Interno Interior Cleaner 500ml

- Highly-effective and gentle intensive cleaner
- For removal of dirt from all sorts of motor vehicles
- Leaves a matt finish on plastic surfaces and a fresh fragrance
- Not suitable for suede and ultra-suede
- Silicone free

NOR2000 05

Stries Glass Cleaner 500ml

- Excellent cleaning properties
- Does not leave streaks or marks
- Silicone-free, ammonia-free
- Ideal for polycarbonate glass & plastic surfaces

NOR2897 340

Oxim Protect Rust Remover 400ml

- H&S friendly rust penetrating spray
- Suitable for freeing rusted screwed connections as well as lubricating, e.g. cable pulls, hatches and hinges
- It has excellent lubricating properties
- Eliminates water and is therefore also ideal for electric contacts in vehicles with moisture-related ignition problems
- Protects against corrosion

NOR28944 441

Multi Protect Maintenance Spray 400ml

- Reduces wear and prevents seizure at both high pressure and high temperatures
- Good oxidation
- Excellent shear stability
- Resistant against salt and hot-water
- Outstanding anti-corrosion properties
- Temperature resistance from -30°C to +150°C

NOR28944 456

Bio-Top White Grease 400ml

- Water repellent
- Good lubricating properties
- Excellent abrasion resistance
- Adhesive characteristics
- Silicone Free

NOR2894 446

Rimol Gold Wheel Cleaner 500ml

- An environmentally friendly high-performance cleaner made from up to 70% renewable resources
- Suitable for aluminium and steel wheels
- Free from hazardous substances
- Non toxic and does not cause skin burns
- Gentle cleaning action
- Acid free

NOR2897328 500 - 500ml
NOR28973 285 - 5Ltr

Viro Air Fresh Plus

A/C and ventilation system disinfectant

300ml

- Long-lasting disinfection for A/C systems
- Leaves a pleasant citrus fragrance
- Antibacterial
- Best effect in combination with Viro Vaporizer

NOR2897 300**Viro One Shot Plus**

A/C system disinfectant

100ml

- Provides quick and easy disinfection of AC systems
- Eliminates dead micro-organisms
- Prevents allergic reactions
- Scented

NOR2897 300 100**RadSeal**

Radiator Sealer

150ml

- Seals hairline cracks and small leaks permanently and reliably
- Safe for the water pump and heating circuit
- Suitable for aluminium core radiators
- Also suitable as a preventative measure
- 150ml is sufficient to treat up to 10 litres of coolant

NOR2897 372**RadClean**

Radiator Flush

300ml

- Cleans cooling systems
- Neutralises lime and oily residues
- Safe for all radiators
- Acid and alkali free
- 300ml is sufficient to treat up to 10 litres of coolant
- Does not attack radiator minerals

NOR2897 373**Professional Cooling System Flush****325ml**

- Powerful acid free radiator cleaner
- Removes scale, rust, deposits and oily residues
- Excellent performance in all coolants including OAT
- Restores optimal operation of the cooling/heating system

555 77 0200**Extreme Cooling System Degreaser****325ml**

- Removes oil and sludge in the cooling system
- Restores the optimal operation of the cooling system
- Excellent performance in all types of cooling liquid, including OAT coolant
- Safe for rubber hoses, seals and all metals in the cooling system

555 77 0770

K-Seal

Cooling System Repair

236ml

- Seals holes and cracks in the head gasket and radiator
- Can also permanently seal most cracks in the engine block and head
- Guaranteed to last the life of the engine
- Can be used in both petrol and diesel cars

542 77 0100**Steel Seal**

Head Gasket Repair

- A simple pour in solution to fix blown head gaskets
- Compatible with all types of antifreeze and any vehicle with a water cooling system
- Works on all vehicles, cars, bikes, vans, pickups, 4x4's, tractors, lorries and boats

542 77 1460**Cataclean**

Petrol & Diesel

475ml

- Cleans the catalytic converter, the upper cylinder, valve heads and stems, improving compression and reducing sticking
- Gives a significantly better performance in both catalytic and non-catalytic engines

542 77 0410**Top Cat**

Catalytic Converter Cleaner

500ml

- Cleans EGR valves
- Burns away Carbon deposits
- Regenerates Diesel Particulate Filters and injection systems.
- Attacks carbon on O² sensors and injectors
- No1 Catalytic Converter Cleaner

550 99 3180 - Diesel**550 99 3170 - Petrol****NEW!****Emission Buster****500ml**

- Designed to be ECO friendly in both petrol and diesel engines
- Will help to pass emission tests
- Reduces emissions by up to 25%
- Reduces greenhouse gases associated with driving by up to 25%
- Cold pour to -34°C

550 99 3190**NEW!****Taxi Mate****500ml**

- Designed to help with cooler and smoother engines for "start-stop" short trips.
- Will help gain up to 8% more MPG
- Reduces moisture content in fuel
- Cleans and protects the engine from the inside out
- For diesel and petrol vehicles
- Cold pour to -34°C

550 99 3200**NEW!**

OT 100

Petrol Additive

300ml

- Excellent cleaning properties
- Ensures optimum engine efficiency and fuel economy
- Reduces exhaust emissions
- 300ml is sufficient to treat up to 70 litres of fuel

NOR2897 371**Fuel System Cleaner**

For Petrol

325ml

- A concentrated treatment to clean and maintain the performance of the fuel system
- Lubricates the injectors, inlet valves, fuel system and upper cylinder area
- Prevents the formation of deposits on injectors and valves
- Protects against rust and corrosion

555 77 0240**Petrol EGR 3**

Aerosol

200ml

- Instantly cleans the air-intake manifold, inlet valves and EGR valve
- Dissolves gum, lacquer and deposits
- Restores and maintains engine performance
- Cleans the 'dry side' of the fuel system

555 77 0160**VC 980**

Carb and Throttle Cleaner

400ml

- Excellent cleaning and prevents residue build up
- Lubricates
- Cleans carburettor from inside and outside
- Cleans valves and jets

NOR2897 368**Petrol Clean 3****350ml**

- A powerful one tank clean up for petrol engines
- Cleans and protects injectors, inlet valves and EGR system
- Reduces CO & HC exhaust emissions
- Restores combustion efficiency and engine performance

555 77 0150**Petrol Power 3****350ml**

- Cleans and protects injectors, inlet valves and EGR system
- Reduces internal friction between engine parts maximising fuel economy
- Protects engines against E10 bio fuel
- Improves combustion and engine performance

555 77 0140

MotCleanOil System Cleaner
500ml

- Excellent cleaning properties
- Works during subsequent oil changes
- Safe for seals and other engine materials

IMPORTANT: The oil and oil filter **MUST** be changed after use

NOTE: Not suitable for motorcycles and wet clutch systems

NOR2897 375**MotSeal**Engine Sealer
300ml

- Replenishes seals and stops oil leaks
- Counteracts the viscosity loss of motor oils
- Reduces oil consumption
- Prevents exhaust bluing
- Should be applied after each and every oil change

NOTE: Not suitable for use in motorcycles and with wet clutch systems

NOR2897 374**Engine Stop Leak****325ml**

- Stops and prevents oil leaks
- Revitalises rubber and neoprene seals, and 'o' rings
- Excellent for valve stem oil seals
- Lubricates and maintains engine seals

555 77 0400**Engine Flush****425ml**

- Cleans engine internally
- Removes harmful deposits
- Frees sticking components
- Prevents contamination of the new oil

555 77 0420**Automatic Transmission Treatment****325ml**

- Cleans and protects the system by means of detergents and dispersants
- Smoothens and quietens gear changes
- Prevents ageing and oxidation of automatic transmission and power steering fluids
- Prolongs the lifetime of the components

555 77 0520**HPLS Gear Oil Treatment**

(With Stop Leak in Blistr)

125ml

- Improve gear shifting, lower gearbox noise and stop oil leaks
- Can be used in manual gearboxes, steering gears, transaxles and differentials (including limited slip differentials)
- Not to be used on automatic gearboxes

555 77 0500

DC980

Diesel Intake Cleaner

400ml

- Suitable for vehicles with exhaust gas recirculation valve and DPF
- Special cleaner with CO² propellant
- Simple and targeted application
- Colorless and residue-free
- Powerful solvent power

IMPORTANT: Only suitable for use in diesel engines

NOR2897 369**DPF 100**

Diesel-Particulate Filter Cleaner

400ml

- Removes carbon deposits
- Non flammable
- Cleans without disassembling the particulate filter
- Restores DPF to full working capacity

IMPORTANT: Only suitable for use in diesel engines

NOTE: Not suitable for blocked DPF's

NOR2897 380**Diesel EGR 3**

Aerosol

200ml

- Cleans the air intake manifold, MAF meter, inlets valves and EGR valve
- Restores stable idle and acceleration
- Reduces exhaust emissions and black soot
- Cleans the 'dry side' of the fuel system

555 77 0100**Diesel Clean 3****500ml**

- A powerful one tank clean up for diesel engines
- Cleans injectors and keeps EGR valve and turbo clean
- Restores combustion and engine performance
- For all diesel engines including high pressure common rail and pump injector

555 77 0090**Diesel Power 3****500ml**

- Extreme emission reducer
- Improves combustion, engine performance and fuel economy
- Cerium technology cleans and reduces soot build up
- Cleans and protects the fuel system and injectors

555 77 0230**Diesel Clean-Up**

(Add to fuel filter)

325ml

- A concentrated direct application smoke and emission reducer
- Reduces black smoke, soot and exhaust emissions
- Restores injector spray patterns and decarbonises the combustion chamber
- Add to fuel filter

555 77 0110

Diesel Fuel System Cleaner

325ml

- A concentrated treatment to clean and maintain the performance of the fuel system
- Cleans, lubricates and protects the fuel pump and injectors
- Restores injector spray patterns and improves combustion
- Reduces black smoke

555 77 0210

CT 60

Diesel Additive
300ml

- Excellent cleaning and lubricating properties
- Suitable for all diesel fuels and diesel engine types
- Improves combustion
- 300ml is sufficient to treat up to 70 litres of fuel

NOR2897 370

Diesel Particulate Filter Regenerator

500ml

- Effectively cleans and regenerates blocked soot filters without dismantling
- Reduces the combustion temperature of soot
- Aids DPF regeneration under normal driving conditions
- Especially recommended for 'short journey' drivers

555 77 0120

DPF Power Clean

High Performance Cleaner
375ml

- Permanent and complete filter cleaning during driving
- No assembling or disassembling and no standing time
- Reduces ignition temperature of the soot collected in the diesel particulate filter
- No formation of secondary emissions
- Complete regeneration, no residue in the entire filter

542 77 1020

Turbo Cleaner

200ml

- Cleans and unblocks dirty turbo charger geometry with or without dismantling
- Dissolves gum, lacquer, carbon, tar and varnish
- Restores turbo power to its original activity
- For petrol and diesel engines

555 77 0130

Fuel Biocide

250ml

Fuel Biocide is curative and preventative treatment against formation of micro-organisms in fuel

- For Diesel and Petrol engines
- Kills bacteria, algae and fungi
- One bottle treats 250 litres of fuel
- A specialist biocide developed to kill the diesel bug
- Does not affect fuel quality, is completely combustible

555 77 0070

TQX Maintenance Spray/Fluid

- Loosens and releases corroded bonds
- Holds firmly to hinges, locks, mechanisms, chains preventing squeaks and creaks, contains PTFE
- Corrosion-resistant ingredients to shield metal surfaces
- Eliminates moisture-induced short circuits on electrical contacts and ignition systems
- Removes grease, tar and gum, also dissolves labels, tape and sticker adhesives
- Silicone free

542 77 0980 - 600ml
542 77 0741 - 5Ltr

WD40

WD-40 protects metal from rust and corrosion, penetrates seized joints, displaces moisture, and lubricates just about anything.

542 77 0050 - 600ml
542 77 0060 - 5Ltr
542 77 0070 - 420ml
542 77 0040 - 420ml Spray

Oxim Ultra

Rust Remover
400ml

- Perfect for freeing rusted connections
- Excellent lubricating properties
- Water-repellent
- Temperature range -20°C to +250°C

NOR2894 441

Super Crack Ultra

Freeze and Release
400ml

- Versatile for all types of maintenance and repair
- Excellent lubricating and cleaning properties
- Impressive freeze capacity, up to -40°C
- Rust dissolving properties
- Silicone free

NOR2894 4421

Teflux

PTFE/Ceramic Oil Spray
400ml

- Excellent cleaning and lubricating properties
- Excellent penetrating ability
- Water-repellent and protects against corrosion
- Silicone free

NOR28944 454

Loctite Freeze & Release

400ml

- Lubricant - emergency repair
- Shock freezing (-40°C)
- Releases rusted, corroded and seized components
- Wicks directly into the rust by capillary action
- Released parts remain lubricated and protected from corrosion

554 77 1760

Siprem

Silicon Premium Spray
400ml

- Lubricates and protects plastic and rubber components
- At least 18% high-quality silicone
- Creates effective water-repellent film
- Leaves no marks
- Exceptional lubricating qualities

NOR2897 322

Siltron

Silicone Grease Spray
400ml

This silicone grease is particularly suited to protecting electronic components and contacts.

- Creates effective water-repellent film
- Lubricates and seals
- Fully compatible with elastomers
- Does not resinify and is extremely resistant to ageing
- Insulates surfaces against creeping currents and flashovers also at high and low temperatures

NOR2897 324

Super-Start

Quick Start
300ml

- Improves starting in cold and wet conditions
- Suitable for 2-stroke and 4-stroke petrol and diesel engines

NOR2897 330 300

Soules

Interior Lubricating Spray
300ml

- Ideal for installing plastic and rubber components
- Fully synthetic, antistatic
- Eliminates moisture
- Long-lasting UV protection
- Silicone free

NOR2897 449

Term Clean

Electrical Contact Cleaner
300ml

- Perfect solution for moisture related ignition issues
- Cleans electrical contacts of light corrosion and dirt accumulation
- Remove greasy dirt and dissolves old encrustations
- Not suitable for use on in-service parts

NOR2897 334

Poltec

Battery Terminal Protector
300ml

- Protect the contacts and terminals from corrosion
- Eliminates the loss of voltage
- Protects against moisture, salts, acids and bases

NOR2897 332 300

Bremtec Brake Cleaner 30Ltr

Due to its acetone content, this high-quality cleaner is ideal for removing oil, dirt and grime from brake discs, pads and linings, as well many other vehicle components

NOR289733 330

MC-1 Brake Cleaner 500ml

- Excellent cleaning properties
- Acetone-free
- Removes oil, dirt, brake fluid and grime from brake discs, pads and linings, as well as many other vehicle components

NOR2897 333 500

Pagid Brake Cleaner

- Removes oil, grease, dirt, and brake fluid without leaving residue
- Can be used to clean vehicle braking systems as well as, alternators, fuel pumps and various engine parts

542 77 0340 - 500ml
542 77 0341 - 5Ltr

Pump Spray Bottle 1Ltr

- Suitable for solvent-based liquids
- Offers good acid-resistance
- Comes with an adjustable nozzle and a removable container
- Can be pressured up to 3 bar
- Contents 1 litre

NOR289733 100

Pagid DOT 5.1 Brake Fluid 500ml

- Ideal for heavy/high performance cars, including those with ABS/ESP
- Greater margin of safety, including if left in the system for too long (i.e. over 2 years)
- Typical wet boiling point 187°C
- Typical dry boiling point 269°C
- Typical wet boiling point 187°C

524 77 0310

Pagid Dot 4 Brake Fluid

- Covers a wide range of vehicles and provides consistent performance across the temperature range
- Ideal for vehicles fitted with ABS systems and is safe to mix with existing DOT 3, DOT 4 and DOT 5.1 fluids
- Meets specifications: FMVSS 116, DOT4-SAE 1703-ISO 4925

524 77 0271 - 500ml
524 77 0272 - 1Ltr
524 77 0270 - 5Ltr
524 77 0275 - 20Ltr

TQX All Season Screenwash Concentrate

- A concentrated windscreen washer additive for use in both summer and winter conditions.
- It contains powerful cleaning agents which quickly remove dirt, grime and insect deposits from windscreens without smearing, for clearer and safer visibility in all driving conditions

542 77 1150 - 1Ltr
542 77 1151 - 5Ltr
542 77 1155 - 25Ltr
542 77 1156 - 200Ltr

TQX Ready Mixed Screenwash

- Contains powerful cleaning agents which quickly remove dirt, grime and insect deposits from windscreens without smearing
- For clearer and safer visibility in all driving conditions

542 77 1250 - 1Ltr
542 77 1251 - 5Ltr
542 77 1255 - 25Ltr

Flash

Screenwash Additive
25ml

- Effective concentrate for windscreen washer systems
- Summer product -7°C
- Suitable for fan nozzles and polycarbonate windscreens
- Highly efficient

NOR2897 313 100

TQX Bug Wash

5Ltr

- The Powerful formula helps to shift dirt, grime, tar and bug deposits leaving a streak free shine
- The improved formula is also 'Kind To Wipers' and avoids damaging the rubber

542 77 1180

TQX Winter Screenwash

- Cleans all types of dirt, grim, tar and sap from your windows, leaving a spotless, streak clear finish
- Formulated to prevent the vehicle's windscreen freezing in winter down to -75°C

542 77 1200 - 1Ltr (-15°C)
542 77 1210 - 1Ltr (-75°C)
542 77 1201 - 5Ltr (-15°C)

Frostex

Sub Zero (-70°C) Screenwash

- Undiluted frost-proof up to -70°C
- Suitable for fan nozzles and polycarbonate windscreens
- Methanol free

NOR2897 312 - 500ml
NOR2897 318 - 30Ltr

TQX Copper Grease

- Triple QX Copper Grease contains oxidation and corrosion inhibitors to protect against seizure of metal parts under extreme pressure & temperature conditions.
- Triple QX Copper Grease is ideal for all nuts, bolts and stud assemblies

526 77 0130 - 500g
 526 77 0120 - 100g
 526 77 0150 - 3kg
 526 77 0140 - 400ml Aerosol

TQX Multi-Purpose EP2 Lithium Grease

500g

- Triple QX Multi-purpose EP2 Grease is a top quality lithium base high melting point grease of No.2 consistency
- The grease is made from special materials by a double process to ensure maximum stability and its structure does not break down on working in bearing

526 77 0030 - 400g
 526 77 0040 - 500g
 526 77 0050 - 3kg

TQX Multi-Purpose Moly Grease

- Ideal for all ball and roller bearings where grease lubrication is specified, particularly medium to high speeds
- For general chassis and machinery lubrication
- For hub and electric motor grease lubricated bearings
- All types of applications to sustain heavy duty or prolong life of components and to reduce friction and wear.

526 77 0080 - 500g
 526 77 0070 - 400g Crt.

TQX Red Rubber Grease

500g

- Triple QX Red Rubber Grease is ideal for automotive brake assemblies, rubber components and hydraulic components
- Because of its resistance to lubricating oil it is suitable for gland packing and seals

526 77 0270

TQX Copper Grease Starter Pack

3 x TQX EP2 500g & 3 x TQX Copper Grease 500g

- Suitable for use on brake pad backings and other high temperature areas
- Protects all metal against seizure, leakage of oil and water, rust and corrosion
- Provides high resistance to oxidation and water washout
- Ideal for many automotive applications including the lubrication of vehicle chassis, wheel bearings, pump bearings, universal joints

526 77 0260

Off-Shore Silver

Ceramic Brake Spray

- Special lubricant that provides reliable adhesive at high temperatures
- Condensation, splash and water proof
- Lasting corrosion protection
- Suitable for vehicles with ABS
- Temperature resistant up to 1400°C

NOR2894449 - 400ml

Off-Shore Silver

Ceramic Brake Paste

- Brush attachment included
- Special lubricant that provides reliable adhesive at high temperatures
- Condensation, splash and water proof
- Lasting corrosion protection
- Suitable for vehicles with ABS
- Temperature resistant up to 1400°C

NOR2894449 200 - 200ml

TT-Power

Dry Lubricating Grease

400ml

- Dry grease for every surface
- Provides protection against wear
- Oil-free, grease-free, silicone-free
- Anti-static

NOR2897 447

High-Press

High Pressure Grease

400ml

- Lubricates all vehicle components
- Suitable for use in the food industry
- Temperature range -20°C to +150°C
- Outstanding adhesive property
- High pressure resistance
- Silicone free
- Colour: Beige or Transparent

NOR2894 4451

High-Press-Ultra

High Pressure Grease PTFE

400ml

- Outstanding adhesive property
- Temperature range -20°C to +200°C
- Resistant to salt and hot water
- Excellent penetrating ability
- High pressure resistance
- Silicone free
- Colour - Light Blue

NOR2894 4453

COP

Copper Grease Spray

400ml

- Automotive, industrial, agricultural and marine applications
- Do NOT apply to friction material surfaces (brake pads, discs etc.) or disc electrical systems

NOR2894 450**NEW!**

TQX Adhesive & Sealant Kit

Kit includes:

- Pipe Seal
- Threadlock and Seal
- Studlock and Seal
- Hydraulic Seal
- High Strength Retainer
- Brake and Airline Seal
- White RTV Silicone Sealant
- Multi Gasket
- Cyanoacrylate Adhesive
- Metal Epoxy Stick
- Plastic Weld
- Bearing Fit

542 77 1380

TQX Threadlock and Seal 10ml

- Threadlock & Seal is designed for direct application on to received parts where a light oily film exists or where surrounding contamination is a problem in maintenance
- Colour - Blue Thixotropic
- Gap fill - 0.1mm

542 77 1360

TQX Studlock and Seal 10ml

- Studlock & Seal eliminates double nutting and/or welding of critical assemblies
- Using Studlock & Seal permits reduced casting thickness and ultimate lightness, reduced assembly stress and eliminates cracked castings due to interference fit stresses
- Colour - Green
- Gap fill - 0.25mm

542 77 1350

TQX Pipe Seal 50ml

- Pipe Seal has excellent solvent resistance and withstands temperatures up to 204°C
- It provides an instant seal up to 1000psi and seals up to 10,000 psi when fully cured. This fast cure time allows quick assembly and prevents galling
- While Pipe Seal holds the seal, disassembly is easy with standard hand tools

542 77 1330

TQX Hydraulic Seal 10ml

- Used for all types of hydraulic connections, sealing against typical pressure line ratings
- To fit valves, threaded couplings, adaptors, quick disconnect parts, compression fittings and vibration proofing joints
- Seals up to 400 bar, 20mm fittings
- Vibration proofs joints
- Easily dismantled with tools
- Colour - Brown
- Gap fill - 0.05mm to 0.25 mm

542 77 1300

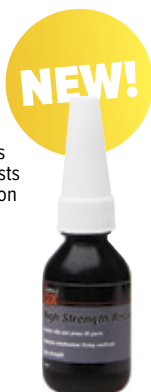

TQX High Strength Retainer 10ml

As an Oil Tolerant Retainer the product is designed for direct application onto as received parts where a light oily film exists or where surrounding parts contamination is a problem in maintenance

- Colour - Green
- Gap fill - 0.1mm

542 77 1290

TQX Bearing Fit Medium Strength 10ml

- Bearing Fit will secure all types and sizes of bearings, shafts and cylindrical parts which will require disassembly in the future
- Colour - Yellow
- Gap Fill - 0.2mm

542 77 1260

TQX Brake and Airline Seal 50ml

- High viscosity thixotropic gel paste which cures rapidly, sealing instantly to 10 bar through its Anaerobic cure system in contact with metals in the absence of air (oxygen)
- When fully cured it resists pressure up to 350 bar. Brake & Airline is not suitable for oxygen systems
- Good chemical/solvent resistance to Ethanol, Motor Oil, Unleaded Petrol, Acetone and Brake Fluid
- Gap Fill - 0.05mm to 0.4mm

542 77 1270

Loctite 2400

H&S Friendly
50ml

- For machined, metal rigid components suitable for -55 to +150°C
- Medium Strength
- Oil and water glycol resistant

554 77 0070

Loctite 2700

H&S Friendly
50ml

- Loctites H&S Friendly range of anaerobics are label free and lead the way in industry
- They carry no hazard symbols, no risk phrases and have a 'white' material safety data sheet
- High Strength Threadlocker
- Excellent chemical and thermal resistance of cured product -55 to +150°C
- Suitable for fasteners up to M20

554 77 0120

Loctite 270 Stud N Bearing Fit

24ml

- A fast acting high strength threadlocker and bearing retainer that can be used on metal threads, shafts, housings and bearings
- High Strength Retainer for bonding cylinder liners, pump impellers and bushes etc.
- Excellent chemical and thermal resistance of cured product -55 to +175°C
- Fills all voids to prevent corrosion and fretting

554 77 1510

Silon Black 230 High Temp Black Silicone 200ml

- This one-component adhesive and sealant has been developed for high-quality requirements in industrial environments
- It consists 100% of solid material and cures at room temperature, virtually without shrinkage
- The speed of cure (cross-linking) is very fast and enables application in production, construction and maintenance sectors, as well as for quick assembly and repair tasks
- Heat resistant up to 230°C

NOR28966 402

Silon Red 300 High Temp Red Silicone 200ml

- This one-component adhesive and sealant has been developed for high-quality requirements in industrial environments
- It consists 100% of solid material and cures at room temperature, virtually without shrinkage
- Heat resistant up to 300°C

NOR28966 401

Loctite 595 Silicone

- Loctite Automotive Silicone Sealant in 310ml cartridges, available in Black White & Clear. Used for Bonding & Sealing components that are subjected to shock, vibration, flexing and thermal expansion & contraction
- Flexible from -60°C to 250°C
- Non Shrinking
- Non Conductive

554 77 1640 - 310ml Clear
554 77 1660 - 310ml White
554 77 1650 - 310ml Black

TQX White RTV Silicone Sealant 80ml

- Acetoxy curing silicone sealant/adhesive that vulcanises at room temperature to provide a permanently flexible seal and bond
- Is suitable for the following applications; sealing aluminium and metal ducting and fabrications, butt and channel glazing, most industrial applications (gasketing up to 250°C), refrigeration and hygiene seal and aluminium gutter sealing

542 77 1370

TQX Eazy Gasket 100ml

- RTV (Room Temperature Vulcanising) gasket sealant in an easy to use package
- Suitable for waterproofing, bonding, insulating, sealing, shimming and packing out

545 77 1591

TQX Multi Gasket 50ml

- Forms in place, making almost any size and shape, replacing paper, cork etc.
- Eliminates relaxation and on loads loss
- The assembled parts are usually suitable for immediate Low Pressure (6 bar) service and once cured can resist 350 Bar Pressure depending on gap size
- Gap fill/Max threadform - 0.5mm/M36

542 77 1320

Loctite 574
Multi Gasket
50ml

- Loctite 574 Multi gasket is a medium strength anaerobic gasketing product ideal for use on rigid metal parts
- It will not start curing until the joint is closed.
- Can be used on metal, plastic and painted parts
- Low odour, non corrosive
- Good water/glycol resistance
- -55 to +250°C

554 77 0410

Loctite 518
Flex Gasket
300ml

- Excellent oil resistance
- Ideal for use on rigid iron, steel and aluminium flanges
- Adapts to flange surface irregularities and scratches up to 0.25mm

554 77 0400

Loctite 5920
Gasket Maker Copper
80ml

- Excellent chemical and thermal resistance cured product -55 to +150°C
- For use on threads up to 3/4" BSP
- Does not Fluorese

554 77 1690

Loctite 5926
Instant Gasket Blue
80ml

- Multi-purpose flexible silicone sealant
- Ideal for use on flexible flanges, machined or cast surfaces, metal or plastic
- Resists vibration, thermal expansion and contraction
- Service temperature range of -55 °C to +200 °C
- Max. gap size: 1mm

554 77 1700

Loctite 7200
Gasket Remover
400ml

- Excellent chemical and thermal resistance of cured product
- Fills all voids to prevent corrosion and fretting
- High Strength
- -55 to +150°C

554 77 0940

Loctite 5922
Gasket Dresser
80ml

- Ideal for use on components prior to adhesive bonding and sealing
- Leaves no residue
- Removes most grease, oil, lubricating fluids and fines

554 77 1710

Super Glue kit

Kit Contains:

- Super Fast Super Glue 20g
- Super Glue Black 20g
- Mineral Filler - for use with cyanoacrylate adhesives 30g
- Fixit - Super Glue Gel 20g
- Fixit Activ – Accelerator 200ml
- Normfest Rapido High Strength Superglue 20g

NOR1957 600**NEW!**Super Fast Super Glue
20g

- Low viscosity
- For traditional applications (metals, rubber, hard plastics, china, laminated and more)
- Cyanoacrylate based

NOR2898 556Super Glue Black
20g

- Contains unique rubber particles
- Extremely flexible
- Ideal for bonding plastics, e.g. door clips
- Cyanoacrylate based

NOR2898 560 20Mineral Filler (For use with cyanoacrylate adhesives)
30g

- Instant adhesive filler, silicon-dioxide based
- Used together with cyanoacrylate adhesives can fill gaps
- Can be mechanically treated and painted
- Density: >1.5g/cm³ 20°C

NOR2898 560 30Super-Glue
Powerful Spray Adhesive
400ml

- Odourless, transparent contact adhesive
- Glues broad range of materials
- Simple to remove with a heat gun
- Temperature range: -25°C to +70°C

NOR2898 552

Fixit
Super Glue Gel
20g

- Ideal for vertical or overhead surface
- Does not drip
- High viscosity
- Cyanoacrylate based

NOR2898 554

Fixit Activ
Accelerator
200ml

- Ensures rapid curing of cyanoacrylate adhesives
- Supports Fixit for bonding large gaps
- Cyanoacrylate based
- Suitable for all cyanoacrylate adhesives

NOR2898 554 150

TQX Cyanoacrylate Adhesive
20g

- Product bonds metals, plastics, wood, ceramics, rubber, leather, card, glass and many other materials

542 77 1280

Loctite Hybrid Glue
50g

- For extra durable and versatile adhesion
- Water, shock and temperature resistant (-50C/+80°C)
- Transparent and flexible

554 77 3770

Loctite 3090
2pt Instant 10g

- 2-component, fast curing, gap filling adhesive with excellent bonding characteristics
- Suitable for a variety of substrates incl. plastics, rubbers and metals, wood, paper, leather and fabric
- Gel-based: non-drip formula allowing vertical and overhead application
- High gap-filling capacity (5mm)

554 77 0530

Loctite Easy Brush Super Glue
50ml

- Loctite Easy Brush Super Glue is the universal instant adhesive from the original name in super glue
- Brush application gives extra accuracy and greater coverage
- Fast fixturing of parts
- -40 to +80°C

554 77 1380

Loctite 330
Multibond Kit
50ml & 40ml

- Loctite 330 Multibond kit is a general use Tough Structural Acrylic Adhesive for bonding similar or dissimilar substrates like metal, wood, glass, ceramic, stone and fiberglass
- Good adhesion to metal
- Cures hard unlike wax type products

554 77 0680

Super Steel Epoxy-Weld
2x25g

- Plastic Padding Super Steel Epoxy Weld is a two metal filled adhesive and filler that sets like steel in 5 minutes making it ideal for emergency repairs
- Seals, bonds, fixes and replaces

554 77 1310

QuikSteel
57g

- Sets steel hard within 15 to 30 minutes, even under water, achieving a full chemical cure within 60 minutes.
- It's impervious to petrol, diesel, and oil – even battery acid
- Repairs leaking fuel tanks, kerbed alloys, and stone damaged radiators, cracked sumps, stripped threads, and exhausts
- Can also be used around the home and can fix anything from leaking guttering to a leaking central heating pipe

542 77 0110

TQX Metal Epoxy Stick
50g

- A hand kneadable, speciality epoxy putty that mixes in 1 minute for permanent repairs to many substrates
- Contains fading black dye that becomes grey after mixing
- May be applied under water (fresh or salt)
- Bonds to Fibreglass, metal, wood, concrete and glass
- Doesn't yellow with UV exposure
- Hardens in 10 minutes, back in service in an hour, full strength in 24 hours
- Repairing tanks and drums, patching holes in pipes, stopping leaks and repairing porosity holes in castings

542 77 1310

TQX Plastic Weld
28ml

- A toughened structural adhesive formulated for bonding dissimilar substrates as well as unprepared metals, ceramics, wood, concrete and standard thermosetting plastic
- The final adhesive bond is designed to be load bearing and resistant to weathering, humidity and wide temperature variations
- High resistance to hydrocarbon based fuels (gasoline, jet fuel, motor oil, hydraulic fluids)

542 77 1340

Loctite 660 Quick Metal
50ml

- Ideal for repairing worn parts without remachining
- Enables re-use of worn bearing seats, keys, splines or tapers
- Suitable for retaining shims
- Max. gap size: 0,5mm
- Should be used with Loctite 7649

554 77 0380

Care Clean Hand Cleaner 3Ltr

- Contains ground pumice stone for easy removal of ingrained contamination
- PH neutral formulation prevents skin irritation
- Very economical
- Dermatologically tested
- Biologically degradable
- Alcohol and silicone free

NOR2897 240

Hand Cleaner Paste 10Ltr

- Contains nonabrasive micro-polymer granules which act like thousands of tiny scrubbing brushes to remove the toughest of ingrained soiling without damaging the skin

NOR28972 408

Swarfega Natural Orange Hand Cleaner 4Ltr

- Uses a blend of non ionic surfactants to remove oil, grease and general soiling quickly and efficiently
- Contains micro-polymer granules which give a deep down clean and gently lift ingrained
- Solvent-free formula helps prevent drying out of the skin
- Dermatologically tested
- Natural orange fragrance
- Built-in pump

542 77 0290

Swarfega Orange Hand Cleaner 4Ltr

- Fast-acting, solvent-free, heavy duty hand cleaner with micro-polymer granules for effective, deep cleaning
- Contains natural orange extracts with wheat germ and glycerine moisturisers
- Up to 800 washes per cartridge
- Dermatologically tested
- Pleasant fragrance

542 77 0750 - Cartridge
542 77 0751 - Dispenser

Swarfega Paint Remover Hand Cleaner 4Ltr

- Highly effective cleaning agents for removing specialist paint shop contaminants
- Uses 100% active ingredients in a clay-thickened matrix for high level, specialist cleaning performance
- Works quickly and easily rinses away to leave no residue on the skin
- Dermatologically tested

542 77 1080

Swarfega Heavy Duty Hand Cleaner Trade Tub 12.5kg

- Contains highly refined hydrocarbon solvent which rapidly dissolves oil and grease
- Removes deeply ingrained oil, grease, tar, diesel, creosote, carbon and most other soiling

542 77 0320

Swarfega Van Cardle Skin Safety Center

- Complete 3-step hand care system to clean, sanitise and protect the skin
- Ideal for mobile vans, work cabins and other areas of limited space

542 77 086C

3 Step Swarfega Skin Safety Centre

(Protect, Clean and Restore)

- The Swarfega skin care system has been specially developed to protect hands in a workshop environment whilst also helping to maintain skin's natural condition

542 77 0560

Hand Cleaner Pump Cartridge

750ml

- No water required – can be used by mobile workers where water supply is not available
- Can be easily wiped away with paper towel leaving no oily residue on the skin
- Works rapidly and effectively to remove soiling

542 77 0870

Protective Cream Pump Cartridge

750ml

- Multi-purpose pre and after work cream
- Kills harmful germs
- 700 applications

542 77 0860

Skin Sanitiser Pump Cartridge

750ml

- Advanced alcohol gel formula is easy-to-apply to provide an economical and convenient method of rapidly disinfecting clean skin
- Meets microbiological performance standards EN12054, EN1275 and EN1500
- No need to rinse with water or wipe-off with towels

542 77 0880

Swarfega Barrier Cream

- Swarfega Protect Pre-Work Cream
- Moisturising and caring protection from water and oil based soiling
- Provides 2-3 hours of skin protection
- Fragrance and silicon free
- Smooth non greasy formula

542 77 0500 - 1Ltr

542 77 0520 - 1Ltr Dispenser

TQX Heavy Duty Hand Wipes

- These Wipes have been specifically designed to work under extreme working conditions in the most demanding workshops and garages
- 150 extra-large, extra strong wipes
- Removes oils, grease and grime
- No need for water
- Great in the back of the car, van or recovery truck

542 77 1010

Natural Hand Cleaner

Lemon

1Ltr

- Contains highly developed surfactant cleaning agents to remove oil, grease, adhesives, some paints and general soiling quickly and effectively
- Contains non-abrasive, natural cornmeal scrub which gives a deep-down clean without damaging the skin
- A rich creamy lotion which quickly rinses off leaving no greasy after-feel
- Dermatologically tested

542 77 0680

ECP Powder Free Latex Gloves

Box of 100

Latex disposable Gloves have been developed especially for industrial and cleaning applications has an AQL rating of 4.0, and in line with European standard as per reg. 1935/2004.

3M Reusable Respirator (FFA1P2 RD)

- Maintenance Free Respirator
- Protection: Against organic vapours and particulates
- Features: Maintenance free, low profile, comfortable design integrated filters and high efficiency exhalation valve
- Face Seal cleaner available for hygiene
- Applications: Mixing of paints. Application of coatings, adhesives and sealers, degreasing
- Approvals: Meets EN405 2001. CE Marked

561 77 3610

Polycotton Navy Overall

- Generous fit so that they can be worn over additional layers of clothing
- Ideal for top to toe general purpose protection
- Polyester/cotton fabric
- Popper front opening
- 2 chest pockets
- 2 side pockets & 1 back pocket
- Hammer loop & ruler pocket
- Partially elasticated waistband

3M Flat Fold (Valved) FFP2 Respirator Pack of 10

- Unique three panel design providing optimal soft and secure feel on face, excellent compatibility with eyewear, well balanced pressure of head straps, soft nose foam and adjustable nose clip
- The valved version has a one-way exhalation valve which provides added comfort and heat reduction for hot and humid work environments
- Applications: Hand and machine sanding and grinding operations. Valved versions especially in hot or humid conditions
- Approvals: Meets EN149:2001. CE Marked

542 77 0195 - 20Ltr

TQX Car Shampoo

5Ltr

- Vehicle Wash is a premium concentrated shampoo and waxing product for cleaning cars, vans and other bright paintwork
- Using an advanced surface active system it cleans leaving a superb gloss finish

542 77 1140

Topas

Intensive Window Cleaner

400ml

- Suitable for polycarbonate glass
- Intensive glass cleaner
- Removes all dirt
- Silicone free

NOR2897 310

Terpanol

Power High-Tech Cleaner

400ml

- An innovative high-tech cleaning product to remove dirt from all surfaces in cars, trucks, caravans and boats without leaving an oily residue
- Removes stubborn dirt, such as bitumen, oil, wax, grease, silicone residue, adhesive label residue, small-scale graffiti, etc

NOR2897 323

Velvet

Upholstery Cleaner

300ml

- Cleans car seats and mats
- Removes greasy residue
- Leaves a pleasant scent

NOR2897 307

Aerofit Power

Air Freshener

400ml

- Highly concentrated active ingredients
- Immediate effectiveness
- Long lasting and cost saving
- Highly efficient

NOR2000 309 400

Tyre Shine

Silicone-free Tyre Care
400ml

- Provides tyres a long-lasting new look
- Silicone-free, non-aggressive solvent mixture
- Can be used to protect rubber components
- Water-resistant
- Quick drying

NOR2897 339 400

Rimol

Aluminium Rim Cleaner
500ml

- Perfect for cleaning aluminium wheel rims and steel wheel rims
- Removes stubborn dirt
- Acidic

NOR2897 320 1

Crystal Ultra

Interior Detailer
400ml

- Eliminates greasy and non-greasy dirt reliably
- Gentle to surfaces
- Loosens grease residue
- Acts anti-statically

NOR2897 306

Insect-Star

Extreme Insect Remover
400ml

- Special cleaner - removes dead insects
- Suitable for paintwork, glass, plastic and alkaline-resistant surfaces
- Silicone free

NOR2000 322

Uni-Star

ABRACS 75mm x M10 x 1.5	6	545 77 4040
ABRACS 75mm x M14	6	545 77 4050
ABRACS 120mm x M14	5	545 77 4060

Wide Faced Bench Grinder Brushes

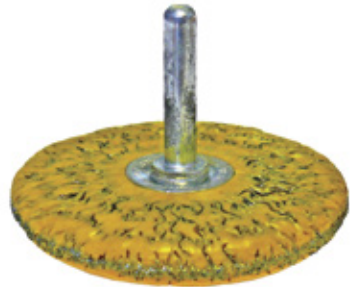

Crimped steel wire brushes suitable for bench grinders. The high resistance steel wire gives the brush more aggression depending on users requirements. Ideal for metal surface preparation and the removal of rust and scales.

Abracs Wire Wheel	Qty	Part Number
150mm x 20mm CRIMP	5	545 77 4070

Circular Brush in Plastic Coating

The unique plastic coating prevents the wire bristles from "fanning" out, making it a very controllable and precise brush ideal for small, delicate areas. The coating also prevents the wire bristles from breaking or splintering during use which ensures that all the wire can be used. Suitable for use on most general purpose applications such as metal, rust, paint and primers.

Spindle Mounted 60mm Plastic Coated Brush	545 77 4070
--	-------------

Spindle Mounted Brushes

A comprehensive range of spindle mounted brushes suitable for a variety of applications. Available with high resistance brass dipped steel wire or in stainless steel. Crimped wire for general purpose applications and twist knot version for more aggressive applications. All brushes fitted with a 6mm spindle.

Spindle Mounted Brushes	Qty	Part Number
