START YOUR OWN DISTRIBUTORSHIP.

iPROMOTEu helps experienced industry salespeople establish their own distributorship — quickly, easily and inexpensively. We provide information, resources, FREE consultation, and professional services to help you setup your new business so you can be up and running in no time.

Also, you will **EARN SUBSTANTIALLY MORE MONEY** as an iPROMOTEu affiliate than you are presently earning as a sales rep. ***Stop giving away so much of your profit and keep more for yourself — 50% more!***

"I don't understand why any salesperson would not become an iPROMOTEu Affiliate."

- ART S. (NEW JERSEY)

iPROMOTEu is not a network of salespeople and is not a network of franchisees; rather, iPROMOTEu is a network of independent business owners. Each iPROMOTEu Affiliate owns and operates its own distributorship and does so using its own company name and identity. Nearly 1,000 distributors and sales reps are already a part of the iPROMOTEu network.

BE YOUR OWN BOSS. EARN MORE MONEY.

Below are just some of the ways iPROMOTEu can benefit you and your business so you can achieve more than you ever thought possible:

ORDER FINANCING

Credit limits and cash flow issues won't stop you from bringing in new business. Financial backing from iPROMOTEu removes the limitations that prevent you from servicing and maintaining larger accounts. Make your business unstoppable.

BACK OFFICE SUPPORT

We believe the number one reason preventing distributors from making more money is the time-draining work related to invoicing, following up on orders, and getting invoices paid. Now that iPROMOTEu is handling these back office tasks, how will you spend your extra time? Selling? Playing? Sleeping? Ah, the choices.

SALES AND MARKETING

From custom email newsletters and personalized catalogs to one-on-one consulting with a professional industry expert, you can take your marketing efforts to new heights. Tilt the playing field in your favor with new marketing knowledge and the help you need to present your brand prominently and professionally. Get ready to be noticed.

TECHNOLOGY

Get connected and stay connected to your business, your customers and your peers with iPROMOTEu's websites and order management system. Expand your web presence and plug into our easy-to-use software to manage your business effectively.

PRINT AND PACKAGING

Diversify and expand your services by offering custom print and packaging solutions to your clients. Receive outstanding coaching and guidance from iPROMOTEu's print and packaging expert. By using our expansive network of print vendors, you'll reap the rewards from this practical and profitable complement to your current areas of expertise.

GRAPHIC DESIGN

Need production-ready artwork in a hurry? No problem. We offer high quality graphic design services and quick turnaround times so you won't miss your in-hands date.
