FIGUIÈRE

FAMILLE COMBARD

The Country Vintner is proud to represent Figuière

Formerly Saint André de Figuière —the change in brand name reflects the forward thinking of the Combard family, now led by the next generation.

Figuière wines are produced to show the uniqueness of Provence, with the goal of being fine, structured, and full of minerality.

*“The schist in La Londe seduced my father,” says Magali Combard,
“schist and the sea make our style.”*

HIGH ALTITUDE MALBEC PIONEER

"Thirty years ago my father, Nicolás Catena Zapata, dreamed of making an Argentine Malbec that would stand among the best of the world. He planted a vineyard at almost 5,000 feet elevation, at the limit of vine cultivation, where no one thought that it would ripen. But it did."

Laura Catena
Dr. Laura Catena,
Fourth Generation Vintner.
