# Holiday Gift Sets

THOUGHTFULLY CURATED.  
EXPERTLY WRAPPED.  
GIFTING MADE EASY.

This holiday season, choose from six hand-selected gift sets. Each set is curated around the momentous events and special people in your life that deserve celebrating with gifts that are as unique as they are thoughtful.

The collections make gifting easy. Not only do you get a themed collection of leather goods for your favorite amateur photographer, weekend mixologist, or smitten newlyweds but each collection arrives ready to give. Items arrive packed neatly in a handsome wooden box that makes for a sophisticated presentation and becomes its own treasurable keepsake.

The boxes are handmade in Virginia from local black walnut. Crafted with classic dovetails and a sliding top, each is finished with a brass plaque that can be etched with names, dates, or a custom message to memorialize and celebrate births, weddings, graduations, housewarmings and career milestones.

Due to the handcrafted nature of the packaging, each gift set is available in very limited quantities. While the products included will remain available for purchase individually, the complimentary and refined presentation will not.

## 33 Chair

Our tailored, modern version of a traditional Parisian club chair is a study in contrasts: compact but comfortable; inviting yet stately; fashionable and traditional. The finished leather burnishes over the course of its life.

**MODERN SADDLE—\$3,800**

26.5"L x 28.5"H x 29.5"D

*Also shown:  
Merino Wool Blanket—\$375*

In January 2007, we introduced a collection of luxury leather bags and accessories as an additional avenue to showcase the inherent beauty and timeless appeal of our natural leathers. Sold at fine retailers across the country and online on the Moore & Giles web site, this collection, just like our leather offerings, is constantly evolving.

## Our Guarantee

We stand behind the workmanship and integrity of our products. Moore & Giles products are made with the highest standards and rigorous quality assurance in mind. Our products are guaranteed against manufacturing and material defects resulting from normal use. If a manufacturing defect does occur within one year of purchase, we will gladly exchange or repair the product. With time and use, leather will naturally age, deepen in color and often scratch. We are staunch advocates for this type of normal wear and aging and consider this a asset not a flaw. The natural patina that develops as our leather is wearing in will make your purchase unique and one-of-a-kind. We might create the bags, but it is your use that truly makes them.
