From the Editor...

Greetings and Happy New Year to all from the Bearhooks II Southern Command located 27°07.404" N by 82°27.590" W where the Lovely & Gracious JeriLynn and I will be spending the winter months. With the winter solstice of Dec 21 now well behind us, the days are getting longer. We'll enjoy approximately one more minute of sun at sunrise and one more minute of daylight before sunset until June 21 when the days will begin to shorten.

With about 16 weeks until Launch we are also about 34 weeks until the dreaded Haul Out! So little time, let's make the most of it. With that in mind, our NCYC Board, Committees, and various member groups are already hard at work and diligently planning the upcoming boating season to make 2017 a most memorable good time for our club. As we embark upon this grand adventure together I want to join all the planners in inviting you to make the most of your club, become involved, and enjoy this unique establishment of friendly members and their families.

As your new Director of Publications, I have quite a learning curve before me and I'm busy getting up to speed. I hope you enjoy this, my first official publication for our club. I believe this is the best position for me as most of it can be done remote and that fits well into our unpredictable lifestyle and travel.

I want to thank all of you for putting your confidence in me to execute the responsibilities of this position and I also want to invite you to please take the time to let me know if there are any changes, additions, or wish list items you may have for the Roster or the Beacon, I'll do my best to accommodate all of you.

Commodores Comments...

Nancy and I would like to wish all of you a very Happy New Year. We are extremely excited about this year at NCYC and hope you are as well. The bar refinishing project is on schedule and will be ready to install once we can access the island. The new walkway and door for egress into the cooler and a few other projects will also start in the spring. We will be posting Fanouts this spring when the Elite brigade work parties start. Please plan on making one or more of these Saturdays. Your help is always greatly appreciated.

We have a lot of great events planned this year starting with the Commodore's Ball, January 21st at the Concorde Inn. I would like to thank my wife Nancy for all the time and hard work she has put into the planning and execution of this special event. If you have not returned your response, please do, there is plenty of room and this is one party you do not want to miss. Please take a look at the events calendar and plan on attending as many events as you can, you won't regret it.

I am looking forward to our first board meeting of the new year and welcome Glenn Nixon, Dale Hall and Ron Draper as new Directors and Ian Blackburn as our new Rear Commodore. I also would like to welcome back the remaining Directors and Flag. I am honored and eager to start working with this fine group towards improving our club, making it better for all of you.

If you are interested in taking a week as manager, we still have five weeks open. Team up with another couple and volunteer for a week. After all, member participation is what makes our club what it is.

As your Commodore, I want to thank you for your support and confidence. With your help, we will make 2017 a great year at NCYC.

Vice Commodores Comments...

Linda and I hope all of you had a very Merry Christmas and Happy New Year celebrating with family and friends. As we face the winter weather in January, we can think that we only have about 17 weeks before we get the boats wet again.

Speaking of getting the boats wet again, Transportation Director Darryl Campbell, is hard at work refurbishing the engine on Fin Runner # 1 making sure we will have our work boat ready for opening the Club in April.

As your Vice Commodore, I look forward to working with our incoming Commodore Pat and Rear Commodore Ian as well as our new Board members, as we steer the ship toward another successful year at NCYC.

Regards,

V/C Randy Pagel

GET THE RETIREMENT YOU WANT.

It's never too soon to start planning.

Many of us have a clear vision of our retirement years. Yet, a surprising number of people have no idea how they'll turn those dreams into reality. The fact is today's retirement takes more than savings and Social Security. It requires a financial plan that addresses your needs, wants and how you'll pay for them. That's where I can help. Together, we'll create a plan to help your money work long enough and hard enough to fund the retirement you envision. **LIFE WELL PLANNED.**

Rear Commodores Comments...

Marie and I would like to take this opportunity in wishing everyone a Happy New Year. We hope that you had the chance to spend time with family and friends during the holiday season. With each New Year we get a fresh, clean page to start over. Here's hoping that life writes a beautiful new chapter for you and your family this year.

We have an exciting NCYC year ahead of us. Kicking it off in style on January 21st is the Ball to honor Commodore Pat Carroll and his lady Nancy. I know they have planned an elegant evening at the Concord Inn and we are looking forward to P/C Stroh's choice for the Spirit award and Member of the year. I know it will not be an easy decision with all the remarkable efforts put forth during the 2016 season by outstanding members.

I would like to welcome P/C Tom McHugh, Dale Hall, Ron Draper, Glen Nixon and Don Ruma to the 2017 Board of Directors. I am looking forward to working together.

As the New Year has arrived, I cannot help but go back in time and think of all the fun times we had in 2016. All would not have been possible without the incredible dedication of wonderful families. I would like to thank P/C Chuck and his lady Sandi for a great year. I would also like to recognize P/C Brian McEvoy, Frank Corcoran, Brent Malik and John Sweier, for their gifts of time and talent they gave NCYC, it was a pleasure serving with you.

As I reflect on 2016, I can't help but think of the wonderful members we lost. They were amazing and will not be forgotten. Rest in Peace my friends, you will be greatly missed.

R/C Ian Blackburn

A friend is a gift you give yourself. It can be more precious than salt or water or gold. It is a gift in return for the love you spend on his or her behalf. Friendship is not a cheap thing, so both give and accept this gracious gift. Friendship grows in love and you will find that you have room in your heart for many. God proved that He loved us all, so include Him as one of the friends you give yourself. You will find more peace inside yourself and ahead.

Commodore's Comments:

Commodore, Chuck Stroh

Welcome to the November meeting. The year is winding down but we still have some business to take care of, let's get started.

Vice Commodore's Comments:

Vice Commodore, Pat Carroll

The clubhouse is closed down, the Fins are out of the water and covered for the winter. The season is quickly winding down and we can now start planning for next year.

If you have not chosen your weekend to be the OD, please see Glenn Nixon. If you are thinking about taking a week to be a weekday manager, please contact Dick Raymond.

Next year is fast approaching and the sooner we get these items behind us the sooner we can concentrate on the real issues at the club.

Rear Commodore's Comments:

Rear Commodore, Randy Pagel

Here we are in November and the 2016 boating season is coming to an end. We had a great year as a club and we are looking forward to next boating season in 2017.

We have an opportunity coming up to support our own P/C Rick Romatz at the ABYA Ball coming in December. I hope all of you can attend and give him our support as Commodore of ABYA for 2016.

I look forward to working with all of you in 2017, and want to personally thank the outgoing directors for all their hard work and enthusiasm, making NCYC the great yacht club that it is.

Treasurer, Frank Corcoran

Of particular note, supplies posted another strong year with net income of \$39,253.

All of the Finns are out of the water, with number 3 being hauled last. Fin 2 will need a new water pump impeller and replace the inadequate plastic light duty sea water strainer with a brass Perko strainer which was donated by Rick and Jill Romatz.

Fin 3 thruster is inoperative which, unfortunately, it is not the fuse this time. An assessment will be done upon haul-out to see if it has to be removed for repair. A timed relay will be installed to stop further abuse.

Chicken Alfredo Rollups

Quick and Easy Stick to the Bones Winter Dinner in Less than an Hour

TOTAL TIME: 0:45 PREP: 0:15 COOK: 0:30 LEVEL: EASY YIELD: 8 SERVINGS

Ingredients:

6 tbsp. butter (plus more greasing the dish)
6 tbsp. flour
4 1/2c. milk (preferably 2% or whole)
Juice of 2 lemon
4 tsp. chopped parsley
4 garlic cloves, minced
4 tbsp. cream cheese, softened
1 Whole shredded rotisserie chicken from your grocery store, just pull all the meat off with a fork and into a dish
1 c. finely grated Parmesan
12 cooked lasagna noodles
kosher salt
Freshly ground black pepper

Directions

1. Preheat oven to 350 degrees F. Butter a 9"x13" casserole dish and set aside.
2. Melt butter in a large skillet over medium heat. Add garlic and sauté until garlic is fragrant, about 30 seconds. Whisk the flour into the butter and garlic and cook until the mixture is bubbling and golden, 1 minute more. Gradually pour in milk, whisking constantly. Bring mixture to a simmer, then stir in cream cheese and Parmesan. Let simmer until the sauce thickens, about 2 to 3 minutes. Add lemon juice and about 1 teaspoon of parsley. Season to taste with salt and pepper.
3. Reserve 1c of sauce for gravy when serving. Then stir in shredded chicken.
4. Spoon a thin layer of sauce onto the bottom of the baking dish. Lay cooked noodles in a single layer on a cutting board or baking sheet. Spread chicken Alfredo mixture on each noodle, then roll up the lasagna noodle. Lay the roll-ups in the baking dish seam side-down. Spoon remaining meat sauce on top of the roll-ups.
5. Bake for 15-20 minutes, until the sauce is bubbly and beginning to brown. Garnish with more parsley and serve warm. Smother with extra sauce to taste. Mmmmmmm Gooooood....
