FIGUIÈRE

FAMILLE COMBARD

The Country Vintner is proud to represent Figuière

Formerly Saint André de Figuière —the change in brand name reflects the forward thinking of the Combard family, now led by the next generation.

Figuière wines are produced to show the uniqueness of Provence, with the goal of being fine, structured, and full of minerality.

*“The schist in La Londe seduced my father,” says Magali Combard,
“schist and the sea make our style.”*
