Mr. Michael Zajur

Ms. Mava S. Vass

Honorary Associate's Degree in Humane Letters

The college is pleased at this year's commencement to present an Honorary Associate Degree in Humane Letters to Ms. Mava S. Vass.

Ms. Vass, a retired educator from Carroll County, has influenced generations of young people in the classroom and emphasized the importance of education and lifelong learning. She is a tireless advocate for the college within the local community, and she has convinced countless individuals to pursue an education at WCC. Carroll County currently leads the other four counties and one independent city in WCC's service region in total enrollment at WCC. Many people credit Ms. Vass herself with that accomplishment.

Ms. Vass has served Wytheville Community College in many roles, beginning as an instructor of English in the 1960s and continuing with her service as a member of the WCC Educational Foundation Board of Directors and the Wytheville Community College Board. She has served as a director of the WCC Educational Foundation since 1995, and she was appointed to the WCC Board by the Carroll County Board of Supervisors in 2007. During her tenure on the WCC Board, she served as both Chair and Vice Chair. She served on the WCC Board until 2015.

In recognition of her service to WCC, Ms. Vass was chosen as the recipient of the 2011 Distinguished Service Award. She initiated the WCC Alumni Picnic in Carroll County, which has become a very successful annual event. She was also named Citizen of the Month in March of 2014 by the Town of Hillsville, in part for her activities on behalf of WCC.

HONORS

Students whose academic performances warrant special recognition are graduated with Honors. The three levels of academic honors are as follows:

CUM LAUDE

(3.2 to 3.49 Grade Point Average)

MAGNA CUM LAUDE

(3.5 to 3.79 Grade Point Average)

SUMMA CUM LAUDE

(3.8 to 4.0 Grade Point Average)

Students wearing the following honor cord colors will be signified for the appropriate honor:

Cum Laude - White
Magna Cum Laude - Burgundy
Summa Cum Laude - Gold

Graduates wearing gold stoles are members of Phi Theta Kappa, the national scholastic honor society for students enrolled at two-year colleges.

Apricot cords denote Nursing Honors.

 Graduates who are veterans or active military.

† Graduates listed in Who's Who Among Students in American Junior Colleges.

‡ These graduates have completed their college degree concurrently with the high school diploma.

* These graduates completed the Honors Program.

Dr. Sue G. Thacker

Professor Emeritus at WCC

Dr. Sue G. Thacker has been selected as Professor Emeritus of Wytheville Community College for 2016. This honor may be bestowed upon retired WCC faculty members who held faculty rank, had a minimum of ten years of service, and made meritorious and significant contributions to the college.

Sue earned her associate's degree from Ferrum College, her bachelor's degree from the University of Virginia, and a master's degree from Radford University. She earned a second master's degree and a Ph.D. from the American Holistic College of Nutrition. She joined the WCC faculty in 1976 and taught in the Nursing department until her retirement as a Professor of Nursing in 2009.

The college is proud to honor Sue Thacker at this commencement.

Sue M. Lilly

Support Staff Emeritus at WCC

The 2016 Wytheville Community College Support Staff Emeritus honoree is Sue M. Lilly. This recognition honors retired support staff personnel who served WCC for a minimum of ten years and whose performance and contributions were meritorious.

Sue joined the staff at WCC in 1993. At the time of her retirement in January of 2004, she held an administrative support position in the Office of Continuing Education.

The college is pleased to honor Sue Lilly for her years of dedicated service to the faculty, staff, and students of WCC.

The Ceremonial Mace

The ceremonial mace, with its medieval origin, symbolizes the academic authority of the faculty. It is used for ceremonial occasions such as commencement exercises and presidential inaugurations. The Professor Emeritus will lead the faculty procession and carry the ceremonial mace.

The mace was designed and machined by Don Alexander, retired Associate Professor of Machine Technology, in the college's Machine Technology Laboratory.

History of Wytheville Community College

The doors of Wytheville Community College opened in September 1963 as a two-year branch of Virginia Polytechnic Institute. Classes for the 107 students, who were taught by five faculty members, were held in the Simmerman Building in Wytheville.

Construction of the present campus complex began in 1966 on 103 acres that had been purchased the previous year. The first building, Fincastle Hall, was occupied in 1968. WCC became a part of the twenty-three member Virginia Community College System on July 1, 1967, with a service region of Bland, Carroll, Grayson, and Wythe counties; the city of Galax; and the eastern portion of Smyth County.

The college's growth has been dynamic. Five additional buildings have been completed, including the Learning Resource Center, Smyth Hall. The college serves more than 4,000 students annually through credit courses. Over 130 full- and part-time faculty teach at the college. With this year's total included, over 12,900 people have graduated since the first commencement in 1968, and thousands of area citizens have been served through non-credit courses, seminars, and workshops.

Thirty-five years ago, a significant milestone was reached with the establishment of the Wytheville Community College Educational Foundation, Inc. Contributions to this non-profit organization provide for scholarships and enhance educational programs and facilities at the college.

The Tradition of Caps and Gowns

American academic costumes originated during the Middle Ages in European universities. Students and teachers were set apart from other citizens by the gowns and hoods which were practical attire in cold, damp buildings.

The basic parts of the costume vary by academic level. The ornamental fold of cloth worn around the neck, the hood, is the most distinctive feature of the costume. The colors of its velvet band and lining are representative of the wearer's field of learning.

Color Code For Academic Hoods

Arts, Letters, Humanities	White	Music	Pink
Business, Accountancy	Light Brown	Nursing	Apricot
Economics	Copper	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Brown	Public Health	Salmon Pink
Home Economics	Maroon	Science	Golden Yellow
Journalism	Crimson	Social Work	Citron
Law	Purple	Theology	Scarlet
Library Science	Lemon	Veterinary Science	Gray

All persons listed herein completed their curriculum requirements during summer term 2015, fall semester 2015, or spring semester 2016 and are candidates for the spring semester 2016 graduation. Students completing degree requirements in summer 2016 are eligible to participate in spring semester 2016 graduation. The order of degree presentation and the listing in the program may not coincide because students receiving more than one award select the curriculum for which they are recognized.

2015-2016 Graduates

Career Studies Certificates

Clerical Assistant

Kristi Lenore Blevins
Deborah Cagle Hughes

Kenley Jackson Meredith	Tyler Dallas White

Science with a Specialization in Mathematics

*Jonathan Eric Savitz

***The board members, administrators, faculty,
and staff of Wytheville Community College
offer their sincere congratulations and
best wishes to the WCC's Class of 2016.***

Old Dominion University

Old Dominion University's nationally-recognized distance learning program, TELETECHNET, has been on the Wytheville Community College campus since its inception in 1994. Old Dominion University, in partnership with WCC, offers bachelor's, master's, and doctoral degrees to local students, along with teacher licensure programs. It allows students to pursue degrees while traveling no farther than Wytheville.

Students can complete the first two years of their course work at WCC and complete the final two years of the bachelor's degree with ODU on the community college campus. ODU offers thirty-two undergraduate degrees and fifty-nine graduate degrees, licensure and certificate programs. This is the fifteenth class of graduates to participate in WCC's commencement ceremony.

Bachelor of Science in Communication--Media Studies

Zachary Meadows

Bachelor of Science in Human Services

Megan Kaulfuss
Jaime Williams
