M18 FUEL IMPACT WRENCH

The Milwaukee M18 FIWF12 Fuel 1/2in Friction Ring Impact Wrench offers 4 modes of operation thanks to its unique Milwaukee® DRIVE CONTROL™, which allows the user to shift into four different speed and torque settings to maximise application versatility.

THE 4 MODES ARE:

Mode 1: For precision work.

Mode 2: Helps prevent damage to fasteners and material.

Mode 3: Delivers maximum performance for the toughest applications.

Mode 4: Intelligently detects when the tool has impacted on a fastener for one second automatically shutting the tool down, reducing overdriving and damaging materials.

M18 FUEL POLISHER

- Milwaukee designed and built brushless POWERSTATE™ motor to deliver the ultimate mobility in car polishing.
- REDLINK PLUS™ intelligence system delivers the most advanced digital overload protection for tool and battery and uniquely enhances the tool performance under load.
- REDLITHIUM-ION™ battery pack delivers up to 2.5x more run time, up to 20% more power, up to 2x more battery life and operates better down to -20°C than other lithium-ion technologies.
- World's first cordless polisher with 8 position variable speed selection ranging from 360 - 2200 RPM.
- Unmatched run time to polish one full size car per battery charge*.
- Constant speed electronics with soft start for smooth start up.
- Maximum polishing accessory diameter of 180 mm.
- Removable dust screen to prevent debris ingress, prolonging motor life.
- Rubber overmold gear case for increased comfort, especially when working with the tool vertically.
- Lock-on function provides more comfortable use when polishing for longer periods.
- 3 position bale handle for improved tool control.
- Line-lock-out function to prevent automatic start up after battery change.

*on moderate to good paint, light scratches.

SET ALSO INCLUDES:

- **2x 5Amp Batteries and Charger Supplied in a Tough Dynocase**
- **3x Deep Impact Wheel Nut Sockets**
