) Contributions of \$15,000.

Expenses of \$237,000 were higher than planned by \$19,000 primarily due to the following: a) Increased Clubhouse costs of \$5,000 due to reconstruction of the bar floor and higher internet/cable TV costs; b) Higher volume related bar costs of \$3,000 in Supplies function; and, c) Fin runner modifications of \$5,000 for improved communications and maneuverability.

**Motion:** Motion by Ian Blackburn to accept the financial report. Seconded by Brian Fringer.

**Motion Carried**

**ABYA Report:**

*P/C Brian McEvoy*

P/C Brian thanked everyone for their support last year.

The Anchor Bay Yachting Association (ABYA) is a 501(c)3 non-profit organization founded in 1967. Their infrastructure is primarily located in the South East corner of the Great State of Michigan, in the Anchor Bay Region of Lake St. Clair.

Their primary goals are to educate the boating community by encouraging clean and safe boating on our lakes, and to promote safety, charity, camaraderie and fellowship within our 25 member clubs.

NCYC which was Chrysler Yacht Club at the time is one of the charter members of ABYA.

The ABYA, with funds raised from club membership dues and money generated from the various events we put on, is able to return this money to the boating community.

Some of the programs and organizations that ABYA has made donations to, sponsored, or promoted over the years include: Macomb County Sheriff's Dept. Marine Division, St. Clair County Sheriff's Dept. Marine Division, Wayne County Sheriff's Dept. Marine Division, Great Lakes Division of the U.S. Naval Sea Cadets and the Pride of Michigan, Boat Town Parade of Lights, Venetian Festival of Lights, Save Our South Channel Lights Foundation, and Miss Boat Town Beauty Pageant.

Some equipment that was provided to these organizations and programs include: 2 cardiac defibrillators, laser range finders, "NO WAKE" buoys at entrance to Metro-Beach and Clinton River, The Marine Safety Book Program, "NO WAKE" charts, Life Jacket program and Bobby the Boat, a robot which is used in boating education and awareness aimed at our youngsters. These do not represent all the organizations that we have supported nor does this go into great detail as to what type of support they have received from us.

Anchor Bay Yachting Association membership meetings are held on the first Monday of each month with a different club hosting the meeting each month. There are, however, exceptions to these meeting schedules, which are given to our membership. All ABYA Past Commodores are considered delegates and may attend meetings and vote on all matters coming before the membership. Most clubs send their Past Commodores as their delegate.

**Correspondence:**

E-MAIL RECEIVED from Tom Weber of the Windsor Yacht Club requesting a rendezvous on July 8<sup>th</sup> and 9<sup>th</sup>. On hold for boat size and number of boats until the February meeting.
