

Optima Aerosol as easy as 1, 2, 3...

1. Locate your Vehicle Paint Code

On most vehicles, locating the colour code (usually found on the VIN plate) is easy. However, on some cars it is hidden underneath the boot carpet in the spare tyre compartment. Take time to locate your colour code, it's absolutely critical.

2. Give us a call on 01268 663 000

Quote your paint code to our advisor and we will mix the perfect colour match. Our paint mixing service offers over 45,000 colours for all types of vehicle including classic cars and motorbikes.

3. Your local Euro Car Parts will deliver...

Your paint will be delivered to you by your local Euro Car Parts branch same day subject to your order being received in line with our standard conditions.

Don't forget

We also stock thousands of vehicle refinish products from some of the world's most trusted manufacturers. Our extensive coatings knowledge and stock availability makes us one of the leading refinish suppliers in Europe.
