CHESS CLUB

Find the greatest chess move of all times. This is a situation from the final game of the 1998 Linares Chess Tournament. Black is to move and Alexei Shirov makes what is believed to be the greatest chess move of all times. This is definitely a high difficulty situation and by analyzing it you will gain great insides of end game strategies. Few things to consider: 1 always plan to promote to queen, 2 two fronts are better than one front of attack, 3 pawns in chain are stronger than individual set ups, 4 sacrifice smart. Try to find the best move for black.

Last month's solution:

The best move for white would be Queen from D6 to H6. This is the only option where white checkmates black instantly. The rest of the options appear to take two-three moves. In Chess we aim to achieve check-mate situations, rather than just check.

THE BRICKMAN GROUP

At Frenchman's Creek late summer is a busy time for the Brickman team. We are winding down the summer projects and gearing up for the season.

Plans are being finalized for the end-of-summer mulching application which begins in September. The summer pruning is almost complete. We are encouraged by the fresh new growth that is now visible.

The shrubs that are not performing to Frenchman's Creek standards are being tallied and ordered for replacement. The goal is to be completely finished by early October. We hope that everyone is enjoying a great summer. We look forward to your return home this fall.

If you have any questions please do not hesitate to contact us at (561) 626-7466.

MEET THE REALTOR PROGRAM

Thank you for attending the recent "Meet the Realtor" cocktail reception. Your attendance made it a great success.

It is my pleasure to introduce the "Meet the Realtor" program. The program was designed with you in mind. It's an opportunity for you, the member, to meet top professionals in the Real Estate industry. While you relax in your home you can view their individual presentations.

When you are in the market to purchase a larger home or a smaller home these professionals are available to help. Careful consideration was given to your needs as a seller, buyer or Frenchman's Creek ambassador. You deserve options, without all of the wasted time and sales pressure.

If you have a friend, family member or business associate interested in learning more about Frenchman's Creek you have a group of professionals to select from.

I will produce a quarterly market analysis to keep you in the know. The Real Estate newsletter will include a section called "Meet the Realtor" where you can read about the Realtors that are participating in the program. A cocktail party will be hosted where you are able to meet them in person.

Mark your calendar for the next "Meet the Realtor" cocktails and conversation event scheduled on Thursday, November 18th from 5:30pm to 7:30pm. The function is currently scheduled in your lounge and dining room.

To view the current Realtor presentations, sit down, relax and tune to FCTV channel 999. Enjoy the show!

A Broker "Open House" is tentatively scheduled for Sunday, October 4th to showcase the current listings here at Frenchman's Creek.

I encourage you to contact me with any questions, comments or concerns at (561) 784-6505.

Pickleball Rocks... but you already knew that!

Frenchman's Creek is proud to present our newest and fastest growing sport in the country...
... PICKLEBALL!

The Pickleball craze is sweeping the nation, it is a fun game for all ages. The game is played with a paddle on a court or in the yard, it is a cross between badminton, tennis and ping-pong.

Pickleball was created with one thing in mind: FUN. It was designed to be easy to learn and play whether you are five, eighty-five or something in between.

Last year we introduced the game and it was a big hit. We have converted two additional courts to anticipate the need of a growing demand for the game.

Frenchman's Creek is the only club in the area that has 6 pickleball courts.

If you are interested in learning the game, we offer private or group lessons.

GOLF OPERATIONS UPDATE

The Golf Professional Staff is excited to begin the 2015-2016 golf season. We look forward to the return of our Frenchman's Creek members. We are eager to get the season off to a successful start. The Golf Professional Staff is lead by Frenchman's Creek PGA Director of Golf, Robert Bruno, PGA Head Professional, Rich Luchini and our Assistant Professionals. Rocco Panzitta, Luis Leon, Jeff Sullivan, Chris Horn and Todd Kitchen have worked diligently throughout the summer to make this season one of the best that we ever have had.

The north & south golf courses summer maintenance program has moved along smoothly. The grass is maturing beautifully in the fairways and rough along with the tift-eagle green complexes. The new short game practice area has also matured and is ready for you to improve your short game skills. Practice your chipping, pitching, bunker play, as well as a variety of uneven lies. We are confident that the membership will be impressed with the north & south golf courses condition upon your return. We swing into a full tournament schedule starting in October.

The Men's and Ladies Opening Days will be held the first Tuesday and Wednesday in November. Over the next few months we will be receiving new models of golf clubs from all of the leading manufacturers. The list includes Titleist, Callaway, Taylor Made, Ping, Mizuno, Cobra, Cleveland and Adams Golf. The Golf Shop also features the latest design in fashion from Chervo, Bogner, Jamie Sadock, Swing Control, Sport Haley, Peter Millar, Polo, Bugatchi, and many more. We have new lines arriving in regularly, so come in and browse your new selections.

Kevin Walker, your cart mechanic reminds you to make sure your cart is running smoothly. Please stop by for your 10-Point service and a thorough cleaning and waxing of your cart.

SUMMER UPDATE VOLUNTEER MATCH PROGRAM

Welcome back to Frenchman's Creek! We hope to see members participating in our unique Frenchman's Creek Volunteer Match Program. Watch for the first newsletter in October.

In the meantime we have received requests for volunteers from *MorseLife* to help in the delivery of Rosh Hashanah meals on September 11th. It's very easy to do. If you are interested, call Linda Sevich at (561) 687-5791.

Another request came in from the *Literacy Coalition of Palm Beach County*. If you would like to spend an hour reading to pre-school and kindergarden children and participate in the Literacy Coalition "Read for the Record", call Connie Hake at (561) 767-5374. The book is "Not Norman: A Goldfish Story". No training sessions are required.

Finally, although there are many agencies that will come and pick up your no-longer needed clothes and household items, there is one that will not. It is the *YWCA of Palm Beach County* that supports women's shelters. Volunteers are needed who are interested in organizing the collection and delivery of clothes, baby items and small household items to the main YWCA office in West Palm Beach.

Mark your Calendar for our first *Volunteer Showcase* on **Thursday, November 12th** from 10:30 a.m. to 3:30 p.m. Many agencies will be there to explain their volunteer opportunities. If you have any questions about the Volunteer Match Program or would like to pick up a brochure and Resident Interest Survey, stop by or call the POA office at (561) 627-1467.

THE US-ISRAEL RELATIONSHIP, FROM TRUMAN TO OBAMA

DENNIS ROSS AND ETHAN BRONNER

Sunday, October 18th at 7:30 p.m.

If there's one expert valued above all others for setting the record straight on Israel, it's Dennis Ross. He's been a direct participant in shaping US policy towards Israel and the Middle East for nearly 30 years. He talks with Ethan Bronner, senior editor for international news at Bloomberg, about his new book, *Doomed to Succeed*.

Hear what he has to say about those - including Eisenhower, Nixon, Bush and Obama - that distanced the US from Israel, how it never yielded any benefits, and how future administrations might best shape US policy in the light of understanding the priorities of Arab leaders.
