THE START OF THE NEW YEAR

Dear Members,

The start of a new year creates a sense of excitement and expectation for what will come in 2017. I look forward to spending many hours with each of you at the club.

Under the leadership of the Board and Mr. Porter with our management team, 2016 was an exciting year of growth, progress and learning for Greystone Golf & Country Club. Efforts by numerous members and the hardworking staff led us to 880 members, first class fitness programs, a rejuvenated food and beverage program, a growing tennis program, championship level golf courses and countless tournaments and member events.

The Regions Traditions Champions Tour golf tournament returns to Greystone Founders Course May 17-21, 2017. The tournament is one of the Tour's five majors and represents a wonderful opportunity for our club. The Regions Tradition is an irreplaceable opportunity that brings prestige and provides a financial impact to Greystone. Our continued member support and participation is key to retaining the tournament and contributions to Children's of Alabama and various other Alabama charities.

Our club leadership continues to strive for zero based budgeting, financial stability and to manage the club's expenses within our expected revenues. For instance, there was no dues enhancement in 2017. However, there is still much work left to increase our capital funds. We have many deferred maintenance and improvement items that we must address.

Every month, each of us make a financial investment in our club. I am now encouraging each of you to make a social investment by expanding your use of the club, meeting all the new members and enjoying all the programs and events staged by our management team. The best thing you can do as a member to advance our club is to use the club often with your family, your guests and with other members and their spouses.

We cannot improve without the efforts of our many volunteer committee members. We look forward to gaining input from our five 2017 committees: Finance, Membership Marketing & Communications, Golf, Sports & Social and Membership Engagement. Thank you to the thirty devoted members who volunteered to serve on these important committees. Finally, thank you to all 2016 committee members who helped shape Greystone for the future.

In closing, I want to personally thank Terry Smith for his extensive time and effort behind the scenes in 2016. In addition to leading us to arguably the best year ever at Greystone, he spent much time making sure that I was informed and ready for the challenges and opportunities we face in 2017. I encourage each of you to attend the President Dinner on Saturday, January 21st at 6:30pm, Founders Clubhouse to acknowledge his dedication.

I look forward to seeing you soon.

A handwritten signature in black ink, appearing to read "Russ Allala". The signature is fluid and cursive, with a long horizontal stroke at the end.

Dear Members,

Happy New Year! I hope you and your family had a wonderful holiday season. We had a great December at the Club with several events for the members that were successful.

WE HAVE SO MANY GREAT THINGS PLANNED FOR 2017.

Members will be able to sign up for pre-planned local, regional, national and international Golf Trips. We will also organize tennis trips to events like the Family Circle, U.S. Open and possibly Wimbledon. Michael is working on an exclusive trip to Napa for Wine Club members as well.

JOIN A CLUB WITHIN YOUR CLUB

Join an interest group and meet fellow members who share a common hobby. Participation is open to all members and their spouses. The mission of the clubs is to promote camaraderie among members and to enhance interest and knowledge of specific subjects. You are also welcome to start a new club! Just let our team know by contacting Chelsea Carver at ccarver@greystonecc.com. Here are the clubs we will be starting with and we encourage you to let us know if you are interested.

**See page 20 for more info on Greystone's Clubs*

Once we have a period of acquiring interest we will begin scheduling a kick off meeting and activities. Within a few months, we would like to find a Chair and Vice Chair of each club to serve for a year with the natural progression of the Vice Chair moving up the following year. The clubs are designed to be operated by the members with support from the Club for communication, meeting space, etc.

In January, we will finally begin Pizza Delivery to members living within the gates of Greystone with plans to expand the delivery area to include communities on Hugh Daniel and Brook Highland. Specific announcements will be forthcoming.

We have made several improvements to Cellar 91 over the last few months, including improved service, new menu, faster ticket times and quality food. We are still not perfect, but each visit should show more consistency to our goal of being your first choice in dining.

Starting in January we will be offering daily Happy Hour from 5-6PM. On Fridays & Saturdays Happy Hour will also be from 9-10PM. Wine Down Wednesdays with complimentary wine and cheese tastings and Acoustic Friday with \$5 appetizers will continue. Please let us know if you have a birthday or anniversary in your reservation so we can make it special for you and your guests.

There are so many fun events lined up for January and February, but a few you do not want to miss are the President's Dinner on Saturday, January 21st honoring Terry Smith, Comedy Night on Saturday, January 28th and the Mardi Gras Celebration on Saturday, February 25th.

I look forward to seeing you around the Club soon.

Best regards,

Dave Porter

3 HOLE COURSE MANAGEMENT EVALUATION

Includes a written assessment for a plan of improvement in 2017.

with
BRIAN SPEAKMAN OR LIZ MATTIOLI

Happy New Year! While the weather may indicate otherwise, the 2017 Golf season is only 90 days away! We are blessed that our Greystone Performance Center offers the perfect environment to work on your golf game during the cold winter months. In an effort to develop your golf game during the cool weather, the Blackburn Golf Team has developed some new programs for the 2017 "Off Season" which are sure to make this season your best yet!

Our Annual Golf Evaluation is a great way to start the new year. Much like those new year resolutions to get in shape at the gym, it requires an initial assessment to develop a training plan. Our annual golf evaluation will develop and implement a custom coaching program for your game. This is the same approach we use with our collegiate and professional clients to improve their performance.

At the elite level, the biggest correlation to a golfer's world ranking is driving distanced. Similarly, the biggest correlator to handicap index is also driving distance. At the elite level there is a new statistical analysis system used to assess a golfers proficiency in scoring called strokes gained. It's no surprise then that leaders in strokes gained off the tee are the likes of Dustin Johnson, Rory McIlroy and Bubba Watson. The two biggest contributors to driving distance are impact location & centerdness of hit and ball speed. While technique can help with improving the impaction location & centerdness of hit, ball speed is primarily based on clubspeed. Improving your clubspeed will increase your distance and theoretically lower your scoring average based on all the statiscal data we have. To help develop more speed we are offering an 8 week Speed Program. By utilizing the same over and under training principles pitching coach Tom House uses with major league

ball players and now NFL quarterbacks, we will help you increase your club speed. The program has a proven track record and can dramatically help you lower your scores in 2017.

Our ladies program continues to grow under Liz's direction. To sustain that growth we are offering a Ladies weekly winter drop in clinic and customized personalized coaching programs through the winter. To discuss any of our program please feel free to call us at the Performance Center anytime at 205-986-5152. If you haven't visited the Performance Center please join us on Saturday January 14th when we will be hosting an open house from noon through three o'clock. We will showcase all our winter coaching programs and new Taylor Made M series drivers!

We look forward to helping you with your game soon.

The Blackburn Golf Team

WINTER COACHING & SPEED PROGRAM

8 WEEK COACHING PROGRAM

*EMPHASIS ON INCREASING
CLUB HEAD SPEED

\$750
INCLUDES:

INITIAL EVALUATION (2HRS)-
TPI assessment, speed/power
assessment, equipment evaluation,
and swing analysis

SPEED TRAINING (30MIN)-
2 sessions per week.

GOLF LESSONS (1HR)-
2 sessions of one-on-one training
that will help you develop a
plan for improvement

FINAL EVALUTATION-
Will review your progress from the
past 8 weeks.

**AVAILABLE TO BEGIN
NOW THRU THE END OF FEBRUARY**
(UNAVAILABLE THE WEEK OF JAN 21-28)

Winter is here and so are the freezing temperatures. On cold mornings, please make sure to double check with the tennis shop to make sure overnight freezing temperatures haven't made the courts unplayable. Frosty Doubles, Greystone's own Ladies intraclub league, will start the first week of January and run through mid February. This is a fun and social league that is always a hit! We will also hold a couples doubles mixer to celebrate Valentine's Day. The event will be limited to couples and we will have a round robin format to compete against other couples! We look forward to seeing you on the courts. Bundle up and stay warm!

UPCOMING EVENTS

FROSTY DOUBLES (FRIDAYS)

Starting
JANUARY 6TH THRU FEBRUARY

MEN'S TENNIS

Starting
JANUARY 14TH

COUPLES VALENTINE'S DAY MIXER

FRIDAY FEBRUARY 10TH, 6PM

GREYSTONE SPRING NOVICE

Tournament
FEBRUARY 27TH

One day tournament designed for juniors getting into tournament play.

MEN'S TENNIS

We are in the process of forming men's teams for the winter leagues. Play will begin on January 14th. Please contact a pro at 205.986.5154, if interested.

WINTER JUNIOR PROGRAMS

BEGINNER ORANGE BALL CLASS (8 & Under)
MON & WED. 4-5pm

MIDDLE SCHOOL ACADEMY
MON, WED, & THUR. 4:30-6pm

HIGH SCHOOL ACADEMY
MON, WED, & THURS 5-6:30pm

BOOK

We will establish a men's, women's and couples group. Once enough people sign up we will form the group's and pick a book for each to get the groups started.

PHOTOGRAPHY

Learn more about equipment, how to take better photos with your phone, find your passion of which genre suits you. Enjoy field trips and camaraderie with fellow members.

BEER

This group will get together once a month to try new micro brews. The group will tour area breweries, enjoy tastings and beer dinners.

THEATRE

This group will meet at the club for dinner before heading out to a nearby theatre production at a local theater from Red Mountain, Virginia Samford, BJCC, etc

FIELD AND STREAM

Fishing and shooting sports, with many opportunities to enjoy nature.

MUSIC

Enjoy singing and/or playing an instrument? Expand your knowledge and collaborate with fellow member musicians.

ART CLUB

This group will be for those passionate about art. Members that are interested in visiting art museums as well as enjoying art classes at the club should plan to attend.

CIGARS AND BOURBON

This group will gather for a monthly education and tasting on both cigars and bourbons.

CHESS

For all level players to enjoy this wonderful game with other members who share the same interest.

MOVIES

This group will pick a movie to watch and then meet to discuss it over dinner.

OUT AND ABOUT

Get together on a monthly basis and enjoy a day of shopping, lunch at a new local hot spot, a trip to the botanical gardens or a tour of a local vineyard

BALLROOM DANCING

If you enjoy ballroom dancing or want to learn we are setting up instruction and a schedule for performances.

*To Join any club please email Chelsea Carver at ccarver@greystonecc.com or complete the template found on our website at greystonecc.com.
