## **SCHEDULE OF EVENTS:**

### **Friday Afternoon, November 18**

All animals will be available for viewing in open lots. Sale order, base price, and all supplemental information not listed in the catalog will be available.

### **Saturday Morning, November 19**

Continued viewing of animals

**11:00 am** - Complimentary lunch will be provided

**12:00 noon** - Southwest Cattlemen's Classic Sale

## **DIRECTIONS:**

Sale location — former Umberger Sale facility, 195 Kenton Run, Wytheville, VA 24382. Use Exit #77 off of I-81, just north of Wytheville. Travel to the access road west of the interstate. Turn right on Kenton Run (just past Exxon station) and travel one mile to sale facility. Watch for signs.

## **SALE FORMAT:**

Each animal in the sale will have a base price which will be listed on a supplemental sheet furnished on sale day. Bulls will be offered starting with the higher base price bulls and alternating in groups of 5 between the consignors. A sales order will be furnished on sale day. Each animal will be offered individually through the sale ring starting at the listed base price and selling to the highest bidder. If no one is willing to bid the listed base price, then the animal will be passed on. Animals passed on during the auction will be available for sale afterwards at the listed base price. Animals returning to the consignor's farm will be available for sale at the base price or higher.

## **PICKUP AND DELIVERY:**

Loadout of animals can begin immediately after the conclusion of the sale. Trucking and delivery of animals can be provided and the consignors will work

with individual buyers to provide the quickest and most economical transportation possible. Bulls can be returned to the consignor's farm for later pickup or delivery at the cost of \$2/head/day and will be fed and handled as they were prior to the sale or as the buyer requests. Bulls must be picked up by Jan. 1, 2017 unless special arrangements are made with the consignor. Bulls are the risk and responsibility of the new owner.

## **HEALTH & FERTILITY:**

Negative TB, Brucellosis, and BVD PI tests within 30 days prior to the sale. Out of state health papers will be available sale day. All bulls have been evaluated for breeding soundness and fertility by Dr. Andy Meadows of Wytheville and are guaranteed to be breeders.

## **BREEDING GUARANTEE:**

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with the exception of: a. Injury or disease occurring to the animal after time of purchase, or b. Gross negligence or willful misconduct on the part of the purchaser.

## **TERMS & CONDITIONS:**

Terms of the sale are cash -- unless credit arrangements have been made prior to the sale. All settlements are to be made with the sale clerks at the conclusion of the sale and before any animals will be released from the sale premises. Cattle sell under the Standard Terms and Conditions as suggested by the American Gelbvieh Association, American Angus Association, and the American Simmental Association.

## **PURCHASER'S RISKS:**

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that the animals are fed and cared for until loaded for shipment.

**ANNOUNCEMENTS:**

Any changes of information of any kind in this sale book will be announced from the auction block and such announcements take precedence over all printed material.

**REGISTRATION CERTIFICATES:**

A transferred certificate of registration will be furnished to the buyer on each animal within 45 days following the sale or receipt of full payment.

First calf heifer. 722B is clean fronted, correct, deep sided and a pleasure to look at. Her dam 652 is one of our better Angus cows. 722B is due 11/18/16 to Impact for a balancer calf.
