Need to become a Registered Number Plate Supplier?

It's a simple process requiring a one-off £40.00 payment.

Just think of the profit this small investment can make!

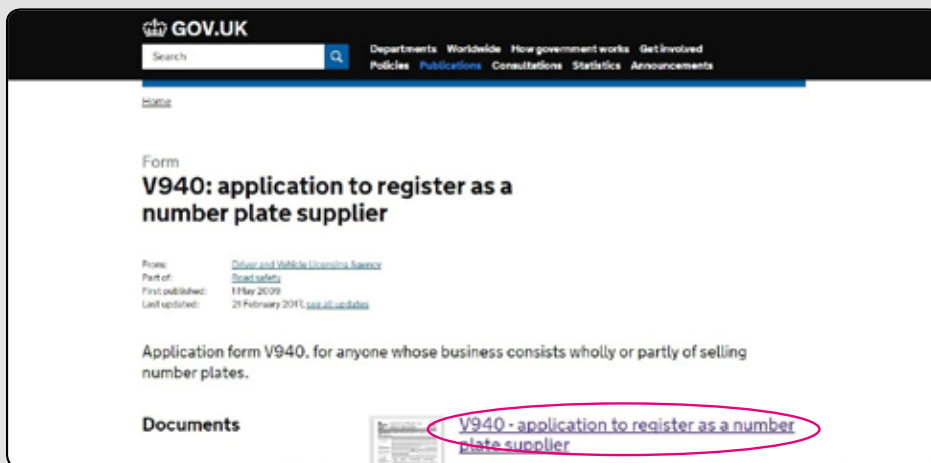

You can apply online at:

<https://www.gov.uk/apply-for-a-licence/register-as-number-plate-suppliers/dvla/apply-1>

Or, you can download an application form at:

<https://www.gov.uk/government/publications/v940-application-to-register-as-a-number-plate-supplier>

Click on:

V940 - application to register as a number plate supplier

Download the form, complete it and send it to the DVLA.

Job done!

The DVLA will Acknowledge your application and send you a Supplier Identification Number (SID) which is unique to your business, then you're ready to go – you **MUST** provide this to ECP before we can manufacture plates for you.

For your DVLA compliance and peace of mind, please refer to the DVLA site for the details you must record for selling a Number Plate.
