LIFE CYCLES

E523335 Do you know the life cycle of a frog? Sequence stage cards into chronological order in the tray, close it, flip it and reopen to reveal self-check. Each of the cycles consists of 8 cards. **Contents:** 64 plastic cards (coded to theme), wooden box (32 x 23 x 6.5 cm). Available separately: **PLASTIC TRAY (E523007)**.

5 STAGES STORY

3904421 Place 5 cards in a logical sequence and create a story. Develop logical reasoning and storytelling skills. Stimulate children to create their own stories and to learn reading. With self-check. **Contents:** 25 plastic image cards, wooden box (12 x 13 x 8 cm).

DIAGRAM DAILY RHYTHM

E523370 Create rows to show a daily life rhythm of a child. The children on the images represent different countries and different cultures. While playing, children learn about the similarities and differences of those countries and cultures. **Contents:** 36 plastic cards, wooden frame (40 x 40 cm).

Language.
play

VOCABULARY BINGO

E523360 Turn the image cards over one by one. When you see an image that is on your Bingo card, you place a counter. Who is the first player to fill a Bingo card? Stimulate visual discrimination skills and social skills. **Contents:** 12 plastic Bingo cards, 72 plastic image cards, 75 counters (28 x 17 x 5 cm).

TABLET & MOBILE PHONE

E523386 Play with your own tablet or mobile phone. Pretend to call, app, skype, or play a game. Just like real life! **Contents:** 2 wooden tablets, 2 wooden mobile phones. Tablet: 27 x 18 cm. GSM: 8 x 14 cm.

DO ZOO

3003141 Play on opposite sides of the upright board. Choose an assignment card and give verbal instructions such as: "The boy is behind the bench near the pond".
Contents: 2 cards with a map, card with a zoo, 18 assignment cards with 36 assignments, wooden stand, 50 wooden figures, wooden box with lid (39 x 27 x 3 cm).

EMOTION GAME

E523364 Recognise various emotions on the faces of others. The game features the 4 basic emotions (happy, sadness, fear, anger). Children throw the die by turns. The die has a side for each emotional face, a red side for skipped turns and green for extra turns. The first player to collect all 4 image cards with expressions wins. **Contents:** 6 game boards, 48 image cards, emotion die, wooden box (34 x 20 x 6 cm).

ME AND MY EMOTIONS

E523334 Choose an assignment strip and look carefully at the situations. What emotions do you see? Slide a matching face underneath each situation and flip the strip for self-check. Learn to recognise and understand various emotions and improve language skills. The game features the 4 basic emotions: happy, sadness, fear, anger. **Contents:** 8 assignment strips, 32 small cards with faces, wooden box (45 x 22 x 8 cm).

TALK TOGETHER

E523235 Play on opposite sides of the upright frame board. The board is illustrated the same way on both sides. Each child gets 4 magnets in 4 different colours. The children give one another verbal instructions such as, "Put the red magnet on the red butterfly". The magnets will only stick to the board when both children cooperate to do the same thing. This game fosters communication, creativity and teamwork. **Contents:** 2 plastic talking boards, printed on both sides, 16 plastic assignment cards, 8 magnets in 4 colours, wooden box (44 x 34 x 7 cm). Available separately: **FRAME E523246**

LACE TOGETHER

E523236 Play on opposite sides of the upright frame board. Pass the laces to one another through the holes in the board. Cooperate to follow assignment card images or create own designs. This game fosters communication, creativity and teamwork. **Contents:** plastic board, 16 assignment cards, 8 coloured laces in 4 colours, wooden box (44 x 34 x 7 cm). Available separately: **FRAME E523246**

STORY DICE

1251000 Roll the dice to prompt ideas for plots, characters and settings or to kickstart a storyline. Use for both written and oral storytelling. Dice feature characters, locations, situations and weather conditions. Improve language skills and logical thinking. **Contents:** 4 plastic dice (5 x 5 x 5 cm), blue plastic box with transparent lid.

BUILD TOGETHER

E523292 Play on opposite sides of the upright frame board. Cooperate and build structures in line with the images on the assignment cards or create your own designs. The children give each other verbal instructions, such as: "Put the red block on the green one". When they are done building, the children check and compare what they have created. This game fosters communication, creativity, and teamwork. **Contents:** 16 wooden blocks (2 x 8) in different colours and sizes, 2 wooden goblins, 2 wooden trees, 12 assignment cards, wooden box with lid (15.5 x 21.5 x 6.5 cm). Available separately: **DIVIDING WALL E523210**

BOLT TOGETHER

E523245 Play on opposite sides of the upright frame board. Follow an assignment card and cooperate to assemble the shapes. This game fosters communication, creativity and teamwork. **Contents:** plastic board, 12 assignment cards, 64 nuts and bolts in 4 colours, wooden box (44 x 34 x 7 cm). Available separately: **FRAME E523246**

SEARCH AND FIND - VISUAL DISCRIMINATION

E523347 Additional card set for Search and find. Children combine geometrical shapes and items, letter shapes and number shapes.
Contents: 8 plastic assignment cards (28 x 29 cm).

SEARCH AND FIND

E522981 Insert one assignment card into the game box upper shelf and try to find the related pairs by lifting the red discs. Develop hand-eye coordination, spatial insight and visual discrimination. **Contents:** 8 plastic assignment cards, 16 red wooden discs with knobs, wooden game board / storage box (30 x 30 cm).

WHAT'S MISSING

E523300 One item is missing; can you find it? Choose one of the detailed theme plates and a matching assignment strip. The assignments feature 4 items. Try to find the three items that are both on the theme plate and assignment strip. Learn to distinguish details and pick out key points. **Contents:** 4 theme plates, 24 assignment strips, 20 counters, wooden box with lid (38 x 28 x 6 cm).

ANIMAL DOKU

E523352 A challenging game based on the principle of the well-known Sudoku puzzles, as the rows and columns may have each item used only once. Children engage in analytical and creative thinking while they concentrate to fill in the entire grid. With self-check. **Contents:** 6 plastic game boards, 60 plastic picture cards, 6 plastic control cards, wooden box (27.6 x 24 x 2.8 cm).

TWINS SHAPES

E523285 Make twins based on shape. Feel, discriminate between 8 different shapes and place 2 matching shapes side by side in the wooden block. Develop perceptual skills and fine motor skills. **Contents:** wooden board, 16 wooden knobs in 2 shapes, cotton bag, (49 x 14 cm).

TWINS TEXTURES

E523314 Make twins based on texture. Feel and discriminate between 10 different textures and place 2 matching textures side by side in the wooden block. Develop perceptual skills and fine motor skills. **Contents:** wooden board, 10 wooden discs, cotton bag, (27 x 11 cm).

TACTILE MATERIAL SHAPES

324300 Feel the 3-D shape and combine with the matching contour. Use in combination with the tactile box (E522873) or the blindfolds (E523320). **Contents:** 10 geometric shapes, 10 cards with geometric contours, wooden box (19 x 16 x 3 cm).

BLINDFOLD

E523320 Colourful blindfolds that can be used for all the tactile Educo games. **Contents:** 4 blindfolds in red, blue, green and orange.

FEEL SHAPES

E523321 Ticklish tactile game where fluent shapes are key. Recognise shapes on your back, in a bag, written in the air or play a memory game. Develop gross and fine motor skills, perceptual and early writing skills. **Contents:** 12 wooden boards, 12 plastic cards, wooden pen, manual, cotton bag (30 x 20 cm).

Motor.play

TEN FRAME STAMP

1511000 Visualise numbers up to 10. Stamp, colour the circles and represent numbers and sums. **Contents:** rubber stamp with wooden handle (10 x 4 cm).

NUMBER LINE UP TO 20 PUPILS

3017252 Visualise operations up to 20. Use a whiteboard marker to write on the strip. The multifunctional number line up to 20 is an additional learning tool based on the 5- and 10-structure in mathematics. With the colour change red/white, pupils can easily find the place of the numbers 5, 10, 15 and 20.

Contents: 20 plastic strips.

COUNTING RAIL

3018218 Open the rail, arrange balls and visualise numbers and arithmetic operations. Discover the number structure up to 20 and the concept of addition and subtraction by sliding balls. By representing numbers linear, in a rail, the development of a mental number line is stimulated. Make smart use of the colour change (red/white). **Contents:** wooden counting rail with 10 red and 10 white balls.

WEIGHT BUDDY

1257001 Practise converting weights. Place the red card on top of the card with sums to hide the answers. **Contents:** 10 plastic cards, 4 red transparent plastic cards, plastic box (8 x 4.5 x 2 cm).

CONTENT BUDDY

1257002 Practise converting contents. Place the red card on top of the card with sums to hide the answers. **Contents:** 10 plastic cards, 4 red transparent plastic cards, plastic box (8 x 4.5 x 2 cm).

AREA BUDDY

1257004 Practise converting surface measurements. Place the red card on top of the card with sums to hide the answers. **Contents:** 10 plastic cards, 4 red transparent plastic cards, plastic box (8 x 4.5 x 2 cm).

LENGTH BUDDY

1257003 Practise converting lengths. Place the red card on top of the card with sums to hide the answers. **Contents:** 10 plastic cards, 4 red transparent plastic cards, plastic box (8 x 4.5 x 2 cm).

ADDITION BUDDY

1352000 Self-checking material to learn additions up to 20. One side of the card features anchor sums, whereas the other side contains mixed sums. Place the red card on top of the card with sums to hide the answers. **Contents:** 10 plastic cards, 4 red transparent plastic cards, plastic box (8 x 4.5 x 1.8 cm).

SUBTRACTION BUDDY

1353000 Self-checking material to learn subtractions up to 20. One side of the card features anchor sums, whereas the other side contains mixed sums. Place the red card on top of the card with sums to hide the answers. **Contents:** 10 plastic cards, 4 red transparent plastic cards, plastic box (8 x 4.5 x 1.8 cm).

Also available: **1354000** Multiplication buddy and **1358000** Division buddy

E310000 Demonstration clock with removable numbers from 1-12 and 13-24. **Contents:** wooden clock, wooden stand, 24 wooden numbers. (32 x 32 cm)

CLOCK HOURS AND MINUTES

E522894 Clock for individual use with hours 1-12, 13-24 and minute notation. **Contents:** plastic clock (15 x 20 cm).

CLOCK SYNCHRONOUS

E523036 Clock with synchronized hands for individual use with hours 1-12 and 13-24. **Contents:** plastic clock (11 cm Ø).

MIRROR DRAWING

3003165 Discover symmetry and improve spatial orientation. Look in the mirror to see what the figure looks like and complete the drawing on the plastic card. Clean with a damp cloth and start again. **Contents:** 6 plastic cards with 11 assignments, 2 mirrors (17 x 12 cm), wooden box (27 x 19 x 3 cm).

MORE JEGRO
CLOCKS AT
JEGRO.COM

CLOCK ANALOGUE-DIGITAL

E522906 Clock for individual use. Set the time on the analogue clock using the hours and minutes hands and turn the numbers for the corresponding digital time. **Contents:** plastic clock (23 cm width).

BASE 10 MAGNETIC 3-D

3015400 Magnetic plastic cards with 3D drawings of base 10 to practise the transfer from concrete to abstract. The cards visualise units, tens, hundreds, and thousands. **Contents:** plastic cards with 3D drawings and magnetic strips on the back, wooden box (22.5 x 21.5 x 3.5 cm).

BASE 10 MAGNETIC

3015600 Magnetic base 10 material to visualise numbers, additions and subtractions or to exchange tens and hundreds. **Contents:** 46 magnetic blank wooden blocks: 20 units, 12 tens, 12 hundreds and 1 cube of thousand.

REWARDING STAMPS EMOTICONS

1714000 Well done? Give pupils feedback or stimulate self-assessment. Can be used also for creative assignments or as a story starter as well.
Contents: 12 rubber stamps with transparent plastic grip (3 x 3 cm), red plastic box with transparent lid (19.5 x 8 x 4 cm).

DICE WIPE CLEAN

1145000 Customise the dice with whiteboard markers. Write names, numbers, letters or colours on them. The dice can be cleaned easily. **Contents:** 4 wipe-clean dice (5 x 5 cm), blue plastic box with transparent lid.

CLIPS WIPE CLEAN

1213001 Customise the clips with whiteboard markers. Write names, numbers, letters or colours on them. The clips can be cleaned easily. **Contents:** 5 wipe-clean clips (5.5 cm Ø) in plastic bag.

BEAD STAMPS
 008601 A set of rubber stamps representing the Montessori hundred square and bead bars from 1-10. An excellent supplementary method for further practice of the operations performed with the Montessori bead material. Contains 11 rubber stamps contained in a wooden box.

HOLLOW LETTER SHAPES
 005600 Learning to write includes two different kinds of movement. First of all children have to learn to reproduce the form. Secondly, they have to learn to handle the instrument of writing. These Hollow Letter Shapes are a perfect preparation to get the movements of writing carried out in a very exact manner and will be a great help for children to develop their writing skills.

TODDLER PUZZLE: SEAL

044300 This puzzle stimulates hand-eye coordination and fine motor skills of the young child. The realistic photo makes it very attractive to work with. **Contents:** wooden frame (29.5 x 21 cm), 1 lift-out shape.

TODDLER PUZZLE: 3 BEARS

044350 This puzzle stimulates hand-eye coordination and fine motor skills of the young child. The realistic images are placed in the right proportions and enable the child to learn the difference between 'big' and 'small'. **Contents:** wooden frame (29 x 24 cm), 3 lift-out shapes.

KING SPHERE AND KING CUBE MAKE PEACE

068301 In this book two geometric kingdoms make peace. It prepares the children for the classification of the geometric solids.
068302 KING SPHERE AND KING CUBE MAKE PEACE, GERMAN VERSION.

THE STORY OF THE THREE KINGS

068401 A story from Dr. Maria Montessori. After a parade of the three kingdoms, a revolution takes place and the decimal system is being created. This story prepares the child for working with the arithmetic trinomial cube.
068402 THE STORY OF THE THREE KINGS, GERMAN VERSION.

TODDLER PUZZLE: 4 ELEPHANTS

044400 This puzzle stimulates hand-eye coordination and fine motor skills of the young child. The realistic images enable the child to learn the difference between 'big' and 'small'. **Contents:** wooden frame (38 x 24 cm), 4 lift-out shapes.

TODDLER PUZZLE: 5 WILD ANIMALS

044450 This puzzle stimulates hand-eye coordination and fine motor skills of the young child. The realistic images are placed in the right proportions and enable the child to learn the difference between 'big' and 'small'. **Contents:** wooden frame (38 x 24 cm), 5 lift-out shapes.

TODDLER PUZZLE: GIRAFFE

044500 This realistic puzzle stimulates hand-eye coordination and fine motor skills of the young child. Each puzzle piece represents a part of the animal, which stimulates the child's vocabulary. **Contents:** wooden frame (41 x 21 cm), 5 lift-out shapes.

THE BINOMIAL CASTLE

068501 In this story one can read how the red and the blue king build a castle together.
068302 THE BINOMIAL CASTLE, GERMAN VERSION.

THE STORY OF KING OF PEACE

068201 The Story Of The King Of Peace is an inspiring story that explains the relationship between the Pink Tower and the Trinomial Cube. Even though the child already knows these materials from their primary years, this story will entice the elementary child to learn about the mathematical relations between these materials.
068202 THE STORY OF THE KING OF PEACE, GERMAN VERSION.

Bring investigative learning into your classrooms by taking a trip into the past. Follow the road and get lost in the legacy of our ancestors and their accomplishments. See how evolution influenced life.

Nienhuis Montessori has recently started a cooperation with ETC Montessori from the USA, a well known publisher of Montessori Curriculum Support Materials. ETC's goal is to blend the traditional Montessori ideas and concepts with new breakthrough techniques in printing and production. Today ETC Montessori is the largest publisher of Montessori curriculum serving teachers and students from early childhood through middle school. Just like the products of Nienhuis Montessori the products ETC Montessori produces are not only accurate and pedagogically appropriate but also beautiful and aesthetically pleasing to the child.

A special selection of ETC's Curriculum Support Materials, will be available soon at www.nienhuis.com.

MONTESSORI TIMELINES FROM ETC MONTESSORI®

Bring investigative learning into your classrooms by taking a trip into the past. Follow the road and get lost in the legacy of our ancestors and their accomplishments. See how evolution influenced life.

ETC's Timelines have been designed to allow easy access of information to your students while making it affordable for your school. These timelines were designed for working not just viewing. Our timelines will easily accommodate up to 3 groups of children working on multiple projects. Each timeline incorporates the various learning styles of your children without sacrificing learning objectives.

ETC® Montessori Timelines are now available worldwide through Heutink International and Heutink-USA.

BENEFITS OF USING OUR TIMELINES

- No need to ever laminate
- Printed on Stay-flat recyclable plastic material
- Will not fade
- Will not tear
- UV coated for protection
- Water Proof
- Easy to clean

STRATEGIES FOR TEACHING WITH TIMELINES

- Offer Choices
- Think Aloud
- Share the What, Why, and How
- State the Principle
- Generate Categories
- Name Casual Factors
- Consider Other Points of View
- Reframe the Problem

Special • ETC Montessori

Dr. Jef van Kuijk is an accomplished educational psychologist who has invented, developed and realized a new groundbreaking educational system used in kindergarten and nurseries throughout the Netherlands and which is becoming increasingly popular worldwide.

After graduating with a PhD from Tilburg University in the Netherlands, Dr. van Kuijk pursued his desire to create an innovative educational system called the 'Pyramid Method'. This revolutionary and holistic approach focuses on all the developmental areas of a child, which is stimulated through specially designed projects.

Since 2014 Dr. van Kuijk has extended the Pyramid range with new and improved materials to stimulate the initiative learning of children. The intrinsic theory of the original line remains, but the new modernized and innovative line offers more possibilities for initiative learning over longer periods. Plus the tasks are more challenging to ensure children have more opportunities to play and learn together, which is essential for their social-emotional development.

In May 2017 this highly sought-after Jef van Kuijk line will be launched at the Shanghai Toy Fair. After this, the range will be available for distribution all over the world.
