2016 EMPLOYEE BENEFIT GUIDE

Glacier Restaurant Group Holman Enterprises

Salaried Team Members

Welcome to your 2016 Annual Benefit Guide!

Open enrollment is your annual opportunity to review your benefits coverages and make any changes for the following year. Please review this Benefit Guide carefully and make your benefit choices for the January 1, 2016–December 31, 2016 plan year.

DID YOU KNOW?

41% of U.S. employees spent **15 minutes or less** researching their benefit options during 2013 open enrollment. **24% spend 5 minutes or less**! Choosing your benefits is one of the **most important decisions** you make all year for you and your family. **Take the time to understand your options and make informed decisions this year.**

Benefit Highlights

Medical Insurance

Blue Cross Blue Shield will continue to be the carrier for the medical insurance. Employees will have two plan options: the Blue Dimensions PPO plan and the High Deductible Health Plan (HDHP) with HSA. You may choose the plan that best fits the needs of you and your family. Reminder—employees who elect the HDHP with HSA plan are eligible to open a Health Savings Account to help pay for medical expenses. More information on the Health Savings Account is located on pages 6 and 7 of this guide.

Dental Insurance

Principal remains the insurance carrier for the dental benefits and employees have access to two dental plan options—a low option and a high option plan. The benefits for these two plans are almost identical, but the high option plan covers orthodontia for both children and adults. There is no change to the payroll deductions for either dental plan for 2016.

Vision Insurance

Principal also remains the insurance carrier for the vision plan. The plan includes benefits for eye exams, frames, eyeglasses and contact lenses. There is also no change to the payroll deductions for vision coverage for 2016

Basic Life and AD&D, Voluntary Life, Voluntary STD, and Voluntary LTD

Reliance Standard will continue to insure the Basic Life and AD&D, Voluntary Life, Voluntary STD, and Voluntary LTD benefits. There are no changes to the rates for these products, but if you are currently enrolled in one of the voluntary plans and have moved into a new age bracket in the past year, your cost for coverage could increase in 2016. Please review the rates and benefits on page 10 of this guide.

Benefit Highlights, continued...

Flexible Spending Account

The Health Care FSA and Dependent Care FSA will be offered again this year through Employee Benefits Corporation (EBC). Please make your elections carefully as any FSA funds not used by the end of the plan year will be forfeited. Note—if you enroll in the HDHP with HSA plan, you are *ineligible* to elect the Health Care portion of the FSA.

Rollover Reminder! Employees who elected the Health Care FSA for 2015 have the opportunity to roll over up to \$500 of unused funds to the 2016 FSA plan year. If you have money left in your Health Care FSA account at the end of December, 2015, you will be able to keep up to \$500 of any unused FSA dollars and use them for medical expenses in 2016.

Unum Accident

The voluntary accident policy is available through Unum. In the event of a covered accident, the Unum plan will pay a cash benefit to help with out of pocket expenses like ambulance rides, emergency room visits, wheelchairs, and bandages/casts. Coverage is available to employees, spouses, and dependent children. For more information, you can contact Unum at 1-877-225-2712.

Mid Year Election Changes

There are special circumstances, often referred to as life event changes, that allow you to make plan changes at any time during the year when they occur. You must inform your Employee Benefits Department within 30 days of the event in order to make a qualified change. All other changes will be deferred to open enrollment. Examples of life event changes are located in the box below:

Marriage	Loss of Coverage for a Spouse
Divorce	Death of a Dependent
Birth or Adoption	Loss of a Dependent Status

Eligibility

You are eligible to participate in the benefits described in this guide on the 1st of the month following 60 days of employment.

Your dependents may only enroll in coverage you have for yourself. Your eligible dependents include your:

- Legally married spouse
- Children up to age 26 who are not on active military duty,
- Dependent children who are physically or mentally disabled and dependent on you.

Provided they meet the requirements above, eligible dependent children (regardless of where they reside) include your:

- Natural children,
- Adopted children or children placed with you for adoption,
- Stepchildren, and/or
- Children for whom you are the legal guardian.

Dependent children also may be covered under the medical plan if they are required to be covered by a Qualified Medical Child Support Order as an "Alternate Recipient".

Terms to Know

Coinsurance: The percentage of the charges you are responsible for paying when you get care once you meet your annual deductible.

Copayment: A flat fee you pay to the provider based on the care or service you receive.

Deductible: The amount you pay for certain services each calendar year before the plan starts paying benefits. You pay the full cost of care you receive until what you have paid equals the amount of your deductible.

In network: The doctors, hospitals, labs, pharmacies, etc that are members of the plan's network. When you see a provider "in the network", the plan pays a higher benefit.

Out of network: The doctors, hospitals, labs, pharmacies, etc. that are not members of the plan's network. When you see a provider "outside the network", the plan pays a lower benefit (or no benefit at all).

Out-of-pocket maximum: The maximum amount you would pay for covered care during the year after you pay your deductible. If you reach this maximum, the plan will pay 100% of your covered care for the rest of the year.

Preventive care: Routine services to prevent illness and improve health, including annual check-ups, immunizations, and certain screenings.

UNDERSTANDING YOUR HSA PLAN

If you enroll in the Blue Cross Blue Shield High Deductible Health Plan (HDHP)— you are eligible to open and contribute to a Health Savings Account (HSA).

An HSA is an employee-owned account that allows you to set aside money for your eligible medical expenses (including vision and dental expenses) incurred this year or in future years. Your contributions to the account are tax exempt, so you can save on taxes when you contribute. Unlike a Flexible Spending Account, any unused balance in your HSA rolls over from year to year—there is no "use it or lose it" rule.

You must be enrolled in a Qualified High Deductible Health Plan in order to contribute to an HSA. In future years, if you decide to dis-enroll from the HDHP plan, you can continue to use any money in your HSA for qualified medical expenses, but you are ineligible to contribute any additional funds to the account.

If you withdraw funds from the account for non medical expenses, you will be subject to a penalty. At age 65, however, any unused funds in your HSA can be withdrawn without penalty for non-medical purposes. If you withdraw the funds in your HSA after age 65, you would be subject to normal income tax on the money in the account, but you would not be limited to using the money for just medical related expenses.

Once you have set up your HSA, you will receive a debit card for easy access to your funds. You can use this debit card to pay for qualified medical expenses without having to file any paperwork for reimbursement—your card can be used at doctor's offices, pharmacies, hospitals, and other healthcare provider locations. It is recommended to save the receipts for every purchase you make with the card as you may need the receipts to verify expenses should you ever be audited.

There are limits to how much you can contribute to your HSA each calendar year. For 2016, the contribution limits are:

		*Age 55+
Individual	\$3,350	\$4,350
Family	\$6,750	\$7,750

*If you are over age 55, you can contribute an additional \$1,000 to your HSA for 2016 as a "catch-up" contribution.

Please use the list on the next page as a guide to help you determine whether a medical expense is qualified or not for an HSA distribution.

FLEXIBLE SPENDING

ΑССОUNTS

A Flexible Spending Account is an arrangement that permits you to pay for certain out-of-pocket expenses with funds that you have set aside, by payroll deduction, on a tax-free basis. There are two types of Flexible Spending Accounts available: The Health Care Reimbursement Account is for out-of-pocket medical expenses including medical, dental, vision, and prescription drug expenses for you and your dependents. The Dependent Care Assistance Account is designed to help you pay for daycare services so that you and your spouse (if married) can work or be a full-time student.

Account Type	Examples of Eligible Expenses	Contribution Limits	Access to Funds	Pre Tax Benefits			
Health Care	 Medical Plan Deductibles Most Insurance Co-payments Prescription Drugs Some OTC medicines (Only if prescribed by your doctor) Vision Exams/Eyeglasses/Contacts Laser Eye Surgery Acupuncture Weight Loss Programs Dental and Orthodontia (Braces) Birth Control Pills/Devices/Procedures Chiropractic 	Maximum annual contribution is \$2,550	Allows immediate access to the entire contribution amount from the 1st day of the benefit year, before all scheduled contributions have been made.	Save 20% - 40% on your health care expenses Save on purchases not covered by insurance. Reduces your taxable income.			
Dependent Care	 Daycare Day Camp Eldercare Before and After School Care 	Minimum contribution is \$100 per year Maximum contribution is \$5,000 per year (\$2,500 if married and file separate	You will be able to submit claims up to your year-to-date accumulated amount in your account (You will only be reimbursed based on your acumulated contribution amounts)	Save 20% - 40% on your dependent care expenses. Reduces your taxable income.			
"Use it or Lose it" Rule	ule You should plan your contributions carefully. According to IRS guidelines, any money in your FSA at the end of the year must be forfeited. Beginning with the 2015 plan year, you will be able to roll over up to \$500 of unused FSA funds to your 2016 FSA account. Any funds beyond the first \$500 will be forfeited.						
Eligibility	You may incur claims beginning January 1, 2016 through December 31, 2016. All claims must be submitted between January 1, 2016 through March 31, 2017. You MUST re-enroll in the FSA every year– FSA elections will not roll over to 2016. You cannot elect the Health Care portion of the FSA if you have elected to enroll in the HDHP medical plan.						

ENROLLMENT 2016

Beginning the week of November 8th, employees will be able to log in to a new enrollment portal and enroll, decline, or change benefit elections for the 2016 plan year. You will receive more information and links to the site via email, but you can also go to https://www.eenroller.net/login.asp?ST=GLCR3133 and enter your username and password.

Your username is the first six letters of your last name plus the last four digits of your social security number. Your password is the last four digits of your social security number. Eg: Robert Anderson, SSN 123-45-6789. Username would be ANDERS6789. Password would be 6789.

For current employees who have used the BeneTrac portal before and are having trouble logging in again, simply click on the "Forgot your Username or Password?" link on the login page and follow the prompts to reset your login credentials.

Below are some screen shots with helpful hints on how to navigate the website:

Review your personal information on the My Family page

- 1. Click your name to update your personal information. You can also change your password in this area.
- 2. Click here to add your spouse.
- 3. Click here to add your dependents.

2016 Health Plan Notices

* Women's Health and Cancer Rights Act of 1998

Your medical plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy – related services, including reconstruction and surgery to achieve symmetry between the breasts, prosthesis, and complications resulting from a mastectomy (including lymphedema).

Please call your plan administrator for more information. These benefits may be subject to annual deductibles, co-insurance provisions or copays that are appropriate and consistent with other benefits under your plan.

* The Genetic Information Nondiscrimination Act (GINA)

The Genetic Information Nondiscrimination Act of 2008, also referred to as GINA, is federal law that protects Americans from being treated unfairly because of differences in their DNA that may affect their health. The law prevents discrimination from health insurers and employers.

Who needs protection from genetic discrimination?

Everyone should care about the potential for genetic discrimination. Every person has dozens of DNA differences that could increase or decrease his or her chance of getting a disease such as diabetes, heart disease, cancer or Alzheimer's. It's important to remember that these DNA differences don't always mean someone will develop a disease, just that the risk to get the disease may be greater.

More and more tests are being developed to find DNA differences that affect our health. These tests (called genetic tests) will become a routine part of health care in the future. Health care providers will use information about each person's DNA to develop more individualized ways of detecting, treating and preventing disease. But unless this DNA information is protected, it could be used to discriminate against people.

Why was the law needed?

The law was needed to help ease concerns about discrimination that might keep some people from getting genetic tests that could benefit their health. The law also enables people to take part in research studies without fear that their DNA information might be used against them in health insurance or the workplace.

Important Notice from Holman Enterprises About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Holman and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. Holman has determined that the prescription drug coverage offered by BC/BS of MT is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan? If you decide to join a Medicare drug plan, your current Holman coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current Holman coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Holman and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage changes through Holman. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit <u>www.medicare.gov</u>
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at <u>www.socialsecurity.gov</u>, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or <u>www.insurekidsnow.gov</u> to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at <u>www.askebsa.dol.gov</u> or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2015. Contact your State for more information on eligibility –

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are an employee declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends and you fulfill other special enrollment requirements. (These requirements are set out in your Certificate of Coverage)

In addition, if employees have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

There is an additional enrollment period if an employee or dependent loses eligibility for Children's Health Insurance Program (CHIP), Medicaid or becomes eligible for CHIP for Medicaid premium assistance. The special enrollment allows children or their parents to have 60 days, rather than 30, to request enrollment.

Also, your health plan may not establish rules for eligibility (including continued eligibility) of an individual to enroll under the terms of the plan based on a health status-related factor.

Complete If You Are Declining Coverage For Yourself Or Any Dependent:

If you are an employee declining coverage for yourself or for any of your eligible dependents, you must complete the following information if you want to preserve your rights of Special Enrollment as explained above. If you decline coverage for yourself, the reason is:

□ I have other coverage □ Another reason

If you decline coverage for one or more eligible dependents, please give the dependent's name below and indicate the reason coverage is declined.

-	Name	□ Dependent has other coverage	□ Another reason
÷.,	Name	□ Dependent has other coverage	□ Another reason
•	Name	□ Dependent has other coverage	□ Another reason
