Supports South Paulding Athletics

I am honored to welcome everyone on behalf of the students, faculty, and staff of South Paulding High School. Thank you for your support of all of our students and coaches of our fall sports and band program. They make us very proud!

At South Paulding High School we are committed to providing a rigorous curriculum where students and teachers work together to prepare all students for future success through a partnership with the home and community. We value the involvement of our students outside the classroom in co-curricular and extra-curricular activities such as band, cheerleading, clubs, and athletics, as we know leaders are developed through these activities. South Paulding High School not only strives for all of our students to graduate high school on-time, with their class, but also expects that they will be college or career ready after graduation.

We want to take this opportunity to extend an invitation to parents and community members to be involved and to help us as we educate all of our students and prepare them for future success. If you ever have a question or wish to be more involved with South Paulding High School, reach out to me at krowland@paulding.k12.ga.us. We are here and excited to serve this great community.

Thank you for your support!

Sincerely,

Dr. Keith Rowland

Keith Rowland, Principal

Dr. Chris McAllister

Assistant Principal & Athletic Director

Dear Spartan Fans and Guests,

It is with great excitement and enthusiasm that I welcome all of you to South Paulding High School and to another exciting season of Spartan Football and athletics. During the 2015 – 2016 athletic season, all athletic teams put forth tremendous efforts in all competitions. The efforts by coaches and players resulted in South Paulding winning the Paulding County Superintendents Cup for the 2015 – 2016 school year.

The 2016 - 2017 athletic season will put forth many challenges as South Paulding participate in contests against all Paulding County High Schools and other schools from surrounding counties. South Paulding High School is now in Region 5 – AAAAAA. The contests that will take place in the 5 – AAAAAA Region will provide excellent and exciting competition as SPHS takes on high schools from Douglas County, Fulton County, Coweta County and Atlanta Public Schools.

At South Paulding High School, the athletic department believes in promoting quality character development in all of our student athletes. The athletic department at South Paulding High School stresses and instills in student athletes the importance of respect, responsibility, good sportsmanship, integrity and competitiveness that is necessary to succeed later in life.

Please sit back, relax and cheer on your Spartans. I ask that you encourage, display and promote good sportsmanship at this and other events at SPHS. Please cheer with enthusiasm and show the Spartan athletes how much you appreciate their time and effort this evening.

I sincerely thank all of you for coming tonight and appreciate the tremendous support we receive from our entire SPHS community. I hope that you enjoy the game and I look forward to seeing you at other events at South Paulding High School throughout the year.

Welcome to the 2016-17 football season! Friday nights in the fall are always exciting! Although academics are our #1 priority, extracurricular/athletic activities assist in building teamwork, fair play, sportsmanship, self-esteem and school morale. These activities provide our students with a well-rounded high school experience.

As parents of a student-athlete in our schools, I challenge you to:

- Realize that athletics are part of the educational experience, and the benefits of involvement go beyond the final score of a game;
- Encourage our students to perform their best, just as we would encourage them with their classwork;
- Participate in positive cheers that encourage our student-athletes; and discourage any cheers that would redirect that focus - including those that taunt and intimidate opponents, their fans and officials;
- Learn, understand, and respect the rules of the game, the officials who administer them, and their decisions;
- Respect the task our coaches face as teachers; and support them as they strive to educate our youth;
- Respect our opponents as student-athletes, and acknowledge them for striving to do their best; and
- Develop a sense of dignity and civility under all circumstances.

You can have a major influence on your child's attitude about academics and athletics. The leadership role you take will help influence your child and our community in the future.

A special thank you to our coaches, parents, boosters and community members who support our schools and programs. Without the support of everyone working together, we would not have quality facilities and programs.

I wish our teams much success this season!

Cliff Cole
Superintendent

Welcome to South Paulding High School, Home of the Spartans and the 2016-17 school year. The student/athletes at South Paulding along with the coaches, directors and boosters have worked extremely hard to prepare for their respective season and competitions, and we are very proud of them.

South Paulding High School has many wonderful sponsors who have given financial contributions and without their sponsorships SPHS would not be able to provide for their athletes in a first class manner. Please make sure you thank and patron the sponsors of SPHS and those who make it possible for South Paulding to run their athletic programs.

I do hope you enjoy the game tonight and ask that you support your team and their efforts. I also ask that you refrain from using poor sportsmanship in any manner toward the players, coaches and officials. South Paulding High School along with the Paulding County School District and Georgia High School Association request that you display good sportsmanship at all times. It is our goal to have a very positive environment where competition and effort is the focus.

Thank You for your support

HEAD FOOTBALL COACH ED KOESTER

Over the years Coach Koester has touched the lives of countless young men and women. Building successful programs in three states and having coached in four, Coach Koester has been consistent with building winning programs using the four pillars of; FAITH, TRUST, VALOR, and WORK ETHIC. Coach's life work is building winning programs by increasing numbers, improving facilities, motivating students to live wholesome lives; while teaching them how to hold each other accountable. The time honored task of building winning teams carries no specific set of rules. Each situation requires insight and innovation. Coach Koester's experiences here at South Paulding High School have been some of the highlights of a 4-decade career.

Coach Koester has coached various All-Star games with the biggest being the first American football game played behind the Iron Curtain in 1989 in Moscow and two others in Leningrad and Talin, Estonia. A year later in 1990 Coach lead 95 players to New Zealand and Australia for a series of football exhibition games and coaching clinics. He is a regular consultant to various college and high school coaches from Oklahoma to Georgia on his offensive philosophy – especially the passing game. Having spoken at numerous clinics, including the Glazier Clinics, Coach Koester enjoys the opportunity to pass along the experiences of a life spent in coaching football.

Three years ago Coach Koester took over the South Paulding High School program that had won only 29 games in its seven-year history. Over the last three years at South Paulding, Coach Koester has a record of 27-8 and has lead his team to the playoffs three times. A 10-win season in 2013 in his inaugural season is a tough mark to measure up to each year. The Spartans have shown the ability to stand toe to toe with area foes another mark of Koester coached teams. This year proves to be interesting and challenging as the Spartans replace 18 of 22 starters off last year Region Runner-up spot.

While at South Cobb Koester won 22 of his last 33 games including the 1st and only play-off victory in the 60-year history of the school. As Head Coach and Athletic Coordinator at Fort Worth Arlington Heights High School his leadership developed the Yellow-Jackets into one of the most successful and productive total programs in Texas. In 1995 every sport qualified for the state-playoffs. While at Bixby High School in Oklahoma his teams where rated in the top 10 each year and reached the state-quarter finals twice. With 162 wins as a Head Coach; Coach Koester has never taken over a winning Program, yet developed them each into winning programs. Raising numbers at Cherokee High School from 16 to 115 in three

HEAD FOOTBALL COACH ED KOESTER

years, and putting 140 kids on the field this year at South Paulding; lend credence to a career as a builder. Coach Koester and his wife, Diane, have been married for almost 42 years. Diane boasts that she has been in the stands for all but one of her husband's games. Together they have four children. Amy, a teacher in Gwinnett County, Georgia. Kyle, an attorney in Woodstock, Georgia. Kurtis, who works in the insurance industry in Alpharetta, Georgia. And Klay, who is the Offensive Coordinator at Virginia-Wise University. Both Coach Koester and his wife hold leadership positions in their church – The Church of Jesus Christ of Latter-day Saints.

Coach has never failed to give praise to assistant coaches and administrators who have aided him in serving students through athletics. He understands loyalty and that a team is larger than those on the field. Coach Koester respects the opportunity to work with young men through football and education knowing he makes his greatest contribution to society on the sideline.

BACK ROW LEFT: DON CLARK, TYLER HOLCOMB, JOSH CARMICHAEL, TIM MITCHELL, CODY NEAL, JOE SCOTT AND NATE BLASÉ

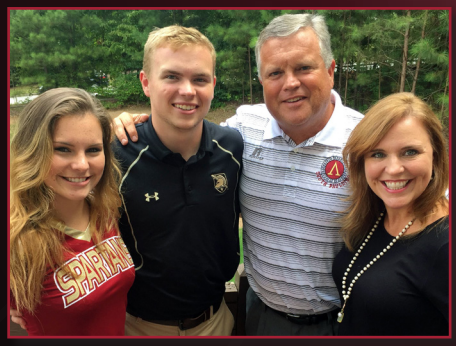
SPARTANS FOOTBALL COACHES

OFFENSIVE COORDINATOR JOSH CARMICHAEL

Coach Carmichael has been instrumental in the design and execution of the SPHS offense which has averaged close to 30 points per game over the last 3 years. He has been coaching for 11 years and the last 9 years have been at South Paulding. Josh hangs his hat on a famous John Wooden quote "Things turn out best for those who make the most of how things turn out." He and his wife Emily have 4 children Caleb 7yrs, Kenzie 5yrs, Cylas 3yrs and Samuel 3months. A graduate of Liberty University with a degree in Physical Education, Josh brings a strong work ethic and will to succeed to the classroom as he loves the opportunity to interact with young people and share his love of Christ. Coach Koester comments that "Josh has all the ingredients of a coach who will make a difference; Strong faith, devoted family, the will to build his craft, and an unbelievable ability for compassion for youth.

DEFENSIVE COORDINATOR - JOE SCOTT

Coach Scott having devoted 13 years so far to coaching with 8 being here at SPHS keeps going through a strong faith. He quotes Proverbs 3:5-6 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths" as his inspiration for his performance. Joe has assembled a defensive craft that exudes passion and persistence to the pursuit of perfection. His defenses have shown an unyielding back bone in his reflection. A Team Captain of the 2002 Georgia Southern Eagles Joe was selected All-Conference Linebacker both in 2001 and 2002; Joe brings a special intensity to game and practice. Joe's desire to make a positive impact of players, coaches and community are supported by a great football family, wife Shamela and he have 3 children, Joe 11yrs, Ben 9yrs, and Angie 6yrs. Coach Koester comments that "Joe has developed a defense that can be relied upon in all situations, more importantly Joe is a class act that builds character, and strength in the young men he leads thus building positive contributors to the SPHS community. "



SPECIAL TEAMS & SECONDARY - MIKE WAGNER

Coach Mike Wagner serves the youth of Sparta for a greater purpose. His 25 years of coaching experience are supported by his desire to bring his life experiences into value for the youth of today, thus fulfilling Gods purpose to serve one another. A member of the 1985 and '86 National Champion Georgia Southern teams has motivated him to coach with intensity and perfection of details has he moves from coaching defensive linemen to leading the rebuilding of a secondary. Coach Wagner a valued member of the Physical Ed. Department works closely with younger players in the weight room to pass along his desires of success. Coach gains support for his efforts from a great family; wife Charlotte and he have 2 children Katie a SPHS cheerleader and son Chaz a cadet at West Point. Mike has delivered the same advice to all team members "If you want something you've never had you must be willing to do something you've never done." Coach Koester comments that "Mike brings a sense of humor and a mature understanding of kids and the game that acts as a glue for our staff and players".

OFFENSIVE LINE COACH - JOSH WILLIAMS

Coach Williams is entering his 5th year as a coach, four of which have been with the Spartans. Having played at West Georgia before entering law enforcement, Coach Williams has developed offensive lineman entering the collegiate ranks each year here at SPHS. It was his experiences in law enforcement that inspired him to get into coaching and satisfy his desire to be a positive influence on young people. Coach himself is motivated by Bear Bryant's message, "It's not the will to win but the will to prepare to win that makes the difference". This holds true as Coach has shown a tireless effort to develop his craft as an offensive line coach. He and his wife Sherie have 3 sons, Cole a GSU student, Luke 14yrs and a 9th grade player, and Trent 11 years; all of which are true Spartans through and through. Coach Koester comments that, "Josh is one of the most impressive young coaches I run across. To develop the craft of coaching offensive linemen usually takes years, this Josh has done in a short time and continues to grow his craft and produce winners in his position."

SPARTANS FOOTBALL COACHES

QUARTERBACK COACH - CODY NEAL

Coach Neal has truly stepped in and been a great asset to our program by living the motto of Jerry Rice: "I will do what others won't so tomorrow I can do what others can't." Coach Neal a KSU grad has been on and around many excellent coaches as it shows in his work ethic and energy he displays working with the QB's. Having played for a short time at LaGrange College he possesses knowledge and skill experience for coaching the demanding position of QB. Having attended and played for Coach Bruce Cobliegh at Harrison High School, Cody hopes to return to his players the same life lessons and love for the game his coaches provided him. Cody Neal gains support for pursuing his passion of coaching from family and steady girlfriend Sarah Pettine. Coach Koester comments that "Cody has proven that youth can be an asset as his lack of experience is removed with his hard work, initiative and willingness to improve his players as he grows in the profession. Our program is better because of Coach Neal".

DEFENSIVE LINEMEN - NATE BLASÉ

The Spartan Defensive front will be in good hands this year as they will be tutored by Coach Blasé who is working hard to develop an area vacated by graduation in 2016. With 10 years' experience and coming from Mt Paran, with others stops in Gwinnett and Cherokee Counties his experience and go get'em approach should prove valuable this season. Nate a KSU grad will be also teaching World History at SPHS. Coach Blasé played college ball at Maranatha University on both sides of the ball as a lineman. His business approach to coaching football is a reflection of his reason to coach as he hopes to make a positive impact on today's players has his mentors did he. Nate is supported in his coaching endeavors by steady girlfriend Danielle McNally. As a history teacher it's easy to see why he quotes Teddy Roosevelt's DARE GREATLY as inspiration for self and players...the credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly... Coach Koester comments that "We are blessed to have Nate join our staff, a hard worker who has experienced the battles of the gird iron and enjoyed great successes, The Spartan defense will benefit greatly."

9TH GRADE COACH - BRANDON (TIM) QUINN

Coach Quinn is our Head 9th grade Coach and brings 9 years of experience in coaching and teaching that age group. Entering his second year here at SPHS Tim's intelligence and compassion have made the best man to deal with the complexities of 9th grade players and their adjustment to high school. Tim is supported at home by his wife Rachel and their 3 children with a fourth on the way. Addy is 5, Evan is 4, and Wyatt is 2; number four will join us sometime in the first half of the season. As the "Teacher of the Year at Loganville High School before coming here we are happy to have him teach History at SPHS. Coach Quinn hopes to pass along the life skills he attained while playing. Coach Koester says that "Our numbers of 10th graders contributing this fall on the varsity are a result of the fine work Coach Quinn does with the 9th grade."

9TH GRADE COACH - MICHAEL KOSITZKE

Coach Kositzke coming to us most recently from Wisconsin while assistant the 9th grade while also serving as the Head Spartan Wrestling Coach. A graduate of Nebraska-Kearney and Central Michigan Universities Coach has been directing football and wrestling programs for 10 years. With a masters in history Michael will also teach world geography. His wife Michele and son Liam age 4 are his biggest supporters. The enjoyment of watching young men grow and develop keeps Coach in the business, as a quote from Vince Lombardi "The measure of who we are is what we do with what we have" inspires his devotion to coaching and teaching. Coach Koester comments: "We are blessed to find a quality Wrestling coach who has a passion for coaching at this age group. We look forward as the two programs benefit from his tutorage.

SPARTANS FOOTBALL COACHES

9TH GRADE COACH - DONALD CLARK

Coach Clark a long time middle school coach moves to us this year as a 9th grade assistant and psychology teacher. A West Georgia grad in Broad Field Social Science coach Clark will be working primarily with the Offensive and Defensive lines. Don and his wife Mari have two children Callie age 15 and Elijah age 6. His ambition in coaching and teaching is to help young people become better in all they do. A high level of expectation will take the field with Coach Clark as he quotes Yoda " Do or Do not there is no try" Coach Koester ands " It is great to add Coach Clark to our 9th grade staff giving that group great experience and knowledge of the game"

9TH GRADE COACH - GREG LASALLE

Greg LaSalle's dream of becoming a high school coach gets a kick start this year as he returns to his alma mater to work with the 9th grade. Greg was an impressive student of the game while playing for Coach Koester and the Spartans. He is currently attending Chattahoochee Tech as he advances toward the crazy world of coaching. He brings a great love for the game and a desire to help young players develop. Greg quotes his father in that "The game is 5% physical and 95% mental; you must have a top dog mentality". "We are happy Greg is part of our program as he develops his craft as a coach, he will benefit from a staff of wonderful role models" says Coach Koester.

SPECIAL ASSISTANT TO DEFENSE - TIM MITCHELL

Entering his 5th season with the Spartans Coach Mitchell will take on a new role as special assistant to defense. Tim having coached for 12 years with all age groups will be busy with his Saturday's watching Dawson Mitchell last year's Defensive Player of the Year start his collegiate career at Reinhardt. The Mitchell's meaning Joy and Katie are ardent Spartan fans and have provided tremendous support for many years. This year Tim will help organize and offer an extra set of eyes to the defense. Tim has often offered to the Spartans an insight of "Hard work beats talent when talent doesn't work hard". "We are blessed to continue our program with Tim Mitchell on board, his desire to see young men grow and develop while learning lessons far beyond X's and O's is a benefit to us all" Says Coach Koester.

SPECIAL ASSISTANT TO THE HEAD COACH - KYLE KOESTER

Kyle having stood on the sidelines with his dad since age 5 is probably best equipped to handle the sharp voice of the head coach and communicate to others in a more diplomatic way. Kyle's coaching career started when trying to teach his mom the finer aspects of playing catch; this grew quickly when in high school he was apt to steel to opponent's signals and convey the next play to his team mates. Kyle holds a Juris Doctorate from Cooley Law School and runs a small law firm in Woodstock. Kyle and his wife Natalie have 3 daughters Evelyn 8, Elouise 5, and Emery 2. Calling himself the 'Get Back" coach Kyle offers advice to players in how to stay in the game and has built a strong following of CAN FANS which bring noise unsurpassed to opposing teams. His value to the team is as tremendous as his desire to serve young kids and teach them to pull for each other. He quotes Martha Graham "No one ever raised a statue to a critic" His dad says "Kyle has forever known what's best in school, play, life and family; there is great pride to have a son stand with you on Friday night".

ASSISTANT OFFENSIVE LINE COACH - TYLER HOLCOMB

Tyler is an assistant offensive line coach with great promise. Tyler is entering his second stint as a Spartan Coach having served previously as a 9th grade assistant. Tyler currently working on his undergrad degree at Kennesaw State was a offensive line stand out for the Coach Glanton coached Spartans. Tyler having played in the initial year of football at Reinhardt changed majors and schools now attending KSU. With a season as the offensive line coach at an Atlanta prep school Tyler works alongside Coach Williams developing the OL for SPHS. Coach Koester remarks: "Tyler has the insights for a young coach that will lead him into a productive role on any staff. We're excited to have him be a part of our staff."

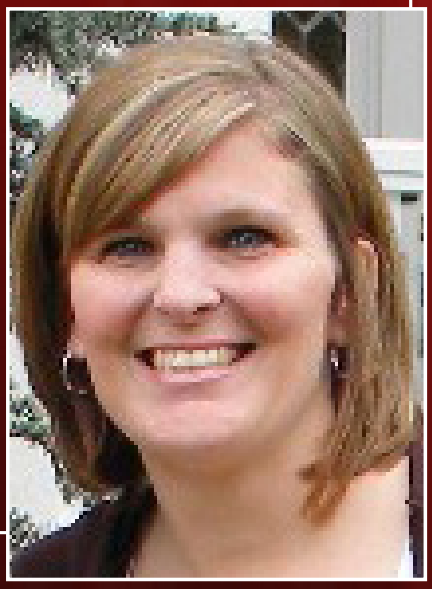
SPARTAN CHEER COACHES

VARSITY HEAD COACH ANNEMARIE EDWARDS

Coach Annemarie Edwards' is in her 17th year of teaching and second year of coaching in Paulding County. She has been at SPHS since the school opened. She teaches AP Government, AP Psychology, and American Government. Coach Edwards attended Florida State University where she earned her Bachelors and Masters degrees in International Affairs and Walden University, where she earned her Ed.S. in Teacher Leadership. Coach Edwards has been married for 21 years to her husband, Stephen Segrest and they have three children, Graham (SPHS Varsity Competition Cheer), Elijah (7th grade Junior Spartan football) and Anneliese (SSA Soccer).



JUNIOR VARSITY HEAD COACH SHANNON TOLER

Coach Toler has spent her life either cheering or coaching cheerleading! She has spent numerous years as part of the Spartan Cheer Program and worn many different hats which makes her in invaluable resource. Coach Toler is our Junior Varsity Coach! Shannon is a full time teacher in the Paulding County School District. She is the proud mom of Hannah, Haylie, Gracie (7th grade cheerleader), Brianna, and the infamous Luke! We are very excited to have Coach Toler as part of the Spartan Cheer Program!!!

HIGH SCHOOL COMPETITION COACH SHARDAE FLOURNOY

Born in Nashville, TN but a Native to Georgia, I raised in a structured but spiritual home. I have been recording customized cheer raps for the last 6 years with many of the well-known All Star cheer teams nationally and in Chile. Recently I was able to hear my recordings on ESPN; what a blast that was!
I have been coaching since I was sixteen. My love for children has been within me for as long as I can remember; perhaps it stems from coming from a large family. One of the most rewarding parts of coaching is watching an athlete's face light up after working hard on a skill then finally accomplishing that skill. Another reward is when they exit the stage after performing and come running towards me with open arms and happy hearts because they did so well, not individually but as a team. Moments like this are precious and why I love to coach.

Your Senior Year....where did the time go? The years passed too quickly! There is no doubt that you have a bright future ahead of you and we look forward to watching it unfold. Always be the strong, independent, determined, loving person you are now. God has a plan for you....depend on Him to guide you in all things.

"The Lord Bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace." Numbers 6:24-26

This will always be our prayer for you. We love you prissy! Congratulations and best wishes for a great season!

He graduated from The University of West Georgia in the spring of 2015 with a degree in Health and Physical Education. His hobbies include fishing, summer sporting events, exercising, hiking, and spending time with his friends and family. Coach Sellers has a twin brother (Brock) and a younger sister (Victoria). His grandfather, Sammy McClure, and his uncles, Reggie and Sammy McClure are the biggest influences in his life. His uncle, Lloyd Turner, spent seven years in the minors reaching AAA level, and is now the hitting coach for the Vermont Lake Monsters in the Oakland A's system.

"Sports has had a major impact on my life. Sports teaches young men and women a lot about life. It can humble you, teaches you work ethic, and also how to work well with others in a team setting. I have built many relationships through sports and I am very fortunate that Coach Oglesby has given me the opportunity to learn and be a part of her staff. I love learning and can't wait to make an impact this season! I am beyond excited to come aboard for the 2016-2017 softball season at South Paulding. Looking forward to having a great year!" GO SPARTANS!
