FRENCHMAN'S LADIES LOVE GOLF

SEASON 2015/16

ONLY
HAPPY FACES
AT THE

LADIES OPENING DAY

FRENCHMAN'S CREEK

COLOR WAR TUESDAY DECEMBER 1, 2015

Ladies' Day on December 1st was a special format -- Color War -- with a wonderful turnout of 82 players in the 18 Hole group alone. Both the 18 holers and the "9 is enough" golfers were divided into two teams - Green/White and Black/White, and played a Team Net Stableford format. One net best ball in each group was used on the par 4's and 5's, and two best balls on the par 3's, with the exception of threesomes who used one best ball on the par 3's as well. The Green/White Team won, but by only six points. Compliments to Rich Lucchini, who obviously did a good and very fair job in dividing the players, by groups and by team.

The 2015 Ladies Eclectic Tournament

By Mimi Bergel

The 2015 Ladies Eclectic Tournament, played on Tuesday, December 8 and Thursday, December 10, was a perfect example of "come rain or come shine." A large field of 72 women -- 36 twosomes -- played a better ball of partners format on the North course on Tuesday, braving the rain and not giving in to it. They were rewarded with beautiful weather for Thursday's second round, played on the South course. The format was "Chapman", also called "Pinehurst". Each player hits a tee shot, then her partner's ball. From there they choose the best shot and alternate hitting until the ball is in the hole. The field was divided into four flights and the champions and runners-up are listed below. Pictures of the winners are featured as well, and those missing will be featured in next month's Frenchman's Creek Life. Congratulations to all for their participation and efforts.

LADIES MEMBER MEMBER GOLF TOURNAMENT

The 2016 Ladies Member/Member Golf Tournament was played in January with the competitors divided into four flights. The format was match play - better net ball of partners - with everyone receiving 90% of their handicaps. The tournament began as scheduled on Thursday, January 7, on the South course, but, thanks to weather related problems the rest of the rounds needed rescheduling. Because of rain Tuesday, January 12 became Thursday, January 14 on the North Course, and Tuesday, January 19 (which had been rescheduled from January 14) became Thursday, January 21 because of unusual cold. Congratulations to all of the women who persevered and thanks to Robert, Rich and the golf staff for all their efforts in seeing that everything went smoothly.

NINE - WINE & DINE

PEBBLE BEACH

nine, wine and dine

The January 9, 2016, Nine, Wine and Dine golf tournament was a wonderfully successful way to start off the new year. After the necessary weather-caused cancellations in November and December, nearly 200 members signed up. There were cancellations because of the questionable forecast for the day, but, even so, there were enough foursomes to more than cover both courses --- a super turnout. The golfers, playing a nine-hole step-aside scramble, were rewarded with truly beautiful weather.

The "wine and dine" , originally scheduled for the sports bar, was transferred to the dining room, also because of the weather concerns, and suffered not at all from the change. The atmosphere and delicious buffet, as usual, left nothing to be desired. Carol Smith and Joanne Weinbach and their committee deserve a big thank you for the necessary extra effort needed to ensure a great day. The same goes for our golf and dining staffs for all the changes and updates they handled so well and for the effort they all put into making sure the day was a success. Don't forget to sign up for a fun time in February.

Women For Cancer Research *from page 1*

luncheon recently, at Frenchman's Creek Beach & Country Club – the culmination of a three-day fundraising effort to help find cures for women's cancers. This event celebrated the organization's eighth year partnering with the not-for-profit Scripps Research Institute in Jupiter, supporting critical advancements in breast and ovarian cancer research. Before the luncheon, the ladies competed in a golf tournament, which completed a host of fundraising activities. Vicki Wildstein and Gale Salz served as co-chairpersons and, along with their dedicated committee, celebrated another successful year raising over $225,000, adding to the $1 million raised in past years for Scripps Florida.

Frenchman's Creek Women for Cancer Research raises funds through special events which included a Neiman Marcus Fashion Show, Pro-Am Bridge Tournament, Tennis and Golf Tournaments and a Home Tour – with 100 percent of the philanthropic contributions supporting research through fellowships in cancer biology at Scripps Florida. WFCR has an ongoing partnership with The Scripps Research Institute undertaking the challenge of conquering women's cancer through research.

Right now, 100 percent of the philanthropic contributions support four Frenchman's Creek Women for Cancer Research Fellows in cancer biology at Scripps Florida.

Working shoulder-to-shoulder with Thomas Kodadek, Ph.D., Chairman, Department of Cancer Biology, Professor Dr. Kendall Nettles, Assistant Professor Junli-Luo and Assistant Professor Matthew Pipkin, the WFCR Fellows will continue to push the envelope toward developing the next generation of breast cancer therapeutics.

About The Scripps Research Institute

The Scripps Research Institute is one of the world's largest independent, not-for-profit organizations focusing on research in the biomedical sciences. Over the past decades, Scripps Research has developed a lengthy track record of major contributions to science and health, including laying the foundation for new treatments for cancer, rheumatoid arthritis, hemophilia and other diseases. The institute employs about 3,000 people on its campuses in La Jolla, Calif. and Jupiter where its renowned scientists – including two Nobel laureates – work toward their next discoveries. The institute's graduate program, which awards Ph.D. degrees in biology and chemistry, ranks among the top 10 of its kind in the nation. For more information, see www.scripps.edu.

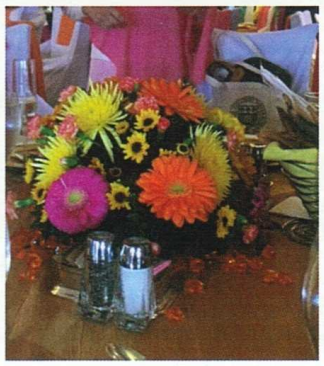
Ladies Member-Guest Golf Tournament

"The Best Exotic Marigold Golf Tournament", the first Ladies Member-Guest of the season, was a wonderful day -- and one of the few days of delightful weather we've had. Dressed in rich colors of India, well more than 200 women started the day with breakfast in the dining room and took their foursome pictures in front of the Taj Mahal. They then teed off in foursomes that more than covered both courses. Divided into four flights, the golfers played a one best ball shamble, with each receiving 90 percent of her handicap.



Following golf, the ladies were welcomed into a truly beautifully decorated dining room with a magnificent entryway of cascading orchids. They were treated to a delicious and very unusual lunch which included many Indian dishes in an extensive buffet. Many thanks to co-chairs Phyllis Berger, Barbara Benerofe and Sharon Rochlin and their committee for a lovely and imaginative day.

As they always do, our exceptional golf and dining staffs worked hard and did a great job to ensure a successful and memorable experience.

The dessert reflected the Taj Mahal and the colors of the day.

FRENCHMAN'S CREEK LADIES GOLF ASSOCIATION

Newsletter

FRENCHMAN'S CREEK
BEACH & COUNTRY CLUB

Dear Frenchman's Creek Ladies,

Hope you're all having a wonderful summer wherever you are, but it's that time again to anticipate another exciting season of Ladies Golf.

This annual FCLGA newsletter (which should be kept for future reference) contains the schedules for Ladies Field Days and Major Tournaments for both 18-hole Players and "9" is Enough Players, as well as the dates for Member/Guests and our successful Nine Wine & Dine Events. Ellen Goldstein & Jenifer Weintraub, your FCLGA tournament chairs, together with Robert Bruno, our Director of Golf, and Rich Luchini, our Head Golf Professional, have worked hard to create a season of varied golf formats, including some new concepts and keeping some old favorites.

Theses tournaments are geared toward all playing levels, even new players, and we welcome all Frenchman's Creek Ladies to join us on Tuesday mornings.

Please send your completed application form together with your check for dues in the envelope which is enclosed for your convenience. And don't forget the Hole-in-One Club!

See you on and off our beautiful and challenging golf course!

Afterglow

I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles
When life is done.
I'd like to leave an echo whispering
Softly down the ways.
Of happy times and laughing times
And bright sunny days.
I'd like the tears of those who grieve,
To dry before the sun
Of happy memories that I leave
When life is done.

Roberto Angelo Bruno

Also known as…

Roberto, Robert, Bobby, Bobby Miami, Bobby the Best, Brunie

We all had our own way to address him, but everyone at some point addressed him as **"BRUNO".**

This is hands down the hardest thing that I have ever done, other than Robert and me working on Mr. Becker and Mr. Adler's backswings.

When Sarah and I were sitting with Father John on Thursday, going over all of the logistics of this service for Robert, Father John had several very emotional questions and the answers were difficult, but the one question that he asked…who will be giving the eulogy?

I looked over to Sarah and she was already staring at me with a smile and said "Cheenoo."

Without any hesitation, I accepted. Sarah, I am honored to be up here. I am certain that there are many of other people that were special to him that would be happy to do this. So I hope I speak for all!

With his unbelievable smile and sparkle of his eye, and the way he said "Hello" and "How are you?" because it was so genuine that you were automatically engaged with him in conversation. I'm very sure that everyone here had some kind of friendship with him and how could you "NOT." He simply inspired all of us with his presence, easy-going personality before and after his diagnosis and until his day of passing.

He called me around 11:30 on Saturday night. If you can only imagine the fear in me before looking at my phone and seeing his name, and the slight fear of answering, yet an urgency to answer.

I answered it just as I answered all of his calls:

"What's up?"

"Cheenoo." he responded.

I asked him if everything was OK,

His response: "I couldn't get back to sleep because I was worried that Mr. Boren and Mrs. Gersten didn't have anyone to play with tomorrow in the Labor Day event and I wanted to make sure that it was handled."

I said "Yes, All set!!"

He responded with "Now I can go back to sleep."

He told me have a good night and that he would talk to me sometime on Sunday. This was the man he was!!!

August 1989 – Robert headed south to attend the University of Miami.

September 1989 – La Gorce Country Club in Miami Beach

The club was going through major renovations and basically operating out of the Golf Shop, including the receptionist who took all the calls. Her name was "Roberta Delaney" and she was from Springfield, where Robert & I grew up. J.R Congdon was the Golf Professional there at the time and with Roberta in the Golf Shop, they began to talk in passing for several months.

One day Roberta mentioned to J.R. that she knew a young man from Springfield who was down here going to school and looking for a job. J.R. said that he would talk to him and would see what he could do.

A few days later and as I said earlier that everything was under construction and all the outlets were right around the Golf Shop, including valet, J.R. was in the Golf Shop and looked out his window and something caught his eye–a white corvette had pulled up and Robert got out. J.R. said to himself "you've got to be kidding me. There is no blanking way that I am hiring this kid. He probably hasn't worked a day in his life and grew up with a golden spoon in his mouth."

J.R. talked to him and told him to go hit some golf balls if he wanted and that he would get

back to him if there was an opportunity opening up.
Several months had passed and one of J.R.'s outside staff members didn't showed up for work for a few days and didn't call J.R. to let him know if there was a problem. Roberta was still in the Golf Shop answering the phones and J.R. asked her if that kid he talked to a few months prior was still looking for a job. She didn't know but said she would call him and have him come back for a second interview
Here he comes again, up to valet in his white corvette. J.R. sat him down and stated three or four times!! "LISTEN TO ME AGAIN, YOU ARE TO PICK THE RANGE AND CLEAN THE BALLS AND PLACE THEM BACK ON THE RANGE. LISTEN TO ME, THAT IS IT."
A few months go by and J.R. looks outside and he sees Robert talking to Joe Dimaggio. J.R. says to himself "what the, Father, Can I say the word, Hell did I say to him! Pick the range, that's it!"
A month goes by and he looks out again, he sees Robert talking with Joe Dimaggio and Eddie Arcaro. J.R. says to himself again "what is he doing!!?"
Weeks later, Robert is out playing golf with these guys!! J.R. is astounded that these guys were so impressed with him and enjoyed his company.
Months later, Robert & J.R. were standing in the Golf Shop and J.R. said "Good morning" to Joe Dimaggio, and Eddie Arcaro, they responded "good morning." Robert said "Good Morning" and they responded in a much more exciting voice "HEY BOBBY MIAMI, HOW YOU DOIN!"
J.R. still thinking to himself this kid has got something special. From there J.R. took a position as Head Professional here at Frenchman's Creek in early 1994 and Robert started working for him but was still finishing up school. For 6 months, Robert drove back and forth from Miami. He was getting paid $7.00 an hour. He was spending more money on gas and tolls than he was making. After he graduated, he moved up and started his journey at Frenchman's Creek.
We all need to try to find this kid Alex Castro that didn't show up for work at La Gorce and give him a BIG KISS and thank him for not showing up for work! If it wasn't for him we would never have had the opportunity to have Robert a part of our lives.
Sarah, Giovanni and Sienna, Robert cherished and loved you all so very much! He would tell stories about you guys and e would glow and his smile would get even bigger. As if that could even happen! I speak for all!!! If there is anything we can do for you. We are all here for you.
We could go on and on about how he touched all of us. So with that I ask everyone to hold hands and make the biggest smile that you can–This was an everyday thing for him and it was easy for him to do.
Now turn and look around at each other–This is what he would have wanted, for us all to smile and be happy.
Roberto, we all love you!!! We will miss you deeply and will always feel your presence.

Yes of course
it was his skill as a professional.
He was good… really good at his job.
But it wasn't just that.

And yes of course
it was his diplomacy
and even-tempered
approach to all manner
of upsets and challenges.
But it wasn't simply that.

And yes indeed
his passion for his work
and for people
and for the game he loved
was decidedly exemplary
and came shining through
every day.
But it was more
so very much more
than that.

It was his outrageously delightful
and engaging smile and
the sparkle in his eyes and
the way he said "Hello!" and "How are you?"
with a warmth so genuine
that it welcomed and enveloped you
each and every time.

There are those who earn our respect
or capture our attention
by climbing mountains or
winning trophies or
building businesses or
constructing impressive edifices or
donating significant sums to make the world
a better place.

But Robert quite simply inspired us
with his exquisite presence
with his open-hearted love for life
with his easy manner and manners

with his composure and charisma
with his graciousness under pressure
with his grace in the face of grave illness
and eventually in the face of death.

Robert quite simply
touched our hearts because
he himself was so open and touchable,
so approachable, so easygoing and real.
He valued family and friendship
and excellence and good service
and good work and goodness.
and he valued LIFE.

So much so that
to the very end he showed us,
through the dignity of his presence,
how to embrace each moment
with poise and courage
and faith and love
and kindness and...
how shall I put it?...
a certain radiance of being.

Dear Robert,
When a man of your stature and spirit passes on
we each recognize
what we have lost.
We each recognize what a privilege it was
simply to have known you.
We each and every one of us realize
that there is a void created
by your absence that can never be filled.
You have secured a place in our hearts
and you will be sorely missed.

May you rest in peace.
And may your memory be a blessing.

From the heart, mind, and pen of Minx Boren
on behalf of those who knew and loved him.

IN MEMORY OF OUR BELOVED FRIEND

ROBERT BRUNO
