Hand Washing

“Our service rep. maintains our hand towels and air fresheners weekly, saving us shop labor. I appreciate knowing what my bill is going to be each week. We have been happy with ITU AbsorbTech and would recommend them.”

Paul Brocket, Purchasing Manager, Monona Plumbing

Industrial Soy Cleaner

Removes tough grease and grime. Fibril scrubbers for extra cleansing power. Soy protein protects skin. Perfect for use in manufacturing, machine shops, printing, and auto repair. Biodegradable. Dispenser included.

| 2125 ml | 4,000 ml | ½ gallon |
|--------------------------|--------------------------|--|
| D596561 Reg | D596564 Reg | D596654 Cherry with pump, less than 2ml dispensed per use. Includes a new pump with every refill. |
| D596643 Cherry | D596659 Cherry | |
| D598561 Dispenser | D598564 Dispenser | |

Foam Soap

Antimicrobial, provides a soft cleansing wash. Unique formula washes and cleanses skin. Ideal for any light duty setting such as offices and schools. Air is infused into the soap resulting in a rich, creamy lather. Manual dispenser included.

Cost savings with cotton

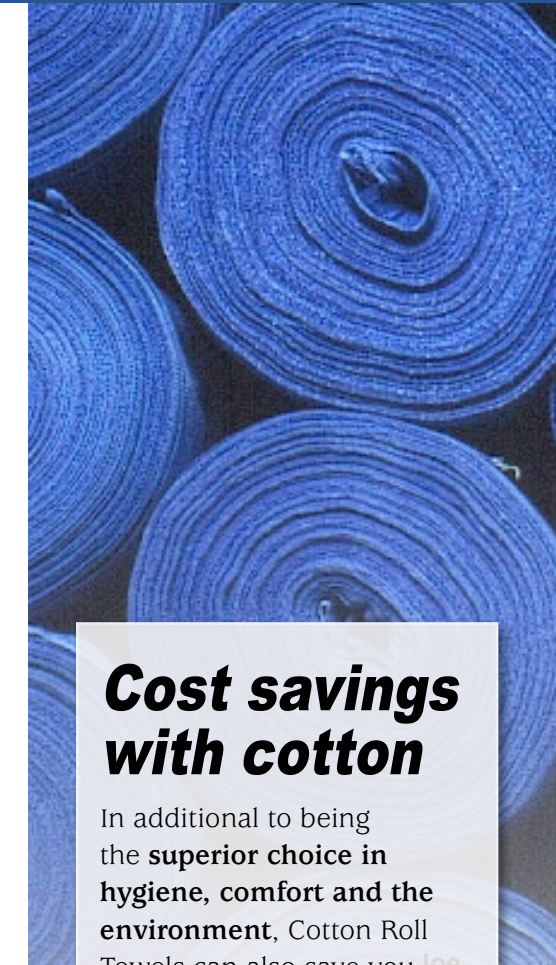

In addition to being the superior choice in hygiene, comfort and the environment, Cotton Roll Towels can also save you money.

Better value than air

- No capital investment
- Reduces energy cost
- Reduces employee time spent drying hands

Better value than paper

- Reduces storage and shipping/receiving costs
- No plumbing costs from stopped up toilets and sinks
- Reduces slip hazards from wet paper on floors
- Reduces custodial costs with less trash to empty
- No disposal cost

Odor Control

Covers 3,001 to 6,000 cubic feet (3-4 stalls)

F-Matic Passive Air System

60 days of odor control and air enhancement. Simple twist opening takes seconds. Contains a molecular odor counteractant that effectively fights odors rather than masking them. Gravity-operated system; no batteries, fuel cells, or any other artificial means of power. VOC compliant, recyclable refills. Dispenser included.
