Measuring our performance

Customer Quality Visitation Reports (CQVRs) help facilitate a conversation about your program. We take the comments and ratings seriously in order to measure and track how our customers value our solutions and services. Through this process we:

- ✓ Maintain healthy, regular communications with Vilter Manufacturing.
- ✓ Learn about specific concerns so we can take action in a proactive manner.
- ✓ Measure our performance and adhere to ISO principles.
- ✓ Discuss additional solutions and programs that address Vilter Manufacturing's operational needs.
- ✓ Recommend inventory adjustments based on Vilter Manufacturing's current and projected business conditions.
