Managed programs at GE Transportation

We have a long-standing tradition of delivering Genuine Service ExcellenceSM - exceptional quality people, products, and services that attract, win and retain long-term, loyal customers.

- **Award-winning Training Program** - All employees become certified in Genuine Service Excellence or Production Excellence. Our training program was recently ranked with Coca Cola and UPS as one of the world's best.
- **Experienced and Team-oriented** - Our service team boasts an average tenure of over 15 years. We have a culture of working together as a team to service your account.
- **Safety First** - We follow strict adherence to your facility's safety requirements and take pride in our state awards recognizing a ITU AbsorbTech as a leader in safety excellence. Our 2016 MOD rate (a key indicator of safety) is 0.65.

Proactive inventory management

We manage GE Transportation's inventory to ensure that product usage and inventory match current needs. We adjust inventory to match calendar and corporate seasonal adjustments to your program throughout the year, if necessary.

All adjustments made to inventory are authorized in writing by an authorized GE Transportation employee on a Customer Change Order.

StraightUp!™ Billing

StraightUp!™ billing offers peace of mind so you can budget for the annual expense of your program. StraightUp!™ also saves time - you never have search for hidden or ancillary fees on your invoice. No hidden fees or surprises, no unauthorized inventory charges and no charge automatic replacement charges (can add up to over 7% of inventory with other programs). **And most importantly, we strive to be transparent with your program by providing reports to show you exactly what your program costs.**

2015	2	1,648	1,632	16
2015	1	633	627	6

Measuring our performance

Customer Quality Visitation Reports (CQVRs) help facilitate a conversation about your program. We take the comments and ratings seriously in order to measure and track how our customers value our solutions and services. Through this process we:

- ✓ Maintain healthy, regular communications with GE Transportation.
- ✓ Learn about specific concerns so we can take action in a proactive manner.
- ✓ Measure our performance and adhere to ISO principles.
- ✓ Discuss additional solutions and programs that address GE Transportation's operational needs.
- ✓ Recommend inventory adjustments based on GE Transportation's current and projected business conditions.

Jeff
Regional District Manager
Titusville, PA

Net Promoter Score at GE Transportation
(based on CQVR results)

Net Promoter Score - proven method companies worldwide use to measure and improve loyalty. A **69 out of 100** is considered exceptional.

Solid waste reduction

We understand that waste reduction is important to GE Transportation. Our programs have a measurable impact in pounds of solid waste eliminated from landfill. Through the use of Sorblts®, GE Transportation:

- Diverts non-hazardous fluids from landfills/sewers.
- Supports sustainability objectives (ISO 14001) by conserving water, air, and utilization of raw materials.
- Eliminates costly waste disposal, manifesting, incineration.

Our **Environmental Engineer, Jodi Drew**, is available for solid waste, solvent recovery & compliance questions.

Sustainability Impact of Sorblts®

Achievement in Waste Reduction

Sorblts®

GE TRANSPORTATION

is recognized for its corporate environmental initiatives to reduce solid waste in support of ISO 14001 objectives from January 1 through December 31, 2016. By utilizing the Sorblts® System including launderable, reusable textiles and managed service programs, your company eliminated the following solid waste

5,337 lbs. of waste oil absorbents

GE Transportation's
2016 Waste Reduction Certificate
