VISION

LEADERSHIP

Internationally Acclaimed

With each and every commissioned work of art, we strive to maintain and grow our reputation as an internationally acclaimed art studio and gallery.

For decades, we have successfully served the needs of interior designers, galleries, consultants and contract specifiers. Each year, our talented artists create extraordinary collections of original works of art in an array of styles and mediums. Our guiding vision is to enhance your clients' brands and properties and to beautify the environments in which they live and work.

Hand Crafted

Phoenix Art Group designs and custom mills all of our framing profiles. Each unique frame is hand finished by a team of artisans to create a sophisticated, one-of-a-kind frame that is itself a work of art. Profiles and finishes can may be interchanged to meet your project's needs. Standard framing profiles are also available for high volume, low budget projects.
