

Welcome to **Essentials** 2017

Congratulations, you've just picked up the 2017 edition of Essentials, which showcases the ever-growing Euro Car Parts consumables range. With 84 pages packed full of great products and information, covering 31 different categories, this handy, pocket sized booklet is our biggest consumables catalogue ever.

Essentials is now probably the most comprehensive consumables catalogue in the aftermarket – a truly one-stop source for all the workshop consumables we offer. Whatever you need, we've got it covered.

More brands, more products

As you browse the pages you'll find more products from more of the industry's leading brands than ever before.

Inside is a huge selection of products from the German chemicals powerhouse, Normfest, including the new PROTECT range. PROTECT labels contain new text and pictograms, which allow users to recognise environmentally friendly and health conscious products. As you'd expect from such a respected brand, all new Normfest PROTECT products continue to offer outstanding performance and meet their usual high quality standards.

The iconic American brand Wynn's also appears throughout the catalogue with ranges of high quality additives, sealants and valeting products. Wynn's is a global leader in additive technology with manufacturing in the USA, Belgium, India and South Africa.

We've added more Triple QX products throughout the catalogue as the range continues to grow, in response to the tremendous demand we receive for these great quality products at very competitive prices. Triple QX is exclusive to Euro Car Parts and we're proud to be associated with such a tremendous brand.

The old favourites, including Brembo and Pagid brake cleaners, Swarfega, WD-40, Pearl Automotive, Abracs and Loctite remain. And this year, for the first time, we've added a huge range of Schrader tyre consumables and Autoport assortment boxes, as we look to cover everything you need to ensure your workshop runs smoothly.

Alongside our huge range of hand cleaners and gloves, we've added a Hygiene and Safety section, including everything from workshop blue rolls and cleaning materials to safety boots and protective eye wear. And, because accidents do happen, there's also a great range of First Aid kits to choose from.

All these products have been hand selected – they're in stock, ready and waiting. But even with 84 pages we can't include everything we have available, so if you can't find what you're looking for, or you need to check our latest pricing, please ring your local branch.

Normfest Protect Range

Normfest Oxim Protect Rust Remover

400ml

- H&S friendly rust penetrating spray
- Suitable for freeing rusted screwed connections as well as lubricating, e.g. cable pulls, hatches and hinges
- It has excellent lubricating properties. Eliminates water and is therefore also ideal for electric contacts in vehicles with moisture-related ignition problems
- Protects against corrosion

NOR28944 441

Normfest Multi Protect Maintenance Spray

400ml

- Reduces wear and prevents seizure at both high pressure and high temperatures
- Good oxidation
- Excellent shear stability
- Resistant against salt and hot-water
- Outstanding anti-corrosion properties
- Temperature resistance from -30°C to $+150^{\circ}\text{C}$

NOR2894 445 6

Normfest Stries Glass Cleaner

500ml

- Excellent cleaning properties
- Does not leave streaks or marks
- Silicone-free, ammonia-free
- Ideal for polycarbonate glass and plastic surfaces

Normfest Viro One Shot Plus A/C system disinfectant 100ml

- Provides quick and easy disinfection of A/C systems
- Eliminates dead micro-organisms
- Prevents allergic reactions
- Scented

NOR2897 300 100

Normfest RadSeal Radiator Sealer

150ml

- Seals hairline cracks and small leaks permanently and reliably
- Safe for the water pump and heating circuit
- Suitable for aluminium core radiators
- Also suitable as a preventative measure
- 150ml is sufficient to treat up to 10 litres of coolant

NOR2897 372

Normfest RadClean Radiator Flush

300ml

- Cleans cooling systems
- Neutralises lime and oily residues
- Safe for all radiators
- Acid and alkali free
- 300ml is sufficient to treat up to 10 litres of coolant
- Does not attack radiator minerals

NOR2897 373

Wynn's Professional Cooling System Flush

325ml

- Powerful acid free radiator cleaner
- Removes scale, rust, deposits and oily residues
- Excellent performance in all coolants including OAT
- Restores optimal operation of the cooling/heating system

555 77 0200

Wynn's Extreme Cooling System Degreaser

325ml

- Removes oil and sludge in the cooling system
- Restores the optimal operation of the cooling system
- Excellent performance in all types of cooling liquid, including OAT coolant
- Safe for rubber hoses, seals and all metals in the cooling system

555 77 0770

K-Seal Cooling System Repair

236ml

- Seals holes and cracks in the head gasket and radiator
- Can also permanently seal most cracks in the engine block and head
- Guaranteed to last the life of the engine
- Can be used in both petrol and diesel cars

542 77 0100

K-Seal Ultimate Head Gasket Repair

472ml

- Fixes blown head gaskets, cracked heads and blocks
- Repairs porous blocks
- Mixes with all types of antifreeze and coolant
- Can be also used with plain water

542 77 1800

Cataclean Petrol & Diesel

450ml

- Cleans the catalytic converter, the upper cylinder, valve heads and stems, improving compression and reducing sticking
- Gives a significantly better performance in both catalytic and non-catalytic engines

542 77 0410

Cataclean DPF Cleaner

450ml

- Reduces diesel particulate build-up actively helping the DPF to regenerate
- Cleans the catalytic converter and reduces emissions by up to 60%
- Improve engine performance and fuel efficiency
- Reduce harmful carbon build-up on oxygen sensors
- Safe for all petrol, diesel, hybrid cars and vans

542 77 1700

Magic Bullet Emission Buster

500ml

- Designed to be ECO friendly in both petrol and diesel engines
- Helps pass emission tests
- Reduces emissions by up to 25%
- Reduces greenhouse gases associated with driving by up to 25%
- Cold pour to -34°C

550 99 3190

Magic Bullet Taxi Mate

500ml

- Designed to help with cooler and smoother engines for "start-stop" short trips
- Will help gain up to 8% more MPG
- Reduces moisture content in fuel
- Cleans and protects the engine from the inside out
- For diesel and petrol vehicles
- Cold pour to -34°C

550 99 3200

Magic Bullet Top Cat Catalytic Converter Cleaner

500ml

- Cleans EGR valves
- Burns away Carbon deposits
- Regenerates DPF and injection systems
- Attacks carbon on O2 sensors and injectors

555 77 0150

Wynn's Petrol EGR 3 Aerosol 200ml

- Instantly cleans the air-intake manifold, inlet valves and EGR valves
- Dissolves gum, lacquer and deposits
- Restores and maintains engine performance
- Cleans the 'dry side' of the fuel system

555 77 0160

Wynn's Petrol Power 3 350ml

- Cleans and protects injectors, inlet valves and EGR system
- Reduces internal friction between engine parts maximising fuel economy
- Protects engines against E10 bio fuel
- Improves combustion and engine performance

555 77 0140

Normfest MotClean Oil System Cleaner

500ml

- Engine flush
- Excellent cleaning properties
- Works during subsequent oil changes
- Safe for seals and other engine materials

IMPORTANT: The oil and oil filter **MUST** be changed after use

NOTE: Not suitable for motorcycles and wet clutch systems

NOR2897 375

Normfest MotSeal Engine Sealer

300ml

- Replenishes seals and stops oil leaks
- Counteracts the viscosity loss of motor oils
- Reduces oil consumption
- Prevents exhaust bluing
- Should be applied after each and every oil change

NOTE: Not suitable for use in motorcycles and with wet clutch systems

NOR2897 374

Wynn's Engine Stop Leak

325ml

- Stops and prevents oil leaks
- Revitalises rubber and neoprene seals, and 'o' rings
- Excellent for valve stem oil seals
- Lubricates and maintains engine seals

555 77 0400

Wynn's Engine Flush

425ml

- Cleans engine internally
- Removes harmful deposits
- Frees sticking components
- Prevents contamination of the new oil

555 77 0420

Wynn's Automatic Transmission Treatment

325ml

- Cleans and protects the system by means of detergents and dispersants
- Smoothens and quiets gear changes
- Prevents ageing and oxidation of automatic transmission and power steering fluids
- Prolongs the lifetime of the components

555 77 0520

Wynn's HPLS Gear Oil Treatment (With Stop Leak in Blister)

125ml

- Improve gear shifting, lower gearbox noise and stop oil leaks
- Can be used in manual gearboxes, steering gears, transaxles and differentials (including limited slip differentials)
- Not to be used on automatic gearboxes

555 77 0500

Normfest DPF 100 Diesel-Particulate Filter Cleaner 400ml

- On-car DPF cleaner
- Removes carbon deposits
- Non flammable
- Cleans without disassembling the particulate filter
- Restores DPF to full working capacity

IMPORTANT: Only suitable for use in diesel engines

NOTE: Not suitable for blocked DPF's

NOR2897 380

Wynn's Diesel Particulate Filter Regenerator 500ml

- In-tank DPF cleaner
- Effectively cleans and regenerates blocked soot filters without dismantling
- Reduces the combustion temperature of soot
- Aids DPF regeneration under normal driving conditions
- Especially recommended for 'short journey' drivers

555 77 0120

Wynn's Off-car DPF Cleaner - Professional 5Ltr

- Professional DPF flushing liquid/wash cleaner
- Removes soot deposition and residues from the vehicle diesel particulate filter
- Can be perfectly used on all aluminium, magnesium, zinc and cadmium parts
- Can be used with all the latest generation of particle filters

555 77 0840

Triple QX DPF Power Clean High Performance Cleaner 375ml

- In-tank DPF cleaner
- Permanent and complete filter cleaning during driving
- No assembling or disassembling and no standing time
- Reduces ignition temperature of the soot collected in the diesel particulate filter
- No formation of secondary emissions
- Complete regeneration, no residue in the entire filter

542 77 1020

Normfest CT 60 Diesel Additive

300ml

- Excellent cleaning and lubricating properties
- Suitable for all diesel fuels and diesel engine types
- Improves combustion
- 300ml is sufficient to treat up to 70 litres of fuel

Wynn's Diesel Clean 3

500ml

- A powerful one tank clean up for diesel engines
- Cleans injectors and keeps EGR valve and turbo clean
- Restores combustion and engine performance
- For all diesel engines including high pressure common rail and pump injector

555 77 0090

Wynn's Diesel Power 3

500ml

- Extreme emission reducer
- Improves combustion, engine performance and fuel economy
- Cerium technology cleans and reduces soot build up
- Cleans and protects the fuel system and injectors

555 77 0230

Wynn's Diesel Clean-Up (Add to fuel filter)

325ml

- A concentrated direct application smoke and emission reducer
- Reduces black smoke, soot and exhaust emissions
- Restores injector spray patterns and decarbonises the combustion chamber
- Add to fuel filter

555 77 0110

Wynn's Diesel Fuel System Cleaner

325ml

- A concentrated treatment to clean and maintain the performance of the fuel system
- Cleans, lubricates and protects the fuel pump and injectors
- Restores injector spray patterns and improves combustion
- Reduces black smoke

555 77 0210

Wynn's Fuel Biocide

250ml

- Kills bacteria, algae and fungi
- Prevents microbial re-growth
- Does not affect the fuel quality, is completely combustible
- Prevents filter plugging by organisms
- For diesel and petrol engines
- To prevent microbial contamination in all reservoirs, supply lines and filter
- One bottle of 250 ml treats 250 litres of fuel

555 77 0070

Powermaxed Diesel Turbo Cleaning Kit

- Very fast and efficient turbo cleaning
- Easy to apply turbo cleaner without difficult disassembly
- Improves the power and consumption of the motor
- Can clear limp home mode
