

# Menu give-aways

Piql AS

piql

In this menu you are presented with a variety of Piql give-aways. This is to show you what we can order for you, but also to give you inspiration to what you can order through your own vendors. You are of course free to order other items than presented in this menu, but please then remember to align with Piql Marketing before starting production.

If ordering from this menu, cost for shipment (HQ to Piql Partner), customs clearance and import duties will be added. Please note that all prices are indicative, and may vary according to quantity and price adjustments made by vendors. All prices are external cost.
