

WEDNESDAY, OCTOBER 25, 2017

8:00 A.M. TO 2:30 P.M.

11931 SR 93 N
Logan, OH 43138
800-523-8917

WORKING OPEN HOUSE
& EDUCATIONAL SEMINARS

800-523-8917

Osburn Signs would like to invite you to our annual "working" open house on **Wednesday, October 25, 2017**. Our doors will be open from 8:00 AM until 2:30 PM and refreshments and lunch will be available.

During the day, you will be able to watch our staff work all aspects of the sign making process. From processing the aluminum from coil into sign blanks, sheeting or covering the blank, then on to screening or direct applying the legend.

You will get to see our techniques as well as participate if you would like. We will have our digital sign making system in operation as well as our Graphtec plotters cutting in the traditional method. Our digital printers will also be printing specialty logos throughout the day.

We will have areas set up to learn about sign posts and brackets, cones, barrels and other channelizing devices. We will also be showcasing the different types of reflective sheeting and pavement markings.

We are pleased to once again offer a series of informative seminars throughout the morning. Seating will be somewhat limited for these seminars, so please include the seminars you would like to attend on your RSVP. For our out of town guests, lodging can be provided at no cost to our customer.

Agency _____ Phone _____ Email _____

Number Attending _____ Lodging Required (for out of state guests) YES ___ NO ___

Names of Attendees _____
