THE DESIGNERS

Franco Bertoli

Softmood Ceramics

Internationally renowned designer Franco Bertoli has been working with Ideal Standard since 1984. His studio in Milan is dedicated to innovation, conception and communication.

In 1998, Franco Bertoli received the ADI design Index award for Small, the first Ideal Standard collection designed specifically for limited spaces.

ARTEFAKT industriekultur

Softmood Furniture and Accessories

Simplicity, sensuality and constancy: These are the principles that govern the designs of ARTEFAKT. The acclaimed Darmstadt-based design company was founded in 1989 by Thomas Flegl and Achim Pohl, and has created numerous award-winning designs for Ideal Standard.

SOFTMOOD

Contemporary Elegance in its Most Welcoming Form.

Enjoy perfect balance between contemporary clarity and elegant warmth. Softmood ceramics, furniture and accessories meld pure, straight lines with smooth curves and soft edges, creating a unique modern aesthetic. This integrated bathroom collection celebrates simplicity in a new way, inviting lightness, openness and sensuousness into a harmonious synthesis with modernity.

Discover a full range of possibilities.

Softmood's refined aesthetic is complemented by the luxury of practicality. Advanced finishes, cutting-edge functionalities and sophisticated details: every element in this extensive range of porcelain, furniture and accessories ensures unrivalled comfort of use. The collection's extraordinary flexibility allows you to create a bathroom that's the ideal expression of both your practical requirements and your personal sense of style.

Experience a new sense of harmony. In the midst of today's hectic, over-accelerated world, Softmood creates space to breathe... a haven free of the demands of everyday life. Slim, refined shapes, pure colors and luxurious details create an inimitable atmosphere without loading down the room. Smooth curves and clear lines transport you into a world of purity and relaxation.

Furniture

Softmood furniture is available in an extraordinarily wide selection of sizes, and four luxurious finishes offer the right color choice for every preference: glossy white, glossy light grey, matt lacquered light brown, and walnut leuka. The perfect visual harmony of the furniture and accessories with the ceramics turns your bathroom into an aesthetic experience.

- *The high-quality chrome inlays highlight the furniture's soft-edged design, underlining its refinement and elegance.*
- *Partition kits keep your drawers organized and make it easy to use the available space effectively.*

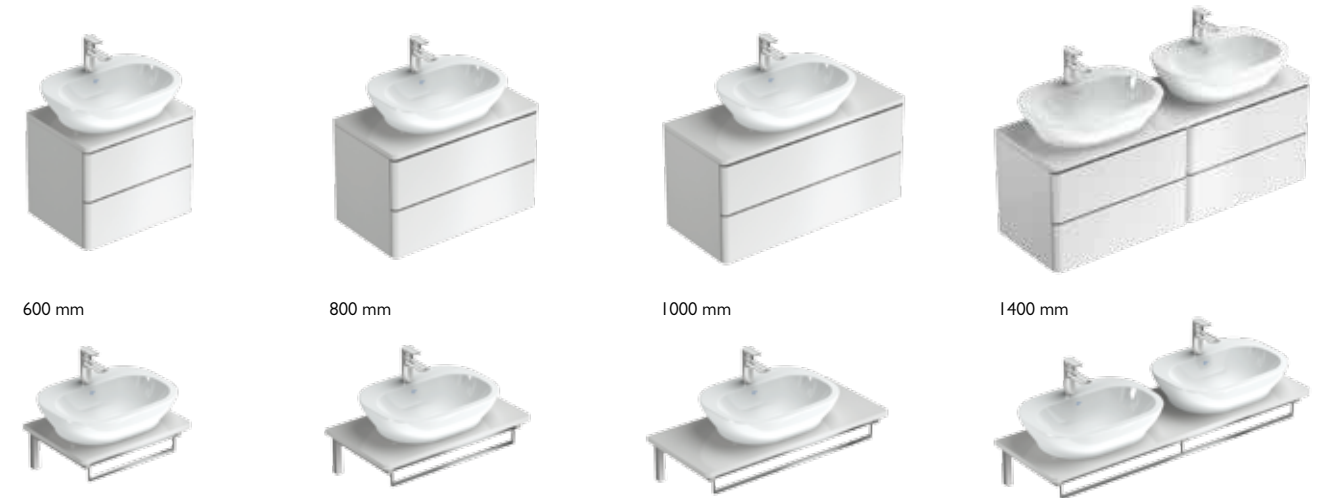

- *All Softmood furniture is handle-free, ensuring the perfect, unbroken flow of lines and curves.*
- *All furniture fronts and tops are 25 millimeters thick, contributing to the overall quality and luxury of the Softmood line.*

- *The practical push-pull system allows you to open and close drawers and cabinet doors with a touch.*

The wide range of furniture sizes (600 mm, 800 mm, 1000 mm and 1400 mm) makes it easy to find the right solution for every bathroom, large or small.
