

BACHELOR OF SCIENCE IN NURSING STUDIES

About the Programme

The Bachelor of Science (BSc Nursing Studies) Degree for non-EU applicants is a full-time programme (60 credits) taken over one academic year and commences in September of each year. The Degree is aimed at building on the foundations provided by pre-registration programmes and professional experience. It will appeal to students with background in both clinical nursing and nursing management. The degree will provide an opportunity to develop skills and knowledge applicable to current practice in general and specialist areas.

Course Delivery

Applicants will complete the BSc Nursing Studies degree over 1 academic year (60 credits). Non-EU students will be scheduled for at least 15 hours of organised daytime tuition each week.

Entry Requirements

Non EU applicants must hold active registration as a nurse in the professional register of their country of residence. If English is not the first language proficiency in English must be demonstrated (IELTS 6.0 with no individual band less than 5.5 or TOEFL equivalent) with an up to date certificate.

How to apply

Application material for Non-EU candidates, is available from the International Education Office. Tel: 021 4901828. Email: isoffice@ucc.ie

Applicants are required to complete a full application for the programme and to satisfy all other entry criteria as required by the programme team and provide such evidence as required by the Postgraduate Admissions Office, including, but not limited to, academic transcripts, professional references, professional registration details, Curriculum Vitae and identity documents.

Course duration: 12 months full-time
