

ROUND THE WORLD

Life moves pretty fast. If you don't stop and look around once in a while, you could miss it.

- F. Bueller

So what's your story?
Fly **Round the World** and discover
your story with STA Travel.

WHY CHOOSE STA TRAVEL?

An STA Travel Round the World ticket lets you do the world your way. For an unbeatable price, you can travel to the world's most exciting cities; some of our exclusive tickets can keep you globetrotting up to 18 months! And flying Round the World is still massively cheaper than spending cash on individual flights.

We have the cheapest Round the World fares for everyone. More than 30 years of bonding with airline partners mixed with our Price Beat Guarantee means great fares for all our customers. If you're a student or under 26 years old, bonus - we have exclusive fares that will save you even more! But no matter what your age, we can fly you to off-the-wall places at prices that other travel agents can't get near.

WHERE CAN I GO?

Pretty much anywhere with an airport! In this brochure you'll find 11 of our favourite routes, so you can follow one of these, or create one of your own - using our Trip Planner online at statravel.co.za your endless imagination and an STA Travel adviser!

WHAT IF I CHANGE MY MIND?

No worries! An STA Travel Round the World ticket gives you the flexibility to change your route while you're on the road. No matter where you are in the world, the knowledgeable and friendly people who work for STA Travel are never far away. We've got 400+ STA Travel branches in 85 countries worldwide, not to mention 24/7 Global Travel Help. So if you've lost your ticket, want to change your dates or just need some local advice, our help is always at hand.

HOW LONG WILL IT TAKE?

That's totally up to you. If you want to go for one month, we can make it happen. If you want to go for 18 months, we can make that happen too! Generally, Round the World fares are valid for 12 months - but if you've only got the 'standard' four weeks annual leave or want to travel on your uni break, you can do the world and be back whenever you need to be.

PRICE BEAT GUARANTEE

We love our travellers and quite frankly, you deserve the best flight price in the market at all times! We're confident we have the best prices, but if you happen to find a better airfare we guarantee to beat the lowest comparable airfare from any competitor. Here's how it works:

- **The competitor quote must be in writing & presented the same day as it was created.**
- **Travel must be in same economy booking class, on the same dates, using the same flights and airlines as the written competitor quote.**
- **The quote must be from a South African registered business or website for travel originating in South Africa only.**

Come and talk to us by dropping into one of our branches around South Africa, calling us on 0861 781 781 or visiting statravel.co.za

THE CHECKLIST

✓ GET A TRAVEL DISCOUNT CARD

If you're lucky enough to be a full time student, teacher or still under 26 years old, listen up. If you want access to over 41,000 discounts worldwide then you'll want to pick up a Student (ISIC), Youth (IYTC) or Teacher (ITIC) card. They're only R100 each – and you'll save heaps more than that along the way! They are well worth the spend, not only for discounts Round the World, but for discounts at home too. Order yours in-store.

✓ BOOK YOUR ARRIVAL ACCOMMODATION

While winging-it can be pretty thrilling, chances are you could end up stranded; especially during peak season. Don't risk it! We make finding accommodation to suit your budget really easy. We've got a huge selection of properties to choose from, everything from budget hostels to luxury 5-star hotels. Ask your STA Travel adviser to book your bed before you leave.

✓ GET AN AMERICAN EXPRESS CASH CARD

These puppies are the same size as your credit card but with no debt and better services! We're talking prepaid travel money cards. They're available in GBP, USD and EUR so you can lock in your Rand value before you go, no matter what happens to the exchange rate!

✓ HELP THE ENVIRONMENT

It's hard to make a big difference to the environment on your own. Now thanks to STA Travel, you can! We were the first travel agent in South Africa to allow you to Carbon Offset your trip. It's all about choice, and being able to neutralise the pollution that your flight generates is an important one. We fund Origin Energy programs that help create clean air across the planet. Ask your STA Travel adviser how!

✓ SORT OUT YOUR VISAS

Your trip of a lifetime will grind to a screeching halt if you forget to sort out your entrance visas! So make sure you check with your STA Travel adviser about visa requirements for the countries you're planning to visit. If you do happen to need a visa, we'll be able to help you out – so you can sit back and relax.

✓ DON'T FORGET TO PACK YOUR TRAVEL INSURANCE!

Thinking about heading off on a Round the World trip? Whether you're a first timer or consider yourself a more seasoned traveller – you'd be mad to go overseas without travel insurance!

Imagine you've finally got your Round the World ticket sorted after months of saving and planning; we know the last thing you want to think about is travel insurance, but if something were to happen without it, you could end up with more than just a little headache – a broken leg in the USA can cost up to \$10,000! And seriously, what could be worse than being stuck at home 'til you're 40 paying it off? *eek*

For just a few rands a day, we can arrange a travel insurance policy that covers you for heaps of benefits (like if your luggage is lost, damaged, delayed or stolen). You also

get cover for medical and dental expenses, as well as access to our 24 hour emergency assistance team. Ask your STA Travel adviser for the 'Policy Wording' so you can check out exactly what the policy covers.

Whether you're heading for the bright lights of Vegas, roaming the streets of Paris or riding an elephant in Thailand, make sure you organise your travel insurance when you book your Round the World trip. That way you'll be able to concentrate on the more important things – like your lederhosen outfit for Oktoberfest!

Don't risk it – ask your STA Travel adviser to get you covered today.

Note: Terms, conditions and exclusions apply. Please read the Policy Wording available from STA Travel when considering if this product is right for you.

THINGS YOU NEED TO KNOW

When you're heading off around the world, getting organised can be pretty daunting. So we've come up with this list of handy hints to make your Round the World trip the best thing ever!

1 BACKPACKS VS SUITCASES
The age-old debate! If you're travelling for 6+ mths, a backpack will be easier to get around with; they zip open like a suitcase now too. If you're only going for a couple of mths & you hate carrying stuff on your back- opt for the suitcase (the smaller the better)!

2 GET HEALTHY
Obtain proper medical advice before you go - visit the South African Department of Health website for all the latest updates and your local doctor will be able to help you with vaccination advice for the particular countries you're visiting.

3 READ UP ON YOUR TRIP
The do's & don'ts, transport, weather, culture. Respect local customs by packing a 'conservative' outfit too - in some areas of the Middle East & Asia and in some religious instances, you'll need to cover up from your shoulders down to your knees.

4 CHECK YOUR ATM CARDS
Make sure they'll work overseas and exchange just enough cash to cover your arrival. It's best to take a mixture of money - credit card, debit card or American Express cash card (see Page 6), plus cash to cover your butt! And if all else fails; call mom for an emergency transfer!

5 SCAN AND EMAIL
Copies of your Passport, travel insurance policy, emergency phone & card numbers, as well your ticket details. Leave another set with family or friends too. And it's also handy to have copies of your itinerary and hotel receipts in one place, just in case.

6 GET SNAP HAPPY
Think all-things-camera. Make sure your memory card/s are big enough (you'll want to snap everything you see!) and pack extra batteries - there'll be times you don't have access to power & you don't want your camera dying at Machu Picchu!

7 GET INTERNET SAVVY
Set up a Skype account so you can chat to and SEE your lover, your mates or your folks when you're feeling homesick. Then...

8 SET UP A TRAVEL BLOG!
It's free and easy to set one up at blogs.statravel.co.za! Blog like a budding travel journo and keep your entire crew updated - you can even share your stories to your Facebook profile so everyone will know when you've made a new post!

9 PACKING 101
Always travel as light as possible! But make sure you squeeze in an inflatable pillow, sleeping mask, international power adapters, an extra change of clothes (or undies) in your hand luggage, socks for the plane, baby wipes to freshen-up & a lightweight rain coat.

10 TRY TO AVOID JETLAG
Drink plenty of water and stick to simple foods. Avoid too many bevies although you'll likely get the giggles & fall fast asleep! Try to acclimatise to your time zone as soon as you land- if you arrive in New York at 7am, don't go to sleep! Struggle through.

11 TRANSPORT 101
Getting on a train or bus when you're travelling is like cherished rest time! So use your luggage to your advantage; suitcases double as a fantastic seat on packed trains, and backpacks make an excellent pillow - it'll save you from getting robbed too!

12 SLEEPING 101
If you're a bit of a clean freak, take a travel sheet (thinner version of a sleeping bag) to sleep in; you'll love it! Take extra locks for your luggage & for lockers in hostels too, and make sure you have printed directions to where you're staying!

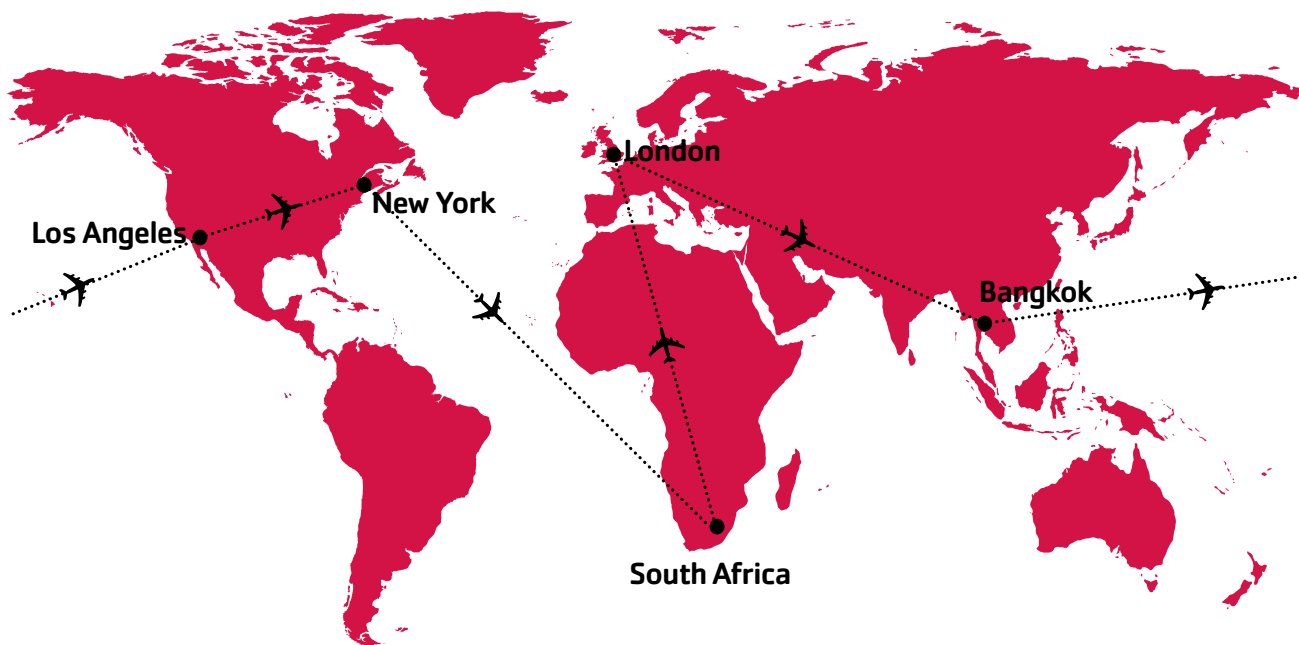

13 BUY A PHRASE BOOK
How will you ask your lovely (non-English speaking) Spanish host to book a taxi to Madrid airport to catch your 9am flight the next morning? Simple. Carry a phrase book everywhere! It could seriously save your life (or at least you missing your next flight!).

14 EATING 101
Food is glorious but it can get expensive. If you're eating out, eat inside instead of on the sidewalk (in Europe they charge extra for sitting outdoors!). And make sure you pack a pocket knife; you can stock up on fruit, bread, cheese and eat on the run!

15 DO SOMETHING RIDICULOUS
Last but definitely not least! It's important to get out of your comfort zone, and if that means stripping down to your undies and jumping into a Mykonos nightclub pool at sunrise, or eating Ox's balls in Vietnam - then go for it. You live once, eh?!

If for any reason, any Third Party Supplier is unable to provide the products/services you purchased through STA Travel, your remedy lies against that Third Party Supplier and not STA Travel.

General

These general terms and conditions together with the relevant terms and conditions of the Third Party Suppliers apply to any travel products/services you purchased through us. Once you pay for your booking (whether in full or in part):

- you acknowledge and agree that you have read and understood these general terms and conditions; and any terms and conditions imposed by Third Party Suppliers, for whom we act as agent;
- you enter into a legally binding contract to acquire the relevant travel or travel related products and/or services with the Third Party Suppliers.
- you are not at least eighteen years of age then your legal guardian must give consent to this contract on your behalf.
- if you make a booking on behalf of someone, you warrant that you have the authority to accept and do accept on behalf of that person to be bound by STA Travel's general terms and conditions and the relevant Third Party Suppliers' terms and conditions.

Deposits and payment

Deposits are non-refundable. Payment of a deposit enables STA Travel to hold a reservation for you but does not guarantee the fare and/or price. The fare and/or price can only be guaranteed once we receive full payment and tickets and/or other travel documents have been issued. STA Travel will advise you of the date that full payment is required. Additional deposits for certain travel arrangements may also be required by Third Party Suppliers. Failure to make payment in full by the due date may result in the forfeiture of any deposit paid. If payment for your booking is made by credit card, a handling fee is payable as advertised. No handling fee will be charged for payments made by Debit Card and BPAY. Please note that BPAY may take up to 3 business days to process, therefore you will need to allow sufficient time for payment to be cleared before the actual due date. Personal cheque is not accepted for domestic bookings. For all other bookings, we reserve the right to refuse personal cheques. Personal cheque may take up to 10 business days to clear. You agree not to stop payment of the cheque even when you cancel a booking. You agree that STA Travel may apply the proceeds of the cheque to satisfy any liability you may have to us and the Third Party Suppliers. Please note that even after full payment, the conditions of the contract between you and the Third Party Suppliers may permit them to increase the cost of your arrangements. We will pass on any such increase to you.

Documentation

Travel documentation will not be issued until full payment with cleared funds is received. It is your responsibility to ensure that all of the details on your travel documents are correct and to bring to our attention any errors or discrepancies as soon as possible but in any event within 72 hours after STA Travel provides you with your travel documents. STA Travel's general practice is to send documents to our customers electronically whenever possible. We reserve the right to charge you an administration fee if we send you such documents in hard copy form, at your request. All travel documents are non-transferable. It is your responsibility to collect all paper travel documents prior to departure. Your travel documents are valuable and should be safeguarded as if they were cash. It is not always possible to replace travel documents in the case of loss, theft, damage etc

Cancellations and Changes

Your contract with your Third Party Suppliers may allow suppliers to cancel or amend bookings. We will ensure that you are promptly notified of any significant changes, but accept no liability for any changes or costs incurred which may result. If we make an error in your booking, which gives rise to a need to significantly change your booking, we will inform you as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us, (we will refund any price difference if the alternative has a lower value), or cancelling your booked arrangements and receiving a full refund. You agree that this is the only compensation payable in connection with such an error.

Period before departure when a significant change is notified	Compensation payable per person
More than 56 days	R0
55-29 days	R100
28-15 days	R200
14-7 days	R300
7-0 days	R400

Despite anything to the contrary in these general terms or conditions, changes beyond our control to the extent permitted by law, we will not be liable to compensate you in any way, if a significant change is made to your booking for reasons beyond our control. These include: war, threat of war, riots, civil disturbances, terrorist activity, industrial disputes, natural and nuclear disasters, fire, epidemics, health risks, and changes due to rescheduling or cancellation of flights by an airline or alteration of the airline or aircraft type; closed or congested airports or ports, hurricanes and other actual or potential severe weather conditions, and any other similar event. If you have booked a flight and we are alerted to a significant schedule change by your airline before you depart from South Africa, we will contact you by email to advise you of this. Please ensure that you have given your contact email address to STA Travel and that you regularly check for messages before you leave. STA Travel has no control over airline schedule changes and accepts no liability for costs which may arise as a result of such changes. After you have left South Africa, it is your responsibility to check with the airline that any onward flights you have confirmed are operating as booked. We strongly recommend that you contact your airline at least 72 hours before the scheduled departure of each flight to do this. Please note that for some airlines it is mandatory to confirm with them your intention to fly. If you wish to change your booking and such a change is permitted and possible, STA Travel will charge you a service fee to process the change. You may also be charged a service fee by your Third Party Supplier. For changes after departure please see the 'Travel Help' section of www.statravel.co.za for details of how to request changes. Please note that all reservation changes are subject to availability and the terms and conditions of the product or service purchased. For changes before departure please contact your original branch that booked your ticket. The name in your booking must be exactly the same as your passport. Changes to name details are not allowed by many airlines and other service providers. Whilst we will do our best to make such a change if

necessary, please bear in mind that most airlines and other service providers treat a name change as a cancellation, to which standard conditions and charges would apply. Flights must be taken in the sequence they appear on your ticket or e-ticket confirmation. If you plan not to take a flight as booked, please contact the airline as far in advance as possible to discuss your options. If you do not check in on time for a confirmed reservation, the airline may register you as a 'no-show', which could result in extra charges and/or your whole flight itinerary being cancelled and/or render your ticket void. If you cancel your booking, the cancellation terms and conditions of your Third Party Suppliers will apply as well as STA Travel fees outlined on your itinerary and receipt. We need to receive from you written notification of cancellation and your original ticket/voucher before any refund can be considered. If you decide to cancel arrangements before the balance due date, any deposits paid are non-refundable. Refunds will only be paid to you once we have received the funds back from Third Party Suppliers. Generally flight tickets cannot be refunded if they are partially used. If the reason for your cancellation is covered under the terms of your travel insurance policy, you may be able to reclaim your cancellation charges through your insurer.

Liability Limitation

We have taken all reasonable care to make sure that all the services that make up the arrangements made by STA Travel are provided by efficient and reputable businesses. These businesses should follow the local and national laws and regulations of the country where they are provided. However, please be aware that overseas safety standards may be lower than in South Africa. You acknowledge and agree, however that, STA Travel has no liability for any act, omission or default, whether negligent or otherwise, of any Third Party Supplier. In circumstances where liability of STA Travel cannot be excluded, such liability is limited to the value of the purchased travel arrangements. STA Travel reserves the right to decline to provide services to any individual.

Privacy and personal information

We will handle your personal information in accordance with the terms and conditions set out in our Privacy Policy which is posted on our website at www.statravel.com.au you consent to the disclosure of your personal information to us and to Third Party Suppliers. We and the Third Party Suppliers may disclose your personal information to others where directly connected with facilitating your travel arrangements and bookings and the provision of travel services and products. For example, we may disclose your personal information to airlines, hotels, car rental companies and other service providers in facilitating your travel arrangements.

Passport, Visa and Immigration

You should confirm these with the relevant High Commissions, embassies and/or consulates. We do not accept any responsibility in the case of you being unable to travel due to not complying with any such requirements. Your passport must be valid for 6 months beyond your return date into South Africa.

Insurance

Travel insurance is a vital part of your arrangements. We strongly recommend that you have taken out adequate insurance for the duration of your journey. Travel insurance is a mandatory element of some travel arrangements. We can arrange travel insurance for you and can provide you with a quote and answer any queries you may have regarding the insurance we offer.

Travel advice and vaccinations

South African residents should refer to the travel advice in the consular information section posted by the international relations and co-operation department at www.dfa.gov.za. Vaccinations may be required for some or all of the places you are intending to visit. It is your responsibility to ensure that you have arranged all necessary vaccinations for your itinerary.

Health, vaccination and inoculation compliance is exclusively and entirely your responsibility. You should ensure that your physical condition is adequate for the intended itinerary and if you are not sure, you should consult your physician.

Taxes and Frequent Flyer Program

Local travel and airport taxes and charges may apply in various overseas countries. Unless otherwise stated, these taxes are not included as part of the fees. Taxes and duties may need to be paid in local currency at the time of departure and are subject to change without notice. It is your responsibility to check with your airlines on whether your booking with us is qualified for any points under any frequent flyer programs. Please retain all boarding passes to allow verification of your travel if required.

If you have a complaint

If you have a problem during your holiday, please inform the relevant Third Party Supplier (e.g. your hotel) immediately. Should they be unable to resolve the matter, please contact STA Travel in South Africa, either through the branch where you made your arrangements, or through customerrelations@statravel.co.za.

If you fail to contact STA Travel, we will not be permitted the opportunity to investigate your complaint and rectify any error whilst you are away and this may affect your rights under your contract. Please note that the dealing with the complaint by STA Travel or a third party supplier is done without prejudice and does not imply any fault of any kind on the part of either aforesaid party.
