YOUR VOICE, OUR VISION

Welcome To Fashion Wrist Watches

We are family-owned and operated in Centereach, NY. Our number one goal is to continuously improve our product line as well as to provide our customers with the best customer service. We strive on making sure our customers have the best possible shopping experience.

Our business goals and services are simple: To respect our customers' needs and to provide great products at low prices.

Our History: Started out as making and selling our own jewelry. Mainly selling at craft shows and flea markets. As for many of us, our lives are so busy with appointments, what time to pick up the children ect..., I was always looking at my watch. Tired of looking at the same watch everyday, it was time to invest in wrist watches that would compliment my outfits and that is how Fashion Wrist Watches was formed.
