MONTLAWN
Funeral Home and Cremations
MONTLAWN
Memorial Park
Raleigh, North Carolina

Montlawn Funeral Home is located amidst the cherry trees of Montlawn Memorial Park. Since its opening in 1997, the experienced and dedicated funeral directors and staff have been assisting families through their most difficult times of need. Since its founding in 1932, families of the Raleigh community have embraced Montlawn Memorial Park as one of the area's finest and most beautiful resting places.

Tradition echoes throughout the park's lawns and gardens. A serene lake offers Montlawn visitors a quiet haven for reflection and remembrance. Visitors often come just to feed the park's ducks and geese. As a perpetual care cemetery, Montlawn's 80-acre grounds and burial sites will always be maintained and cared for by staff.

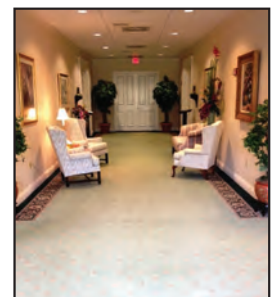

Meticulously designed, the extraordinary Whispering Waters Cremation Garden at Montlawn is filled with remembrance options including family estates, personalized granite pedestals, benches and many other unique options.

One of the largest and most beautiful mausoleums in the southeast, the Chapel of Memories Mausoleum is an elegant option for families considering mausoleum entombment. This magnificent mausoleum has a chapel for indoor services.

Montlawn offers traditional ground burial as well as cremation ground burial, including spaces, vaults, niches and memorial benches. Montlawn Memorial Park also features above ground mausoleums including Chapel of Memories, Garden of Love Mausoleum and Lakeview Garden Mausoleum. In addition, a lawn crypt section-the Garden of Reflection – has also been added.

Montlawn Funeral Home & Cremations and Montlawn Memorial Park are owned by StoneMor Partners L.P. with headquarters in Levittown, Pennsylvania. Stonemor provides a broad scope of products and services through the ownership, development, and operation of cemeteries and funeral homes in multiple states. As they continue to grow, Stonemor is committed to serving families locally with compassion, dignity, and honesty.
