CAR PARTS

INTRODUCTION

Welcome to the first edition of Euro Car Parts Tool catalogue. This edition is packed with over 300 products from brands such as Gearwrench, Omega, Milwaukee and our own brand Master Pro.

Euro Car Parts are careful to maintain the core principles of value and service that saw the first branch open in 1978. From one single store in London, to a network of over 200 branches across the UK and the Republic Of Ireland. We demand strict quality assurance from our suppliers and insist that all products have been tested to the highest standards. Our Buyers and Product Managers are, quite simply, the best in the business. They search the world to deliver the best in range, value and quality for our customers. By stocking both original equipment and high quality own brands, we provide our customers with real choice: freedom to select the most suitable tools and accessory.

To maintain a consistent supply of original quality parts and tools we operate our own sourcing and shipping operations. All of the above, plus much more, is part of our commitment to ensuring our customers can service and repair the very latest vehicle systems.

Find your local branch

With a network of over 200 branches in the UK and the Republic Of Ireland, our branch network provides 92% coverage across the UK; so there is bound to be a Euro Car Parts branch near you.

BUY the tools you need **NOW**

Guaranteed approval of up to £660 spread over 10, easy to manage weekly payments

INTEREST FREE

Tech Tool Club from Euro Car Parts is a fantastic scheme that allows technicians to purchase some of the best tools in the market when they want them and spread the cost across affordable weekly instalments.

Members can choose from thousands of tools designed to make the job easier, and take less time, helping them work more efficiently; tools from leading brands such as:

ANY PART FOR ANY CAR
OVER 200 BRANCHES NATIONWIDE

How it works:

- ▶ Visit www.techtoolclub.co.uk
- ▶ Complete the two minute application form – making sure you have your debit card at hand
- ▶ After a quick e-sign, an account is created with £660 credit available
- ▶ That's it, you're good to go!

Once the tool(s) have been invoiced, a 10% charge (1/10th) of the purchase price will be deducted from the selected debit card. (Subject to a minimum repayment instalment of £10)
A further 9 equal payments will be scheduled to be deducted from your debit card on a weekly basis

Here's a couple of examples:

- ▶ You choose to purchase an impact gun for £420 (Inc. VAT), an initial payment of £42 will be charged to your debit card, with a further 9 equal payments taken on a weekly basis.
- ▶ You choose to purchase multiple tools totalling £800 (Inc. VAT), simply pay Euro Car Parts a deposit of £140 (£800 - £660), then an initial payment of £66 will be charged to your debit card, with a further 9 equal payments to be taken on a weekly basis.

Tech Tool Club is operated by Euro Car Parts, in partnership with Payment Assist Ltd.
As a responsible lender, Payment Assist Ltd complies fully with the requirements of the Financial Conduct Authority FRN 622544 and the Data Protection Act: A8041970. Any personal information supplied, beyond that required for Euro Car Parts, will not be shared with any third parties.

REAL Torque

Fastmover Air Sander

- ▶ A great performing and very robust 75mm air orbital sander.
- ▶ Comes in a plastic carry case.
- ▶ Extremely robust steel body, making it very suitable for harsh workshop environments.
- ▶ 75 & 50mm with Roll On System in Case

573 77 4110

£49.99

Air Angle Grinder RC7166

Ideal tool when user changes to air tools from electrical tools due to M14x2 spindle that allows use of standard accessories that are usually used on electrical tools.

- ▶ M14x2 spindle for 115x22 and 125x22mm (4 1/2" and 5") discs with speed governor
- ▶ Side handle (detachable)
- ▶ Short construction
- ▶ Front exhaust cools angle gear

571 77 0090

£149.99

Mini Air Right Angle Die Grinder RC7100RE

Compact and versatile tool fits confined areas due to low height of the head.

- ▶ Equipped with 6mm collet
- ▶ Height of head only 78mm
- ▶ Reduced noise
- ▶ Silencing exhaust hose system

571 77 0080

£69.99

Air Mini Die Grinder RC7011

- ▶ Comfortable, compact and versatile tool
- ▶ Equipped with 6mm collet
- ▶ Rubber insulated handle
- ▶ Rear exhaust

571 77 0070

£59.99

Air Powered Diesel Injector Extractor Kit

- ▶ Allows effective transmission of impact force and vibration to any adaptor with a 5/8" thread
- ▶ Recommended for use with the Laser Air Hammer LAS6031
- ▶ Offers an effective means of extraction of stuck diesel injectors (adaptors available separately LAS6118 – LAS6123)

Part No.	Kit Contains
LAS6092	Air Hammer Extractor
LAS6118	Diesel Injector Adaptor - Siemens
LAS6119	Diesel Injector Adaptor - Denso
LAS6120	Diesel Injector Adaptor - Siemens
LAS6121	Diesel Injector Adaptor - High Pressure M12
LAS6122	Diesel Injector Adaptor - Delphi
LAS5128	Dual Connection Adaptor - Bosch
LAS4761	Bosch Injector Dismantling Tool

Booster Packs
Jumpstarters

MasterPro Intelligent Booster Pack

- ▶ Multi-functional – jump starts vehicles, charges mobile devices and is an LED light source
- ▶ Starts all petrol and most diesel engines with a 12v system
- ▶ Will start a car with a battery voltage of just 0.06v
- ▶ ‘SMART’ jump start cables with thickened copper core
- ▶ 3 in 1 mobile device charging cables
- ▶ LED torch and SOS signal Smart hard shell carry case included
- ▶ High end and high capacity internal lithium-polymer battery
- ▶ Re-charge using mains charger only
- ▶ Excess demand fail safe cut-out to protect unit and car
- ▶ Safe and reliable technology
- ▶ Microcomputer control circuitry
- ▶ Reverse polarity protection
- ▶ Output short circuit protection
- ▶ Excessive voltage and current protection
- ▶ No electrical spiking
- ▶ Size: 138mm x 76mm x 23mm
- ▶ Weight: 300g
- ▶ Capacity 8000mA
- ▶ Fully charged in 6 hours
- ▶ Start current 390A
- ▶ Peak Current 785A
- ▶ 12 months warranty

A black and white close-up photograph of a vehicle's coil spring. The spring is tightly coiled and runs vertically through the center of the frame. The background shows parts of the suspension system, including a tire tread at the top and various metal components. A blue horizontal bar is at the top of the page, and a white rectangular box is centered over the middle of the image, containing text.

£119.00

**3 YEAR
WARRANTY**

Compac Pneumatic Coil Spring Workstation

- ▶ Enough power to compress strong springs on vehicles like Ducato, Jumper and Boxer.
- ▶ Moveable arms with universal jaws ensure a precise and vertical pressure.
- ▶ Safety locks fixate the adjustable arms before compressing.
- ▶ Very long stroke of 330mm.
- ▶ Easy to move between workstations. Ready for use in a matter of seconds.

940 77 5010

£999.00

Coil Spring Compressor 1600kg

A truly Universal pneumatically operated coil spring compressor, for McPherson Strut type Suspension Systems. Fitted with safety locking valve and safety cage, which restricts use when cage is open Suitable for spring diameters from 80mm up to 310mm and for all types of springs inc. Tapered, Banana and LH wound springs. Adjustable spring clamps can be used directly on the spring, or on top and bottom suspension mounts. (nb - triple spring clamp mechanisms are fitted for added safety)

- ▶ Suitable for spring sizes 80mm < 310mm maximum
- ▶ Fitted safety cage with safety valve – restricts use when in open position
- ▶ Suitable for both left and right hand wound springs
- ▶ Floor mounted Macpherson Strut and coil over spring compressor
- ▶ Adjustable spring clamps can be used directly on the spring or on top and bottom mounts

LAS6050

£899.00

HD Pneumatic Coil Spring Compressor Station with Additional Clamps Free

Suitable for spring sizes 80mm < 310mm maximum. Compression force of 1600Kg, provides sufficient power to cover all known standard production models (Car/Van) Fitted safety cage with safety valve – restricts use when in open position Suitable for both left and right hand wound springs and for all types of springs inc. Tapered, Banana and LH wound springs Adjustable spring clamps can be used directly on the spring or on top and bottom mounts

SYK385800SP

£1,499.00

STEERING AND SUSPENSION

MOT Suspension Inspection Tool

- ▶ This tool tests for movement and wear in suspension components such as ball joints, bearings and bushes.
- ▶ Lower the road wheel on the roller bar using a breaker bar to rock the road wheel to highlight any movement.
- ▶ Ideal for use on a 4 post MOT ramp

538 77 6061

£24.⁹⁹

Steering Rack Knuckle Tool

- ▶ Fast and easy removal and installation of the steering knuckle
- ▶ Fit over the steering shaft onto the steering rack
- ▶ Fits racks with hex drive, two flats and round ends with a diameter of 35-42mm

538 77 4040

£34.⁹⁹

Coil Spring Compressor (Wishbone Suspension)

- ▶ For wishbone, independent and multi-link suspension systems
- ▶ Restricted access: Suitable for springs where the lower wish bone access hole is 30mm or bigger (tool shaft size 29mm). Maximum load 3800kgf (37,240N)
- ▶ Suitable for use with air impact tools when using the torque limiting bar provided.
- ▶ Also complete with two forged steel pressure plates 150mm & 130mm, Manufactured from steel and Chrome Molybdenum
- ▶ Access problems mean that often a traditional coil spring compressor cannot be used on some applications. However, if access is possible from the bottom of the spring, then the dimensions of this new coil spring compressor from Laser Tools (part no: 5931) will allow fitment through lower wishbone holes as small as 30mm in diameter.
- ▶ To be used when the spring is fitted independently of the suspension damper (wishbone, independent and multi-link systems), the vehicle applications include Chrysler, Citroën, Ford, Honda, Kia, Mercedes Benz, Mitsubishi, Peugeot, Renault, Seat, Skoda, Suzuki, Toyota, Volvo, VW, BMW 3 series (1996-2013) Mercedes Benz W202/W204 (1997-2013).
- ▶ A major timesaver is the fact that the compressor is suitable for use with air impact tools when using the torque limiting bar provided in the set.

538 77 6381
