Keynote Day 1:

Safety Conscious Schools: **ACTION REQUIRED!** Moving to a Culture Where Safety is a Strategic Priority

Uniquely different from previous general sessions, the opening session of BASA's Facilities and Safety Conference will engage attendees to participate in a critical dialogue elevating "safety" as a strategic priority through creating Safety Conscious Schools. Participants will journey through a tabletop exercise with peers to explore relevant data, share experiences of what is and is not working, and deliberate around methods to move stakeholders towards managing risks and cultivating the rewards of safe schools. This shared experience is one that can then be easily replicated back at your school district with board members, staff, parents, and other key stakeholders.

Keynote Day 2:

A Potentially Uncomfortable Self-Assessment What's the State of Safety in Your Schools?

With the heavy emphasis on active shooter response in Ohio, planning and preparing for much more likely events such as fights, bomb threats, medical emergencies, social media threats, and bus accidents is often inadequate. This session will examine what we know to be true about violent incidents and accidents in schools, both nationally and in Ohio, using specific data and proven best practices. We will explore often-overlooked components of a comprehensive safety plan including threat assessment management, bomb incident management, parent reunification, and violence prevention practices.

State Legislative Conference

Wednesday, March 15
9 a.m. to 1 p.m.

Statehouse Atrium, Columbus
Cost is \$135

The State Legislative Conference provides school board members, administrators and treasurers a great venue to meet with their state legislators and discuss issues impacting public education. It is a golden opportunity to get the message out on the importance of investing in a strong public school system and putting a local face on these issues.

During the morning session, school district leaders will hear briefings on proposed legislation that can be used in discussions with their legislators during lunch and in office visits later that day. Attendees also will hear from legislative leaders about their views on public education and other priorities.

Attendees are urged to schedule office appointments between 1 p.m. and 4 p.m. to meet individually with their legislators and their aides following the luncheon. We also encourage you to extend a personal invitation to them to attend the luncheon.

Don't miss this annual event and a chance to have your voice heard at the Statehouse. Registration begins at 8:30 a.m. Register online at www.ohioschoolboards.org/workshops or contact **Laurie Miller**, OSBA senior events manager, at (614) 540-4000, (800) 589-OSBA or Lmiller@ohioschoolboards.org.
