AMERICAN PHAROAH

Champion 2YO &
Triple Crown winner

First and foremost, I must thank all our clients and friends for their continued support of the farm and our stallions over the last 12 months. Your success on the track and in the sales ring is something that gives us great satisfaction.

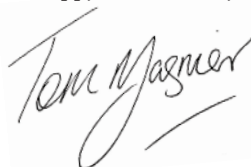

In 2017 we have the honour of introducing two of the finest stallion prospects to ever travel 'down under'. American Pharoah, a Champion two-year-old and the first Triple Crown winner in 37 years, will go down in history as one of the best racehorses of all-time. We are also thrilled to offer European Champion two-year-old Air Force Blue to breeders here. His standing as the highest-rated two-year-old from the Danzig sire line has us very excited about his future as a sire.

Only a year ago we were incredibly proud to welcome two Coolmore Australia graduates to our stallion roster. Both Vancouver and Pride Of Dubai covered outstanding first books and were supported by many of Australia's best breeders. Other graduates of the farm have continued on their winning ways, highlighted by the great Winx and her 17 straight victories.

Fastnet Rock has enjoyed tremendous success with his two-year-olds this season, well and truly cementing himself as one of the most influential sires in recent history, his daughter Catchy becoming his 4th Group 1-winning juvenile since the start of 2016 in the Blue Diamond Stakes.

As I write, Pierro and So You Think are Australia's leading first and second season sires respectively, and look likely to be extremely significant sires of the future. In March So You Think's son Inference became the 48th Group 1-winning graduate of Coolmore Australia since 1996 when winning the Randwick Guineas.

Finally, I would like to encourage you to contact one of our team to organise a visit to Coolmore. We would be only too happy to welcome you!

Horses that make history since the 1820's

The land now farmed by Coolmore Australia at Jerrys Plains, New South Wales, has a long association with horses going back to the 1820's when its owner George Bowman had a sire called Pegasus. In the 1890's the Ellis family stood a top Clydesdale stallion by the name of Gallant Scotchman.

Then in the early part of the twentieth century the Moses brothers, William and Frederick, stood or bred the outstanding thoroughbreds St Alwyne, Valais, Nightwatch, Poitrel, Heroic, Manfred and Valicare.

More recently, there have been 48 Gr.1-winning graduates of Coolmore Australia since 1996 including champion sprinter and champion sire Fastnet Rock, current superstar Winx and the brilliant juveniles Pride of Dubai and Vancouver.

GR.1 WINNERS RAISED/SOLD BY COOLMORE AUSTRALIA IN THE LAST FEW SEASONS INCLUDE:

Horse	Breeder
PRIDE OF DUBAI	Sheikh Mohammed Bin Khalifa Al Maktoum
VANCOUVER	John & Deb Camilleri
WINX	John & Deb Camilleri
INFERENCE	Lindsay Maxsted and partners
HEROIC VALOUR	Katom and Co.
RANGIPO	John & Margaret Thompson
MAGICOOL	Hutchins Thoroughbreds
MAC DE LAGO	Mr Gareth Downey
JAPONISME	The Ingham Family
CATCHY	Mrs Joy Jenkins & Sam Jenkins
AWESOME ROCK	Alan & Sue Olive

HEROIC, one of the best racehorses of the 1920's and a champion sire for seven consecutive seasons

POITREL, his numerous big race wins included the 1920 Melbourne Cup carrying 63.5kg!

1925 Cox Plate winner **MANFRED**, his other victories included the Australian Derby, Champagne Stakes, Victoria Derby and Caulfield Cup

Group winner
DAWN WALL (Fastnet Rock)

Group 1 Randwick Guineas winner
INFERENCE (So You Think)

Group winning and Group 1 placed 2yo
TULIP (Pierro)

Superstar **WINX** (Gr.1x12) as a yearling

Gr.1 winning 2yo
CATCHY (Fastnet Rock)

It all starts from *here*

Great horses start with good land. And at Coolmore Australia we take great care of both.

Every horse - all the way through the foaling, rearing, weaning and breaking in processes - is treated as if it could be the next champion.

It's a system that has resulted in **23** individual Group winners since the start of 2016 namely **Winx, Catchy, Inference, Awesome Rock, Mac De Lago, Heroic Valour, Japonisme, Rangipo, Tulip, Dawn Wall, Formality, Supreme Profit, Omei Sword, Man From Uncle, Enaad, Ektifaa, Mongolian Falcon, Miss Rose De Lago, Comin' Through, Badawiya, Stampede, Ilitshe** and **Rageese**.

Aim for *exceptional*

Danehill and **Encosta de Lago** set the standard by becoming multiple champion sires.

Since then **Fastnet Rock** has taken over and done likewise.

Choisir, his son **Starspangledbanner** and **So You Think** are all proven Group 1 sires and **Pierro** is a very exciting young proposition.

Adelaide, **No Nay Never**, **Pride of Dubai**, **Rubick** and **Vancouver** all displayed the necessary brilliance on the track to suggest they can reach the top too.

Air Force Blue and **American Pharoah** have the ratings and the records to go down in the books as all-time great racehorses.

And here's the thing. You don't just find exceptional stallions at Coolmore Australia. You'll find exceptional value too.

But he made light of the disadvantage and did it the hard way, coming widest of all around the turn, circling the field and charging to the line.”

Scat Daddy was a Gr.1-winning 2YO who became one of the world's best sires of 2YO's.

No Nay Never was a faster 2YO than his sire and is the fastest 2YO Royal Ascot has ever seen.

He's therefore extremely likely to sire very fast 2YO's. Especially when you consider that he's a 2YO Gr.1 winner, just like the first 5 stallions in his sire line.

Don't say we never told you!

The Coolmore Tradition

The Coolmore stallion tradition began in the 1850's when Thomas Magnier started offering breeders along the Blackwater Valley in Co Cork, Ireland, a stallion called Edlington. And what he started is still being carried on today by his great-great grandson Tom in the Hunter Valley. It's a tradition of standing stallions of the highest quality and at the same time offering breeders real value.

Coolmore Australia is located on almost 9,000 acres, including 5,000 of irrigated river flats and undulating paddocks in the heart of the wonderful Hunter Valley. It's land that has been standing champion sires and producing champion racehorses for over a century, is equipped with state-of-the-art facilities and managed by a professional staff with decades of knowledge of thoroughbred breeding from all around the world.

FASTNET ROCK (TOP) and **ENCOSTA DE LAGO** (MIDDLE), both multiple champion sires in Australia, have each sired over 110 individual Stakes winners while the remarkable **DANEHILL** (BOTTOM) was champion sire in Australia 9 times

Shine On

In the late 1970's, it was only an idea.

Fast forward. The majority of the leading sires in 2016-2017 are descended from Coolmore shuttle stallions. And you can see their influence across the board, from sires to sires of sires and broodmare sires.

The idea became a reality and it continues to shine, on everyone.

Coolmore Stud is acknowledged to be the world's pre-eminent thoroughbred racehorse breeding operation. It is situated in the heart of the Golden Vale on some of Ireland's finest limestone land.

John Magnier in conjunction with his father-in-law, the outstanding trainer Vincent O'Brien, and Robert Sangster purchased the then 350 acre farm from Battle of Britain flying ace Tim Vigors with the objective of creating a world-class stallion operation.

One of the first stallions to stand at Coolmore was **Be My Guest** who became champion sire in 1982. **Caerleon** then led the table in 1988 and again in 1991.

Sadler's Wells took his first sire's title in 1990 before becoming Europe's greatest ever sire. In 2004 he was champion sire for the 14th time, smashing Highflyer's record which was set way back in 1798. **Danehill**, the only multiple champion sire in Europe and Australia, then took up the baton with 3 titles from 2005 to 2007.

Galileo (sire of **Adelaide**) is now the world's best stallion and his reign since 2008 was broken only once, by his stud companion **Danehill Dancer** (sire of **Choisir**) in 2009.

Other exceptional sires to have stood at Coolmore include **Fairy King** (sire of **Encosta de Lago**), **Alzao**, **Night Shift**, **Royal Academy** (broodmare sire of **Fastnet Rock**), **Montjeu** and **High Chaparral** (sire of **So You Think**).

Zoffany and **Mastercraftsman** are two of our leading young sires while in the coming seasons the multiple Gr.1 winning champions **Camelot**, **Australia** and **Gleneagles** will have their first runners.

Four Epsom Derby winners stood at Coolmore in 2017. Left to right: **Camelot** (Montjeu), **Australia** (Galileo), **Galileo** (Sadler's Wells) and **Ruler of the World** (Galileo)

*Living legend **American Pharoah** is the focus of everyone's attention upon his arrival at Ashford*

Ashford Stud is located in the heart of Kentucky's famous Bluegrass. In the early part of the 20th Century, the initial tract of land that Ashford consisted of was originally owned by Col. Edmund H. Taylor Jr. who founded the Old Taylor Distilleries in nearby Frankfort. In the late 1970s Dr. Bill Lockridge began to transform the farm into a state of the art stud, fit for the finest stallions in the world.

Ashford opened its doors for the 1982 breeding season. The stallion roster was headlined by Vincent O'Brien's champion 2yo **Storm Bird**.

When Ashford became part of Coolmore in the mid-1980s, **Storm Bird**, along with other top sires like **El Gran Senor** and **Woodman**, helped establish Coolmore's reputation on an international level.

In 2001 **Thunder Gulch** became its first champion sire. Not to be outdone, **Honour And Glory** (2000), **Hennessy** (2001), **Tale of the Cat** (2003), **Giant's Causeway** (2005 and 2014) and **Uncle Mo** (2015), all earned champion juvenile sire honours to go with those won by **Woodman** in 1990 and 1994.

Giant's Causeway landed three general sire titles (2009, 2010 and 2012); a feat only achieved since 1941 by such luminaries as **Bull Lea**, **Nasrullah**, **Bold Ruler** and **Danzig**.

Uncle Mo's remarkable first crop has a staggering 22 Stakes winners to date including a Kentucky Derby winner. A champion at 2 and 3 years, **American Pharoah** became the first Triple Crown winner for 37 years and his first foals in 2017 greatly impressed all who saw them.
