

BEST PRICE PROMISE

WE PROMISE TO REFUND THE DIFFERENCE IF YOU FIND THE SAME PART CHEAPER

Euro Car Parts are dedicated to helping your business by offering you the best parts at unbeatable prices.

We are so confident that we won't be beaten on price that if, after buying a part from **Euro Car Parts**, you find the same part cheaper elsewhere within 24 hours, we will match that price!

In the unlikely event that you do find a part purchased from **Euro Car Parts** cheaper elsewhere here's what to do:

- 1) Check all the details. Is the part of the same quality from the same manufacturer & offered with the same payment terms and warranty?
- 2) If the parts match, send all the details to your local branch within 24 hours. Printed proof must take the form of a copy invoice or quote from the alternative supplier

We will then check the details and if the price is for a like-for-like part we will refund the difference on your next purchase.
