COACH SELLERS

I am originally from Paulding County, Ga where most of my family resides. I Graduated from South Paulding High School in 2010. While in high school, I played basketball, football, baseball, and ran track. After high school, I pursued my athletic career at Shorter University in Rome, Ga on a football scholarship and joined the baseball team for their Fall season. Sports has had a major impact on my life. Sports teaches young men and women a lot about life. It can humble you, teaches you work ethic, and also how to work well with others in a team setting. I have built many relationships through sports and I am very fortunate that Coach Galamore has given me an opportunity to learn and be apart of his staff. I look forward to having much success with the South Paulding Baseball club! Hobbies include fishing, summer sporting events, exercising, visiting my best friends of Cedar Bluff, Ala and spending time with my family any chance I can! I adore my Mom and Grandmother! I have a twin brother Brock who played football at Savannah State for three years until suffering a shoulder injury, and a younger sister Victoria. Grandfather Sammy McClure and my uncles Reggie and Sammy McClure are the biggest influences in my life. Uncle (Lloyd Turner) is a hitting coach for the Beloit Snappers in the Oakland A's system. He spent 7 years in the minors and reached AAA. We talk a lot of baseball occasionally 2-3 times a week. I love learning more about the greatest game there is! GO SPARTANS!!

COACH DRISKELL

Coach Driskell is a 2014 graduate of South Paulding High School, where he played baseball 4 years. He was a 2 year starter on the Varsity team and a two year letterman. He was 2nd team all county as a senior and played under Coach Galamore. After High School Coach Driskell attended Wallace State in Selma Alabama playing baseball for two years there and obtaining his Associates Degree in Criminal Justice. Right now Coach Driskell attends West Georgia University and is pursuing his Bachelor's degree in Criminal Justice. His coaching duties at South for this year is an assistant on the JV team working with outfielders and pitchers.

COACH ADAIR

This is Coach Adair's first year coaching with the Spartans. He looks forward to a great season with the team!

Tanner Bug,

I closed my eyes for a moment and now I see a man standing where a boy used to be. The last 18 years have flown by and you have made me proud to be your mother every second. Life has handed you some hard times at a young age and you have overcome it all with your strength and faith. I admire the kind person that you are, your

smile melts my heart and your laugh is contagious. You are confident in who you are and I pray you never change that.

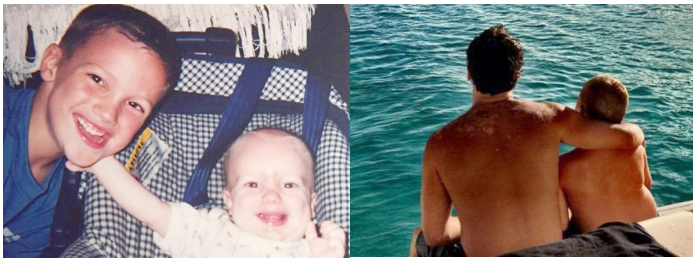

Most of your childhood was spent on the baseball field and it has been an honor being your #1 fan and watching you develop into the phenomenal player you are today. I never imagined that I would be saddened at the thought of scrubbing your baseball pants for the last time ;-)

As much as I wish you could stay my baby forever, as you enter the next chapter of your life, I am excited to see the amazing things you will do in this life.

Love You With All My Heart,
Mom ♥

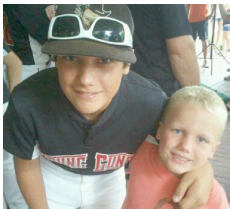

Tanner,

Thank you so much for being such a great big brother. I know we fight sometimes but we also have a lot of fun. You have made me who I am, especially with baseball. I'm so proud of you bro. Good luck with your last high school season.

Tate

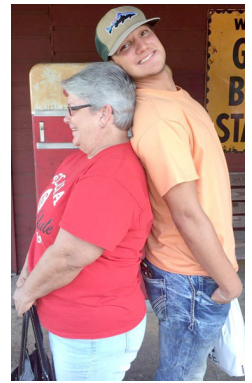

Tanner,

April 17, 1998 was one of the best days of my life, the day you came into this world. You have been my baby doll since the first time I held you.

You have turned into an amazing young man and I am proud to call you my grandson.

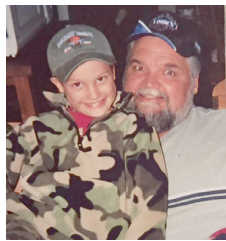

Thank you for helping fill a void in my heart. You deserve the best life has to offer, on and off the field.

I Love You More Than Words Can Say
Always & Forever
