Guaranteed approval of up to £660 spread over 10, easy to manage weekly payments

INTEREST FREE

Tech Tool Club from Euro Car Parts is a fantastic scheme that allows technicians to purchase some of the best tools in the market when they want them and spread the cost across affordable weekly instalments.

Members can choose from thousands of tools designed to make the job easier, and take less time, helping them work more efficiently.

How it works:

- ▶ Visit www.techtoolclub.co.uk
- ▶ Complete the two minute application form – making sure you have your debit card at hand
- ▶ After a quick e-sign, an account is created with £660 credit available
- ▶ That's it, you're good to go!

Once the tool(s) have been invoiced, a 10% charge (1/10th) of the purchase price will be deducted from the selected debit card. (Subject to a minimum repayment instalment of £10) A further 9 equal payments will be scheduled to be deducted from your debit card on a weekly basis.

Here's a couple of examples:

- ▶ You choose to purchase an impact gun for £420 (Inc. VAT), an initial payment of £42 will be charged to your debit card, with a further 9 equal payments taken on a weekly basis.
- ▶ You choose to purchase multiple tools totalling £800 (Inc. VAT), simply pay Euro Car Parts a deposit of £140 (£800 - £660), then an initial payment of £66 will be charged to your debit card, with a further 9 equal payments to be taken on a weekly basis.

Tech Tool Club is operated by Euro Car Parts, in partnership with Payment Assist Ltd.
