Assistants of**

**Do you have a medical  
condition preventing  
you from leaving home?**

## **The Advantage**

- 45 to 60 minute in-home appointments
  - Coordination of most diagnostic and laboratory testing done in the home
  - Appointments available in 24 to 48 hours
  - On-call providers available 24/7
  - Medications delivered to your door
  - Coordination of all home care services and medical equipment
  - A dedicated care coordinator for each patient
- 

**(M.D. or D.O.)  
Nurses, and Physician  
come to you**

**Medical  
visiting  
at home?**

- We strive to ensure visits by the same medical provider for each visit

- Comprehensive care of patients with chronic medical needs

- No waiting in a doctor's office

- Coordination of care with other community providers such as home health, hospice, home plus independent, and assisted living

*We would be honored to have the opportunity  
to meet with you and your family to discuss  
how we can best serve you.  
Please call (316) 682-1232,  
24 hours a day, 7 days a week.  
Thank you for considering  
Mother's Touch.*

*In our times of greatest need we need the greatest comfort. We strive to deliver the kind of care that takes comfort to another level, conveying the reassurance you can only get from someone you trust. That's why our name is Mother's Touch - to give us that gold standard to which we continually strive to achieve.*

You may qualify if any of the following apply to you or your loved one to the point where it is impossible to get to your care:

- Do you suffer from severe pain or weakness?
- Do you suffer from anxiety or stress?
- Are you on a ventilator or oxygen?
- Do you have shortness of breath?
- Is your immune system compromised?
- Is your illness in its “final” stages?
- Are you bed bound?

A person is sitting on a wooden dock by a lake at sunset. The sun is low on the horizon, creating a warm, golden glow over the water and the sky. The person is wearing a dark jacket and is looking out over the water. The background shows a range of hills or mountains under the sunset sky.

**We can  
offer a seamless  
transition to our  
or another hospice  
if you ever desire  
or need**

he below  
s difficult or  
current primary doctor

- Do you have dementia or confusion making it difficult to be seen in an office?
- Are efforts to leave the house emotionally, physically, or mentally taxing?
- Do you need assistance to leave home?
- Do you use medical equipment like a wheelchair, walker, or have difficulty walking?
