

# Lucas Diesel

## ‘Premium Remanufactured’ Exclusive to Euro Car Parts

Best in class components, class leading test benches and state-of-the-art manufacturing techniques – this is what makes Lucas Diesel products unique.

All wearable parts are replaced with the best components, reusable parts are ultrasonically cleaned and tested; you can be secure in the knowledge that the product you are fitting has gone through a complete and exhaustive quality control cycle. Every LUCAS product offers you consistently high quality, exceeding the original product specification.

- Best in class remanufacturing – designed to exceed OE quality specifications
- All four major brands covered – Bosch, Delphi, Siemens/VDO & Denso
- Dedicated technical support
- LUCAS ‘DNA Traceability’ via the QR code on every product
- Technician hotline 0800 1601113\*
