RANGER

**TAKES YOU WHERE OTHERS
FEAR TO TREAD.**

Life can be tough. Tough on you and tough on your pickup. The Ford Ranger has been designed and engineered to take almost everything you can throw at it, and come back for more. It offers advanced driving technologies, a choice of powerful engines, and an abundance of comfort and convenience features – as well as stylish Double Cab and Regular Cab bodystyles. If your work or play can be tough, choose to make it easier: Choose Ranger.

THE ATTRACTION OF TRACTION.

The Ranger 4-Wheel-Drive System incorporates electronic shift-on-the-fly (ESOF)¹ to let you move smoothly from 2-wheel drive to 4-wheel drive without having to stop the vehicle. When you're off-roading, you need to stay above obstacles if you want to stay on the move. The confidence-inspiring approach, departure and breakover angles of Ranger – plus its equally impressive turning circle – help you do exactly that.

LIMITED Double Cab 4x4. Performance Blue Metallic. Available equipment.

Engines

2.5L I-4 petrol	Net horsepower: 164	Net torque (lb.-ft.): 167
2.2L I-4 low-output diesel	Net horsepower: 118	Net torque (lb.-ft.): 210
2.2L I-4 high-output diesel	Net horsepower: 148	Net torque (lb.-ft.): 277
3.2L I-5 diesel	Net horsepower: 197	Net torque (lb.-ft.): 347

POWER ON DEMAND.

Ranger is available with a 2.5L petrol engine, or a choice of a 2.2L or 3.2L diesel engines! Each of these high-tech units combines power and efficiency with fantastic range. For example, the 2.2L diesel engine puts up to 277 lb.-ft. of net torque at your disposal for excellent flexibility when you are on the move.

Depending on which model and engine you prefer, Ranger comes with either a 5- or 6-speed manual transmission¹ or a smooth 6-speed automatic¹ that features a manual sequential-shift capability.

WILDTRAK Double Cab 4x4. WILDTRAK Orange Metallic. Available equipment.

¹Available feature.

IT'S TOUGH AT THE TOP.

Prevention is better than a cure. That's why Ranger incorporates an Anti-Lock Brake System (ABS)¹ to help you steer clear of an accident. However, even ABS is no guarantee, so Ranger also includes a strengthened bodyshell, collapsible steering column and pedals, and active restraint systems, including multiple available airbags.

LIMITED Double Cab 4x4. Sea Grey Metallic. Available equipment.

¹Available feature.

STAY IN TOUCH.

Ranger keeps you in touch with your world regardless of your work or leisure pursuits. Voice-activated Ford SYNC^{®1} makes it easy to stay connected. No more searching for your phone. No device on your ear. Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. It lets you play music from your phone, MP3 player or USB, as well as providing quick and easy browsing of your phonebook and song lists. And SYNC does all of this with simple voice commands.

LIMITED Double Cab. River Rock Leather trim in Soho Grain. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. ²Available feature.
