

# LAND ROVER LR4

ABOVE AND BEYOND

## LAND ROVER LR4 NEW FEATURES FOR 2015

### CONVENIENT DRIVER TECHNOLOGIES

Optional new technologies are available to help make driving Land Rover LR4 even more pleasurable. Adaptive Cruise Control with Forward Alert System uses radar to scan the road ahead ten times a second and then automatically matches the speed of the vehicle in front of you allowing you to travel long distances in comfort.

### INTERIOR DESIGN ENHANCEMENTS

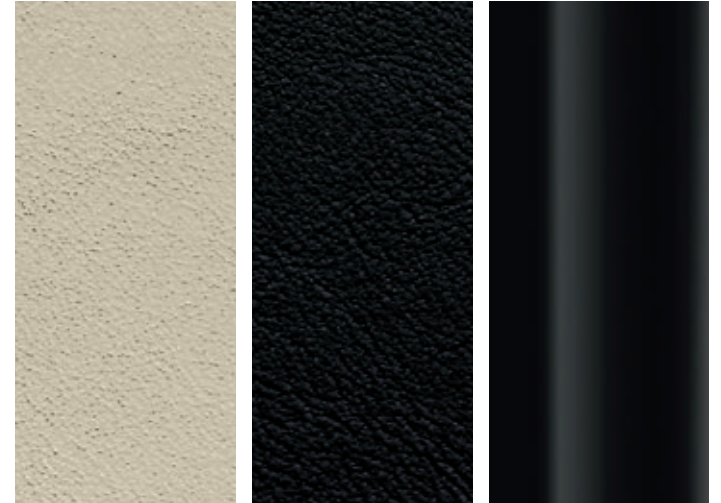

You can now specify dual-tone Windsor leather, Ebony/Cirrus seats and there is an option of either a Grand Black Lacquer or a Straight Grained Walnut wood and leather steering wheel.

### NEW EXTERIOR DESIGN FEATURES

There is a choice of three new exterior colors available: Aruba, Kaikoura Stone and Montalcino Red. You can also select the new 20 inch forged alloy wheels with a Light Silver Polished finish to accentuate the refined look of the vehicle.

SPECIFICATION

Page 30

The Land Rover LR4's design has constantly evolved during its life and that is why it is always in its element, whether it's crossing town or taking everyone way beyond the city limits for the weekend.

The design of Land Rover LR4 is accentuated by the use of jewel-like front lights giving the vehicle a contemporary look. While at the rear, the split tailgate has been designed for maximum reach and flexibility to make loading awkward objects easier.

Escape the daily grind. The 3.0L V6 Supercharged Land Rover LR4 engine delivers in the most demanding criteria, including fuel economy, power and performance.

Heading away from the city towards the great outdoors should be a pleasure. That's why Land Rover LR4 features advanced technology to help the driver feel more connected to the road and deliver an engaged and responsive drive. Now, getting there can be as enjoyable as being there.

Stadium seating gives everybody unspoiled views, with head, leg and shoulder room that are among the best in class and full-size seats for up to seven adults. These are just some of the benefits of the bold design and upright side profile of Land Rover LR4.

And with a range of infotainment and technologies to choose from, everyone will be entertained, relaxed and comfortable.

What Land Rover LR4 gains in practicality and space, it doesn't compromise in comfort and attention to detail. Its tactile interior is a contemporary and beautifully crafted environment. The seats are available in a variety of materials such as Windsor leather, which include electrically adjusted bolsters that give the driver even greater support. Double-stitching on the facia top is just one indication of the high-quality finish throughout the vehicle.

Land Rover has always had capability at its heart and Terrain Response System® proves it. This proprietary technology acts as an off-road expert enabling the driver to tackle almost every surface with confidence.

At the touch of a switch, Terrain Response System® reconfigures the Land Rover LR4 engine, transmission, throttle and traction settings for optimum drive-ability.

So whether traveling over pavement, grass, gravel or snow, mud and ruts, sand or rocks, the vehicle takes to it with consummate ease.

With exceptional ground clearance and short front and rear overhangs, Land Rover LR4 is cleverly proportioned. Together with impressive torque and delivery of power, these attributes help ensure that the vehicle is eminently capable and highly manoeuvrable on the most demanding terrain.

As a vehicle crests a steep hill, there is a moment when the feeling of sudden acceleration can occur, which is why Gradient Acceleration Control has been incorporated into the standard Hill Descent Control technology. This feature helps reduce the feeling of increased speed and smoothes out the overall effect to make descent feel more assured.

The odd expanse of water shouldn't affect a drive. Chances are it won't in Land Rover LR4. Using sensors in the door mirrors when the vehicle is wading, the optional Wade Sensing™ system alerts the driver if the water is too deep. It provides real-time pictorial information, including the maximum wading capability, and is particularly useful in the dark or at night.

For over 65 years, Land Rover has become renowned for many innovations, one of which is the legendary Command Driving Position. From here, the driver gets an unparalleled view of the road ahead and greater all round visibility. Hazards can be spotted earlier, parking is made easier and as all the key controls come readily to hand, it can help to reduce stress and fatigue.

With five digital cameras mounted around the vehicle, the optional Surround Camera System provides a near 360° view. This greatly aids low-speed manoeuvrability in such situations as parking. By customising the number of images the camera relays to the Touch-screen, other functions can be utilised. All Round Vision, Junction View, Curb View, Rear View, Tow Assist and Tow Hitch Assist are included in this advanced system.

Land Rover LR4 goes further. Its capability is born from the first Land Rover and is renowned across the city, across country and across the globe. Its contemporary design is purposeful, its drive connected and assured. Add class-leading versatility with available seven full-size adult seats and the picture is complete.

# SPECIFICATION

Land Rover LR4 offers an exclusive range of options that allow you to personalise your vehicle. The following pages take you through a logical series of steps to create your ideal Land Rover LR4. You have several choices: from selecting your model to exterior and interior colors before choosing your wheels, finishes and additional options.

If you'd like to bring your options to life, go to our online configurator at [landrover-me.com](http://landrover-me.com)

THE LAND ROVER LR4 ENGINE

## DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

Our petrol 3.0L V6 Supercharged engine is coupled with eight-speed automatic transmission that delivers an impressive 250kW (340PS) power output with torque of 450Nm.

3.0L V6 SUPERCHARGED

		LR-V6 SUPERCHARGED
Driveline		Four Wheel Drive (4WD)
Power (kW/PS)		250/340
Torque (Nm)		450
Maximum torque (rpm)		3,500-5,000
Capacity (cc)		2,995
No. of cylinders		6
Cylinder layout		Longitudinal V6
FUEL ECONOMY		
Urban	l/100km (mpg)	15.7 (18.0)
Extra Urban	l/100km (mpg)	9.9 (28.5)
Combined	l/100km (mpg)	12.0 (23.5)

The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. A vehicle's actual fuel consumption may differ from that achieved in such tests and figures are for comparative purposes only. Low fuel warning at 9 litres approximately.

## STEP 1 CHOOSE YOUR MODEL – CHOICES

Each model has a choice of distinctive features. This guide will help you to select your ideal Land Rover LR4. On the following pages you'll see the standard and optional features for each model.

### LAND ROVER LR4 SE

- Grille bars in Brunel with Gloss Black surround
- Side fender vents in Brunel
- Oberon door handles
- Body colored wheel arches and rear bumper
- Dark Techno Gray tow eye cover
- Halogen headlamps with daytime running lights (DRL)
- Front fog lamps
- 19 inch seven-spoke 'Style 703' alloy wheels.

## LAND ROVER LR4 HSE

- Grille bars in Bright Atlas with Gloss Black surround
- Side fender vents in Bright Atlas
- Body colored door handles
- Body colored wheel arches and rear bumper
- White Silver tow eye cover
- Xenon headlamps with LED signature and daytime running lights (DRL) and headlamp powerwash jets
- Front fog lamps
- 19 inch seven split-spoke 'Style 704' alloy wheels.

20 inch five split-spoke 'Style 511'*	029TJ	<input type="checkbox"/>	<input type="checkbox"/>
20 inch five split-spoke 'Style 516' with Light Silver Polished finish	029MZ	<input type="checkbox"/>	<input type="checkbox"/>

\*Available as an accessory fitment

**Please note:** When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with your Land Rover Retailer.

## STEP 4 CHOOSE YOUR INTERIOR – FINISHES

### **Beautiful materials, flawless execution**

The levels of craftsmanship and finish in Land Rover LR4 are without compromise. Sophisticated colorways and a choice of fine leathers help create your ideal space. Whichever you choose, it will be an exemplary expression of your tastes.

**GRAINED LEATHER\***  
Available on SE and HSE

**WINDSOR LEATHER**  
Available on HSE

\*Image shows optional electric seat and armrest pack.

## STEP 4 CHOOSE YOUR INTERIOR – TRIM FINISHER CHOICES

It's those final touches that can make the overall effect even more appealing. That's why there's a choice of finishers available including Meteor, Cosmic Grey, Straight Grained Walnut, Grand Ivory Lacquer and Grand Black Lacquer. These apply to each of the four doors and down through the central area of the fascia.

METEOR

COSMIC GREY

STRAIGHT GRAINED WALNUT

GRAND IVORY LACQUER

GRAND BLACK LACQUER

STEP 4 CHOOSE YOUR INTERIOR – INTERIOR SEAT OPTIONS

### **Seven-seats**

With seven full size adult seats, this configuration includes a 35:30:35 seat formation allowing for improved access into the third row seats and numerous folding combinations, including the ability to fold and store the second row completely flat.

All row two outboard seats feature LATCH child seat anchorage points. The flexible seating configurations are demonstrated on page 56.

## STEP 4 CHOOSE YOUR INTERIOR – INTERIOR SEAT OPTIONS

With the capability to transport the driver, six passengers and their luggage with ease, Land Rover LR4 is every vehicle you'll ever need. The flexible, versatile layout provides a configuration to suit almost every conceivable use – especially as the second and third rows can be folded independently of each other.

SUNDAY: AIRPORT

## KEY FEATURES

**Automatic headlamps with High Beam Assist and adaptive Xenon headlamps with LED signature**

Detects vehicle headlamps/tail lights and dips the high beam until the light source is out of range. The system is able to distinguish between automotive and non-automotive light sources.

Signature LED lights combine practicality with distinctive design. For more relaxed night-time driving, adaptive lighting varies the light cast ahead of the vehicle so that the beams follow the curve of the road.

**Air Suspension**

Four-corner independent air suspension features variable ride height and electronic cross-linking for a constant level ride height irrespective of load distribution. Ride height can be raised up to 125mm to clear obstacles or lowered by 50mm for easy access and loading.

**Split Tailgate**

Make light work of difficult loads with the Land Rover LR4 two-piece, asymmetric tailgate design. Both upper and lower tailgates are made from resilient lightweight aluminium. The tailgate gives impressive access to the rear of the vehicle and comes into its own when loading large, bulky or heavy objects. The asymmetric portion of the lower tailgate provides a reduced reach-in distance when open and a lower load height when closed.

**Adaptive Cruise Control\***

The Adaptive Cruise Control (ACC) with Forward Alert system uses radar to scan the road ten times a second. ACC will dynamically match the speed of the vehicle in front of you, settling down behind it and maintaining a constant speed with one of four cruise gap distances set by your preference. Forward Alert will give an audio and visual alarm when you are closing in on a vehicle.

**Terrain Response® System and Gradient Release Control**

The Terrain Response System optimises the vehicle set-up for virtually all on-road or off-road driving situations, with five different settings to suit different terrains such as pavement, grass, gravel or snow, mud and ruts, sand or rocks.

Gradient Release Control is a patented Land Rover system that works with Hill Descent Control (HDC®) across terrains such as rock, gravel and sand for more controlled, confident descents. Works in reverse and first gear.

**Parking Aid\* / Rear View Camera / Surround Camera System with T-Junction Camera\***

The rear view camera provides a rearward view from the full color Touch-screen and works in conjunction with the rear parking aid.

The surround camera system comprises five digital cameras to provide a near 360° view surrounding the vehicle to aid low-speed manoeuvring via the full color Touch-screen. Can be customised to provide a single camera view or multiple images. Functions include: Parking aid – rear view camera, All Round Vision, Junction View. Also includes Tow Assist and Tow Hitch Assist.

\*Optional on some models.

Visit [landover-me.com](http://landover-me.com) for more information.

## KEY FEATURES

### Wade Sensing™\*

Using sensors in the door mirrors when the vehicle is wading, it alerts the driver if the water is too deep. The feature is particularly useful when visibility is poor or when driving at night. This feature provides real-time pictorial wading information including the depth of the water in relation to the vehicle, as well as maximum wading capability of the vehicle.

### Full Color Touch-screen

Provides full control and functionality over integrated systems such as navigation, audio, entertainment systems, camera systems, 4x4 information and vehicle settings.

### In Car Entertainment

The Meridian™ Audio System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

### Rear Seat Entertainment\*

The Rear Seat Entertainment package ensures passengers can always be engaged. With two eight-inch screens built into the front headrests, a pair of WhiteFire™ digital headphones and a dedicated remote control, passengers can feel truly at home with their choice of film, TV or music.

### Compact Smart Key - Keyless Entry\*/Push Button Start

Once the vehicle has been accessed using the remote transmitter, the device may be stored in a pocket or bag to allow starting without its use. The optional Keyless Entry system provides even greater convenience. When within close proximity of the vehicle along with the remote Compact Smart Key, simply open the door, get in and push the Start button.

### The Portable Audio Interface

Allows the connection to the in-car entertainment system of an iPod® with full track and search integration. An MP3 player or a mass storage device can also be connected via the USB port.

\*Optional on some models.

#### Sunroof with Alpine Roof

Even the rearmost passengers enjoy a glass roof in Land Rover LR4 with the optional sunroof with Alpine roof. The sunroof tilts and slides electronically and the combined reflective properties of the glass panel and interior sunblinds keep everyone cool and the cabin light and airy.

#### Hard Disk Drive Navigation\*

With prompt access speed, graphics and display, the Hard Disk Drive (HDD) Navigation System stores up to 40GB of data. Navigation mapping can be upgraded via a Land Rover Retailer download.

Additional features available on HDD-equipped vehicles are DVD Audio and MP3 DVD playback and Virtual CD Auto Changer which saves up to ten albums (in uncompressed format) to the HDD and provides track information for easy identification of CDs and tracks.

#### Blind-Spot Monitor/Closing Vehicle Sensing\*

Using sensors mounted behind the rear bumper, these systems are designed to see what you might miss. When a vehicle enters a blind spot, a warning light will show in the corresponding door mirror.

Closing Vehicle Sensing scans a zone much further behind the vehicle, to help detect vehicles which are closing quickly from behind and which could cause a threat during a lane change manoeuvre.

#### Reverse Traffic Detection\*

Using radar detectors in the rear of the vehicle, the system is designed to warn you about potential collisions during reversing manoeuvres. The system can help detect a vehicle approaching from either side. When a target vehicle with a credible 'time to collision' is detected (a collision within three seconds or less), the system alerts the driver. Three warnings are given: an indicator lights up in the corresponding door mirror, an audible alert is sounded and a warning symbol is displayed on the camera screen.

# DIMENSIONS AND CAPABILITIES

Wheelbase 2,885mm

Overall length 4,829mm

## Turning Circle

Curb-to-curb 11.45m  
Turns lock-to-lock 3.32

Front wheel track 1,605mm

Rear wheel track 1,612.5mm

Width 2,053mm mirrors folded  
Width 2,200mm mirrors out

## Obstacle Clearance

Off-road height up to 310mm  
Standard ride height up to 185mm

## Standard Ride Height

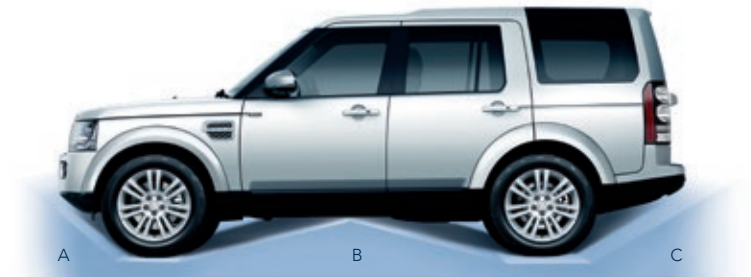

With Alpine glass roof (not open) 1,882mm  
With fixed roof 1,887mm  
With roof rails 1,891mm  
With Alpine glass roof (open) 1,920mm  
With roof rails and crossbar fitted 1,980mm  
Access height setting will reduce each of the above by 50mm.

## Loadspace Capacity

Rear seats upright  
Height 1,058mm  
Width 1,235mm  
Loadspace volume 1,260 litres  
Loadspace width between arches 1,146mm  
Rear seats folded  
Height 1,058mm  
Width 1,235mm  
Loadspace volume 2,558 litres  
Loadspace width between arches 1,146mm  
Maximum length at floor 1,950mm

## Headroom

Maximum front headroom 1,020mm  
Maximum front headroom with Alpine roof 1,027mm  
Second row headroom with Alpine roof 1,076mm  
Third row headroom with Alpine roof 1,018mm

	A	B	C
Ride Height			
Off-road	36.2°	27.3°	29.6°
Standard	32.2°	22.8°	26.7°

## Wading Depth

Maximum wading depth: 700mm.

## TECHNICAL SPECIFICATION

V6 3.0 SUPERCHARGED	
<b>ENGINE DATA</b>	
Capacity (cc)	2,995
No. of cylinders	6
Cylinder layout	Longitudinal V6
Valves per cylinder	4
Bore (mm)	84.5
Stroke (mm)	89

Acceleration (secs) 0-100kph	8.1
Fuel tank capacity – usable (litres)	86.3

## ACCESSORIES

Land Rover LR4 is so capable and adaptable it can get straight to work across a huge variety of vastly differing terrains, conditions and roles. Even so, some owners want to add their own stamp of individuality by tailoring their Land Rover LR4 to their specific needs with a range of stylish, practical accessories that are tough, versatile and bring an opportunity for personalisation to Land Rover LR4. Importantly, these accessories can be added at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Approved Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

LR006874

Underbody Protection  
VPLAP0189  
Underbody Protection (winch version)  
VPLAP0188 (not shown)

Electric Winch  
VPLAP0130  
4,300kg maximum load capacity. Includes cover for protection when not in use. Plug-in remote control helps provide safe operation from up to 3.6 metres.  
Winch Accessory Kit  
STC53202 (not shown)  
Includes strap, snatch block, two shackles, heavy duty gloves and a storage bag.

## ACCESSORIES

Snow Traction System  
VPLAW0080

Applicable to 235/70 R17, 255/60 R18, 255/55 R19, 255/50 R20 wheel and tyre sizes. Fit to front wheels only.

20 inch five split-spoke 'Style 510'  
Diamond Turned with Gloss Black Finish  
Tyre specification: 250/50 ZR20  
VPLAW0002\*

20 inch ten-spoke 'Style 104'  
Tyre specification: 255/50 ZR20  
VPLAW0003\*

Styled Valve Caps  
Land Rover – LR027560  
Union Jack – LR027664  
Black Jack – LR027666

Cargo Divider  
EOH500040  
Separates luggage space into two protected sections. Lockable outer gate on one side. Must be fitted with Cargo Barrier. Not compatible with standard Loadspace Cover.\*\*

Cargo Barrier  
VUB501170  
Easily removed. Retains cargo according to ECE-17 regulation. Can be used with standard Loadspace Cover.\*\*

Rigid Loadspace Protector  
EBF500010 Not compatible with Cargo Barrier  
EBF500080 Compatible with Cargo Barrier and Cargo Divider

**Flexible Loadspace Protector**  
VPLAS0015

Heavy duty fabric helps protect loadspace up to window height. Also covers loadspace floor with second row seats folded. Includes heavy duty gloves.

**Loadspace Rubber Mat**  
LR006401

Waterproof with retaining lip and non-slip surface.

**Load Retention Net**  
VUB503130

Utilises loadspace tie-down points. Includes floor net and two ratchet straps. Strap length approximately two metres.

**Rechargeable Torch**  
VPLAV0102

High power 300 Lumen rechargeable torch machined from solid aluminium with a black anodised finish. An integral charging dock in the loadspace ensures it is always charged and ready for action. Features maximum output with three further settings including a flashing mode. Land Rover branded.

**Ski Bag**  
VPLGS0166

Carries up to two pairs of skis and poles up to 1.8 metres long. Features removable shoulder straps.

**iPad® Holder†**  
VPLVS0165

**iPad® 1 Holder**  
VPLVS0164

\*Accessory wheel, rim only. To order the Land Rover Centre Cap please quote part number LR023301.

\*\*Can be fitted with Loadspace Rubber Mat (LR006401) and Rigid Loadspace Protector (EBF500080).

†Compatible with 2nd, 3rd and 4th generation iPads®. Not compatible with iPad Air™ or iPad Mini™.

iPad® is a registered trademark of Apple Inc., registered in the US and other countries.

## ACCESSORIES

**Seat Back Stowage  
Premium – VPLVS0182**

Manufactured from the finest materials with soft touch interior lining and magnetic button clasps, this convenient stowage system for the rear of the front seats provides multiple compartments for stowing small items.

Standard – VPLVS0181 (not shown)

**Centre Armrest Cooler/Warmer Box  
VPLVS0176**

This convenient drink and food cabinet is ideal for use on long journeys and can also be used as a rear centre armrest. It features a leather trim to provide a premium finish in keeping with the Land Rover LR4 interior.

**Premium Carpet Mat Set  
VPLAS0192SVB – Nutmeg  
VPLAS0192PVJ – Ebony**

Deep pile carpet with waterproof backing.

**Rubber Mat Set  
VPLAS0253**

Rubber Mats, Third Row  
EAH500100PMA (not shown)

**Gearshift Paddles  
Aluminium – VPLVS0187MMU  
Aluminium Red – VPLVS0187CAY**

Complete the look and feel of your steering wheel with these premium aluminium paddles. These Gearshift Paddles are billet machined, anodised and hand brushed to provide exceptional wear resistance with a premium finish.

**Drive Select Rotary Shifter Upgrade  
Red Finish – VPLVS0180  
Silver Finish – VPLSS0142  
Leather Drive Select Top Cover – VPLSS0143PVJ**

Enhance the appearance of your vehicle's interior with this stylish Rotary Shifter and Leather Drive Select Top Cover.

**Stainless Steel Sill Tread Plates**  
EBN500041

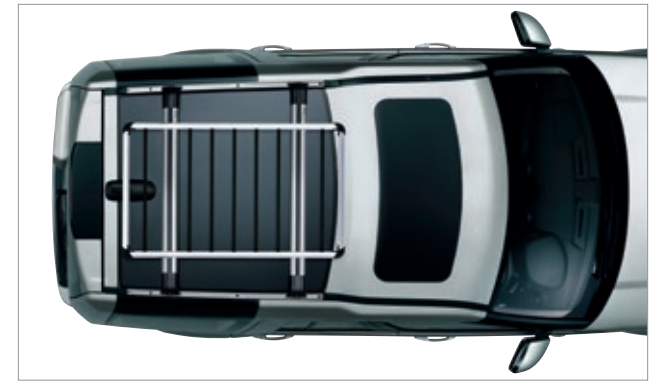

To protect and enhance the appearance of the vehicle sills. Covers front and rear door sills.

**Full Length Roof Rail Kit**  
Bright Finish\* – VPLAR0075  
Black Finish\* – VPLAR0074 (not shown)

**Cross Bars – Bright Silver Finish**  
VPLAR0001

Adjustable position crossbars, for carrying all Land Rover roof mounted accessories featured. Easily removed when not in use. Lockable for security. Maximum payload 71.8kg<sup>1</sup>. Vehicle must have factory-fit roof rails or Roof Rail Kit fitted.

**Luggage Carrier\***  
LR006848

Maximum payload 62.6kg<sup>1</sup>.

**Waterproof Seat Covers – Almond**

**Front seat pair\*\*** (shown above)  
VPLAS0130SVA

**For DVD headrest seats front seat pair\*\***  
VPLAS0131SVA

**Rear five-seat 35:30:35\*\***  
VPLAS0132SVA

**Rear five-seat 60:40\*\***  
VPLAS0168SVA

**Rear set and third row seven-seat\*\***  
VPLAS0134SVA

**Waterproof Seat Covers – Ebony**

**Front seat pair\*\***  
VPLAS0130PVJ

**For DVD headrest seats front seat pair\*\***  
VPLAS0131PVJ

**Rear five-seat 35:30:35\*\***  
VPLAS0132PVJ

**Rear five-seat 60:40\*\***  
VPLAS0168PVJ

**Rear set and third row seven-seat\*\***  
VPLAS0134PVJ

**Sports Box\***  
VPLVR0061

**Luggage Box\***  
VPLVR0062 (not shown)

**Large Roof Box\***  
VPLWR0100 (not shown)

Available in a range of sizes, all versions can be mounted either side for curbside opening in any country and include integral locks for security and peace of mind. Carrying capacity ranges from 320 litres with the Sports Box to the 410 litre Luggage Box or the capacious 430 litre Large Sports Box. Maximum payload 75kg<sup>1</sup>.

**Expedition Roof Rack\***  
CAB500021PMA

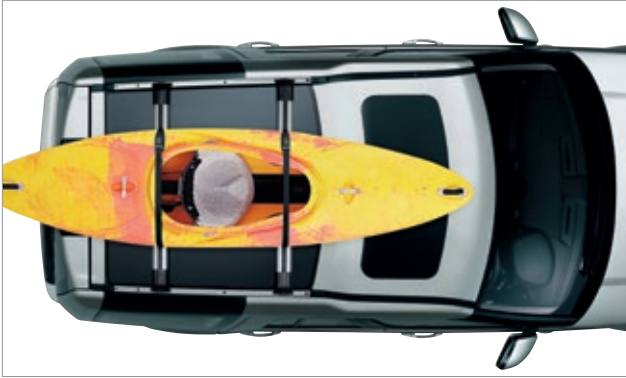

Vehicle must be fitted with a Black Finish or Bright Finish Short Roof Rail Kit CAB500120PVJ/CAP500090. Vehicle height when fitted 2,100mm at normal ride height. Maximum payload 54.3kg<sup>1</sup>.

<sup>1</sup>Roof rails and crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

\*\*Helps protect seats from mud, dirt and wear and tear. Machine washable. Includes headrest and armrest covers. Colors shown may differ from the actual product.

<sup>1</sup>Maximum payload equals the load capacity of the roof mounted accessory.

## ACCESSORIES

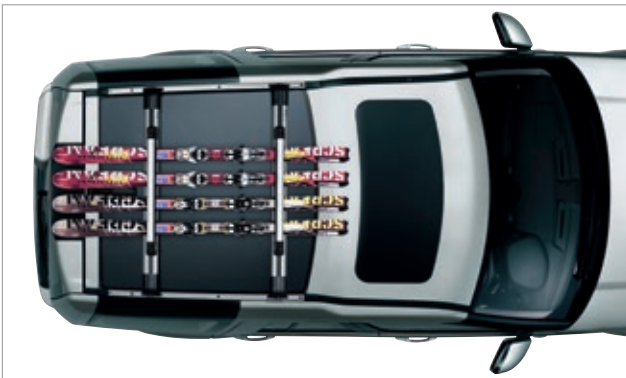

**Aqua Sports Carrier\***  
VPLGR0107

Carries one surfboard or sailboard and mast, or one canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading and unloading. Maximum payload 45kg\*\*.

**Universal Lift and Load System**  
VPLVR0096

This roof loading aid fixes to your garage roof and allows you to lift equipment on to the vehicle with ease. It can also be used for storing the roof box conveniently when removed from the vehicle.

**Ski/Snowboard Holder\***  
LR006849

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg\*\*.

**Quick Release Tow Bar†**  
LR040248

**Quick Release Tow Bar Stowage**  
LR020002 (not shown)

Hidden loadspace stowage block.

\*Roof rails and crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

\*\*Maximum payload equals the load capacity of the roof mounted accessory.

†Required for vehicles fitted with Trailer Assist option.

**Electric Cool Bag**  
VUP100140L

Powered by the 12 volt auxiliary socket. Thermostatically controlled temperature. Easy clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.

**Cross Bar Lashing Eye Kit**  
VUB503160

Six additional tie-down points for use with Crossbar T-slots.

**Bulb Kit**  
VPLAV0018

**Warning Triangle**  
KCC500021

**Tyre Pressure Gauge**  
VPLVW0077

**Tracking Target Sticker**  
LR021589

Additional sticker required for vehicles equipped with the surround camera system option which includes Tow Assist.

**Ratchet Strap**  
CAR500010

Nylon tie strap for securing items to the Crossbars or Luggage Carrier. 5m long, 20mm wide. Supplied individually.

**Tow Recovery Strap**  
STC8919AA

Includes storage bag that can be attached as a warning flag to the strap. 3,000kg maximum load capacity.

**Coat Hanger**  
VPLVS0167

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,600 kilometres/1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications and any query you may have.

The colors reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any color finish without notice. Some of these colors may not be obtainable in your country. Please check availability of colors and current specifications with your Land Rover Dealer.

Castrol EDGE Professional exclusively recommended by Land Rover.
