 PHOTO OF THE MONTH

Canaipa green'n'gold

The green beacon at the tip of the bank astern of "Silhouette" provided a perfect backdrop for this inquisitive kookaburra's visit; Commodore Lyle, in the spirit of propriety, has donated his 1,000 winner's points to this month's runner-up Barry Milward, who also takes out the 'Spike Milligan award' for his Goon Show-esque interpretation of the guidelines.

Commodore's report

By the time you read this August edition of eNews all financial members should have received the Notice of 2015 AGM and Nomination Form to fill positions on the board. The Constitution states that notices may be sent by post or email as options. We have decided this year to send via email and post only to members who have not supplied an email address – about 10% of the membership. This is a considerable cost saving to the Club of some \$350.

This is my last opportunity to encourage members to consider accepting a nomination and/or self-nominating for a Board position.

Nominations close Friday 11th September, 2015.

Please call me to discuss your ability to contribute a small effort and make a big difference for at least one term on the Board. The LSC Board will always require new blood to continue our forward direction.

A new Honorary Treasurer has now been appointed and we look forward to her taking up her position next month and continuing for the next term to October 2016.

The Financial Reports are almost complete and once collated will be distributed in the same manner as above.

There has been a couple of unfortunate disruptions at the Club in recent months and I would like to strongly remind all members and their guests that we are a licenced premise and as such are governed by the Office of Liquor & Gaming and government regulations.

Please obey any instructions from Board members, and from the Managers or staff in charge so as not to put their positions or the Club at risk.

A momentary lapse of good judgement is all it takes to affect your good reputation and/or the Club's. We do not need any reminders of the past: moving forward, united we stand.

On Sunday 16th August, Karen and I attended the 33rd birthday of the Southport Yacht Club's facilities at Dux on South Stradbroke Island.

Secretary Roger and Gaye, together with several other LSC members, also attended the bash (see the photos on p.9). Fantastic band, a packed venue, and just plain good fun.

Thank you to SYC for the great hospitality. Some of their members we spoke with will be heading up our way in the near future and we look forward to returning the warm welcome.

Dux managers Mark and Lyn Lopez (also LSC Members) really had the grounds looking great – with some help from the local wallabies (*aka Suzie and Wilbur*).

The 'red beacon episode' is now, hopefully, at an end.

After its relocation earlier this year, a report was forwarded to the relevant authorities which resulted in the beacon being moved again, on Tuesday 18th August. Hopefully in the right direction this time.

Don't forget to mark the dates for Trophy Night (details of the nights' events due soon) and AGM:

Trophy Night for LSC Club and Sections (Fishing / Game Fish /Sailing) on Saturday 10th October.

LSC AGM Sunday 11th October.

Fly your burgee with pride.

Lyle Watkins
Commodore

Rear-Commodore

Well, it is now less than two months until the AGM which will be held on Sunday 11th October.

Trophy night will be held on Saturday 10th October at the Club and I ask that the Fishing, Game Fishing, and Sailing sections of the club make sure that the respective trophies are suitably inscribed and ready for presentation on that night

Look forward to seeing as many of you as possible for these two events.

David Cameron
Rear-Commodore

Membership report

Members' FRIDAY NIGHT random draw now*

\$1,700
on 28th August

*After draw on 21st August.
Amount jackpots by \$50 each week if unclaimed on the night.

Results reported in monthly LSC eNews are based on draw status on deadline, usually after the 3rd Friday of the month, and may change before or following eNews publication.

Another busy month processing renewals. **However, at eNews deadline there were still 94 Full Members and 5 Seniors who have not renewed or have not advised me if they do not intend to renew at this time.**

The Membership Committee will continue to communicate with lapsed members in the hope of retaining their valued support. So far we have had very few resignations and mostly because they have sold their boats.

We extend a warm welcome to the following new full members:

Paul Gray	"Deckadance"
Graeme Campbell	"Mischief"
Michael Graham	"Tom-Kat"
Shawn Ket	"Replay"
Fraser Spencer	"Scotia"
Dave Auger	"04Fish"

Social Member upgraded to Full:

Brendon Rule	"Banyandah"
Ivan Smyth-Kirk	"DCA"

Welcome back to the following past member:

Rod Cooke "RDO"

Important Membership notice:

If you have not renewed your Membership by 31st August 2015 your membership is deemed as 'lapsed'.

In accordance with the Constitution please be advised that there is a final 30 days' grace period to 30th September, 2015 after which time your membership shall be marked as 'expired' and Club notices will no longer be sent.

Also, you would not be eligible to vote or attend the upcoming AGM. It would be a tremendous help if lapsed members who do not wish to renew could notify me so I can take the appropriate action to update your membership status as 'resigned' rather than 'lapsed or expired'.

To remain a valued member and stay on our mailing list, please use the renewal form on p.16 in this eNews, or email me to receive a PDF form which you can complete online.

Remember, your 30/06/2015 dated card is not valid after 30 June. You will not receive your Member's discount at the bar, nor accrue or redeem loyalty points on your purchases from 1st July until your renewal is received, processed and new card issued.

A great response received for this month's cover photo competition, with the eclectic spread of contributions adopting a range of interpretations of the guidelines, from the very literal to the rather alternative.

Your eNews editor was quite taken with Barry Milward's work (main picture here).

Optimistically titled "3 hours north of the fairway buoy" – and nary a navigation mark in sight save for the name of the image file – the pic was this month's front-runner ... until the Commodore's kookaburra landed and took out the bonus 'cute wildlife commendation'.

Barry is delighted to accept Lyle's 1,000 winner's points as well as the 'Spike Milligan award' for most creative interpretation of a brief.

An 'Honourable Mention' to Krystle Davy for putting her feet up (left) with one of the Lazaret reds in the distance.

INTER-CLUB BAY CRUISE : 19-26 September

The Interclub Bay Cruise promises to be a sensational week of fun, sun and friendship – and 2015 marks the 40th cruise of this Bay-wide event!

Anton Prange, Vice-Commordore of the Interclub Bay Cruise Committee 2015 reports:

"We are having a great response to the event. So far we've got Rummin Bear, Migaloo and RDO onboard from Little Ship Club but I'm sure there will be plenty more to follow."

The Interclub Bay Cruise committee warmly welcomes all Little Ship Club members to join us for the cruise and show your club colours with pride.

Deadline for registration is Friday 4th September.

Bistro news

With the warmer months coming, we are updating our menu, so come ashore – or drop in – and try our new additions: T-bone steaks, Chicken Parmigiana, chicken wraps, chicken honey-and-soy skewers, pasta dishes and the always-popular pie with chips and gravy.

We are also compiling a gluten-free menu and a new Kids' Menu.

Pontoon bookings

Please make pontoon and mooring bookings by phone, not email, between 10am and 5pm daily. Call ahead on 3409 9022 to arrange your booking with Bob or myself or one of the friendly staff. *(A reminder that boat rubbish needs to be placed in the industrial bin at the side of the club beside VMR, not in the bins in our grounds!)*

Members' cards

Please note that Members' cards are for the exclusive use of the financial Member whose name is on the card and cannot be used by the Member's family or guests.

Friday night Members' random draw

Drawn every Friday night after the raffles are drawn. If not claimed increases by \$50 each week until claimed and then restarts at \$500 again. You must be at the club on the night and a current financial Member.

On Friday 21st August, Member # 3713 (Peter Jamieson) was not present, so the jackpot now stands at \$1,700 for the draw on Friday 28th.

Dux's happy birthday!

Southport Yacht Club welcomed LSC Members to the 33rd birthday of the Dux facility on Sunday 16th August. (It was more like a family reunion as LSC Members Mark and Lyn Lopez have been on-site managers at Dux since September 2014!) The LSC was represented by Commodore Lyle Watkins, Secretary Roger McDowall, Directors Karen Davy and Gaye Morcombe and several LSC member vessels.

Whilst the weather was a little showery to begin, it soon cleared up and when the band started the party really got going. Ferry transfer from Main Beach brought about 250 partygoers to join the crews of around 60 boats anchored out front.

Some of the SYC members dressed up in the spirit of the day's celebrations. The Annual Dux Tug-o-War was held, with the Sail group beating the Power group to win the coveted Dux Award.

SYC Commodore Phil Short welcomed attendees and everyone enjoyed birthday cake and a glass of bubbles to celebrate. A great day, great music and great company. Thank-you to everyone at SYC!

Have you done something out of the ordinary, or had a special encounter on Moreton Bay? Share with fellow Members a couple of hundred well-chosen words and some interesting photos – send an email to: enews@littleshipclub.com.au

Update on the LSC website

Work is well underway in the background, and the first draft of the new-look site and proposed home page is scheduled to be presented to the Board at the next meeting in September. Among the site's new features will be an enhanced events calendar and easier access for functions enquiries and bookings. As well, eNews advertisers will also be able to 'cross-platform' with the planned new online Member Services Directory.

What features and information do you, our Members, believe the new website should include? Do we also, for example, reinstate the 'Boat Log' list of vessel names and Member's first and last names?

Please call or email Karen Davy or Matthew Tesch (details on pp.2 and 4 of this edition) by 31st August.

Membership Handbook – help needed

We would like to produce a Membership Handbook to provide prospective and new Members important information about the benefits of becoming an LSC Member and the provision and use of our Club and boating facilities. I would like to ask any interested Members for their thoughts about and assistance in the creation of this handbook. All help greatly appreciated.

Karen Davy

The Bay turned on an absolute pearler of a day for the visit by our new website developer at the end of July and the Club was at its very best – from the immaculate grounds to the warm welcome at the bar and bistro – congratulations to all concerned for all the hard work 'behind the scenes' which makes the visitor experience so pleasant. We truly are blessed with our beautiful little corner of the Bay.

Lots of activity ramping up, with Spring in the air and the Interclub Bay Cruise (September) and our AGM (October) just around the corner, with a number of events planned for October/November.

Deadlines for the September edition are Friday 16th (advertising review and bookings – to Karen) and Friday 23rd (photos, reports, stories and news – to me, please). My work commitments will be pressing tight in the next six weeks, so there may be some variation in the timing and content of the release of the September eNews.

Please continue to get in touch with your ideas, stories, news and contributions – email me at enews@littleshipclub.com.au

Cheers until next month, then.

IMPORTANT INFORMATION

20th August, 2015

Warning - Unauthorised Battery replacements on EPIRBs

Periodic battery replacement is essential to maintaining the compliance of EPIRBs and PLBs beacons with applicable ANZ standards. These standards are produced in order to maximise the likelihood of the beacon functioning correctly in the adverse environments in which distress and emergencies generally arise.

Only the manufacturer or its authorised service centre has the necessary equipment, access to the factory approved parts and technical information to carry out battery replacement or repairs and then confirm that the beacon continues to meet the relevant standard.

Serious risks arise if batteries are replaced or repairs to beacons are undertaken by someone other than the manufacturer (or its authorised service centres).

In recent weeks it has come to our attention that a number of non-certified beacon service centres are offering a low cost EPIRB and PLB battery replacement service.

Whilst such offers and operations are not technically breaking the law in replacing beacon batteries, they are certainly exposing themselves for liability particularly if the beacon owner is unaware they are non-compliant and the beacon may not function correctly in an emergency.

Australian/New Zealand standard 4280.1 (EPIRB) and 4280.2 (PLB) mandate that beacons must be returned to the manufacturer or a manufacturer's approved service centre when repairs or battery replacement are required. This standard document is available from www.standards.org.au

Furthermore, if a beacon is required to meet carriage requirements under CASA or Maritime regulations the standard requires the beacon must be compliant with AS/NZ 4280.1 for EPIRBs or 4280.2 for PLBs. ***Consequently if the beacon battery was replaced or serviced by a non-certified service centre then the beacon is non-compliant for mandatory carriage requirements in Australia.***

The Australian Maritime Safety Authority (AMSA) has provided further clarification and guidance on beacon maintenance. <http://beacons.amsa.gov.au/maintenance/>

Should there be any doubt regarding the status of companies offering battery service on GME EPIRBs, please contact us directly on 1300 462 462 or by email at servadmin@gme.net.au

LITTLE SHIP CLUB PONTOON USE RULES

Access to a Pontoon is subject to the rules put in place by the Board of the Little Ship Club (Club) at the time, seeking to maximise the use of the pontoon to meet the objects of the Club. Access to the Club pontoons is not a Constitutional right of any Visitor, or visiting Member and is at the discretion of the Board (or Delegate) of the Club.

If requested by the Manager the Visitor must sign a formal agreement to access the pontoon.

A booking must be made with the Manager to use the pontoon and confirmed 24 hours prior to arrival. Failure to confirm will result in automatic cancellation. Casual and overnight berthing are available; both forms of use are subject to the following rules:

- Advance bookings are for one night only (additional nights are at the discretion of the Manager).
- After berthing, in all circumstances, visitors must report arrival to the club's Manager.
- If leaving the premises the Visitor must inform management and accept the **Acknowledgement**** at right.
- Complimentary use of the pontoon is STRICTLY for current Full financial visiting Members of the Club.
- A **Mooring Fee*** will apply to all non-Member visitors. Any fees are to be paid in advance or upon arrival and are non-refundable.
- Vessels must have insurance (Third Party minimum) and provide a copy of the currency certificate to the Manager.
- Visitors using the pontoon must be prepared to raft with other vessels.
- Visitor Members must display an LSC burgee while in occupancy of the pontoons at all times.
- Visitors using the pontoon do so at their own risk.
- Mooring of the Visitor vessel must maximise access for other vessels.
- Other users of the pontoon are to be treated with courtesy and respect.
- Children will be supervised at all times and no animals are permitted on the pontoon or grounds.
- Visitors will sign in as required under Licensing Law.
- Noise is to be kept to a minimum.
- No alcohol is to be brought onto Club premises.
- Tenders are to be tied on the landside of the pontoon (maximum one per Visitor vessel).
- Water to be used for domestic purposes only.
- No major vessel repairs may be undertaken on the pontoon.
- The pontoon purpose is for the Visitors to use the Club, not as a marina for boat storage/provisioning.

Breaches of the rules may lead to withdrawal of a Visitor/ Visitor Member's pontoon access rights.

*Pontoon Mooring Fees per part day / day

Large pontoon	Side pontoon
\$50 for <10m LOA	\$25 for all vessels
\$75 for 10-15m LOA	
\$100 for >15m LOA	

These fees are applied at the discretion of the Manager; being Duly Delegated by the Board.

**Acknowledgement by the Visitor

At the direction of the Manager (or an authorised representative), the Visitor in charge of the vessel must be prepared to:

- Position and/or reposition the vessel, or allow management to position and/or reposition the vessel at any point along the pontoon.
- Depart the pontoon prior to 1000 hrs on the day following arrival.
- Allow smaller vessels to 'raft up' to the vessel, provided they have adequate fenders/lines, or raft up larger vessels at times of high demand.
- Limit power usage at times of high load.
- Depart or relocate the vessel in the event of storm or adverse weather conditions.

The Manager of the Club is delegated the authority to enforce these rules and rules may be amended at the absolute discretion of the Board and Management of the Club from time to time.

GUIDELINES FOR FULL MEMBERS' USE OF LITTLE SHIP CLUB SWING MOORINGS

1. Use of moorings is STRICTLY for current Full financial Members of the LSC.
2. Members using the moorings must display the club's burgee.
3. Bookings of moorings are required and vessels that have booked must be on the mooring by 1300 hrs on the day of the booking.
4. Failure to tie up by that time means that the mooring is vacant and then it is on a first come first served basis. In other words it is declared vacant after 1300 hrs. However after tying up, in all circumstances Members must report their presence to the club's Manager.
5. Members arriving before 1300 hrs and seeing a vacant mooring need to check with the Manager to ascertain if it is free.
6. Bookings can be made for a maximum of 2 nights and must be confirmed by contacting the Manager 24 hours before the date required. Failure to confirm the booking means that the booking is cancelled and the mooring is open for use by other members.
7. Members using the mooring must vacate by 1200 hrs unless booked for use on that day.
